HOUSE RESOLUTION 713

Offered by Representative Benton:

WHEREAS, On December 28, 1970, President Richard Nixon signed into law the Occupational Safety and Health Act (OSHA), which went into effect on April 28, 1971; and

WHEREAS, In Illinois, 177 people were killed due to fatal work injuries in 2022 according to the most recent report from the U.S. Bureau of Labor Statistics; and

WHEREAS, All employers, private and public, should be dedicated to improving workplace safety, seeking stronger health standard enforcement, and treating workers with dignity as constant improvements in worker safety are pursued; and

WHEREAS, Since 1989, workers and local government leaders have gathered on April 28th to commemorate Workers Memorial Day in honor of those who have lost their lives working to provide a good standard of living for their families and communities; and

WHEREAS, Americans can honor our workers by observing Workers Memorial Day, remembering those victims of workplace injuries and workplace-related disease, and rededicating ourselves to improving safety and health in every American workplace; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare April 28, 2024 as Workers Memorial Day in the State of Illinois; and be it further

RESOLVED, That we encourage all citizens to recognize and honor all workers killed, injured, and disabled on the job, thank them for their service, offer sympathy to their families and loved ones, and work to provide today's workers with safe workplaces.

HOUSE RESOLUTION 714

Offered by Representative Hammond:

WHEREAS, The future of our nation's productivity and competitiveness in the global marketplace depends on the success of all men and women; and

WHEREAS, Women have been discriminated against in education, the workplace, and society as a whole; and

WHEREAS, Women continue to earn no more than 80 cents on the dollar compared to men; and

WHEREAS, The wage gap is even greater for most women of color; Asian American women earn 99 cents, Native Hawaiian and Pacific Islander women earn 66 cents, African American women earn 64 cents, and Latina women earn 57 cents for every dollar earned by a man; and

WHEREAS, Equal Pay Day, representing all women, is celebrated this year on March 12; Equal Pay Day was originated by the National Committee on Pay Equity in 1996 as a public awareness event to illustrate the gap between men's and women's wages; and

WHEREAS, The pay gap has been shown to start as soon as one year after college; this inequality affects not only women but their families and society as a whole; and

WHEREAS, The pay gap between women and men has long-term effects on women's economic security; such a gap affects women's Social Security earnings, their ability to save for retirement, and their children's education; and

WHEREAS, Pay equity is closely linked to the eradication of poverty and is essential to having a highly-motivated workforce; and

WHEREAS, Equal Pay Day symbolizes how far into the year a woman must work, on average, to earn as much as a man earned the previous year, with Tuesday being the day in which women's wages catch up to men's wages from the previous week; because women earn less on average than men, they must work longer for the same amount of pay; this wage gap is even greater for most women of color; and

WHEREAS, Equal pay is a priority for all women and for our society at large; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare March 12, 2024 as Pay Equity Day in the State of Illinois; and be it further

RESOLVED, That we encourage the citizens of this State to learn about the pay gap that women experience in society and to learn about these various dates that bring attention to the pay gap that specific groups experience.

HOUSE RESOLUTION 717

WHEREAS, The Fox River was central to the lives of Native Americans inhabiting the Fox River Valley in Wisconsin and Illinois for millennia, providing an abundance of food and water to wildlife and those native populations; and

WHEREAS, The Fox River was central to the lives of early settlers of the Fox River Valley, providing a source of water and power to mill the grains to feed those settlers, saw the lumber to shelter those settlers, and drive the early machinery, which formed the commercial and industrial base that gave first growth to the community; and

WHEREAS, The Fox River, once a fine fishery and source of public water, became burdened with the uncontrolled discharge of industrial, commercial and municipal wastes, with the resulting pollution threatening the health and welfare of all populations of the Fox River, including human and wildlife; and

WHEREAS, Sustained and increasingly diligent and effective efforts have been made over the past century to reduce and eliminate pollution and changes to the Fox River's natural shorelines; and

WHEREAS, The Fox River has been largely freed from its burden of pollution and once again has become a safe source of recreation and reliable public water supply, with its fish and wildlife population in clear recovery; and

WHEREAS, Illinois ensures equitable access to healthcare services for all its residents through its Medical Assistance Program (Medicaid), recognizing that diversity and inclusion in procurement processes enrich and strengthen the healthcare ecosystem; and

WHEREAS, Ensuring equitable access to healthcare and inclusive providers increases positive healthcare outcomes and quality of care; and

WHEREAS, Congruence with provider-patient race is correlated with a reduction in patient mortality, increased utilization of preventative services, improved connections between patients and their primary care providers, and reductions in returns to emergency departments after being discharged; and

WHEREAS, The Illinois Health Care and Human Service Reform Act of 2021 created the Medicaid Managed Care Oversight Commission within the Illinois Department of Healthcare and Family Services (HFS) to evaluate the effectiveness of Illinois' managed care program and to address inadequate levels of care coordination and care planning under MCOs; and

WHEREAS, The Illinois HealthCare and Human Services Reform Act of 2021 created the Managed Care Oversight Fund as a special fund in the State treasury to be used by HFS to support contracting with women and minority-owned businesses as a part of HFS's Business Enterprise Program requirements; and

WHEREAS, The Illinois HealthCare and Human Services Reform Act of 2021 created the Medicaid Business Opportunity Commission within the HFS to develop a program to support and grow minority, women, and persons with disability-owned businesses; and

WHEREAS, The involvement of Business Enterprise Program (BEP) companies, encompassing women, minority, and disabled-owned businesses is essential in reflecting the diverse composition of Illinois and in promoting economic equality and opportunity; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Illinois Department of Healthcare and Family Services is urged to include the following measures in the upcoming Medicaid Managed Care Organization Request for Proposal (RFP) to ensure a robust, equitable, and inclusive procurement process:

(1) RFP Criteria Adjustment: The current RFP criteria distributes BEP participation across women (8%), minorities (11%), and disabled individuals (1%); to better reflect the demographic composition of the State and to promote greater equity, the new RFP criteria should be adjusted to require participation from qualifying BEP entities that are, at minimum, reflective of the State's population; this change is a step towards contracts being more representative of the State's minority population and in keeping with the Illinois Legislative Black Caucus' Healthcare Pillar;

(2) Review and Accountability Mechanism: To ensure ongoing commitment to these principles, a biennial review of contract awardees should be conducted; should a selected bidder not fairly represent BEP spend among the minority population, the next qualified bidder will be selected; this mechanism promotes accountability and continuous improvement in achieving Illinois' diversity and inclusion goals;

(3) Reporting and Oversight: The Department should, on a monthly basis, provide a report to each member of the General Assembly detailing adherence to the Healthcare Pillar mandates previously enacted; this report should include, but is not limited to, analysis of the total spending and percentage of spending paid to BEP vendors by awarded Managed Care Organizations (MCOs), broken down by the vendors' race, gender, and status as either a healthcare provider or non-healthcare provider; this transparency is crucial for oversight and strategic planning;

(4) Quarterly Recommendations by Black Caucus Leaders: The three leaders of the Illinois Legislative Black Caucus should, on a quarterly basis, provide recommendations to the Governor's Office regarding which MCOs should receive an altered auto-assignment rate, taking into account BEP spend alongside quality, innovation, and price; this recommendation process ensures that MCOs are incentivized to adhere to BEP spending goals, reflecting fairness and equity in the BEP program;

(5) Total BEP Spend: Quarterly, the Commission on Equity and Inclusion, in conjunction with HFS, should compile and publicly report the total amount of BEP expenditures across all MCOs participating in the Illinois Medicaid Program, as compared to those MCO's total spending on all Illinois Medicaid expenditures; this report should include detailed delineation by race and ethnicity of the contracted business owners, specifically categorizing the expenditures among African American, Asian, Latino, and White women-owned businesses; furthermore, the report should clearly specify the percentages and dollar amounts allocated to these BEP companies, ensuring a clear and accessible breakdown that highlights the State's dedication to equitable and inclusive business practices; and

(6) In addition to demographic and financial details, the report should distinguish between funds allocated to providers versus non-providers, offering a nuanced view of how BEP expenditures contribute to the Illinois Medicaid Program; each MCO, as part of their contractual obligations with the State, should provide detailed and accurate data on their BEP spending; and be it further

RESOLVED, That this initiative aims to foster an environment of accountability, where progress towards more equitable and diverse procurement practices can be measured, assessed, and adjusted as necessary to meet Illinois' goals; and be it further

RESOLVED, That by instituting these reporting requirements, the State of Illinois reaffirms its commitment to not only achieving diversity in its procurement practices but also to fostering an environment of transparency where the impact of these practices can be openly evaluated and celebrated and underscores the importance of intentional, actionable measures in promoting equity, diversity, and inclusion within the healthcare sector and beyond, ensuring that our policies reflect our values and commitment to all citizens of Illinois; and be it further

RESOLVED, That these measures represent the State of Illinois's commitment to fostering a healthcare system that is equitable, diverse, and inclusive, recognizing the intrinsic value of every individual and the strength that diversity brings to our collective efforts to improve healthcare access and outcomes.
