PENSION NOTE (Illinois Pension Laws Commission)

HB 4058 would significantly increase the annual employer contributions to the Fund. In FY 2000, the City of Chicago made employer contributions of approximately \$139.4 million, using a property tax multiplier of 2.00. If a property tax multiplier of 2.26 had been in effect that year, the employer contributions generated by the tax levy would have totaled approximately \$157.5 million, an increase of \$18.1 million.

Sets requirements for qualifying for the public financing benefits. Limits the amount of private contributions qualified candidates may accept. Provides that qualified candidates must be distributed a line of credit from moneys in the Democracy Trust Fund to be used for lawful political expenditures. Provides for the increase of the line of credit if non-complying candidates make certain expenditures. Sets penalties for violations of the Act. Prohibits mass mailings on behalf of candidates for the office of Judge of the Supreme Court using State moneys during the period from June 1 preceding a general election until November 30 following a general election. Provides that the Illinois Supreme Court may, in its discretion, require attorneys to contribute money to the Democracy Trust Fund. Contains other provisions. Amends the State Finance Act. Creates the Democracy Trust Fund. Amends the Illinois Income Tax Act. Provides that \$1 from each Illinois income tax of each individual be placed into the Democracy Trust Fund, unless the taxpayer indicates an objection to the allocation on the income tax return. Amends the Clerks of Courts Act. Provides that \$1 collected from each filing fee and appearance fee of civil cases in which the amount of money or damages or the value of personal property claimed exceeds \$10,000 shall be paid into the Democracy Trust Fund. Effective immediately.

FISCAL NOTE (State Board of Elections)

It is estimated that approximately \$50,000 (hiring of additional staff, hearing officers and investigators to ensure compliance) will be needed by the State Board of Elections to implement the requirements of HB 4075, as introduced. However, the presence of several variables presents difficulties in developing a firm assessment of costs. Items such as the number of candidates participating, the number of violations that may occur and the number of investigations conducted will affect the initial and long-range costs. If no candidates participate,

there will be no cost to the State Board of Elections.

STATE MANDATES NOTE

(Department of Commerce and Community Affairs)

In the opinion of DCCA, HB 4075 does not meet the definition of a State mandate under the State Mandates Act.

35 ILCS 5/213 new

Amends the Illinois Income Tax Act. Creates the educational improvement tax credit program. Provides that, beginning with tax years ending after December 31, 2002, an entity authorized to do business in Illinois and subject to Illinois income taxes (a business firm) is entitled to an income tax credit for contributions to a qualified student assistance organization in the taxable year in which the contribution is made. Provides that the credit shall not exceed 75% of each dollar contributed during the taxable year (90% if the business firm provides a written commitment to make the same amount of contribution for 2 consecutive tax years) and caps the credit at \$100,000 annually per business firm. Defines "qualified student assistance organization" as a non-profit entity that contributes at least 80% of its annual receipts for scholarships or to enhance educational options for qualifying students. Defines "qualifying student" as an Illinois resident below age 21 who is a student and who lives in a household with a certain limited income. Provides that the credit may not be carried forward or back. Provides that the Department of Revenue must approve all credits and may not approve credits in an aggregate amount above \$50,000,000 each State fiscal year. Requires the Department of Revenue to adopt rules and exempts the credit from the sunset provisions. Effective immediately.

FISCAL NOTE (Department of Revenue)

It is difficult to estimate the fiscal impact of HB 4077 since, in part, it would be dependent upon the amounts contributed by businesses to a qualified student assistance organization.

HB 4077 does, however, propose to cap the credit at no more than \$50 million in any State fiscal year. While the bill caps the amount of the credit at \$50 million annually, the administrative expenses incurred by the Department to verify that a student assistance organization qualifies would be significant.

In short, the Department would have to audit each organization to which a donation is proposed and review all of the organization's documents related to expenditures and applications for which scholarships were granted to determine whether 80% was contributed to qualifying students for qualifying purposes. STATE MANDATES NOTE (Illinois State Board of Education) This bill imposes no mandates on local school districts. To the extent that tax credits taken under this legislation reduce State revenues, the money available for State financial assistance to local schools will be reduced.

HOUSE AMENDMENT NO. 1.

Deletes everything after the enacting clause. Amends the Illinois Income Tax Act. Creates the educational improvement tax credit. Contains a caption only.

40 ILCS 5/15-135.1

Amends the State Universities Article of the Illinois Pension Code. Allows certain participants to elect to forgo certain changes in the retirement annuity formula made by Public Act 90-65 and thereby avoid the additional cost of group health insurance imposed under that Public Act. Effective immediately.

PENSION NOTE (Illinois Pension Laws Commission)

The fiscal impact of HB 4088 cannot be determined, as the number of members who will retroactively elect to retire under the provisions of SURS prior to Public Act 90-0065 is unknown.

HB 4088 may reduce the unfunded liabilities and annual cost of SURS very slightly. The premiums paid by the State for SURS retirees' health insurance will increase by an undetermined amount.

New Act

Creates the Illinois Ex-Offenders Employment Stabilization Act. Provides that the Department of Employment Security shall establish a grant program titled the Illinois Ex-Offenders Employment Stabilization Program. The program applies to local governments where the number of residents under State community correctional supervision is 10,000 or more and with a recidivism rate of 25% or more. Provides that the Governor shall appoint an Ex-Offenders Employment Stabilization Program Advisory Board, which shall prepare and recommend rules for the program, determine criteria and procedures for grant awards, review grant applications, and make recommendations to the Department concerning grant awards. Provides requirements for grant proposals. Provides that funds may be appropriated to the Department to pay its costs of administering the program. Effective immediately.

HOUSE AMENDMENT NO. 1.

Deletes reference to:

New Act

Adds reference to:

20 ILCS 3930/7.2 new

Deletes everything. Amends the Illinois Criminal Justice Information Act. Provides that the Illinois Criminal Justice Information Authority shall establish a grant program titled the Illinois Ex-Offenders Employment Stabilization Pilot Program. The program applies to local governments where the number of residents under State community correctional supervision is 10,000 or more and with a recidivism rate of 25% or more. Provides that the Authority may discontinue the program if the program fails to meet its objectives. Provides the appointment of an Ex-Offenders Employment Stabilization Pilot Program Advisory Board, which shall prepare and recommend rules for the program, determine criteria and procedures for grant awards, review grant applications, and make recommendations to the Authority concerning grant awards. Sets requirements for grant proposals. Provides that funds may be appropriated to the Authority to pay its costs of administering the program. Effective immediately.

CORRECTIONAL NOTE (Illinois Department of Corrections)

No new incarceration sanctions or enhanced incarceration penalties are associated with this offense. Therefore, there is no corrections population or fiscal impact on the Department.

FISCAL NOTE, H-AM 1

(Illinois Criminal Justice Information Authority)

It is difficult to determine the fiscal impact of HB 4103, as amended, at this time. The amount of funds needed for grant programs would be dependent on the decisions of the Ex-Offenders Employment Stabilization Advisory Board that would be created by the bill. It is also difficult at this time to determine the necessary administrative costs. These costs will be dependent on the amount of grant funds available, and the number and complexity of grants to be administered. For federal grant programs administered by the Authority, 7% to 10% of grant funds are normally needed to properly administer a program.

HOUSE AMENDMENT NO. 5.

Deletes everything. Reinserts the provisions of House Amendment No. 1 with the following changes: changes the composition of the Advisory Board; provides that the grant proposal requirements are not limited to those specified; provides that the purpose is to assist qualified individuals; provides that expenditure of funds is subject to appropriation; and repeals the new provisions on December 31, 2007. Effective immediately.

FISCAL NOTE, H-AM 5

Same as previous fiscal note.

SENATE AMENDMENT NO. 1.

Adds reference to:

20 ILCS 3930/1 from Ch. 38, par. 210-1

HB-4106 COLVIN – HOWARD – YARBROUGH – FLOWERS – BROSNAHAN, HOFFMAN, COLLINS, MILLER, FRITCHEY, FEIGENHOLTZ, JEFFERSON, TURNER, ART, MURPHY, DART AND LYONS, JOSEPH.

New Act

Create the Tax Refund Anticipation Loan Act. Requires persons engaged in the business of making or facilitating tax refund anticipation loans to register with the Department of Financial Institutions. Provides that certain disclosures regarding interest and fees must be made in conjunction with tax refund anticipation loans. Authorizes the Department of Financial Institutions to impose civil penalties for violation. Provides borrowers a private remedy. Authorizes the award of attorney's fees. Provides that certain violations constitute a Class A misdemeanor. Effective July 1, 2002.

HOME RULE NOTE

(Illinois Department of Commerce and Community Affairs)

HB 4106 concerns the Department of Financial Institutions and private industry. The legislation does not affect a unit of local government, nor does it pre-empt home rule powers.

Therefore, in the opinion of DCCA, HB 4106 does not pre-empt home rule authority.

HOUSE AMENDMENT NO. 1.

Replaces everything after the enacting clause. Creates the Tax Refund Anticipation Loan Disclosure Act. Requires persons who make tax refund anticipation loans to make specific disclosures to borrowers concerning fees, the date loan proceeds will be disbursed, and the average time within which refunds may be expected with regard to electronically filed tax returns. Eliminates the role of the Department of Financial Institutions. Effective July 1, 2002.

HOUSE AMENDMENT NO. 2.

Changes the term "creditor" to "facilitator" and the term "debtor" to "borrower". Excludes licensees under the Consumer Installment Loan Act from the scope of the Act. Requires disclosure of a fee schedule rather than of the fee for a tax refund anticipation loan. Effective January 1, 2003.

HOUSE AMENDMENT NO. 3.

Changes the term "creditor" to "facilitator" and the term "debtor" to "borrower". Excludes licensees under the Consumer Installment Loan Act from the scope of the Act. Requires disclosure of a fee schedule rather than of the fee for a tax refund anticipation loan. Requires disclosure of the estimated date that loan proceeds will be paid if the loan is approved. Effective January 1, 2003.

FISCAL NOTE, H-AM 3 (Attorney General)

This bill will not have a measurable fiscal impact on the Attorney General Office. Because the number of referrals DFI may make under this Act is unknown, it is difficult to precisely predict a fiscal impact, although it is not expected that fiscal impact would be significant.

HB-4129 MCKEON – CURRIE – JOHNSON – JONES, LOU – BROSNAHAN, DELGADO, DAVIS, MONIQUE, FLOWERS, YARBROUGH, SOTO AND JONES, SHIRLEY.

705 ILCS 405/5-130

Amends the Juvenile Court Act of 1987. Provides that a minor who is subject to automatic prosecution as an adult may be tried and sentenced as a delinquent minor upon motion of a party or the court and a hearing conducted by the court. The court must consider certain factors and determine, based on a preponderance of the evidence, that the minor would be amenable to the care, treatment, and training programs available through the facilities of the juvenile court based on an evaluation of the specified factors. Provides that if, after hearing the evidence, the court finds that the minor has no previous delinquent or criminal history and the minor is charged with an offense relating to the illegal manufacture or delivery of a controlled substance, there is a rebuttable presumption that the minor is a fit and proper subject to be dealt with as a delinquent minor.

FISCAL NOTE (Illinois Courts Administrative Office)

HB 4129 would have minimal impact on the judicial branch.

JUDICIAL NOTE (Illinois Courts Administrative Office)

HB 4129 would neither increase nor decrease the number of judges needed in the State.

HOUSE AMENDMENT NO. 1.

Deletes everything. Reinserts the provisions of the bill with the following changes: (1) eliminates provisions requiring that a minor at least 15 years of age be prosecuted and tried as an adult for controlled substance offenses committed on school grounds,

school buses, or public housing property; (2) provides that at the hearing requesting that a minor who is otherwise required to be prosecuted as an adult be prosecuted as a delinquent minor, any material and relevant evidence is admissible; and (3) eliminates the factor to be considered at the hearing that there are resources particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for treatment and rehabilitation of the minor.

FISCAL NOTE, H-AM 2 (Illinois State Police)

If House Bill 4129 (H-am 2), were to become law, there would be no fiscal impact to the Illinois State Police.

JUDICIAL NOTE, H-AM 2 (Illinois Courts Administrative Office)

This legislation would neither increase nor decrease the number of judges needed in the State.

HOUSE AMENDMENT NO. 2.

Deletes everything. Reinserts the provisions of the bill as amended with the following changes: (1) limits the provisions permitting a minor at least 15 years of age otherwise subject to adult prosecution to be tried and sentenced as a delinquent minor only to cases in which the minor committed controlled substance offenses on school grounds, school buses, or public housing property; (2) restores provisions of the law requiring adult criminal prosecution of a minor at least 15 years of age who committed a controlled substance violation on school grounds, school buses, or public housing property and who is not tried and sentenced as a delinquent minor; and (3) eliminates the factor to be considered at the hearing that there are resources particularly available to the Juvenile Court or the Department of Corrections, Juvenile Division, for treatment and rehabilitation of the minor.

HOUSE AMENDMENT NO. 3.

Deletes everything. Reinserts the provisions of the bill as amended with the following changes: limits the provisions permitting a minor at least 15 years of age otherwise subject to adult prosecution to be tried and sentenced as a delinquent minor only to cases in which the minor committed controlled substance offenses on school grounds, school buses, or public housing property other than a Class X felony violation of the Illinois Controlled Substances Act.

Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Illinois Pension Laws Commission)

According to an analysis prepared by the Fund's actuary (based on the December 31, 2000 actuarial valuation), HB 4145 would increase the accrued liability of the Chicago Firefighters' Fund by an estimated \$33.0 million. The level dollar annual payment needed to amortize the estimated increase in unfunded liability over 40 years is \$2.7 million. The estimated annual increase in normal cost is \$1.9 million, or 0.69% of payroll. Therefore, the estimated increase in total annual cost is \$4.7 million, or 1.69% of payroll. As annual normal cost increases (as a dollar amount), the total annual cost will also increase.

PENSION NOTE (Illinois Pension Laws Commission)

According to an analysis prepared by the Fund's actuary, HB4146 would decrease the unfunded liability of the Chicago Firefighters' Fund by an estimated \$17.8 million. The \$17.8 million matches an amount that would be transferred from the

Chicago Municipal Fund, based on the contributions of 380 paramedics who took refunds from the Chicago Municipal Fund in 1984, and who are currently participating in the Chicago Firefighters' Fund. The unfunded liability of the Chicago Municipal Fund would increase by the same amount.

HB-4155 SCHOENBERG – GARRETT – OSTERMAN.

605 ILCS 10/16.2 new

Amends the Toll Highway Act. Prohibits directors of the Illinois State Toll Highway Authority, their employees, and agents from receiving financial benefit from the letting of Authority contracts during their terms of service and for a period of one year following termination of their positions or employment with the Authority. Extends this prohibition to the immediate family or household members of the directors, employees, and agents of the Authority. Prohibits those persons from using material non-public information obtained as a result of their positions with the Authority or their family or household members' positions for their personal financial benefit and prohibits them from disclosing that information to others.

STATE MANDATES NOTE, H-AM 1, 2, 3

(Illinois Department of Commerce and Community Affairs)

In the opinion of DCCA, HB 4155 (H-ams 1, 2, 3) does not meet the definition of a State mandate under the State Mandates Act.

STATE DEBT NOTE, H-AM 1, 2, 3

(Economic and Fiscal Commission)

HB 4155, as amended by H-ams 1, 2 and 3, could affect the State's bonded indebtedness by an undetermined amount.

FISCAL NOTE (Illinois State Toll Highway Authority)

HB 4155 would likely require a refunding of outstanding bonds, requiring payment of bond interest plus allocation of necessary maintenance and operations expenses under the Tollway indenture. The current outstanding debt of the Tollway Authority is \$815 million. This entire amount could become a contingent liability of the State and impact the State's credit. There could also be an impact on the creditworthiness of the Tollway Authority causing a possible downgrade in its credit rating.

35 ILCS 5/212

Amends the Illinois Income Tax Act. Deletes language that repeals the earned income tax credit on June 1, 2003. Effective September 1, 2002.

FISCAL NOTE (Department of Revenue)

For income tax returns filed in 2001 for tax year 2000, the aggregate amount of earned income tax credits (EICs) claimed by Illinois taxpayers amounted to approximately \$39.9 million. The Department received an additional \$35 million transfer from the Tobacco Settlement Fund to the Income Tax Refund Fund to pay EICs. As noted, the actual cost, to date, for the first year exceeded the appropriation by almost \$5 million. The public act creating the EIC provides for the \$35 million transfer of funds to pay for the additional refunds for all 3 years. HB 4172 does not provide for the continuation of these transfers.

HOUSE AMENDMENT NO. 1.

Deletes everything after the enacting clause. Reinserts the bill as introduced but also deletes language that provides that the credit is allowed only for years ending on or before December 31, 2002 (removes the termination date for the credit). Exempts the credit from the sunset requirements of the Act. Effective September 1, 2002.

SENATE AMENDMENT NO. 1.

Adds reference to:

720 ILCS 5/12-4 from Ch. 38, par. 12-4

Provides that it is aggravated assault or aggravated battery if the defendant knows that the individual assaulted or harmed is an employee of a police or sheriff's department engaged in the performance of his or her authorized duties as such employee. Eliminates from the statute defining the offense of aggravated assault, that the emergency medical technician or other medical assistance or first aid personnel must be employed by a municipality or other governmental unit.

SENATE AMENDMENT NO. 2.

Makes the same changes as Senate Amendment No. 1, except that it restores, as an element of the offense when committed against an emergency medical technician, ambulance driver or other medical assistance or first aid personnel, a requirement that the person knows that he or she is assaulting the victim while the victim is performing his or her official duties (rather than his or her duties), or that the person knows that he or

she is assaulting the victim to prevent him or her from performing his or her official duties (rather than his or her duties) or in retaliation for the performance of his or her official duties (rather than his or her duties).

GOVERNOR'S AMENDATORY VETO MESSAGE

Recommends that references to "official" duties be restored in the aggravated assault statute in relation to the commission of an aggravated assault being committed against an emergency medical technician, ambulance driver, or other medical assistance or first aid personnel in the performance of his or her duties. In the aggravated battery statute, provides that the sheriff or police employee harmed must be engaged in the performance of his or her official duties rather than authorized duties. Adds a January 1, 2003 effective date.

15 ILCS 505/16.5

35 ILCS 5/203

from Ch. 120, par. 2-203

Amends the State Treasurer Act and the Illinois Income Tax Act. Exempts College Savings Pool moneys from a participant's or designated beneficiary's creditors and from consideration of a beneficiary's eligibility for scholarships awarded by the State. For Illinois income tax purposes, redefines an individual's adjusted gross income to (i) include earnings on college savings and tuition programs other than the College Savings Pool and the Illinois Prepaid Tuition Program and (ii) remove rollover contributions from the exemption for College Savings Pool contributions. Effective immediately.

FISCAL NOTE (State Treasurer)

HB 4187 will save the State significant lost revenues. Under current law, due to changes in Federal tax laws, the State could lose approximately \$3 million in exempted interest earnings on investments in out-of-state college savings programs, also a possible loss of \$6 million in deductions for investments in college savings transferred from out-of-state programs. This bill will prevent that loss.

HOUSE AMENDMENT NO. 1.

In the State Treasurer Act, removes the exemption of College Savings Pool moneys from a participant's or beneficiary's creditors. In the Illinois Income Tax Act, provides that an individual's adjusted gross income must be increased by the amount excluded from his or her federal gross income for distributions from tuition programs other than the College Savings Pool or the Illinois Prepaid Tuition Trust Fund. Provides that the deduction from an individual's adjusted gross income for contributions to a College Savings Pool account does not apply to amounts excluded from his or her federal gross income.

New Act

Creates the Firearms Dealer Licensing Act. Requires a person who engages in the business of selling or transferring firearms to be licensed by the Department of State Police. Establishes qualifications for licenses. Provides that it is a Class 4 felony to engage in the business of selling or transferring firearms without a license. Requires a licensed firearms dealer who sells or transfers a firearm to a person who is not a licensed dealer to report that sale or transfer to the Department of State Police.

FISCAL NOTE (Illinois Courts Administrative Office)

HB 4223 would have a minimal impact on the judicial branch.

JUDICIAL NOTE (Illinois Courts Administrative Office)

There may be a minimal increase in judicial workloads. However, HB 4223 would not increase the number of judges needed in the State.

PENSION NOTE (Illinois Pension Laws Commission)

Based on the December 31, 2000 valuation, HB 4233 would increase the accrued liability of the Chicago Firefighter's Fund by an estimated \$93.4 million. The level dollar annual payment needed to amortize the estimated increase in unfunded liability over 40 years is \$7.6 million. The estimated annual increase in normal cost is \$1.6 million, or 0.58% of payroll. Therefore, the estimated annual increase in total annual cost is \$9.2 million, or 3.35% of payroll.

PENSION NOTE (Illinois Pension Laws Commission)

According to an analysis prepared by the Fund's actuary (based on the December 31, 2000 actuarial valuation), HB 4225 would increase the accrued liability of the Chicago Firefighters' Fund by an estimated \$121.8 million. The level dollar annual payment needed to amortize the estimated increase in unfunded liability over 40 years is \$10.0 million. FISCAL NOTE (State Treasurer)

With 10 local governments, the cost for the loans would be a one-time start-up increase of \$1,000,000 to \$3,500,000. This money would be repaid over 15 years and could be used to make other loans which would not increase any future years' expenditures.

New Act

Creates the MI Olmstead Initiative of 2002. Provides that the purpose of the Initiative is to establish a program to provide individuals with mental illness or a co-occurring disorder of mental illness and substance abuse with appropriate residential and community-based support services. Requires the Department of Human Services to identify potential participants for the program. Sets forth the services and supports that constitute the program. Requires the Department to annually report to the General Assembly concerning the program.

HOUSE AMENDMENT NO. 1.

Provides that the purpose of the Act is to enable 1,000 (instead of 2,000) persons with mental illness who currently reside in nursing facilities to move to residential settings. Provides that “Institution for mental disease” means a “nursing facility licensed by the Illinois Department of Public Health under the Nursing Home Care Act as defined, consistent with federal regulations, by the Illinois Department of Public Aid”. Removes private and State-operated psychiatric hospitals, residential drug and alcohol treatment centers, and residential psychiatric treatment facilities from the definition of “institution for mental disease”. Requires the Department of Human Services to identify 200 (instead of 400) individuals during each of the 5 years following the implementation of this Act or 1,000 (instead of 2,000) persons to move from institutional settings to alternative residential settings. Provides that the MI Olmstead Initiative shall be designed with a capacity for 1,000 (instead of 2,000) qualified individuals over 5 years.

FISCAL NOTE, H-AM 1
(Illinois Department of Human Services)
The estimated average cost per mental health client moved from

a nursing home into a residential setting is \$35,600. Approximately 30% of the clients moved would need Supervised Residential services at an annual cost of \$42,200 and 70% would need Supported Residential services at an estimated annual cost of \$32,800. To fully support 1,000 clients in community residential settings would cost an estimated \$35,600,000.

FISCAL NOTE, H-AM 1 (Department of Public Aid)

The bill, as amended, would have no fiscal impact on DPA.

 410 ILCS 45/6.3 new
 410 ILCS 45/14 from Ch. 111 1/2, par. 1314

Amends the Lead Poisoning Prevention Act. Requires physicians and health care providers to conduct lead poisoning screening for girls age 13 or older, for pregnant women who are in the first or third trimester of pregnancy and women participating in the WIC program; also provides for screening for women who are nursing an infant. Requires the Department of Public Health to initiate activities that will ensure that the greatest possible number of at-risk children and women are identified and screened for lead poisoning. Requires the Department to ensure that educational materials are capable of being easily understood by women who are subject to screening for lead poisoning and by parents of children who are subject to screening. Requires the Department to make educational materials particularly available to residents of areas defined as high risk for lead poisoning.

FISCAL NOTE (Illinois Department of Public Aid)

Lead screening is currently covered for all ages, as ordered by a physician on a case-by-case basis. The Department estimates that 170,000 additional screenings may be required at an estimated cost of \$4.2 million annually.

FISCAL NOTE (Department of Public Health)

HB 4414 would have a significant fiscal impact on the Department and the local health departments with delegate agency grant agreements to conduct screening and investigations for the Department. It is also expected that there could be an additional fiscal impact to the Department of Human Services which administers the Special Supplemental Food Program for Women, Infants, and Children (WIC).

The grand total for implementing the proposed legislation throughout Illinois would be approximately \$27,500,000 in additional costs to the Department. If the Department of Public Aid provides reimbursements using the same procedures for these groups, the cost to the Department is estimated at \$16,100,000.

STATE MANDATES NOTE, H-AM 1

(Illinois Department of Commerce and Community Affairs)
 In the opinion of DCCA, HB 4429 (H-am 1) does not create a State mandate under the State Mandates Act.

HOME RULE NOTE, H-AM 1

(Illinois Department of Commerce and Community Affairs)
 HB 4429 (H-am 1) does not pre-empt home rule authority.

FISCAL NOTE, H-AM 1

(Illinois Department of Commerce and Community Affairs)
 HB 4429 (H-am 1) does not incur a fiscal impact on DCCA. The effect of the legislation is to provide a mechanism which can be utilized in maintaining adequate funding levels within township budgets for various projects and services. Therefore, to the extent that HB 4429 (H-am 1) affects local revenue, the fiscal impact cannot be reasonably estimated.

410 ILCS 45/2.5 new

Amends the Lead Poisoning Prevention Act. Requires the Department of Public Health and the State Board of Education to conduct a study to conclusively establish the direct correlation between Illinois school districts with high levels of lead poisoning and high levels of learning-disabled students. Requires the Department to (1) determine whether the Lead Poisoning Prevention Act in its current form is sufficient to abate the lead poisoning or whether the provisions of the Act should be expanded to accomplish that result and (2) calculate (i) the cost of this abatement to the State versus (ii) the mon-

etary and social benefit of reducing the number of learning-disabled children who require additional education because of their disabilities. Requires completion of the study by January 1, 2003. Effective immediately.

FISCAL NOTE (State Board of Education)

HB 4440 requires the Department of Public Health (DPH) to use data it already has on children with lead poisoning. It requires SBE to provide data it already has on students with learning disabilities to DPH. There may be costs for DPH to correlate the data sets and establish the list and to compare the costs of abatement with the costs of educating children with disabilities. These costs should be minor.

- 30 ILCS 805/8.26 new

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Allows a sheriff’s law enforcement employee (SLEP) to convert up to 10 years of non-SLEP service credit into SLEP credit by paying the difference in employee contributions, plus interest. Increases the SLEP retirement formula to 2.5% of the final rate of earnings for each year of SLEP service. Allows a person with at least 20 years of SLEP credit to have the pension based on his or her salary rate on the last day of SLEP service. Compounds the 3% annual increase in retirement annuities for SLEPs who retire on or after January 1, 2003; specifies that those retirees do not receive a supplemental benefit payment (13th check). Increases the basic disability benefit for a sheriff’s law enforcement employee whose disability is the result of sickness, accident, or injury incurred in or resulting from the performance of an act of duty, from 50% to 65% of the final rate of earnings. Increases the SLEP surviving spouse benefit to 66% of the deceased SLEP’s retirement annuity. Removes the 2-year service requirement for earning new benefits after a return to service as a SLEP. Increases the additional employee contribution paid by SLEPs to 3.1% of salary. Also eliminates the reduction in benefit imposed on a surviving spouse who is more than 5 years younger than the deceased member, for the surviving spouse of any member who dies on or after the effective date. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

According to IMRF, when calculated individually, the SLEP benefit increases contained in HB 4449 would increase the accrued liabilities of the Fund by \$126.5 million. The corresponding increase in average annual cost (including normal cost) is estimated to be 7.34% of payroll for SLEP employers, assuming amortization of the increase in accrued liabilities over 30 years. This cost would be reduced by a savings of 0.62% of payroll from discontinuing the supplemental benefit payment and by 1.1% due to increased employee contributions. Therefore, when calculated individually, the total annual cost associated with the benefit increases provided in HB 4449 is estimated to be 5.62% of payroll for SLEP employers. If the cost of the benefits contained in HB 4449 were calculated together, the increase in the accrued liabilities of IMRF and the increase in annual employer cost may be significantly higher than those outlined as if calculated individually. The required contributions (as a percent of payroll) may vary widely among employers.

HB-4506 JONES,SHIRLEY – CURRIE – MURPHY AND GILES.

40 ILCS 5/17-101 from Ch. 108 1/2, par. 17-101

Amends the Illinois Pension Code. Makes technical changes in a Section concerning Chicago teachers.

PENSION NOTE (Illinois Pension Laws Commission)

House Bill 4506 has no fiscal impact.

FISCAL NOTE, H-AM 2

(Public School Teachers' Pension & Retirement Fund of Chicago)

Costs associated with the provisions of H-am 2 to HB 4506 would be minimal.

PENSION NOTE, H-AM 2 (Illinois Pension Laws Commission)

According to the Fund's actuary, only one provision of HB 4506, as amended by H-am 2, would have a fiscal impact. That fiscal impact cannot be determined, as the amount of service credit for leaves of absence that would be purchased is unknown. But, there would be a cost to the Fund, as the contributions required would not cover the full cost of the service credit.

HOUSE AMENDMENT NO. 2.

Deletes reference to:

40 ILCS 5/17-101 from Ch. 108 1/2, par. 17-101

Adds reference to:

40 ILCS 5/17-106 from Ch. 108 1/2, par. 17-106

40 ILCS 5/17-119.1

40 ILCS 5/17-121 from Ch. 108 1/2, par. 17-121

40 ILCS 5/17-134 from Ch. 108 1/2, par. 17-134

40 ILCS 5/17-149 from Ch. 108 1/2, par. 17-149

30 ILCS 805/8.26 new

Deletes everything. Amends the Chicago Teacher Article of the Illinois Pension Code. Removes the 150-day limitation on the period of temporary employment that a retired teacher is permitted to undertake without loss of retirement benefits. Eliminates certain restrictions on the types of leave of absence for which credit may be established. Increases the maximum total leave from 12 to 36 months. Provides that a member who elects to receive an optional increase in retirement annuity may make the required contributions in installments over a 24-month period regardless of when the member becomes an annuitant (currently the member must become an annuitant before June 30, 2003). With respect to eligibility for a survivor's pension, provides that a surviving spouse must be married to the teacher for at least one year immediately prior to the teacher's death, but not necessarily at the time of retirement or withdrawal. Provides that, beginning January 1, 2003, remarriage at any age by a surviving spouse does not terminate his or her survivor's pension. Allows a surviving spouse whose survivor's pension or expectation of a survivor's pension was terminated due to remarriage to re-establish the survivor's pension upon repayment of any refund of contributions for survivor's refund, plus interest. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

105 ILCS 5/18-8.05

Amends the School Code. Makes a technical change in a Section concerning the State aid formula.

FISCAL NOTE, H-AM 1 (State Board of Education)

There are currently a number school districts that might become eligible for this supplemental State aid because of potential bankruptcies involving steel companies. It is almost impossible to estimate the number and size of such bankruptcies over time. Currently, Granite City CUSD #9 would be eligible for this payment at a cost of approximately \$1 million for each year that the entity is in bankruptcy.

Amends the Higher Education Student Assistance Act. Makes changes to the provisions concerning the Minority Teachers of Illinois Scholarship Program, including allowing a person enrolled at the freshman level or graduate level to qualify for a scholarship, allowing qualifying students to be enrolled on a half-time basis, and requiring a scholarship recipient to begin teaching within the one-year period following termination of the undergraduate program. Makes changes to the provisions concerning the David A. DeBolt Teacher Shortage Scholarship Program, including changing the name to the ITEACH Teacher Shortage Scholarship Program, allowing a person enrolled at the freshman level to qualify for a scholarship, requiring a scholarship recipient to begin teaching within the one-year period following termination of the academic program, and, for not fulfilling the teaching obligation, changing the interest rate for repayment to 5%. Makes changes to the provisions concerning special education teacher scholarships, including requiring a person to begin teaching within one year after graduation from or termination of enrollment in the teacher education program and not requiring a recipient to repay the amount of scholarship received while enrolled at the freshman level for not fulfilling the teaching requirement. Amends the Illinois Vehicle Code to allow money in the Illinois Future Teacher Corps Scholarship Fund to be appropriated for ITEACH Teacher Shortage Scholarships. Effective July 1, 2003.

HOUSE AMENDMENT NO. 1.

In the provisions concerning Minority Teachers of Illinois scholarships and ITEACH teacher shortage scholarships, restores current law concerning the annual maximum scholarship amount but provides that the scholarship amount for a recipient enrolled at the freshman level may not exceed \$5,000. In the Minority Teachers of Illinois scholarship provisions, allows students to pursue teaching careers at the preschool level and provides that a recipient who withdraws from a teacher education program (instead of the scholarship program) but remains enrolled in school is not required to commence repayment at that time. In the special education teacher scholarship provisions, provides that for a high school student who has not yet graduated, his or her scholastic rank must be in the upper one-half of the class at the end of the sixth (instead of seventh) semester and provides that the scholarship amount for a recipient enrolled at the freshman level may not exceed \$5,000. Changes the effective date from July 1, 2003 to January 1, 2003.

SENATE AMENDMENT NO. 1.

745 ILCS 10/9-102

from Ch. 24, par. 1-4-6
from Ch. 85, par. 9-102

Amends the Illinois Municipal Code. Removes the provision that a municipality, having a population of less than 500,000, must indemnify a police officer only to the extent of \$500,000, which includes the cost of the action. Removes the requirement that, before the municipality has a duty to indemnify an officer, the police officer must notify the municipality of the officer's being made a party-defendant in a case involving the officer's performance of duties as a police officer. Amends the Local Governmental and Governmental Employees Tort Immunity Act. Provides that a local public entity is empowered and directed to pay any tort judgment or settlement for "any and all" (instead of "compensatory") damages.

FISCAL NOTE (Illinois Courts Administrative Office)

Though HB 4915 would increase the potential liability of local governments for actions of non-judicial employees of the circuit courts, the direct fiscal impact of the bill on the judicial branch would be minimal.

JUDICIAL NOTE (Illinois Courts Administrative Office)

HB 4915 could increase judicial workloads. However, it is not anticipated that the bill would increase the number of judges needed in the State.

HOME RULE NOTE

(Department of Commerce and Community Affairs)

HB 4915 does not contain language indicating a limitation of home rule powers and functions. Therefore, in the opinion of DCCA, HB 4915 does not pre-empt home rule authority.

HOUSE AMENDMENT NO. 1.

Deletes everything. Amends the Illinois Municipal Code. Requires a municipality, having a population of less than 500,000, to indemnify a police officer to the extent of \$1,000,000 (instead of \$500,000), which includes the costs of the action. Provides that the indemnified police officer must, within 20 (instead of 10) days, notify the municipality of the officer's being made a party-defendant in a case involving the officer's performance of duties as a police officer. Amends the Local Governmental and Governmental Employees Tort Immunity Act. Includes "attorney fees and costs" in the "compensatory damages" that a local public entity is empowered and directed to pay with respect to any tort judgment or settlement.

FISCAL NOTE, H-AM 1 (Illinois Courts Administrative Office)

This legislation would have no direct fiscal impact on the judicial branch, but may have some impact on local governments in regard to potential liability for the acts or omissions of non-judicial employees of the circuit courts.

JUDICIAL NOTE, H-AM 1 (Illinois Courts Administrative Office)

This legislation would neither increase nor decrease the number of judges needed in the State.

55 ILCS 5/4-5001 from Ch. 34, par. 4-5001
 725 ILCS 5/110-7 from Ch. 38, par. 110-7

Amends the Counties Code. Provides for a \$10 fee for sheriffs to commit any prisoner to or discharge any prisoner from jail. Amends the Code of Criminal Procedure of 1963. Includes the deposit of any fee for commitment to or discharge from jail as a condition before a person is released from custody subject to conditions of a bond.

FISCAL NOTE (Illinois Courts Administrative Office)

While there would be some cost to implement HB 4976 at the county level, it is anticipated that the fiscal impact of the new arrest fee on the judicial branch would be minimal.

JUDICIAL NOTE (Illinois Courts Administrative Office)

HB 4976 would neither increase nor decrease the number of judges needed in the State.

HOUSE AMENDMENT NO. 1.

Deletes reference to:

725 ILCS 5/110-7

Adds reference to:

55 ILCS 5/Art. 4, Div. 4-1 heading

55 ILCS 5/4-1002 new

55 ILCS 5/5-1103 from Ch. 34, par. 5-1103

Deletes everything. Amends the Counties Code. Provides that a county board may by ordinance impose and collect an increase in any statutorily authorized fee when justified by an acceptable cost study showing that the current fee is not sufficient to cover the cost of providing the service. Provides that the county board must prepare a statement of the costs of providing each service and that all documents in support of the increase are subject to public audit and inspection. Provides that the provisions authorizing a county board to increase any statutorily authorized fees if justified by an acceptable cost study do not apply to any fees of the Clerk of the Circuit Court as provided in the Clerks of Courts Act. Provides for a \$10 fee for sheriffs in counties of first and second class for committing each prisoner to and discharging each prisoner from jail. Provides that the court service fee shall be \$25 (currently, a differential rate for different categories of criminal or civil cases, but not to exceed \$15). Effective December 1, 2002.

FISCAL NOTE, H-AM 1 (Illinois Courts Administrative Office)

The new fees on commitment to and release from jail and the court services fee changes would have no direct fiscal impact on the judicial branch, though the change to the court services fee would impact the courts by creating additional revenues for court security measures. The authorization to increase fees based on cost studies would have a significant impact on the judicial branch, if court related fees were increased. It is not possible to estimate the dollar amount of any fiscal impact on the judicial branch, because fee changes would vary by county.

JUDICIAL NOTE, H-AM 1 (Illinois Courts Administrative Office)

This legislation would neither increase nor decrease the number of judges needed in the State.

HB-4977 WINTERS.

750 ILCS 5/513 from Ch. 40, par. 513

Amends the Illinois Marriage and Dissolution of Marriage Act. With respect to provisions authorizing a court to make an award for a child's post-secondary education expenses, provides that unless the parties agree to a higher amount, the court may not award an amount greater than the total cost of tuition and fees and room and board at the Champaign-Urbana campus of the University of Illinois for a comparable period of time and a comparable course of instruction.

HOUSE AMENDMENT NO. 1.

Replaces the bill's amendatory provisions. Provides that the total cost of tuition and fees and room and board at the ChampaignUrbana campus of the University of Illinois for a comparable period of time and a comparable course of instruction is a factor to be considered by the court in making an award for the support of a child who has attained majority (instead of providing that a court may not award an amount for education expenses that is greater than that total cost).

HOUSE AMENDMENT NO. 2.

Deletes reference to:
750 ILCS 16/7
Adds reference to:
New Act

Deletes everything. Creates the Unified Child Support Services Act. Provides that effective July 1, 2004, the Department of Public Aid shall delegate to the State's Attorney in each county with 900,000 or more inhabitants the responsibility for managing a Unified Child Support Services Program to provide services with respect to parentage establishment, support establishment, medical support establishment, support modification, and support enforcement. Requires the State's Attorney of each such county to submit a plan for such a program by July 1, 2003 and each July 1 thereafter. Authorizes State's Attorneys in other counties to request approval for such a program, and authorizes the Department of Public Aid to contract for the management of child support services in counties in which the State's Attorney is not operating such a program. Sets forth the requirements for such a program. Requires an annual report by the Department of Public Aid to the General Assembly.

FISCAL NOTE, S-AM 1

(Department of Public Aid)

While the bill is permissive, DPA estimates that implementation in Cook and DuPage counties would result in one-time startup costs of approximately \$5,000,000 (\$1.67 million net State impact) and annual costs of approximately \$3,500,000 (\$1.2 million net State impact). The impact for the first year would include both figures. This analysis assumes that staff to client ration do not change and that SAO personnel costs are 25% greater than DPA's current costs. The Department cannot determine which counties might participate, however, the bill may limit approval to three plans in any year.

SENATE AMENDMENT NO. 1.

Replaces the provisions concerning submission of a plan for a unified child support services program, eliminating the distinction between counties with a population of 900,000 or more and those with a population of less than 900,000. Provides that by July 1 of 2003 and by July 1 of any subsequent year, a State's Attorney may submit to the Department of Public Aid a plan for a unified child support services program. Provides that a State's Attorney must commit to manage a unified child support services program for at least 3 years. Authorizes the Department to impose a restriction that no more than 3 State's Attorneys may begin operating a unified child support services program in a given year. Provides that in a county in which a unified child support services program is operating, the circuit clerk may submit to the Department a plan for filing administrative orders concerning parentage or child support. Requires that the Department must consult with a designated representative of the Illinois State's Attorneys Association in establishing performance standards. Provides that in all counties (instead of only those counties where the State's Attorney is operating a unified child support services program), the Department must fulfill certain responsibilities. Makes other changes.

SENATE AMENDMENT NO. 3.

Requires a State's Attorney's plan for a unified child support services program to be approved by the appropriate county board before submission to the Department of Public Aid. Deletes a provision requiring county board approval of an intergovernmental agreement between a State's Attorney and the Department of Public Aid. Requires that a unified child support services program's administrative process for establishing parentage and child support be "separate" as well as impartial and independent.

FISCAL NOTE, H-AM 1 (Environmental Protection Agency)
 This legislation can be implemented by IEPA with no additional cost because the on-board diagnostic testing has been used on an advisory only basis since November of 1999.

HOUSE AMENDMENT NO. 1.

Deletes reference to:
 625 ILCS 5/13A-101 from Ch. 95 1/2, par. 13A-101
 Adds reference to:
 625 ILCS 5/13A-115 from Ch. 95 1/2, par. 13A-115
 625 ILCS 5/13B-25

Deletes everything. Amends the Vehicle Emissions Inspection Law of 1995 (Chapter 13B of the Illinois Vehicle Code). Specifies certain inspection procedures that must be followed on model year 1996 and newer vehicles equipped with on-board computer diagnostic equipment. Until January 1, 2004, allows the owners of certain vehicles to avoid the loaded mode exhaust gas analysis or idle exhaust gas analysis by choosing to repair the vehicles to a higher standard. Repeals Chapter 13A of the Illinois Vehicle Code (now obsolete) on January 1, 2003. Effective immediately.

SENATE AMENDMENT NO. 1.

Provides that the owner of a vehicle that fails to meet the standard for the complete on-board computer diagnostic test must be informed that he or she has the option to have the vehicle tested using the less stringent loaded mode exhaust gas analysis or the idle exhaust gas analysis, as appropriate, for one test cycle. Provides that the on-board computer diagnostic test is not required for vehicles with known on-board diagnostic communications or software problems, as determined by the IEPA. Provides that by April 15, 2003, the IEPA shall submit to the General Assembly a report detailing the effectiveness of the use of the on-board computer diagnostic test. Requires the report to include the number of failures, the reason for each failure, the number of vehicle damage complaints, and the average wait time at the test stations.

305 ILCS 5/5-1 from Ch. 23, par. 5-1

Amends the Illinois Public Aid Code. Makes a technical change in a Section concerning the purpose of the “Medicaid” Article.

HOUSE AMENDMENT NO. 1.

- Deletes reference to:
- 305 ILCS 5/5-1
- Adds reference to:
- 305 ILCS 5/5-5.4

Deletes everything. Amends the Illinois Public Aid Code. Deletes a provision for annual Medicaid nursing home rate increases in 1984 and thereafter. Provides that the Department of Public Aid must implement a new Medicaid payment methodology for the nursing component of the nursing home rate effective July 1, 2003, using the Minimum Data Set (MDS). Provides for up to a 2-year period of transition to the new methodology. Provides that for a facility that would receive a lower nursing component rate per patient day under the new system than the facility received effective on the date immediately preceding the date that the Department implements the new payment methodology, the rate per patient for the facility shall be held at the level in effect on that prior date until a higher rate of reimbursement is achieved by that facility. Provides that for a facility that would receive a higher rate, the rate shall be adjusted. Makes rate adjustments subject to appropriations.

FISCAL NOTE, H-AM 1 (Illinois Department of Public Aid)

As this language provides that rates are subject to appropriation, this bill has no fiscal impact.

BALANCED BUDGET NOTE, H-AM 1 (Bureau of the Budget)

Since this bill is not a supplemental appropriation bill, the Balanced Budget Note Act is inapplicable.

STATE DEBT NOTE, H-AM 1 (Economic and Fiscal Commission)

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

STATE MANDATES NOTE, H-AM 1

(Illinois Department of Commerce and Community Affairs)

In the opinion of DCCA, HB5567 (H-am 1) does not create a State mandate under the State Mandates Act. A subsequent rulemaking by the Department of Public Aid would be subject to review when the rules are proposed.

Amends the State Mandates Act to exempt the mandates created by the amendatory Act from reimbursement. Some provisions are effective immediately.

FISCAL NOTE (Illinois State Police)

If HB 5628 would become law, there would be a significant fiscal impact on the Illinois State Police of \$950,000 for equipment acquisition, plus an undetermined level of capital expenditures to modify existing structures to comply with the Act, as well as undefined costs associated with officer training. Additionally, grants to cover costs of purchase of videotaping or digital video equipment for local police agencies is estimated to cost \$12.5 million. This figure does not reflect costs associated with training officers or costs to cover capital improvements that may be required by local police agencies.

STATE MANDATES NOTE (Illinois Community College System)

In the opinion of ICCB, HB 5628 does not create a State mandate to the community colleges of Illinois.

FISCAL NOTE (Department of Corrections)

There would be no fiscal impact or impact on the corrections population from HB 5628.

40 ILCS 5/4-106.1 from Ch. 108 1/2, par. 4-106.1
 30 ILCS 805/8.26 new

Amends the Downstate Firefighter Article of the Illinois Pension Code. When a municipal fire department is discontinued and the affected territory is annexed by a fire protection district, provides for transfer of the assets and liabilities of the municipality's firefighters' pension fund to the pension fund of the fire protection district. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Illinois Pension Laws Commission)
 The fiscal impact of HB 5633 cannot be determined, but is estimated to be minor, as the number of funds that would be affected by the draft is probably very small. There may be a fiscal impact to the pension funds of the fire protection districts, as the liabilities transferred to those funds would probably be greater than the transferred assets.

HB-5661 MYERS,RICHARD – WIRSING – KOSEL.

105 ILCS 5/21-14.5 new

Amends the School Code. Creates the Continuing Professional Development Scholarship Program. Requires the State Board of Education to implement and administer the program, which shall provide scholarships to applicants who are holders of Standard

Teaching Certificates, are seeking certificate renewal, and are planning to take coursework from a regionally accredited institution as part of an approved certificate renewal plan. Provides that a scholarship holder may receive scholarship assistance to cover the actual tuition charge for the coursework that the person is enrolled to take as part of his or her certificate renewal plan, with limitations. Provides that a scholarship holder may reapply for another scholarship within a 5-year period. Effective July 1, 2002.

FISCAL NOTE (State Board of Education)

Approximately 50,000 to 60,000 teachers renew their certificates each year. Depending on the assumptions, this could cost anywhere from \$1 million to \$30 million. The high-end assumption would be that each of the 60,000 would take coursework equal to \$500. The low-end assumption would be that only 1/3 of the 50,000 would take only one hour of classwork at an actual community college cost of \$50 (community colleges range from \$39 to \$68 per credit hour).

HB-5714 MENDOZA – TURNER,ART.

725 ILCS 5/110-7 from Ch. 38, par. 110-7

Amends the Code of Criminal Procedure of 1963. Provides that when the conditions of the bail bond have been performed and the accused has been discharged from all obligations, the court shall order the return of 80% (rather than 90%) of the bail amount and shall retain 20% (rather than 10%) of the amount deposited as bail bond costs. Provides that the court shall not order bail bond deposited by or on behalf of a defendant in one case to be used to satisfy the financial obligations of that same defendant in a different case until the bail bond is first used to satisfy any unpaid child support obligations.

FISCAL NOTE (Office of Illinois Courts)

HB 5714 would substantially increase the amount of money retained for bond cost, which would increase revenues for county government. The fiscal impact of HB 5714 will vary by county.

JUDICIAL NOTE (Office of Illinois Courts)

HB 5714 would neither increase nor decrease the number of judges needed in the State.

New Act

Creates the Provider Termination Notification Act. Provides that a health care licensing board that takes an adverse action against a licensed health care professional or that has reported to it an adverse action taken by a hospital or other health care professional

review committee against a licensed health care professional shall notify any health carrier that voluntarily provides the licensing board a point of contact to receive information of adverse actions. Provides that a health carrier may limit, restrict, suspend, or terminate the agreement under which the licensed health care professional furnishes health care items and services to participants, beneficiaries, or enrollees of the health carrier.

FISCAL NOTE

(Illinois Department of Professional Regulation)

The Department is going to sell a monthly subscription to mail or fax the monthly disciplinary report at a cost of \$48 per year. The maximum cost to the agency, assuming that all health carriers requested a mailed copy of the report provided at no charge from the agency, is estimated at \$62,400 per year. If all health carriers instead accessed the information from our web site, then there would be no additional financial impact to the agency. In addition, the agency anticipates a maximum cost to mail notification to all health carriers of adverse actions reported by hospitals to be approximately \$85,000.

Amends the IMRF Article of the Illinois Pension Code. Makes county probation officers eligible for the sheriff's law enforcement employee (SLEP) formula. Allows these probation officers to convert non-SLEP service as a probation officer into SLEP credit by paying the difference in employee contributions plus interest. Includes provisions allowing the employee to have the contribution deducted from the retirement annuity in certain circumstances. Allows the employer to amortize over 5 years the liability resulting from conversions occurring in the first year. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Illinois Pension Laws Commission)

The fiscal impact of HB 5834 cannot be determined, as the number of county probation officers is unknown. Including additional employees under the SLEP formula would increase IMRF costs for their employers.

Provides that on and after the effective date of this amendatory Act, the accreditation requirements apply to contracted organizations that are already accredited. Effective immediately.

SENATE AMENDMENT NO. 1.

Requires the Department of Human Services to accept the accreditation of certain providers of mental health or substance abuse services in lieu of the Department's on-site review or monitoring requirements "except when the federal or State statutes authorizing a program, or the federal regulations implementing a program, are to the contrary" (instead of "notwithstanding any provision of law to the contrary"). Authorizes the Department to develop standards with respect to the monitoring and licensing of accredited programs, services, and facilities. Provides that the Department reserves the right to monitor a provider of mental health and substance abuse treatment services when the survey or inspection of an accrediting organization has established any deficiency in the accreditation standards and processes.

HB-5849 NOVAK – HAMOS.

20 ILCS 3105/10.09-5 new

Amends the Capital Development Board Act. Requires the Board by January 1, 2003, to adopt an energy code for the construction or repair of facilities funded by General Assembly appropriations. Effective immediately.

STATE MANDATES NOTE

(Illinois Department of Commerce and Community Affairs)
In the opinion of DCCA, HB 5849 does not meet the definition of a State mandate under the State Mandates Act.

FISCAL NOTE (Capital Development Board)

Since CDB already complies with a federal energy code, adopting a new energy code would have little fiscal impact, if any, on CDB operations. However, the fiscal impact on future capital projects cannot be calculated, since the specifics of a new code are unknown at this time. For example, higher efficiency window requirements could increase construction costs if the new required windows are more expensive than current standard windows. Further, more specialized materials or items required in a new code could force the State to purchase from a sole source, significantly increasing costs due to lack of competitive bidding. Again, these unknowns prohibit CDB from making an estimate on the fiscal impact of HB 5849 on future construction.

HB-5922 MADIGAN,MJ – BURKE.

730 ILCS 5/5-8-1.2

Amends the Unified Code of Corrections. Makes a technical change to a Section concerning impact incarceration.

HOUSE AMENDMENT NO. 1.

Deletes reference to:

730 ILCS 5/5-8-1.2

Adds reference to:

55 ILCS 5/4-8002

from Ch. 34, par. 4-8002

30 ILCS 805/8.26 new

Deletes everything after the enacting clause. Amends the Counties Code. Provides for stipends to be paid to the sheriff of Cook County and those employees of the sheriff responsible for administering the county impact incarceration program. The first year's stipends are to be paid by Cook County. Thereafter, the stipends are to be paid by the State. Preempts home rule powers. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

HOME RULE NOTE, H-AM 1

HB 5922 (H-am 1) pre-empts home rule authority.

STATE MANDATES NOTE, H-AM 1

(Illinois Department of Commerce and Community Affairs)

In the opinion of DCCA, HB 5922 (H-am 1) creates a personnel mandate for which reimbursement of 100% of the increased costs to units of local government would normally be required.

However, HB 5922 (H-am 1) amends the State Mandates Act to require implementation by Cook County without State reimbursement in the first year. The estimated cost to the county is \$93,000.

FISCAL NOTE, H-AM 1

(Illinois Department of Commerce and Community Affairs).

HB 5922 (H-am 1) does not contain a reference to DCCA. However, for FY2002, DCCA was allocated \$663,000 for sheriffs' stipends.

The legislation incurs impact on local revenue by requiring Cook County to pay stipends for one year to its Sheriff and those employees of the Sheriff responsible for administering the county's impact incarceration program. Subsequent years' stipends shall be paid by the State. The legislation does not specify a funding source for the stipends in the State budget. Cook County will pay \$93,000 in stipends for one year. The State shall be required to allocate \$31,000 for the stipends each year thereafter.

Amends the State Employees Group Insurance Act of 1971. Provides that self-employed persons and small businesses may be provided group health coverage under the Act. Limits small businesses to those with 25 or fewer employees. Amends the State Finance Act to provide for payments made on behalf of the small business employees to be deposited into the Small Employers Health Insurance Reserve Fund. Effective January 1, 2003.

FISCAL NOTE (Department of Insurance)
 House Bill 5963 will have no fiscal impact on the Department.
 FISCAL NOTE (Department of Central Management Services)
 Assuming 1 - 2% of the approximately 282,000 registered small businesses that would be eligible to apply did apply during the first year, estimated first year administrative costs would be \$600,000, including 7 - 10 staff members. Subsequent fiscal year administrative costs would begin at approximately \$500,000 and would likely increase with increased participation. Since all Plan expenses are borne by the participating units, this legislation would have minimal fiscal impact to the State. However, expenditure authority for the Small Employers Health Insurance Reserve Fund would have to be appropriated to cover payments for medical claims and

administrative costs. An initial GRF appropriation of \$600,000 is needed for program start-up costs.

STATE MANDATES NOTE

Provides that a municipality has the authority to impose the tax authorized by the Act only if the telecommunications customer is located inside the corporate boundaries of the municipality, regardless of the customer's service address. HOUSE AMENDMENT NO. 2.

Adds reference to:

35 ILCS 636/5-42 new

Deletes everything after the enacting clause. Amends the Simplified Municipal Telecommunications Tax Act. Provides that a person who believes that he or she is improperly being charged a tax imposed under the Act may make a written request to the

Department of Revenue for a determination of whether the person's place of primary use for mobile telecommunications service or the service address for non-mobile telecommunications is located within the jurisdictional boundaries of the municipality for which he or she is being charged tax under the Act. Within 90 days after receipt of a request for determination, the Department shall issue a letter of determination to the person stating whether that person's place of primary use for mobile telecommunications service or the service address for non-mobile telecommunications is located within the jurisdictional boundaries of the municipality for which the person is being charged tax under this Act. If the Department determines that the person lives outside of the taxing jurisdiction, the telecommunications retailer shall correct the error and refund or credit the appropriate amount of tax paid in error by the person in any period still available for the filing of a claim for credit or refund by the telecommunications retailer under the Act. Effective July 1, 2002.

FISCAL NOTE, H-AM 2 (Department of Revenue)

HB 6012, as amended by H-am 2, would create minimal additional administrative responsibilities for the Department. Provides that the safe harbor provisions of Sections 40 and 45 of the Mobile Telecommunications Sourcing Conformity Act shall apply to any telecommunications retailers employing enhanced zip codes to assign each street address, address range, post office box, or post office box range in their service area to a specific municipal tax jurisdiction. Provides that a person who believes that he or she is improperly being charged a tax imposed under the Act may make a written request to the telecommunications retailer (instead of the Department of Revenue) for a determination of whether the person's place of primary use for mobile telecommunications service or the service address for non-mobile telecommunications is located within the jurisdictional boundaries of the municipality for which he or she is being charged tax under the Act. Within 60 days after receiving a notice, the telecommunications retailer shall review its records and determine the customer's taxing jurisdiction. Provides that a customer may appeal the retailer's decision to the Illinois Department of Revenue. The Department has 90 days to make its determination. Amends the Mobile Telecommunications Sourcing Conformity Act. Changes the term "home service provider" to "telecommunications retailer". Provides that the telecommunications retailer shall correct errors and refund or credit the amount of tax erroneously collected for a period of up to 3 years (instead of 2 years). mobile Telecommunications Sourcing Conformity Act do not apply if the telecommunications retailer receives a copy of a letter of determination from the Department of Revenue stating that a person's place of primary use or service address is not located in the municipality for which that person is being charged tax by the retailer and the retailer fails to correct the error and refund or credit the tax within certain time periods. Requires the filing of a written complaint (now, notification in writing) by those who believe they are not in the taxing jurisdiction for which they are being taxed. Provides that any refund required to be paid shall cover the period still available for the filing of a claim or refund by the telecommunications retailer (now, a period of up to 3 years). Removes the Section concerning county wetland protection by regulation of wetlands. Changes the penalties for violation of the Act.

FISCAL NOTE, H-AM 1 (Department of Natural Resources)

The cost to the State is estimated to be in excess of \$500,000 for 8 staff and support costs. One time equipment start-up costs are expected to be \$85,000. It is not possible to estimate the revenue to be generated because of uncertainty of the volume of activity and the fees that are to be established by Administrative Rule.

FISCAL NOTE, H-AM 1 (Environmental Protection Agency)

HB 6013, as amended by H-am 1, will have a limited financial impact on EPA based upon the staff time that would be required. However, this impact will be spread out over a long period of time due to the deadline for the proposed rules being 2006. Therefore, IEPA believes it can implement HB 6013 with its existing resources.

LAND CONVEYANCE APPRAISAL NOTE, H-AM 1
(Department of Transportation)

This legislation does not transfer any parcels of IDOT property. Therefore, there are no IDOT land conveyance appraisals associated with this legislation.

STATE MANDATES NOTE, H-AM 1

(Illinois Department of Commerce and Community Affairs)

In the opinion of DCCA, HB 6013 (H-am 1) creates a service mandate for which reimbursement of 50% to 100% of the increased costs to units of local government is required under the State Mandates Act. Due to the nature of the bill, an estimate of the increased cost to units of local government cannot be determined.

40 ILCS 5/7-109.3	from Ch. 108 1/2, par. 7-109.3
-------------------	--------------------------------

Amends the IMRF Article of the Illinois Pension Code. Provides that a person who is employed as an investigator on a full-time basis by the Office of a State’s Attorney and performs police duties may participate in the Fund as a sheriff’s law enforcement employee (SLEP); requires county board approval. Effective immediately.

PENSION NOTE (Illinois Pension Laws Commission)
 The fiscal impact of HB 6020 cannot be determined, as the number of counties that would allow eligible employees to become SLEP members is unknown. There would be an increase in accrued liabilities and annual costs for counties that allow full-time investigators (with police duties) for the Office of a State’s Attorney to be included under the SLEP formula.

HB-6051 CURRIE.

725 ILCS 5/Article 108C heading new

725 ILCS 5/ 108C-1 new

Amends the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of a defendant, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of this amendatory Act is inadmissible as evidence against the defendant in any capital trial, unless: (1) an electronic video and audio recording is made of the custodial interrogation; (2) before the custodial interrogation but during the recording, the defendant is given certain warnings of his or her rights; (3) that prior to the statement but during the recording, the defendant waives these rights; (4) the recording is accurate and has not been altered; (5) all voices on the recording are identifiable; and (6) not later than the 20th day before the date of any criminal proceeding at which the statement is to be admitted as evidence against the defendant, the attorney representing the defendant is permitted to review a true, complete, and accurate copy of all recordings of the defendant made under this Section.

FISCAL NOTE (Illinois State Police)

If HB 6051 were to become law there would be a fiscal impact on the Illinois State Police (ISP) of approximately \$950,000 relating to equipment acquisition. Furthermore, ISP would incur an undetermined additional amount related to capital expenditures which would be necessary to modify existing structures to comply with the Act, as well as undefined costs associated with officer training.

JUDICIAL NOTE (Office of Illinois Courts)

It is not anticipated that the bill would increase the number of judges needed in the State.
