

AN ACT concerning revenue.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 3. The Illinois Income Tax Act is amended by changing Section 704A as follows:

(35 ILCS 5/704A)

Sec. 704A. Employer's return and payment of tax withheld.

(a) In general, every employer who deducts and withholds or is required to deduct and withhold tax under this Act on or after January 1, 2008 shall make those payments and returns as provided in this Section.

(b) Returns. Every employer shall, in the form and manner required by the Department, make returns with respect to taxes withheld or required to be withheld under this Article 7 for each quarter beginning on or after January 1, 2008, on or before the last day of the first month following the close of that quarter.

(c) Payments. With respect to amounts withheld or required to be withheld on or after January 1, 2008:

(1) Semi-weekly payments. For each calendar year, each employer who withheld or was required to withhold more than \$12,000 during the one-year period ending on June 30 of the immediately preceding calendar year, payment must be made:

(A) on or before each Friday of the calendar year, for taxes withheld or required to be withheld on the immediately preceding Saturday, Sunday, Monday, or Tuesday;

(B) on or before each Wednesday of the calendar year, for taxes withheld or required to be withheld on the immediately preceding Wednesday, Thursday, or Friday.

Beginning with calendar year 2011, payments made under this paragraph (1) of subsection (c) must be made by electronic funds transfer.

(2) Semi-weekly payments. Any employer who withholds or is required to withhold more than \$12,000 in any quarter of a calendar year is required to make payments on the dates set forth under item (1) of this subsection (c) for each remaining quarter of that calendar year and for the subsequent calendar year.

(3) Monthly payments. Each employer, other than an employer described in items (1) or (2) of this subsection, shall pay to the Department, on or before the 15th day of each month the taxes withheld or required to be withheld during the immediately preceding month.

(4) Payments with returns. Each employer shall pay to the Department, on or before the due date for each return required to be filed under this Section, any tax withheld or required to be withheld during the period for which the

return is due and not previously paid to the Department.

(d) Regulatory authority. The Department may, by rule:

(1) Permit employers, in lieu of the requirements of subsections (b) and (c), to file annual returns due on or before January 31 of the year for taxes withheld or required to be withheld during the previous calendar year and, if the aggregate amounts required to be withheld by the employer under this Article 7 (other than amounts required to be withheld under Section 709.5) do not exceed \$1,000 for the previous calendar year, to pay the taxes required to be shown on each such return no later than the due date for such return.

(2) Provide that any payment required to be made under subsection (c)(1) or (c)(2) is deemed to be timely to the extent paid by electronic funds transfer on or before the due date for deposit of federal income taxes withheld from, or federal employment taxes due with respect to, the wages from which the Illinois taxes were withheld.

(3) Designate one or more depositories to which payment of taxes required to be withheld under this Article 7 must be paid by some or all employers.

(4) Increase the threshold dollar amounts at which employers are required to make semi-weekly payments under subsection (c)(1) or (c)(2).

(e) Annual return and payment. Every employer who deducts and withholds or is required to deduct and withhold tax from a

person engaged in domestic service employment, as that term is defined in Section 3510 of the Internal Revenue Code, may comply with the requirements of this Section with respect to such employees by filing an annual return and paying the taxes required to be deducted and withheld on or before the 15th day of the fourth month following the close of the employer's taxable year. The Department may allow the employer's return to be submitted with the employer's individual income tax return or to be submitted with a return due from the employer under Section 1400.2 of the Unemployment Insurance Act.

(f) Magnetic media and electronic filing.

With respect to taxes withheld in calendar years prior to 2017, any ~~Any~~ W-2 Form that, under the Internal Revenue Code and regulations promulgated thereunder, is required to be submitted to the Internal Revenue Service on magnetic media or electronically must also be submitted to the Department on magnetic media or electronically for Illinois purposes, if required by the Department.

With respect to taxes withheld in 2017 and subsequent calendar years, the Department may, by rule, require that any return (including any amended return) under this Section and any W-2 Form that is required to be submitted to the Department must be submitted on magnetic media or electronically.

The due date for submitting W-2 Forms shall be as prescribed by the Department by rule.

(g) For amounts deducted or withheld after December 31,

2009, a taxpayer who makes an election under subsection (f) of Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act for a taxable year shall be allowed a credit against payments due under this Section for amounts withheld during the first calendar year beginning after the end of that taxable year equal to the amount of the credit for the incremental income tax attributable to full-time employees of the taxpayer awarded to the taxpayer by the Department of Commerce and Economic Opportunity under the Economic Development for a Growing Economy Tax Credit Act for the taxable year and credits not previously claimed and allowed to be carried forward under Section 211(4) of this Act as provided in subsection (f) of Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act. The credit or credits may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit or credits exceeds the total payments due under this Section with respect to amounts withheld during the calendar year, the excess may be carried forward and applied against the taxpayer's liability under this Section in the succeeding calendar years as allowed to be carried forward under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first. Each employer who deducts and withholds

or is required to deduct and withhold tax under this Act and who retains income tax withholdings under subsection (f) of Section 5-15 of the Economic Development for a Growing Economy Tax Credit Act must make a return with respect to such taxes and retained amounts in the form and manner that the Department, by rule, requires and pay to the Department or to a depository designated by the Department those withheld taxes not retained by the taxpayer. For purposes of this subsection (g), the term taxpayer shall include taxpayer and members of the taxpayer's unitary business group as defined under paragraph (27) of subsection (a) of Section 1501 of this Act. This Section is exempt from the provisions of Section 250 of this Act.

(h) An employer may claim a credit against payments due under this Section for amounts withheld during the first calendar year ending after the date on which a tax credit certificate was issued under Section 35 of the Small Business Job Creation Tax Credit Act. The credit shall be equal to the amount shown on the certificate, but may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit exceeds the total payments due under this Section with respect to amounts withheld during the calendar year, the excess may be carried forward and applied against the taxpayer's liability under this Section in the 5 succeeding calendar years. The credit shall be applied to the earliest year for which there is a tax

liability. If there are credits from more than one calendar year that are available to offset a liability, the earlier credit shall be applied first. This Section is exempt from the provisions of Section 250 of this Act.

Section 5. The Use Tax Act is amended by changing Section 9 as follows:

(35 ILCS 105/9) (from Ch. 120, par. 439.9)

Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, each retailer required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such

discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A retailer need not remit that part of any tax collected by him to the extent that he is required to remit and does remit the tax imposed by the Retailers' Occupation Tax Act, with respect to the sale of the same property.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the retailer, in collecting the tax (except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State), may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish

such information as the Department may reasonably require. On and after January 1, 2018, except for returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average \$20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due;

5-5. The signature of the taxpayer; and

6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of \$100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of \$50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year.

The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers'

Occupation Tax Act, the Service Occupation Tax Act, the Service Use Tax Act was \$10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act was \$20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985, and prior to January 1, 1987, each

payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987, and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4

complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$10,000 threshold stated above, then such taxpayer may petition the Department for change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$20,000 threshold stated above, then such taxpayer may petition the Department for a change in such

taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

If any such payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown by an original monthly return, the Department shall issue to the taxpayer a credit memorandum no later than 30 days after the date of payment, which memorandum may be submitted by the taxpayer to the Department in payment of tax liability subsequently to be remitted by the taxpayer to the Department or be assigned by the taxpayer to a similar taxpayer under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be

prescribed by the Department, except that if such excess payment is shown on an original monthly return and is made after December 31, 1986, no credit memorandum shall be issued, unless requested by the taxpayer. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted by the taxpayer to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% or 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and the taxpayer shall be liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability to the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft,

watercraft, motor vehicle or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 3-55 of this Act, then that seller may report the transfer of all the aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

The transaction reporting return in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the

amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft and aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the date of delivery of the item that is

being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the tax that is imposed by this Act may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other

evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal

property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the retailer may deduct the amount of the tax so refunded by him to the purchaser from any other use tax which such retailer may be required to pay or remit to the Department, as shown by such return, if the amount of the tax to be deducted was previously remitted to the Department by such retailer. If the retailer has not previously remitted the amount of such tax to the Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.

Any retailer filing a return under this Section shall also include (for the purpose of paying tax thereon) the total tax covered by such return upon the selling price of tangible personal property purchased by him at retail from a retailer, but as to which the tax imposed by this Act was not collected from the retailer filing such return, and such retailer shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable retailers, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, to furnish all the return information required by both

Acts on the one form.

Where the retailer has more than one business registered with the Department under separate registration under this Act, such retailer may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, products classified as Class III medical devices by the United States Food and Drug Administration that are used for cancer treatment pursuant to a prescription, as well as any accessories and components related to those devices, and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's

government.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury, 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property, other than tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. Beginning September 1, 2010, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of sales tax holiday items.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to

an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Retailers' Occupation Tax Act shall not exceed \$2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed \$18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference

between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit \$500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois

Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect

thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority

provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

and

each fiscal year
thereafter that bonds
are outstanding under

Section 13.2 of the
Metropolitan Pier and
Exposition Authority Act,
but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund

and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098) ~~this amendatory Act of the 98th General Assembly~~, each month, from the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to fund additional auditors and compliance personnel at the Department of Revenue,

an amount equal to $\frac{1}{12}$ of 5% of 80% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act, and associated local occupation and use taxes administered by the Department.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may

assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Section 10. The Service Use Tax Act is amended by changing Section 9 as follows:

(35 ILCS 110/9) (from Ch. 120, par. 439.39)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for servicemen whose certificate of

registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A serviceman need not remit that part of any tax collected by him to the extent that he is required to pay and does pay the tax imposed by the Service Occupation Tax Act with respect to his sale of service involving the incidental transfer by him of the same property.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable Rules and Regulations to be promulgated by the Department. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. On and after January 1, 2018, with respect to servicemen whose annual gross receipts average \$20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Servicemen who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each

of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
- 5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of \$100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has

an average monthly tax liability of \$50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

If the serviceman is otherwise required to file a monthly return and if the serviceman's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman is otherwise required to file a monthly or quarterly return and if the serviceman's average monthly tax liability to the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly

returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Where a serviceman collects the tax with respect to the selling price of property which he sells and the purchaser thereafter returns such property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Use Tax, Service Occupation Tax, retailers' occupation tax or use tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

Any serviceman filing a return hereunder shall also include

the total tax upon the selling price of tangible personal property purchased for use by him as an incident to a sale of service, and such serviceman shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Service Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registration hereunder, such serviceman shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Tax Reform Fund, a special fund in the State Treasury, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, products classified as Class III medical devices, by the United States Food and Drug Administration that are used for cancer treatment pursuant to a prescription, as well as any accessories and

components related to those devices, and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property, other than tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually

by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed \$18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, this Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit \$500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case

may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois

Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge

set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

Section 13.2 of the

Metropolitan Pier and

but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the General Revenue Fund of the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

Section 15. The Service Occupation Tax Act is amended by changing Section 9 as follows:

(35 ILCS 115/9) (from Ch. 120, par. 439.109)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax at the time when he is required to file his return for the period during which such tax was collectible, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for servicemen whose certificate of registration is

revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the serviceman, in collecting the tax may collect, for each tax return period, only the tax applicable to the part of the selling price actually received during such tax return period.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable rules and regulations to be promulgated by the Department of Revenue. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. On and after January 1, 2018, with respect to servicemen whose annual gross receipts average \$20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Servicemen who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a

quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
- 5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Prior to October 1, 2003, and on and after September 1, 2004 a serviceman may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Service Use

Tax as provided in Section 3-70 of the Service Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-70 of the Service Use Tax Act. A Manufacturer's Purchase Credit certification, accepted prior to October 1, 2003 or on or after September 1, 2004 by a serviceman as provided in Section 3-70 of the Service Use Tax Act, may be used by that serviceman to satisfy Service Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

If the serviceman's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for

October, November and December of a given year being due by January 20 of the following year.

If the serviceman's average monthly tax liability to the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of \$100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of \$50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has

an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments

in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Where a serviceman collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Occupation Tax, Service Use Tax, Retailers' Occupation Tax or Use Tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, the Use Tax Act or the Service Use Tax Act, to furnish all

the return information required by all said Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registrations hereunder, such serviceman shall file separate returns for each registered business.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund the revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, products classified as Class III medical devices by the United States Food and Drug Administration that are used for cancer treatment pursuant to a prescription, as well as any accessories and components related to those devices, and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the revenue realized for the preceding month from the 6.25% general rate.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25%

rate on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Use Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Use Tax Act, and the Retailers' Occupation Tax Act shall not exceed \$18,000,000 in any State

fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, this Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit \$500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3

of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds

secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly

installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

each fiscal year
thereafter that bonds
are outstanding under
Section 13.2 of the
Metropolitan Pier and
Exposition Authority Act,
but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the

preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after the effective date of this amendatory Act of the 98th General Assembly, each month, from the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and

Administration Fund, to be used, subject to appropriation, to fund additional auditors and compliance personnel at the Department of Revenue, an amount equal to $\frac{1}{12}$ of 5% of 80% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act, and associated local occupation and use taxes administered by the Department.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% shall be paid into the General Revenue Fund of the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the taxpayer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the taxpayer shall attach to his annual return a

schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The taxpayer's annual return to the Department shall also disclose the cost of goods sold by the taxpayer during the year covered by such return, opening and closing inventories of such goods for such year, cost of goods used from stock or taken from stock and given away by the taxpayer during such year, pay roll information of the taxpayer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such taxpayer as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to $\frac{1}{6}$ of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest

ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The foregoing portion of this Section concerning the filing of an annual information return shall not apply to a serviceman who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, it shall be permissible for manufacturers, importers and wholesalers whose products are sold by numerous servicemen in Illinois, and who wish to do so, to assume the responsibility for accounting and

paying to the Department all tax accruing under this Act with respect to such sales, if the servicemen who are affected do not make written objection to the Department to this arrangement.

Section 20. The Retailers' Occupation Tax Act is amended by changing Sections 2a and 3 as follows:

(35 ILCS 120/2a) (from Ch. 120, par. 441a)

Sec. 2a. It is unlawful for any person to engage in the business of selling tangible personal property at retail in this State without a certificate of registration from the Department. Application for a certificate of registration shall be made to the Department upon forms furnished by it. Each such application shall be signed and verified and shall state: (1) the name and social security number of the applicant; (2) the address of his principal place of business; (3) the address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State and the addresses of all other places of business, if any (enumerating such addresses, if any, in a separate list attached to and made a part of the

application), from which he engages in the business of selling tangible personal property at retail in this State; (4) the name and address of the person or persons who will be responsible for filing returns and payment of taxes due under this Act; (5) in the case of a publicly traded corporation, the name and title of the Chief Financial Officer, Chief Operating Officer, and any other officer or employee with responsibility for preparing tax returns under this Act, ~~along with the last 4 digits of each of their social security numbers,~~ and, in the case of all other corporations, the name, title, and social security number of each corporate officer; (6) in the case of a limited liability company, the name, social security number, and FEIN number of each manager and member; and (7) such other information as the Department may reasonably require. The application shall contain an acceptance of responsibility signed by the person or persons who will be responsible for filing returns and payment of the taxes due under this Act. If the applicant will sell tangible personal property at retail through vending machines, his application to register shall indicate the number of vending machines to be so operated. If requested by the Department at any time, that person shall verify the total number of vending machines he or she uses in his or her business of selling tangible personal property at retail.

The Department may deny a certificate of registration to any applicant if a person who is named as the owner, a partner,

a manager or member of a limited liability company, or a corporate officer of the applicant on the application for the certificate of registration is or has been named as the owner, a partner, a manager or member of a limited liability company, or a corporate officer on the application for the certificate of registration of another retailer that is in default for moneys due under this Act or any other tax or fee Act administered by the Department. For purposes of this paragraph only, in determining whether a person is in default for moneys due, the Department shall include only amounts established as a final liability within the 20 years prior to the date of the Department's notice of denial of a certificate of registration.

The Department may require an applicant for a certificate of registration hereunder to, at the time of filing such application, furnish a bond from a surety company authorized to do business in the State of Illinois, or an irrevocable bank letter of credit or a bond signed by 2 personal sureties who have filed, with the Department, sworn statements disclosing net assets equal to at least 3 times the amount of the bond to be required of such applicant, or a bond secured by an assignment of a bank account or certificate of deposit, stocks or bonds, conditioned upon the applicant paying to the State of Illinois all moneys becoming due under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the

applicant to engage in business without registering separately under such other law, ordinance or resolution. In making a determination as to whether to require a bond or other security, the Department shall take into consideration whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer of another retailer that is in default for moneys due under this Act or any other tax or fee Act administered by the Department; and whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer of another retailer whose certificate of registration has been revoked within the previous 5 years under this Act or any other tax or fee Act administered by the Department. If a bond or other security is required, the Department shall fix the amount of the bond or other security, taking into consideration the amount of money expected to become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance, or resolution. The amount of security required by the Department

shall be such as, in its opinion, will protect the State of Illinois against failure to pay the amount which may become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution, but the amount of the security required by the Department shall not exceed three times the amount of the applicant's average monthly tax liability, or \$50,000.00, whichever amount is lower.

No certificate of registration under this Act shall be issued by the Department until the applicant provides the Department with satisfactory security, if required, as herein provided for.

Upon receipt of the application for certificate of registration in proper form, and upon approval by the Department of the security furnished by the applicant, if required, the Department shall issue to such applicant a certificate of registration which shall permit the person to whom it is issued to engage in the business of selling tangible personal property at retail in this State. The certificate of registration shall be conspicuously displayed at the place of business which the person so registered states in his application to be the principal place of business from which he engages in the business of selling tangible personal property

at retail in this State.

No certificate of registration issued to a taxpayer who files returns required by this Act on a monthly basis shall be valid after the expiration of 5 years from the date of its issuance or last renewal. The expiration date of a sub-certificate of registration shall be that of the certificate of registration to which the sub-certificate relates. A certificate of registration shall automatically be renewed, subject to revocation as provided by this Act, for an additional 5 years from the date of its expiration unless otherwise notified by the Department as provided by this paragraph. Where a taxpayer to whom a certificate of registration is issued under this Act is in default to the State of Illinois for delinquent returns or for moneys due under this Act or any other State tax law or municipal or county ordinance administered or enforced by the Department, the Department shall, not less than 60 days before the expiration date of such certificate of registration, give notice to the taxpayer to whom the certificate was issued of the account period of the delinquent returns, the amount of tax, penalty and interest due and owing from the taxpayer, and that the certificate of registration shall not be automatically renewed upon its expiration date unless the taxpayer, on or before the date of expiration, has filed and paid the delinquent returns or paid the defaulted amount in full. A taxpayer to whom such a notice is issued shall be deemed an

applicant for renewal. The Department shall promulgate regulations establishing procedures for taxpayers who file returns on a monthly basis but desire and qualify to change to a quarterly or yearly filing basis and will no longer be subject to renewal under this Section, and for taxpayers who file returns on a yearly or quarterly basis but who desire or are required to change to a monthly filing basis and will be subject to renewal under this Section.

The Department may in its discretion approve renewal by an applicant who is in default if, at the time of application for renewal, the applicant files all of the delinquent returns or pays to the Department such percentage of the defaulted amount as may be determined by the Department and agrees in writing to waive all limitations upon the Department for collection of the remaining defaulted amount to the Department over a period not to exceed 5 years from the date of renewal of the certificate; however, no renewal application submitted by an applicant who is in default shall be approved if the immediately preceding renewal by the applicant was conditioned upon the installment payment agreement described in this Section. The payment agreement herein provided for shall be in addition to and not in lieu of the security that may be required by this Section of a taxpayer who is no longer considered a prior continuous compliance taxpayer. The execution of the payment agreement as provided in this Act shall not toll the accrual of interest at the statutory rate.

The Department may suspend a certificate of registration if the Department finds that the person to whom the certificate of registration has been issued knowingly sold contraband cigarettes.

A certificate of registration issued under this Act more than 5 years before the effective date of this amendatory Act of 1989 shall expire and be subject to the renewal provisions of this Section on the next anniversary of the date of issuance of such certificate which occurs more than 6 months after the effective date of this amendatory Act of 1989. A certificate of registration issued less than 5 years before the effective date of this amendatory Act of 1989 shall expire and be subject to the renewal provisions of this Section on the 5th anniversary of the issuance of the certificate.

If the person so registered states that he operates other places of business from which he engages in the business of selling tangible personal property at retail in this State, the Department shall furnish him with a sub-certificate of registration for each such place of business, and the applicant shall display the appropriate sub-certificate of registration at each such place of business. All sub-certificates of registration shall bear the same registration number as that appearing upon the certificate of registration to which such sub-certificates relate.

If the applicant will sell tangible personal property at retail through vending machines, the Department shall furnish

him with a sub-certificate of registration for each such vending machine, and the applicant shall display the appropriate sub-certificate of registration on each such vending machine by attaching the sub-certificate of registration to a conspicuous part of such vending machine. If a person who is registered to sell tangible personal property at retail through vending machines adds an additional vending machine or additional vending machines to the number of vending machines he or she uses in his or her business of selling tangible personal property at retail, he or she shall notify the Department, on a form prescribed by the Department, to request an additional sub-certificate or additional sub-certificates of registration, as applicable. With each such request, the applicant shall report the number of sub-certificates of registration he or she is requesting as well as the total number of vending machines from which he or she makes retail sales.

Where the same person engages in 2 or more businesses of selling tangible personal property at retail in this State, which businesses are substantially different in character or engaged in under different trade names or engaged in under other substantially dissimilar circumstances (so that it is more practicable, from an accounting, auditing or bookkeeping standpoint, for such businesses to be separately registered), the Department may require or permit such person (subject to the same requirements concerning the furnishing of security as

those that are provided for hereinbefore in this Section as to each application for a certificate of registration) to apply for and obtain a separate certificate of registration for each such business or for any of such businesses, under a single certificate of registration supplemented by related sub-certificates of registration.

Any person who is registered under the "Retailers' Occupation Tax Act" as of March 8, 1963, and who, during the 3-year period immediately prior to March 8, 1963, or during a continuous 3-year period part of which passed immediately before and the remainder of which passes immediately after March 8, 1963, has been so registered continuously and who is determined by the Department not to have been either delinquent or deficient in the payment of tax liability during that period under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, shall be considered to be a Prior Continuous Compliance taxpayer. Also any taxpayer who has, as verified by the Department, faithfully and continuously complied with the condition of his bond or other security under the provisions of this Act for a period of 3 consecutive years shall be considered to be a Prior Continuous Compliance taxpayer.

Every Prior Continuous Compliance taxpayer shall be exempt

from all requirements under this Act concerning the furnishing of a bond or other security as a condition precedent to his being authorized to engage in the business of selling tangible personal property at retail in this State. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax that is not paid to be due) to be delinquent or deficient in the paying of any tax under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, at which time that taxpayer shall become subject to all the financial responsibility requirements of this Act and, as a condition of being allowed to continue to engage in the business of selling tangible personal property at retail, may be required to post bond or other acceptable security with the Department covering liability which such taxpayer may thereafter incur. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with this Department guaranteeing the payment of such admitted or established

liability.

No certificate of registration shall be issued to any person who is in default to the State of Illinois for moneys due under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution.

Any person aggrieved by any decision of the Department under this Section may, within 20 days after notice of such decision, protest and request a hearing, whereupon the Department shall give notice to such person of the time and place fixed for such hearing and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest within 20 days, the Department's decision shall become final without any further determination being made or notice given.

With respect to security other than bonds (upon which the Department may sue in the event of a forfeiture), if the taxpayer fails to pay, when due, any amount whose payment such security guarantees, the Department shall, after such liability is admitted by the taxpayer or established by the Department through the issuance of a final assessment that has become final under the law, convert the security which that

taxpayer has furnished into money for the State, after first giving the taxpayer at least 10 days' written notice, by registered or certified mail, to pay the liability or forfeit such security to the Department. If the security consists of stocks or bonds or other securities which are listed on a public exchange, the Department shall sell such securities through such public exchange. If the security consists of an irrevocable bank letter of credit, the Department shall convert the security in the manner provided for in the Uniform Commercial Code. If the security consists of a bank certificate of deposit, the Department shall convert the security into money by demanding and collecting the amount of such bank certificate of deposit from the bank which issued such certificate. If the security consists of a type of stocks or other securities which are not listed on a public exchange, the Department shall sell such security to the highest and best bidder after giving at least 10 days' notice of the date, time and place of the intended sale by publication in the "State Official Newspaper". If the Department realizes more than the amount of such liability from the security, plus the expenses incurred by the Department in converting the security into money, the Department shall pay such excess to the taxpayer who furnished such security, and the balance shall be paid into the State Treasury.

The Department shall discharge any surety and shall release and return any security deposited, assigned, pledged or

otherwise provided to it by a taxpayer under this Section within 30 days after:

(1) such taxpayer becomes a Prior Continuous Compliance taxpayer; or

(2) such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability, as determined by the Department, under this Act and under every other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration issued under this Act permits the registrant to engage in business without registering separately under such other law, ordinance or resolution. The Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after his final tax return has been filed; if the Department cannot make such final determination within 45 days after receiving the final tax return, within such period it shall so notify the taxpayer, stating its reasons therefor.

(35 ILCS 120/3) (from Ch. 120, par. 442)

Sec. 3. Except as provided in this Section, on or before

the twentieth day of each calendar month, every person engaged in the business of selling tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the seller;
2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different address) from which he engages in the business of selling tangible personal property at retail in this State;
3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be, from sales of tangible personal property, and from services furnished, by him during such preceding calendar month or quarter;
4. Total amount received by him during the preceding calendar month or quarter on charge and time sales of tangible personal property, and from services furnished, by him prior to the month or quarter for which the return is filed;
5. Deductions allowed by law;
6. Gross receipts which were received by him during the preceding calendar month or quarter and upon the basis of which the tax is imposed;
7. The amount of credit provided in Section 2d of this Act;

8. The amount of tax due;
9. The signature of the taxpayer; and
10. Such other reasonable information as the Department may require.

On and after January 1, 2018, except for returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average \$20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003, and on and after September 1, 2004 a retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit

certification, accepted by a retailer prior to October 1, 2003 and on and after September 1, 2004 as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchaser Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due; and

6. Such other reasonable information as the Department may require.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in

the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than \$1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to \$1 if it is 50 cents or more.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of \$100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of \$50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make

all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to

the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered

with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped

with an inboard motor.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of The Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient

identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of

the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the

mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act

with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow

the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax

liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for

the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$20,000 or more as determined in the manner provided above shall continue

until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar

monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of \$25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to September 1, 1985 (the effective date of Public Act 84-221) ~~this amendatory Act of 1985~~, each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of

the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is \$25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of \$20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month

filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than \$20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the

taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, products classified as Class III medical devices by the United States Food and Drug

Administration that are used for cancer treatment pursuant to a prescription, as well as any accessories and components related to those devices, and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. Beginning September 1, 2010, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of sales tax holiday items.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. Beginning September 1, 2010, each month the Department shall pay into the Local

Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of sales tax holiday items.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Use Tax Act shall not exceed \$2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act,

the Service Use Tax Act, and the Service Occupation Tax Act shall not exceed \$18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, each month the Department shall deposit \$500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax

Reform Fund shall be less than the Annual Specified Amount (as hereinafter defined), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; the "Annual Specified Amount" means the amounts specified below for fiscal years 1986 through 1993:

Fiscal Year	Annual Specified Amount
1986	\$54,800,000
1987	\$76,650,000
1988	\$80,480,000

1990	\$115,330,000
1991	\$145,470,000

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois

Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such

deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the first sentence of this paragraph and shall reduce the amount otherwise payable for such fiscal year pursuant to that clause (b). The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

and

each fiscal year
thereafter that bonds
are outstanding under
Section 13.2 of the
Metropolitan Pier and
Exposition Authority Act,
but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal
year thereafter, one-eighth of the amount requested in the
certificate of the Chairman of the Metropolitan Pier and
Exposition Authority for that fiscal year, less the amount

deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this

paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098) ~~this amendatory Act of the 98th General Assembly~~, each month, from the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to fund additional auditors and compliance personnel at the Department of Revenue, an amount equal to $\frac{1}{12}$ of 5% of 80% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act, and associated local occupation and use taxes administered by the Department.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State

Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in

this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to $\frac{1}{6}$ of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets and similar exhibitions or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in

merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed \$250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of

this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

Section 25. The Automobile Renting Occupation and Use Tax Act is amended by changing Sections 3 and 4 as follows:

(35 ILCS 155/3) (from Ch. 120, par. 1703)

Sec. 3. A tax is imposed upon persons engaged in this State in the business of renting automobiles in Illinois at the rate of 5% of the gross receipts received from such business. The tax herein imposed does not apply to the renting of automobiles to any governmental body, nor to any corporation, society, association, foundation or institution organized and operated exclusively for charitable, religious or educational purposes, nor to any not for profit corporation, society, association, foundation, institution or organization which has no compensated officers or employees and which is organized and operated primarily for the recreation of persons 55 years of age or older. Every person engaged in this State in the business of renting automobiles shall apply to the Department (upon a form prescribed and furnished by the Department) for a

certificate of registration under this Act. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit such rentor to engage in a business which is taxable under this Section without registering separately with the Department.

The Department shall have full power to administer and enforce this Section, to collect all taxes and penalties due hereunder, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns, electronic filing of returns, and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth herein.

(Source: P.A. 86-1475; 87-205; 87-895.)

(35 ILCS 155/4) (from Ch. 120, par. 1704)

Sec. 4. A tax is imposed upon the privilege of using, in this State, an automobile which is rented from a rentor. Such tax is at the rate of 4% of the rental price of such automobile prior to July 1, 1985 and at the rate of 5% of the rental price of such automobile on and after July 1, 1985 paid to the rentor under any rental agreement. The tax herein imposed shall not apply to any governmental body, nor to any corporation, society, association, foundation or institution, organized and operated exclusively for charitable, religious or educational purposes, nor to any not for profit corporation, society, association, foundation, institution or organization which has no compensated officers or employees and which is organized and operated primarily for the recreation of persons 55 years of age or older, when using tangible personal property as a rentee.

The tax hereby imposed shall be collected from the rentee by a rentor maintaining a place of business in this State and remitted to the Department.

The tax hereby imposed and not paid to a rentor pursuant to the preceding paragraph of this Section shall be paid to the Department directly by any person using such automobile within this State.

Rentors shall collect the tax from rentees by adding the tax to the rental price of the automobile, when rented for use,

in the manner prescribed by the Department. The Department shall have the power to adopt and promulgate reasonable rules and regulations for the adding of such tax by rentors to rental prices by prescribing bracket systems for the purpose of enabling such rentors to add and collect, as far as practicable, the amount of such tax.

The tax imposed by this Section shall, when collected, be stated as a distinct item separate and apart from the rental price of the automobile.

The Department shall have full power to administer and enforce this Section; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided, and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 2, 3 through 3-80, 4, 6, 7, 8, 9 (except provisions relating to transaction returns, electronic filing of returns, and quarter monthly payments), 10, 11, 12, 12a, 12b, 13, 14, 15, 19, 20, 21 and 22 of the Use Tax Act, and are not inconsistent with this Section, as fully as if those

provisions were set forth herein.

Section 30. The Prepaid Wireless 9-1-1 Surcharge Act is amended by changing Section 20 as follows:

(50 ILCS 753/20)

Sec. 20. Administration of prepaid wireless 9-1-1 surcharge.

(a) In the administration and enforcement of this Act, the provisions of Sections 2a, 2b, 2c, 3, 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, and 12 of the Retailers' Occupation Tax Act that are not inconsistent with this Act, and Section 3-7 of the Uniform Penalty and Interest Act shall apply, as far as practicable, to the subject matter of this Act to the same extent as if those provisions were included in this Act. References to "taxes" in these incorporated Sections shall be construed to apply to the administration, payment, and remittance of all surcharges under this Act. The Department shall establish registration and payment procedures that substantially coincide with the registration and payment procedures that apply to the Retailers' Occupation Tax Act.

(b) A seller shall be permitted to deduct and retain 3% of prepaid wireless 9-1-1 surcharges that are collected by the seller from consumers and that are remitted and timely filed

with the Department. Beginning January 1, 2018, the seller is allowed to deduct and retain a portion of the prepaid wireless 9-1-1 surcharges as authorized by this subsection only if the return is filed electronically as provided in Section 3 of the Retailers' Occupation Tax Act. Sellers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

(c) Other than the amounts for deposit into the Municipal Wireless Service Emergency Fund, the Department shall pay to the State Treasurer all prepaid wireless E911 charges, penalties, and interest collected under this Act for deposit into the Statewide 9-1-1 Fund. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the amount available to the Department of State Police for distribution out of the Statewide 9-1-1 Fund. The amount certified shall be the amount (not including credit memoranda) collected during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body. The amount paid to the Statewide 9-1-1 Fund shall not include any amount equal to the amount of refunds made during the second preceding calendar month by the Department of Revenue to retailers under this Act or any amount that the Department determines is necessary to offset any amounts which were payable to a different taxing

body but were erroneously paid to the Statewide 9-1-1 Fund. The Department of State Police shall distribute the funds in accordance with Section 30 of the Emergency Telephone Safety Act. The Department may deduct an amount, not to exceed 2% of remitted charges, to be transferred into the Tax Compliance and Administration Fund to reimburse the Department for its direct costs of administering the collection and remittance of prepaid wireless 9-1-1 surcharges.

(d) The Department shall administer the collection of all 9-1-1 surcharges and may adopt and enforce reasonable rules relating to the administration and enforcement of the provisions of this Act as may be deemed expedient. The Department shall require all surcharges collected under this Act to be reported on existing forms or combined forms, including, but not limited to, Form ST-1. Any overpayments received by the Department for liabilities reported on existing or combined returns shall be applied as an overpayment of retailers' occupation tax, use tax, service occupation tax, or service use tax liability.

(e) If a home rule municipality having a population in excess of 500,000 as of the effective date of this amendatory Act of the 97th General Assembly imposes an E911 surcharge under subsection (a-5) of Section 15 of this Act, then the Department shall pay to the State Treasurer all prepaid wireless E911 charges, penalties, and interest collected for deposit into the Municipal Wireless Service Emergency Fund. All

deposits into the Municipal Wireless Service Emergency Fund shall be held by the State Treasurer as ex officio custodian apart from all public moneys or funds of this State. Any interest attributable to moneys in the Fund must be deposited into the Fund. Moneys in the Municipal Wireless Service Emergency Fund are not subject to appropriation. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the amount available for disbursement to the home rule municipality out of the Municipal Wireless Service Emergency Fund. The amount to be paid to the Municipal Wireless Service Emergency Fund shall be the amount (not including credit memoranda) collected during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body. The amount paid to the Municipal Wireless Service Emergency Fund shall not include any amount equal to the amount of refunds made during the second preceding calendar month by the Department to retailers under this Act or any amount that the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the Municipal Wireless Service Emergency Fund. Within 10 days after receipt by the Comptroller of the certification provided for in this subsection, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions in the certification. The Department may deduct an

amount, not to exceed 2% of remitted charges, to be transferred into the Tax Compliance and Administration Fund to reimburse the Department for its direct costs of administering the collection and remittance of prepaid wireless 9-1-1 surcharges.

Section 35. The Public Utilities Act is amended by changing Section 13-703 as follows:

(220 ILCS 5/13-703) (from Ch. 111 2/3, par. 13-703)

(Section scheduled to be repealed on July 1, 2017)

Sec. 13-703. (a) The Commission shall design and implement a program whereby each telecommunications carrier providing local exchange service shall provide a telecommunications device capable of servicing the needs of those persons with a hearing or speech disability together with a single party line, at no charge additional to the basic exchange rate, to any subscriber who is certified as having a hearing or speech disability by a hearing care professional, as defined in the Hearing Instrument Consumer Protection Act, a speech-language pathologist, or a qualified State agency and to any subscriber which is an organization serving the needs of those persons with a hearing or speech disability as determined and specified by the Commission pursuant to subsection (d).

(b) The Commission shall design and implement a program,

whereby each telecommunications carrier providing local exchange service shall provide a telecommunications relay system, using third party intervention to connect those persons having a hearing or speech disability with persons of normal hearing by way of intercommunications devices and the telephone system, making available reasonable access to all phases of public telephone service to persons who have a hearing or speech disability. In order to design a telecommunications relay system which will meet the requirements of those persons with a hearing or speech disability available at a reasonable cost, the Commission shall initiate an investigation and conduct public hearings to determine the most cost-effective method of providing telecommunications relay service to those persons who have a hearing or speech disability when using telecommunications devices and therein solicit the advice, counsel, and physical assistance of Statewide nonprofit consumer organizations that serve persons with hearing or speech disabilities in such hearings and during the development and implementation of the system. The Commission shall phase in this program, on a geographical basis, as soon as is practicable, but no later than June 30, 1990.

(c) The Commission shall establish a competitively neutral rate recovery mechanism that establishes charges in an amount to be determined by the Commission for each line of a subscriber to allow telecommunications carriers providing local exchange service to recover costs as they are incurred

under this Section. Beginning no later than April 1, 2016, and on a yearly basis thereafter, the Commission shall initiate a proceeding to establish the competitively neutral amount to be charged or assessed to subscribers of telecommunications carriers and wireless carriers, Interconnected VoIP service providers, and consumers of prepaid wireless telecommunications service in a manner consistent with this subsection (c) and subsection (f) of this Section. The Commission shall issue its order establishing the competitively neutral amount to be charged or assessed to subscribers of telecommunications carriers and wireless carriers, Interconnected VoIP service providers, and purchasers of prepaid wireless telecommunications service on or prior to June 1 of each year, and such amount shall take effect June 1 of each year.

Telecommunications carriers, wireless carriers, Interconnected VoIP service providers, and sellers of prepaid wireless telecommunications service shall have 60 days from the date the Commission files its order to implement the new rate established by the order.

(d) The Commission shall determine and specify those organizations serving the needs of those persons having a hearing or speech disability that shall receive a telecommunications device and in which offices the equipment shall be installed in the case of an organization having more than one office. For the purposes of this Section,

"organizations serving the needs of those persons with hearing or speech disabilities" means centers for independent living as described in Section 12a of the Rehabilitation of Persons with Disabilities Act and not-for-profit organizations whose primary purpose is serving the needs of those persons with hearing or speech disabilities. The Commission shall direct the telecommunications carriers subject to its jurisdiction and this Section to comply with its determinations and specifications in this regard.

(e) As used in this Section:

"Prepaid wireless telecommunications service" has the meaning given to that term under Section 10 of the Prepaid Wireless 9-1-1 Surcharge Act.

"Retail transaction" has the meaning given to that term under Section 10 of the Prepaid Wireless 9-1-1 Surcharge Act.

"Seller" has the meaning given to that term under Section 10 of the Prepaid Wireless 9-1-1 Surcharge Act.

"Telecommunications carrier providing local exchange service" includes, without otherwise limiting the meaning of the term, telecommunications carriers which are purely mutual concerns, having no rates or charges for services, but paying the operating expenses by assessment upon the members of such a company and no other person.

"Wireless carrier" has the meaning given to that term under Section 10 of the Wireless Emergency Telephone Safety Act.

(f) Interconnected VoIP service providers, sellers of

prepaid wireless telecommunications service, and wireless carriers in Illinois shall collect and remit assessments determined in accordance with this Section in a competitively neutral manner in the same manner as a telecommunications carrier providing local exchange service. However, the assessment imposed on consumers of prepaid wireless telecommunications service shall be collected by the seller from the consumer and imposed per retail transaction as a percentage of that retail transaction on all retail transactions occurring in this State. The assessment on subscribers of wireless carriers and consumers of prepaid wireless telecommunications service shall not be imposed or collected prior to June 1, 2016.

Sellers of prepaid wireless telecommunications service shall remit the assessments to the Department of Revenue on the same form and in the same manner which they remit the fee collected under the Prepaid Wireless 9-1-1 Surcharge Act. For the purposes of display on the consumers' receipts, the rates of the fee collected under the Prepaid Wireless 9-1-1 Surcharge Act and the assessment under this Section may be combined. In administration and enforcement of this Section, the provisions of Sections 15 and 20 of the Prepaid Wireless 9-1-1 Surcharge Act (except subsections (a), (a-5), (b-5), (e), and (e-5) of Section 15 and subsections (c) and (e) of Section 20 of the Prepaid Wireless 9-1-1 Surcharge Act and, from June 29, 2015 (the effective date of Public Act 99-6), the seller shall be

permitted to deduct and retain 3% of the assessments that are collected by the seller from consumers and that are remitted and timely filed with the Department) that are not inconsistent with this Section, shall apply, as far as practicable, to the subject matter of this Section to the same extent as if those provisions were included in this Section. Beginning on January 1, 2018, the seller is allowed to deduct and retain 3% of the assessments that are collected by the seller from consumers and that are remitted timely and timely filed with the Department, but only if the return is filed electronically as provided in Section 3 of the Retailers' Occupation Tax Act. Sellers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement. The Department shall deposit all assessments and penalties collected under this Section into the Illinois Telecommunications Access Corporation Fund, a special fund created in the State treasury. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the amount available to the Commission for distribution out of the Illinois Telecommunications Access Corporation Fund. The amount certified shall be the amount (not including credit memoranda) collected during the second preceding calendar month by the Department, plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body or fund. The

amount paid to the Illinois Telecommunications Access Corporation Fund shall not include any amount equal to the amount of refunds made during the second preceding calendar month by the Department to retailers under this Section or any amount that the Department determines is necessary to offset any amounts which were payable to a different taxing body or fund but were erroneously paid to the Illinois Telecommunications Access Corporation Fund. The Commission shall distribute all the funds to the Illinois Telecommunications Access Corporation and the funds may only be used in accordance with the provisions of this Section. The Department shall deduct 2% of all amounts deposited in the Illinois Telecommunications Access Corporation Fund during every year of remitted assessments. Of the 2% deducted by the Department, one-half shall be transferred into the Tax Compliance and Administration Fund to reimburse the Department for its direct costs of administering the collection and remittance of the assessment. The remaining one-half shall be transferred into the Public Utility Fund to reimburse the Commission for its costs of distributing to the Illinois Telecommunications Access Corporation the amount certified by the Department for distribution. The amount to be charged or assessed under subsections (c) and (f) is not imposed on a provider or the consumer for wireless Lifeline service where the consumer does not pay the provider for the service. Where the consumer purchases from the provider optional minutes,

texts, or other services in addition to the federally funded Lifeline benefit, a consumer must pay the charge or assessment, and it must be collected by the seller according to this subsection (f).

Interconnected VoIP services shall not be considered an intrastate telecommunications service for the purposes of this Section in a manner inconsistent with federal law or Federal Communications Commission regulation.

(g) The provisions of this Section are severable under Section 1.31 of the Statute on Statutes.

(h) The Commission may adopt rules necessary to implement this Section.

Section 40. The Environmental Protection Act is amended by changing Sections 55.8 and 55.10 as follows:

(415 ILCS 5/55.8) (from Ch. 111 1/2, par. 1055.8)

Sec. 55.8. Tire retailers.

(a) Any person selling new or used tires at retail or offering new or used tires for retail sale in this State shall:

(1) beginning on June 20, 2003 (the effective date of Public Act 93-32), collect from retail customers a fee of \$2 per new or used tire sold and delivered in this State,

to be paid to the Department of Revenue and deposited into the Used Tire Management Fund, less a collection allowance of 10 cents per tire to be retained by the retail seller and a collection allowance of 10 cents per tire to be retained by the Department of Revenue and paid into the General Revenue Fund; the collection allowance for retail sellers, however, shall be allowed only if the return is filed timely and in the manner required by this Title XIV and only for the amount that is paid timely in accordance with this Title XIV;

(1.5) beginning on July 1, 2003, collect from retail customers an additional 50 cents per new or used tire sold and delivered in this State; the money collected from this fee shall be deposited into the Emergency Public Health Fund;

(2) accept for recycling used tires from customers, at the point of transfer, in a quantity equal to the number of new tires purchased; and

(3) post in a conspicuous place a written notice at least 8.5 by 11 inches in size that includes the universal recycling symbol and the following statements: "DO NOT put used tires in the trash."; "Recycle your used tires."; and "State law requires us to accept used tires for recycling, in exchange for new tires purchased.".

(b) A person who accepts used tires for recycling under subsection (a) shall not allow the tires to accumulate for

periods of more than 90 days.

(c) The requirements of subsection (a) of this Section do not apply to mail order sales nor shall the retail sale of a motor vehicle be considered to be the sale of tires at retail or offering of tires for retail sale. Instead of filing returns, retailers of tires may remit the tire user fee to their suppliers of tires if the supplier of tires is a registered retailer of tires and agrees or otherwise arranges to collect and remit the tire fee to the Department of Revenue, notwithstanding the fact that the sale of the tire is a sale for resale and not a sale at retail. A tire supplier who enters into such an arrangement with a tire retailer shall be liable for the tax on all tires sold to the tire retailer and must (i) provide the tire retailer with a receipt that separately reflects the tire tax collected from the retailer on each transaction and (ii) accept used tires for recycling from the retailer's customers. The tire supplier shall be entitled to the collection allowance of 10 cents per tire, but only if the return is filed timely and only for the amount that is paid timely in accordance with this Title XIV.

The retailer of the tires must maintain in its books and records evidence that the appropriate fee was paid to the tire supplier and that the tire supplier has agreed to remit the fee to the Department of Revenue for each tire sold by the retailer. Otherwise, the tire retailer shall be directly liable for the fee on all tires sold at retail. Tire retailers paying

the fee to their suppliers are not entitled to the collection allowance of 10 cents per tire. The collection allowance for suppliers, however, shall be allowed only if the return is filed timely and in the manner required by this Title XIV and only for the amount that is paid timely in accordance with this Title XIV.

(d) The requirements of subsection (a) of this Section shall apply exclusively to tires to be used for vehicles defined in Section 1-217 of the Illinois Vehicle Code, aircraft tires, special mobile equipment, and implements of husbandry.

(e) The requirements of paragraph (1) of subsection (a) do not apply to the sale of reprocessed tires. For purposes of this Section, "reprocessed tire" means a used tire that has been recapped, retreaded, or regrooved and that has not been placed on a vehicle wheel rim.

(415 ILCS 5/55.10) (from Ch. 111 1/2, par. 1055.10)

Sec. 55.10. Tax returns by retailer.

(a) Except as otherwise provided in this Section, for returns due on or before January 31, 2010, each retailer of tires maintaining a place of business in this State shall make a return to the Department of Revenue on a quarter annual basis, with the return for January, February and March of a given year being due by April 30 of that year; with the return for April, May and June of a given year being due by July 31 of

that year; with the return for July, August and September of a given year being due by October 31 of that year; and with the return for October, November and December of a given year being due by January 31 of the following year.

For returns due after January 31, 2010, each retailer of tires maintaining a place of business in this State shall make a return to the Department of Revenue on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of that year; with the return for April, May, and June of a given year being due by July 20 of that year; with the return for July, August, and September of a given year being due by October 20 of that year; and with the return for October, November, and December of a given year being due by January 20 of the following year.

Notwithstanding any other provision of this Section to the contrary, the return for October, November, and December of 2009 is due by February 20, 2010.

On and after January 1, 2018, tire retailers and suppliers required to file electronically under Section 3 of the Retailers' Occupation Tax Act or Section 9 of the Use Tax Act must electronically file all returns pursuant to this Act. Tire retailers and suppliers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

(b) Each return made to the Department of Revenue shall

state:

- (1) the name of the retailer;
- (2) the address of the retailer's principal place of business, and the address of the principal place of business (if that is a different address) from which the retailer engages in the business of making retail sales of tires;
- (3) total number of tires sold at retail for the preceding calendar quarter;
- (4) the amount of tax due; and
- (5) such other reasonable information as the Department of Revenue may require.

Notwithstanding any other provision of this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in the retail sale of tires, the retailer shall file a final return under this Act with the Department of Revenue not more than one month after discontinuing that business.

Section 99. Effective date. This Act takes effect upon becoming law.
