405 ILCS 165/35 new

Amends the Interagency Children's Behavioral Health Services Act. Requires the Department of Human Services, in coordination with a statewide association representing a majority of hospitals, to establish and offer a voluntary training that will be recorded and made available on the Department's website to all hospital social workers, clinicians, and administrative staff to inform them of BEACON, a centralized resource for Illinois youth and families seeking services for behavioral health needs, with the goal of encouraging families to seek assistance through BEACON and the Interagency Children's Behavioral Health Services Team. Provides that the training shall include how families and hospital staff can access BEACON, the process once a case is entered into BEACON, and State and community programs accessible through BEACON. Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires a psychiatric hospital to contact a youth or the youth's parents, guardian, or caregiver about the BEACON portal (rather than the Family Support Program and the Specialized Family Support Program) prior to referring the youth to the Department of Children and Family Services because the youth was left at the psychiatric hospital beyond medical necessity. Amends the School Code. Requires the State Board of Education, in consultation with the Children's Behavioral Health Transformation Team in the Office of the Governor and relevant stakeholders, to report its work and make available resource materials, including model policies and guidance informed by a phased approach to implementing universal mental health screening in schools. Requires the State Board of Education to report its work by September 1, 2026.

Provides that mental health screenings shall be offered by school districts to students enrolled in kindergarten through grade 12, at least once a year, beginning with the 2027-2028 school year.

HOUSE COMMITTEE AMENDMENT NO. 1

Further amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions concerning youth left in a psychiatric hospital beyond medical necessity, requires a hospital to attempt to contact the youth and the youth's parents, guardian, or caregiver about the BEACON portal and assist with entering the youth's information into the BEACON portal to begin the process of connecting the youth and family to available resources (rather than assist with connections to the designated Family Support Program coordinator in the service area by providing educational materials developed by the Department of Healthcare and Family Services).

PENSION NOTE (Government Forecasting & Accountability)

HB 3440, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Dept. of Human Services)

HB 3440 HA#1 states that psychiatric hospital shall assist in entering the youth's information into the BEACON portal. This would not have a fiscal cost to DHS because our State psychiatric hospitals do not serve individuals under 18.

Creates the Local Accessory Dwelling Unit Act. Provides that a unit of local government may not prohibit the building or usage of accessory dwelling units in the unit of local government. Provides that a unit of local government may provide reasonable regulations relating to the size and location of accessory dwelling units similar to other accessory structures unless a regulation would have the effect of prohibiting accessory dwelling units. Provides that, for the purposes of the Act, a regulation is considered to have the effect of prohibiting an accessory dwelling unit if it: (1) explicitly disallows the construction of accessory dwelling units; (2) imposes fees other than building permit review; (3) applies standards that would render such units inconsistent with other local land use laws; (4) imposes design, bulk, and density standards that would physically preclude the project; (5) requires off-street parking spaces; or (6) requires corrections of nonconformities of the principal dwelling

unit. Provides that that a unit of local government shall approve or deny an application for a permit to create or serve an accessory dwelling unit by right and without discretionary review. Requires the unit of local government to either approve or deny the application to create or serve an accessory dwelling unit within 60 days from the date the unit of local government receives a completed application if there is an existing single-family or multi-family dwelling on the lot. Provides that, if a unit of local government denies an application for an accessory dwelling unit, then the unit of local government shall return a full set of comments to the applicant in writing with a list of items that are defective or deficient and a description of how the application can be remedied by the applicant. Provides that a unit of local government shall not deny an application for a permit to create an accessory dwelling unit due to the correction of nonconforming zoning conditions, building code violations, or unpermitted structures that do not present a threat to public health and safety and are not affected by the construction of the accessory dwelling unit. Amends the Illinois Insurance Code. Requires a group or individual policy of accident and health insurance or a managed care plan to provide coverage for at least one early egg allergen introduction dietary supplement and one early peanut allergen introduction dietary supplement. Provides that the required coverage shall be provided at no cost to a covered individual, including deductible payments and cost-sharing amounts charged once a deductible is met. Except as otherwise provided, nothing in the provisions prevents the operation of such a policy provision as a deductible, coinsurance, allowable charge limitation, coordination of

benefits, or a provision restricting coverage to services by a licensed, certified, or carrier-approved provider or facility. Provides that the required coverage does not apply to accident-only, specified disease, hospital indemnity, Medicare supplement, long-term care, disability income, or other limited benefit health insurance policies, and that the cost-sharing limitation does not apply to a catastrophic health plan to the extent the cost-sharing limitation would cause the plan to fail to be treated as a catastrophic plan under federal law. Provides that the cost-sharing limitation does not apply to a high deductible health plan to the extent this cost-sharing limitation would cause the plan to fail to be treated as a high deductible health plan under specified provisions of the Internal Revenue Code. Provides that, if the cost-sharing limitation would result in an enrollee becoming ineligible for a health savings account under federal law, the cost-sharing limitation only applies to a qualified high deductible health plan after the enrollee's deductible has been met. Amends the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Illinois Public Aid Code to require coverage under those provisions.

Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination

public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on one existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that each public utility shall hold at least one pre-filing public meeting to receive public comment concerning the proposed thermal energy network in the municipality where the thermal energy network is to be located. Sets forth requirements for the notice of the public meeting. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

New Act

Creates the Crossing of Electric Utility Property Act. Requires a public utility to provide an expedited review and grant of a crossing application and may not unreasonably withhold an allowance for a crossing, unless a public utility provides a reasonable justification that the crossing will impair or harm the right-of-way. Authorizes an occupant to commence use of a crossing within 90 days after meeting the following conditions: (i) notice is sent to the public utility that occupant owns or controls land on both sides of the public utility property and that a crossing is reasonably required to expand or maintain operations on the occupant's property or to benefit the public; (ii) provides to the public utility engineering specifications to demonstrate that the proposed crossing will not impair the public utility's occupancy and use of the right-of-way; (iii) affirms to the public utility that the occupant must maintain and repair the owner's own crossing and must bear responsibility for the owner's own acts and omissions concerning use of the crossing; and (iv) provides to the public utility a payment for establishment of the crossing and the first year of crossing fees. Prohibits a public from unreasonably denying a crossing and lists conditions that make a denial unreasonable. Requires that the occupant provide the public utility reasonable access to the crossing to inspect and monitor, and the occupant provide engineering studies that demonstrate that the crossing will not reasonably interrupt or impair the public utility's right-of-way.

Expands the provision to include allegations of material obstruction of an investigation, physical abuse, sexual abuse, non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$100), or egregious neglect. Adds provisions concerning Department investigations where a facility employee is the perpetrator of, at most, neglect, de minimis financial exploitation (such as financial exploitation totaling a cumulative value of less than \$100), or mental abuse.

HOUSE COMMITTEE AMENDMENT NO. 2

Amends the Unified Code of Corrections. Deletes provision that the Department of Central Management Services shall contract with the qualified vendor who proposes the lowest per minute rate not exceeding 7 cents per minute for debit, prepaid, collect calls and who does not bill to any party any tax, service charge, or additional fee exceeding the per minute rate, including, but not limited to, any per call surcharge, account set up fee, bill statement fee, monthly account maintenance charge, or refund fee as established by the Federal Communications Commission Order for state prisons in the Matter of Rates for Interstate Inmate Calling Services, Second Report and Order, WC Docket 12-375, FCC 15-136 (adopted Oct. 22, 2015). Provides that the Department of Central Management Services shall contract with a qualified vendor for telephone services in which the cost of the service is not based on the number of telephone calls made. Provides that a committed person is entitled to make free telephone calls from the correctional institution or facility. Provides that neither the Department of Corrections nor its agents may adopt rules that charge a committed person per telephone call made. Provides that the Department of Corrections shall adopt rules determining the length of each call made by a committed person, how many times each day a committed person may make telephone calls, and may prohibit calls for illegal purposes.

New Act

Creates the Partial-Birth Abortion Ban Act of 2025. Provides that any person who knowingly performs a partial-birth abortion and thereby kills a human fetus or infant is guilty of a Class 4 felony. Provides that a person shall only perform or induce a partial-birth abortion on a viable fetus if: (i) the person is a physician; (ii) the person has a documented referral from another physician not legally or financially affiliated with the person performing or inducing the abortion; (iii) both physicians determine that the life of the mother is endangered by a physical disorder, physical illness, or physical injury; and (iv) there is no other medical procedure that would suffice for that purpose. Provides that the maternal grandparents of the fetus or infant, if the mother has not attained the age of 18 years at the time of the abortion, may obtain appropriate relief unless the pregnancy resulted from the plaintiff's criminal conduct or the plaintiff consented to the abortion. Provides that a woman on whom a partial-birth abortion is performed may not be prosecuted under the Act, for a conspiracy to violate the Act, or for an offense under Article 31 of the Criminal Code of 2012, nor may she be held accountable under Article 5 of the Criminal Code of 2012.

Reaffirms the commitment to the strengthening and deepening of the sister ties between the State of Illinois and Taiwan, the Republic of China (ROC). Reaffirms support for the Taiwan Relations Act (TRA) and supports Illinois businesses referring to Taiwan, ROC, as Taiwan. Supports the further strengthening of a closer economic and trade partnership between the State of Illinois and Taiwan with multiple possible approaches, including signing an economic and trade memorandum of understanding, exploring the possibility of establishing an Illinois Office in Taiwan, and sending Illinois high-level officials to visit Taiwan. Supports Taiwan's meaningful participation in international organizations, which impact the health, safety, and well-being of the peoples of Taiwan, the State of Illinois, the United States, and the world. Adds a rule authorizing a member to designate a House Bill as a Priority Bill when filing it with the Clerk. Provides that, if the Principal Sponsor or the Principal Sponsor's designee fails to present the bill during the first or second hearing for which the bill was posted or if the Principal Sponsor or the Principal Sponsor's designee withdraws consent for consideration at the hearing, the committee may hear testimony and vote one time on a reporting motion for that bill without the consent of the Principal Sponsor or the Principal Sponsor's designee at the third or subsequent hearing for which the bill is posted. Authorizes only the Principal Sponsor or chief co-sponsor of a Priority Bill to offer a committee amendment to the bill. Provides that each Priority Bill that remains pending in any committee at 5:00 p.m. on April 1 shall be automatically discharged to the House and placed on the calendar on the order of Second Reading, unless a standing or special committee has provided an opportunity for public testimony on the bill at a posted hearing and taken a record vote on a motion to report the bill to the House. the Benin Bronzes, the subsequent British acquisition and distribution of the relics, and the current possession of the Benin Bronzes by museums and collectors who are unwilling to share the relics with the heirs of the enslaved people who paid for them with their lives and the heirs of the Benin Kingdom slave traders. Urges the following steps be taken in regard to the Benin Bronzes: (1) an official request for the return and sharing of the Benin Bronzes, (2) the establishment of the Repatriation Committee, (3) the formation of an inventory and comprehensive documentation, (4) the development of a decision-making process, (5) the development of a sharing framework, (6) the collection of resale royalties, (7) the allocation of adequate resources from museum exhibit, loan, and resale royalty fees, (8) the initiation of programs and initiatives to bring heirs of the enslaved and the Benin Kingdom together for healing and reconciliation, and (9) the cooperation of heirs. Urges all nations, stakeholder museums, and collectors to support and adhere to this resolution, recognizing the importance of equitable sharing, redress, and healing in the context of the Benin Bronzes.
