**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Public Building Commission Act is amended by changing Section 14 as follows:

(50 ILCS 20/14) (from Ch. 85, par. 1044)

Sec. 14. A Public Building Commission is a municipal corporation and constitutes a body both corporate and politic separate and apart from any other municipal corporation or any other public or governmental agency. It may sue and be sued, plead and be impleaded, and have a seal and alter such at pleasure, have perpetual succession, make and execute contracts, leases, deeds and other instruments necessary or convenient to the exercise of its powers, and make and from time to time amend and repeal its by-laws, rules and regulations not inconsistent with this Act. In addition, it has and shall exercise the following public and essential governmental powers and functions and all other powers incidental or necessary, to carry out and effectuate such express powers:

(a) To select, locate and designate, at any time and from time to time, one or more areas lying wholly within the territorial limits of the municipality or of the county seat of

the county in which the Commission is organized, or within the territorial limits of the county if the site is to be used for county purposes, or (in the case of a county having a population of at least 20,000 but not more than 21,000 as determined by the 1980 federal census) within the territorial limits of the county if the site is to be used for municipal purposes, as the site or sites to be acquired for the erection, alteration or improvement of a building or buildings, public improvement or other facilities for the purposes set forth in this Section. The site or sites selected shall be conveniently located within such county, municipality or county seat and of an area in size sufficiently large to accomplish and effectuate the purpose of this Act and sufficient to provide for proper architectural setting and adequate landscaping for such building or buildings, public improvement or other facilities.

(1) Where the governing body of the county seat or the governing body of any municipality with 3,000 or more inhabitants has adopted the original resolution for the creation of the Commission, the site or sites selected, and in the case of a project for an Airport Authority, the site or sites selected, the project and any lease agreements, are subject to approval by a majority of the members of the governing body of the county seat or by a majority of the members of the governing body of the municipality. However, where the site is for a county project and is outside the limits of a municipality, the approval of the site shall be by

the county board.

(2) Where the original resolution for the creation of the Commission has been adopted by the governing body of the county, the site or sites selected, and in the case of a project for an Airport Authority, the site or sites selected, the project and any lease agreements, are subject to approval by a majority of the members of the governing body of the county and to approval by 3/4 of the members of the governing body of the county seat, except that approval of 3/4 of the members of the governing body of the county seat is not required where the site is for a county or (in the case of a county having a population of at least 20,000 but not more than 21,000 as determined by the 1980 federal census) a municipal project and is outside the limits of the county seat, in which case approval by 3/4 of the members of the governing body of any municipality where the site or sites will be located is required; and, if such site or sites so selected, and in the case of a project for an Airport Authority, the site or sites selected, the project and any lease agreements, are not approved by 3/4 of the members of the governing body of the county seat the Commission may by resolution request that the approval of the site or sites so selected, and in the case of a project for an Airport Authority, the site or sites selected, the project and any lease agreements, be submitted to a referendum at the next general election in accordance with the general election law, and shall present such resolution to the

county clerk. Upon receipt of such resolution the county clerk shall immediately notify the board of election commissioners, if any; however, referenda pursuant to such resolution shall not be called more frequently than once in 4 years. The proposition shall be in substantially the following form:

approved July 5, 1955, which project
it is estimated will cost \$....., -----

If a majority of the electors voting on the proposition
vote in favor of the proposition, the site or sites so

the site or sites has been obtained by referendum, the area or
