A petition shall have been signed by the petitioning electors not more than 90 days after an affidavit has been filed with the State Board of Elections providing notice of intent to circulate a petition to recall the local government official. The petition shall include the signature of the petitioning elector and a general statement of not more than 200 words describing the individual whose recall is sought and providing the grounds for which recall is sought. The affidavit may be filed no sooner than 6 months after the beginning of the local government official's term of office. If the State Board of Elections determines the petition is valid, the local government official whose recall is sought may file a response of not more than 200 words with the State Board of Elections. The petitioning elector's general statement and the local government official's response shall appear on the recall ballot.

(b) The local government officials who serve on a public body must be recalled individually.

(c) The form of the affidavit, petition, circulation, and procedure for determining the validity and sufficiency of a petition shall be as provided by law. If the petition is valid and sufficient, the State Board of Elections shall certify the petition not more than 100 days after the date the petition was filed, and the following question must be submitted to the electors at the next general election or general consolidated election after certification of the petition:

(Elected official).

(Candidate).

(Candidate)."

(d) The local government official is immediately removed upon certification of the recall election results if a three-fifths majority of the electors voting on the question vote to recall the local government official.

(e) Replacement candidates wishing to be listed on the recall ballot shall be certified under the same procedures as if the candidate was running for the applicable office in a standard election, except the petition circulation and filing of petitions shall only be between the time the intent to recall is filed and 90 days before the election. Candidates running to replace the recalled officeholder shall state clearly on the candidate's petitions which officeholder they are seeking to replace.

(h) If multiple officeholders from the same public office or district are being recalled, each recall question must be asked separately. All candidates running as replacements for that office and the current officeholder shall be on the ballot beneath the recall question.

(i) If the local government official is removed from a unit of government over 1,000,000 persons, the vacancy shall be filled as provided by law.

(j) A local government official recalled under this Section is ineligible to serve in public office (or specified non-elected office) for 10 years following certification of the recall election.
