HOUSE RESOLUTION 344

Offered by Representative Harper:

WHEREAS, Cystic fibrosis, commonly referred to as "CF", is a genetic disease affecting approximately 30,000 children and adults in the United States and nearly 70,000 children and adults worldwide, 1,035 of whom live in Illinois; and

WHEREAS, A defective gene causes the body to produce an abnormally thick, sticky mucus that clogs the lungs; these secretions produce life-threatening lung infections and obstruct the pancreas, preventing digestive enzymes from reaching the intestines to help break down and absorb food; and

WHEREAS, More than 10 million Americans are symptomless carriers of the defective cystic fibrosis gene; cystic fibrosis occurs in approximately one of every 3,500 live births in the United States; and

WHEREAS, The median age of survival for a person with cystic fibrosis is 41.1 years; and

WHEREAS, With advances in the treatment of cystic fibrosis, the number of adults living with cystic fibrosis has steadily grown, and approximately 1,000 new cases of cystic fibrosis are diagnosed each year; and

WHEREAS, Nearly 50% of the cystic fibrosis population is 18 years of age and older; people with cystic fibrosis have a variety of symptoms attributed to the more than 1,800 mutations of the cystic fibrosis gene; and

WHEREAS, Infant blood screening to detect genetic defects is the most reliable and least costly method to identify persons likely to have cystic fibrosis; and

WHEREAS, Early diagnosis of cystic fibrosis permits early treatment and enhances quality of life and longevity; the treatment of cystic fibrosis depends on the stage of the disease and the organs involved; and

WHEREAS, Clearing mucus from the lungs is an important part of the daily cystic fibrosis treatment regimen; other types of treatments include inhaled antibiotics and pancreatic enzymes, among others; and

WHEREAS, There are 15 world-class treatment centers in Illinois that specialize in the diagnosis of cystic fibrosis and the care of persons with cystic fibrosis; and

WHEREAS, A critical component of treating patients with cystic fibrosis includes access to innovative treatments, which can play a crucial role in the lives of patients with cystic fibrosis; and

WHEREAS, Improving the length and quality of life for people with cystic fibrosis starts with awareness; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare the month of May of 2021 as Cystic Fibrosis Awareness Month in the State of Illinois.

HOUSE RESOLUTION 346

Offered by Representative Hirschauer:

WHEREAS, Every day, more than 100 Americans are killed by gun violence, and 230 are shot and wounded; on average, there are more than 13,000 gun homicides every year; and

WHEREAS, Americans are 25 times more likely to die by gun homicide than people in other high-income countries; and

WHEREAS, Illinois has 1,400 gun deaths every year, with a rate of 11 deaths per 100,000 people; Illinois has the 36th highest rate of gun deaths in the U.S.; and

WHEREAS, Protecting public safety in the communities they serve is among a legislator's highest responsibilities; and

WHEREAS, Support for the Second Amendment rights of law-abiding citizens goes hand-in-hand with keeping guns away from people that shouldn't have them; and

WHEREAS, Gun violence prevention is more important than ever as the COVID-19 pandemic continues to exacerbate gun violence after more than a year of increased gun sales, of increased calls to suicide and domestic violence hotlines, and an increase in city gun violence; and

WHEREAS, In January of 2013, Hadiya Pendleton, born June 2, 1997, was tragically shot and killed at age 15; on June 4, 2021, to recognize the 24th birthday of Hadiya Pendleton, people across the United States will recognize National Gun Violence Awareness Day and wear orange in tribute to Hadiya Pendleton, other victims of gun violence, and the loved ones of those victims; and

WHEREAS, The idea was inspired by a group of Hadiya's friends who asked their classmates to commemorate her life by wearing orange; they chose this color because hunters wear orange to announce

themselves to other hunters when out in the woods, and orange is a color that symbolizes the value of human life; and

WHEREAS, Anyone can join this campaign by pledging to wear orange on June 4th, the first Friday in June of 2021, to help raise awareness about gun violence; and

WHEREAS, By wearing orange on June 4, 2021, Americans will raise awareness about gun violence and honor the lives of gun violence victims and survivors; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare June 4, 2021 to be Gun Violence Awareness Day in the State of Illinois and encourage all citizens to support their communities' efforts to prevent the tragic effects of gun violence and to honor and value human lives; and be it further

RESOLVED, That we renew our commitment to reduce gun violence, pledge to do all we can to keep firearms out of the wrong hands, and encourage responsible gun ownership to help keep our children safe.

HOUSE RESOLUTION 352

Offered by Representative Rita:

WHEREAS, Effective November 27, 2018, the Illinois General Assembly passed an Article entitled The Domestic Stock Division Law (215 ILCS 5/35B-1 et.seq.); this law allows an Illinois domestic stock insurance company to divide itself into two or more resulting companies; and

WHEREAS, Since its enactment, the Illinois Life and Health Insurance Guaranty Association has been very concerned with certain aspects of the law that could allow for non-transparent transactions and materially deficient resulting insurance companies; and

WHEREAS, The Illinois Life and Health Insurance Guaranty Association has proposed amendments to the law in 2019, 2020, and 2021 on various key deficiencies found within the law; the law allows an existing Illinois domestic insurance company to divide into two or more companies under a Division Plan; the legislation could be used by an insurance company to segregate an unprofitable book of business from the remainder of the company's profitable business and supporting assets; only the new company would be responsible for fulfilment of contractual obligations to policy holders transferred to the new company, not the original insurance company; together, those policy holders and the Association would then bear the risk of insufficient assets or unpredictable liabilities transferred to the new company without the support of the original insurance company's financial strength; and

WHEREAS, The Division Plan can be approved without a hearing; all documents supporting the Division Plan and the Division Plan itself are deemed confidential, unless the Director of Insurance elects otherwise; even if a hearing is held at the Director's discretion, only the Division Plan will become public, not the supporting financial and actuarial information and documents, which remain confidential and not subject to public disclosure through typical discovery such as interrogatories and request for production of documents, subpoena, or even a Freedom of Information Act request; a new company's obligations to policy holders can be supported by inferior assets; the legislation requires that the Director "shall approve" the Plan unless certain conditions are not met; some of the conditions include that the Plan will not create a new company that will be insolvent and the remaining assets of the new company will not be unreasonably small in relation to the business and transactions in which the new company will engage; and

WHEREAS, In determining if these two conditions have been met, the Director may consider inferior assets transferred to the new company; the financial safety of an existing insurance company must be judged on the basis of "admitted assets", i.e., assets defined and deemed as high quality under existing insurance law and regulations; under the Division Law, the financial safety and solvency of the new company can be measured using non-admitted assets, assets which are inferior and do not meet the criteria of high quality of admitted assets; the Division Law specifies that non-admitted assets can include, "without limitation", (1) Reinsurance Agreements, (2) Parental Guarantees, (3) Support Agreements, (4) Keep Well Agreements, (5) Capital Maintenance Agreements, (6) Contingent Capital Agreements, and (7) Other; since the original company cannot use such non-admitted assets to support policy holder liabilities, the provision whereby a new unproven resulting company can use such non-admitted assets is inappropriate; and

WHEREAS, The Division Law allows a Plan to be filed and approved without notice to the public or to policy holders, without a hearing and without public disclosure of the Division Plan or the documents justifying the Division Plan; the policy holders have no right to opt out of the Plan that segregates their

policies from the company they chose as their insurance company; the practical effect of the Division Plan is to have the policies assumed by a new, unproven company without affording policy holders the option of staying with the original company they selected when buying insurance; and

WHEREAS, The NAIC has created a group to study Division Plans and other forms of insurance business transfers; provisions in the Illinois Division Law have been heavily criticized by various parties during those proceedings; the concerns are so great among the life insurance industry that the ACLI has adopted principles and guidelines with respect to proposed division laws and actively lobbies against numerous provisions currently contained in the Illinois Division Law; the ACLI Principles and Guidelines specifically provide that all transactions be subject to public notice and public hearing with notice to policy holders, reinsurers, state regulators, Guaranty Associations, and other interested parties; the ACLI provisions include a robust review by the regulator of the entire transaction, its impact on policy holders, the solvency of the new company, asset liability matching, and other significant provisions; an independent expert must be utilized as part of the process before approval of the Division Plan can be made; the independent expert must have access to documents concerning the business purpose of the proposed transaction, capital adequacy and risk-based capital considerations, cash flow and reserve testing, the impact, if any, of concentrations of lines of business following the transaction, business plans, management confidence, experience, and integrity; the Illinois Division Law does not meet even the basic provisions of the ACLI Principles and Guidelines; and

WHEREAS, For three legislative sessions, the Illinois Life and Health Insurance Guaranty Association has proposed simple and straightforward amendments to correct the most serious of the problems with the Illinois Division Law; those amendments include addressing the requirement that public notice be given, actual notice given to policy holders, regulators, reinsurers, and Guaranty Associations, and a requirement for a public hearing; the amendments provide for discovery of key financial documents supporting the Division Plan, such as financial analysis and actuarial studies; the amendments also eliminate the use of inferior non-admitted assets to support policy holder liabilities transferred to the resulting company; and

WHEREAS, Since the passage of the Division Law in 2018, the Illinois Life and Health Insurance Guaranty Association representatives have been actively, transparently, and diligently engaged with interested parties to seek resolution of the four proposed amendments: (1) provide notice, (2) provide public hearing, (3) exclude the use of non admitted assets, and (4) provide certain information (i.e. actuarial, financial); and

WHEREAS, The Illinois Division Law contains provisions that are contrary to the interests of Illinois consumers and policy holders; the failure of the Illinois Division Law to require notice of the Division Plan, a public hearing, discovery of key documents, and the use of inferior assets to support policy holder liabilities results in the potential for serious disruption and harm to Illinois consumers; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Department of Insurance not to approve of any divisions under the Illinois Division Law without the consumer protections detailed in the above amendments; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the Illinois Department of Insurance.
