Sec. 6-201. Authority to cancel licenses and permits.

(a) The Secretary of State is authorized to cancel any license or permit upon determining that the holder thereof:

1. was not entitled to the issuance thereof hereunder;

After the cancellation, the Secretary of State shall not issue a new license or permit for a period of one year after the date of cancellation. However, upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety, or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle between the person's residence and person's place of employment or within the scope of the person's employment related duties, or to allow transportation for the person or a household member of the person's family for the receipt of necessary medical care or, if the professional evaluation indicates, provide transportation for the petitioner for alcohol remedial or rehabilitative activity, or for the person to attend classes, as a student, in an accredited educational institution; if the person is able to demonstrate that no alternative means of transportation is reasonably available; provided that the Secretary's discretion shall be limited to cases where undue hardship would result from a failure to issue such restricted driving permit. In each case the Secretary of State may issue such restricted driving permit for such period as he deems appropriate, except that such permit shall expire within one year from the date of issuance. A restricted driving permit issued hereunder shall be subject to cancellation, revocation and suspension by the Secretary of State in like manner and for like cause as a driver's license issued hereunder may be cancelled,

revoked or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension or cancellation of a restricted driving permit. (e) In cases where prosecution for aggravated criminal sexual abuse under Section 12-16 of the Criminal Code of 1961 results in conviction of a defendant who was a family member of the victim at the time of the commission of the offense, the court shall consider the safety and welfare of the victim and may impose a sentence of probation only where:

Probation may be revoked or modified pursuant to Section 5-6-4; except where the court determines at the hearing that the defendant violated a condition of his or her probation restricting contact with the victim or other family members or

commits another offense with the victim or other family members, the court shall revoke the defendant's probation and impose a term of imprisonment.

For the purposes of this Section, "family member" and "victim" shall have the meanings ascribed to them in Section 12-12 of the Criminal Code of 1961.

(f) This Article shall not deprive a court in other proceedings to order a forfeiture of property, to suspend or cancel a license, to remove a person from office, or to impose any other civil penalty.

Any such medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the defendant's person. Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of the test results. The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or legal guardian of the test results. The court shall provide information on the availability of HIV testing and counseling at Department of

Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. The court shall order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

(g-5) When an inmate is tested for an airborne communicable disease, as determined by the Illinois Department of Public Health including but not limited to tuberculosis, the results of the test shall be personally delivered by the warden or his or her designee in a sealed envelope to the judge of the court in which the inmate must appear for the judge's inspection in camera if requested by the judge. Acting in accordance with the best interests of those in the courtroom, the judge shall have the discretion to determine what if any precautions need to be taken to prevent transmission of the disease in the courtroom.

(h) Whenever a defendant is convicted of an offense under Section 1 or 2 of the Hypodermic Syringes and Needles Act, the defendant shall undergo medical testing to determine whether the defendant has been exposed to human immunodeficiency virus (HIV) or any other identified causative agent of acquired immunodeficiency syndrome (AIDS). Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of a positive test showing an infection with the human

immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. The court shall order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

(i) All fines and penalties imposed under this Section for any violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle Code, or a similar provision of a local ordinance, and any violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5 of the Clerks of Courts Act.

(j) In cases when prosecution for any violation of Section 11-6, 11-8, 11-9, 11-11, 11-14, 11-15, 11-15.1, 11-16, 11-17, 11-17.1, 11-18, 11-18.1, 11-19, 11-19.1, 11-19.2, 11-20.1, 11-21, 12-13, 12-14, 12-14.1, 12-15, or 12-16 of the Criminal Code of 1961, any violation of the Illinois Controlled Substances Act, any violation of the Cannabis Control Act, or any violation of the Methamphetamine Control and Community Protection Act results in conviction, a disposition of court supervision, or an order of probation granted under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substance Act, or Section 70 of the Methamphetamine Control and Community Protection Act of a defendant, the court shall determine whether the defendant is employed by a facility or center as defined under the Child Care Act of 1969, a public or private elementary or secondary school, or otherwise works

with children under 18 years of age on a daily basis. When a defendant is so employed, the court shall order the Clerk of the Court to send a copy of the judgment of conviction or order of supervision or probation to the defendant's employer by certified mail. If the employer of the defendant is a school, the Clerk of the Court shall direct the mailing of a copy of the judgment of conviction or order of supervision or probation to the appropriate regional superintendent of schools. The regional superintendent of schools shall notify the State Board of Education of any notification under this subsection.

(j-5) A defendant at least 17 years of age who is convicted of a felony and who has not been previously convicted of a misdemeanor or felony and who is sentenced to a term of imprisonment in the Illinois Department of Corrections shall as a condition of his or her sentence be required by the court to attend educational courses designed to prepare the defendant for a high school diploma and to work toward a high school diploma or to work toward passing the high school level Test of General Educational Development (GED) or to work toward completing a vocational training program offered by the Department of Corrections. If a defendant fails to complete the educational training required by his or her sentence during the term of incarceration, the Prisoner Review Board shall, as a condition of mandatory supervised release, require the defendant, at his or her own expense, to pursue a course of study toward a high school diploma or passage of the GED test. The Prisoner Review Board shall revoke the mandatory supervised release of a defendant who wilfully fails to comply with this subsection (j-5) upon his or her release from confinement in a penal institution while serving a mandatory supervised release term; however, the inability of the defendant after making a good faith effort to obtain financial aid or pay for the educational training shall not be deemed a wilful failure to comply. The Prisoner Review Board shall recommit the defendant whose mandatory supervised release term has been revoked under this subsection (j-5) as provided in Section 3-3-9. This

subsection (j-5) does not apply to a defendant who has a high school diploma or has successfully passed the GED test. This subsection (j-5) does not apply to a defendant who is determined by the court to be developmentally disabled or otherwise mentally incapable of completing the educational or vocational program.

(k) A court may not impose a sentence or disposition for a felony or misdemeanor that requires the defendant to be implanted or injected with or to use any form of birth control.
