HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 214

Offered by Representative Gordon-Booth:

WHEREAS, Survivors Speak Illinois is organized by Crime Survivors for Safety and Justice and the Alliance for Safety and Justice; and

WHEREAS, Crime and violence can harm any individual and community, regardless of age, national origin, race, creed, religion, gender, sexual orientation, immigration, or economic status; and

WHEREAS, Most crime survivors do not receive the help they need; and

WHEREAS, Only nine percent of all victims of violence receive direct assistance from a victim service agency; this drops further when the crime is unreported, which is the case for more than half of all violent crimes; and

WHEREAS, Despite the fact that we have built our criminal justice in the name of victims, it is simply not designed or currently equipped to serve them or address most of their needs; this experience compounds the trauma that comes with victimization and is particularly severe for many victims of color, particularly Black victims; and

WHEREAS, Through their experiences, crime survivors are uniquely qualified to provide essential input and influence in discussions of public safety and criminal justice policy; and

WHEREAS, Illinois must address the immediate safety concerns facing families and invest in a long-term, comprehensive plan to address root causes of violence; and

WHEREAS, The voices and experiences of survivors are too often ignored, leading to poor policy and justice system decisions that fail to meet the needs of survivors or stop the cycle of crime; and

WHEREAS, State support for trauma recovery centers that play a critical role and provide critical resources for survivors impacted by crime is necessary; and

WHEREAS, Crime survivors understand existing gaps to recovery and how to bridge them; and

WHEREAS, Survivors want a system of justice and safety that prioritizes prevention, rehabilitation, and trauma recovery; and

WHEREAS, Illinois needs to invest in programs that provide assistance to crime victims and their families to effectively deal with the inherent trauma and residual effects of violence; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare April 20, 2023 as "Survivors Speak Illinois Day"; and be it further

RESOLVED, That we commend the survivors and advocates of Survivors Speak Illinois for their work to stop violence and help those impacted by it; and be it further

RESOLVED, That a suitable copy of this resolution be presented to Survivors Speak Illinois as a symbol of our respect and esteem.

HOUSE RESOLUTION 216

Offered by Representative Swanson:

WHEREAS, Lyme disease is a growing national public health crisis; and

WHEREAS, According to the Illinois Department of Public Health, cases are on the rise in Illinois; and

WHEREAS, Lyme disease is a bacterial infection caused by several different strains of bacteria that are carried and spread by ticks; and

WHEREAS, Those who are bitten by ticks and subsequently become infected with Lyme disease suffer from fever, fatigue, joint pain, and skin rashes and, in the most severe cases, can be afflicted by serious joint and nervous system problems; and

WHEREAS, In the United States, 35,000 to 45,000 cases of Lyme disease are reported to the Federal Centers for Disease Control and Prevention (CDC) each year; the actual number of diagnosed cases is closer to 476,000 annually as it is estimated that only one out of every ten cases of Lyme disease is reported; and

WHEREAS, Since the late 20th century, there has been a dramatic increase in the Lyme disease infection rate each year; Lyme disease infection rates have doubled since 1991 from 3.74 cases per 100,000

to 7.95 cases per 100,000; Lyme disease is one of the fastest-growing infectious diseases in the United States and the western world; and

WHEREAS, Lyme disease is difficult to diagnose; diagnostic tests analyze blood samples to look for the presence of antibodies, an immune response that may not be detectable in the blood until many weeks after the initial tick bite and infection; and

WHEREAS, Up to 60% of acute cases of Lyme disease are misdiagnosed; and

WHEREAS, Those who are diagnosed with the disease early and prescribed sufficient quantities of antibiotics may recover quickly; and

WHEREAS, If the diagnosis is delayed or individuals are treated with insufficient antibiotics therapy, many experience late-stage symptoms that become chronic; and

WHEREAS, A diagnosis of chronic Lyme disease for those who are not cured by antibiotics and who continue to suffer the apparent effects of the disease is controversial; and

WHEREAS, The newest research seemingly validates the diagnosis of chronic Lyme disease and suggests that heretofore unknown bacterial persister cells remain dormant in the body, evading antibiotics and the immune system, before reinfecting the individual after the standard course of antibiotics has been taken; and

WHEREAS, Those who suffer from chronic Lyme disease experience terrible symptoms and often have difficulty finding treatment or answers; many are unable to continue working; and

WHEREAS, Public funding for Lyme disease research receives less than 2% of the funding allocated for researching West Nile virus and less than 0.2% of the funding that HIV/AIDS research receives, despite Lyme disease having annual case counts that dwarf those of both diseases; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the federal government to allocate more funding toward finding a cure for the devastating and increasingly prevalent public health crisis that is Lyme disease; and be it further

RESOLVED, That we declare May 2023 as Lyme Disease Awareness Month in the State of Illinois.
