105 ILCS 5/34-18.88 new

Amends the School Code. Provides that, subject to appropriation, the State Board of Education, in consultation with the Department of Public Health, shall develop an educational document explaining, at a minimum, the values of good indoor air quality and shall supply the document to school districts. Provides that, subject to funding from the State Board, a school district shall ensure that all active classrooms are equipped with an air quality monitor.

FISCAL NOTE (State Board of Education)

HB 4739 amends the School Code to provide that, subject to funding from the Illinois State Board of Education, a school district shall ensure that all active classrooms are equipped with an air quality monitor. Section 2-3.12 of the School Code requires the inspection of all buildings in a school district once every 10 years. This statutory requirement helps populate the data collected in ISBE's health/life safety survey system about public school facilities, including school buildings, for all school districts other than Chicago Public Schools (CPS). Utilizing this health/life/safety survey data in combination with the ISBE Entity Profile System data the agency estimates that there are approximately 110,000 active classrooms statewide including CPS. It's possible that this number is understated, since many schools utilize smaller rooms that may be considered active classrooms for services such as tutoring, speech therapy and individual instruction. HB 4739 does not specify what types of air quality monitors would be funded by an appropriation. Commercial air quality monitors can cost as little as \$200 to several thousands of dollars per unit. This bill also does not contemplate ongoing maintenance costs that districts might face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require. Ultimately, the State Board of Education cannot determine potential costs to districts. Agency implementation costs would likely be minimal; however, resources may be needed to support the application funding process.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

House Bill 4739 would require each school district in the state to equip all active classrooms within the district with an air quality monitor. Active classrooms are defined in the bill as a room currently being used for any duration of in-person instruction, which includes spaces typically thought of as classrooms as well as smaller spaces in which individual or small-group instruction may occur. The initial requirement is subject to appropriation. The legislation does not contemplate ongoing maintenance costs that districts will face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require.

Amends the Construction Site Temporary Restroom Facility Act. Changes the Act's short title to the Construction Site Temporary Restroom Facility and Sanitary Conditions for Menstruation and Lactation Act. Repeals a provision which specifies that separate toileting facilities are not required for males and females if individual portable toilet facilities are used by an owner of a portable building or building under construction to provide access to a restroom. Provides that, if a woman or an individual who menstruates is present on a work site and there are 10 or more workers of any gender at the work site, then a separate toilet facility shall be provided at the work site and designated for use by women and individuals who menstruate. Requires employers in the construction industry to provide their workers who menstruate and are performing construction activities on a work site with minimum sanitary conditions. Describes the required minimum sanitary conditions. Requires employers in the construction industry, upon request, to provide their workers who are lactating and performing construction activities on a work site with reasonable accommodations needed to express breast milk. Describes reasonable accommodations for lactation. Provides that, on or before January 1, 2027, the Department of Public Health shall provide guidance to employers on the accommodations to be provided. Authorizes employees of construction sites to call the certified local public health agency with jurisdiction over a construction site to request an inspection if noncompliance with the Act is suspected. Provides that any owner who fails or refuses to comply with the provisions of the Act commits a petty offense and is subject to a fine to be determined by the certified local public health agency (rather than only being subject to a petty offense). Defines "employer". Effective immediately.

In provisions concerning loss and restoration of rights, provides that no application for specific licenses granted under the authority of the State shall be denied to (rather than denied by reason of) an eligible offender who has obtained a certificate of relief from disabilities, having been previously convicted of one or more criminal offenses (rather than or by reason of a finding of lack of "good moral character"), when the finding is solely based upon the fact that the applicant has previously been convicted of one or more criminal offenses, except for certain circumstances. Repeals provisions concerning the Department of Financial and Professional Regulation's annual report to the General Assembly. Makes other changes. Effective immediately.

Provides that the Illinois Racing Board, in lieu of obtaining a court reporter to make accurate transcriptions at each regular and special meeting and proceeding, shall create a verbatim record of each regular and special meeting in the form of an audio or video recording, unless an emergency situation precludes the creation of a transcript or recording. Allows the Board to refuse an occupation license to any person for any other just cause. Requires an applicant for an employment position as a pari-mutuel clerk, parking attendant, or security guard to include in the application whether the applicant has ever been convicted of any theft, fraud, wagering during the course of employment, touting, bookmaking, or any other act which is detrimental to the best interests of racing. Requires a licensee to forward a copy of the application form to the Board prior to extending an offer of employment to an applicant (rather than upon its decision to hire the applicant) and certify that it has checked the applicant's background. Removes language requiring the Board's review of an applicant to include an inquiry. Provides that no organization license may be granted to conduct a horse race meeting to any person who does not, at the time of application for the organization license, have plans certified by a licensed architect and confirmed financing for construction of a race track suitable for the type of racing intended to be held by the applicant and for the accommodation of the public on property that the applicant owns or has a contract or lease for possession of with completion scheduled before the meet applied for begins. Requires an application to conduct a horse race meeting to be delivered with a certified check or bank draft payable to the order of the Board for \$10,000 (rather than \$1,000). Allows the Board to impose civil penalties of up to \$10,000 (rather than \$5,000) for individuals and up to \$25,000 (rather than \$10,000) against licensees for each violation of the Act. HB-4785 LAPOINTE, GRASSE, AVELAR, WILLIAMS, ANN AND OLICKAL.

New Act

Creates the Preventing Crisis Cost Shifting to Medicaid Act. Provides that the General Assembly finds that (i) behavioral health crisis services, including crisis call centers, mobile crisis response, and crisis stabilization and receiving services, function as essential public health infrastructure and must be available statewide without regard to insurance status; and (ii) commercial health insurance policies issued or administered in the State generally do not provide comprehensive coverage for the full continuum of behavioral health crisis services, resulting in the cost of such services being disproportionately borne by Medicaid, local governments, and taxpayers. Requires specified entities (surcharge payors) that are authorized to issue or administer a policy or contract of accident and health insurance or a health maintenance organization contract in the State to pay a behavioral health crisis assessment to the Department of Human Services for deposit into the Statewide 9-8-8 Trust Fund. Exempts Medicaid managed care organizations from paying the behavioral health crisis assessment. Permits the Department to update the total behavioral health crisis assessment amount as necessary to ensure the continued availability, quality, or geographic equity of the statewide behavioral health crisis system. Requires the Department to establish an appropriate mechanism for enforcing a surcharge payor's liability, which may include accrued interest on unpaid liabilities at a rate not to exceed 18% per annum and late fees or penalties at a rate not to exceed 5% per month. Provides that the enforcement mechanism may also include notification to the Department of Healthcare and Family Services to offset payments on the surcharge payor's claims. Provides that the Department of Human Services shall not direct the Department of Healthcare and Family Services to offset claims payments unless the surcharge payor has maintained an outstanding liability to the Statewide 9-8-8 Trust Fund for a period longer than 45 days and has received proper notice of pending enforcement.

Amends the Unemployment Insurance Act. FISCAL NOTE (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Bill 4805 and has determined that the legislation could have a fiscal impact on the administrative costs for the Department. The Department's cost estimate for this Fiscal Note assumes that information the Department receives from employers in the event of a layoff, furlough, or shutdown functions to initiate and file an unemployment insurance claim on behalf of each affected worker. The Department estimates that the administrative costs of reprogramming systems, administering new processes, engaging in rule-making, and related activities would be approximately \$1,000,000. The Department notes that some information required to initiate an unemployment insurance claim and appropriately determine an individual's weekly benefit amount would, in most cases, likely not be available to employers. The Department also notes that individuals would still be required to create their own account with identity-proofing methods required of all unemployment insurance claimants. The Department estimates that there would be a de minimis fiscal impact on the Unemployment Insurance Trust Fund. The Department has also asked the United States Department of Labor (USDOL) for a standard, informal conformity review of the language of this bill with federal regulations. USDOL has asked for clarification, and the Department is working with you and stakeholders to respond.

5 ILCS 840/23 new

Amends the First Responders Suicide Prevention Act. Provides that confidentiality protections under the Act apply regardless of whether the peer support person is employed by, or affiliated with, the same agency as the first responder receiving support. Provides that, except in specified circumstances, all communications, records, notes, reports, or information disclosed during, or in connection with, a critical incident stress management session is confidential and may not be disclosed by any CISM practitioner. Provides that a CISM practitioner may not be compelled to testify or disclose any communication, record, note, report, or information disclosed during, or in connection with, a critical incident stress management session in any administrative, civil, or criminal proceeding. Provides that the confidentiality protections under the provisions apply whether or not the CISM practitioner is affiliated with the same agency as the individual receiving services. Provides that any communication described in the provisions is subject to subpoena for good cause shown. Provides that the confidentiality protections under the provisions do not apply to (1) any threat of suicide or homicide made by a participant in a peer support counseling session or any information conveyed in a peer support counseling session related to a threat of suicide or homicide; (2) any information mandated by law or agency policy to be reported, including, but not limited to, domestic violence, child abuse or neglect, or elder abuse or neglect; (3) any admission of criminal conduct; or (4) an admission or act of refusal to perform duties to protect others or the employee of the emergency services provider or law enforcement agency. Defines "CISM practitioner" and "CISM services".

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Removes a provision concerning the exceptions to the confidentiality privileges established under the Act for any communication made by an employee of an emergency services provider, law enforcement agency, or peer support advisor in a peer support counseling session. In provisions concerning the confidentiality privileges applied to any communication made by an employee of an emergency services provider, law enforcement agency, or peer support advisor in a peer support counseling session, provides that the privileges do not apply if: (1) the communication indicates an intent to engage in conduct likely to result in imminent death or serious physical injury to the participant or another individual; (2) the person receiving the peer support counseling session or critical incident stress management services discloses information that is required to be reported under the mandated reporting laws, including, but not limited to, the reporting of maltreatment of minors or the reporting of maltreatment of vulnerable adults, provided the disclosure is only for the purpose of reporting maltreatment and limited to information necessary to make such a report; (3) the participant expressly waives the privilege or gives consent to disclosure of the privileged communication; (4) the participant is deceased and the

surviving spouse or the executor or administrator of the estate of the deceased participant expressly waives the privilege or gives consent to disclosure of the privileged communication; or (5) the participant sought or obtained the peer support counseling services or critical incident stress management services to enable or aid anyone to commit or plan to commit what the participant knew, or reasonably should have known, was a fraud or other crime. Defines terms.

HOUSE FLOOR AMENDMENT NO. 2

In provisions concerning confidentiality, replaces a reference to "peer support person" with a reference to "peer support advisor". In provisions concerning confidentiality of critical incident stress management communications, replaces a reference to "an emergency service provider" with a reference to "emergency service personnel". Provides that specified confidential and privileged communication is subject to a subpoena for good cause shown.

In the definition, changes "thwart the judicial process to avoid prosecution" to "thwart the judicial process or avoid prosecution". Deletes from the definition that isolated instances of nonappearance in court alone are not evidence of the risk of willful flight. In the pretrial detention provisions, deletes a provision that one of the grounds for pretrial detention is the high likelihood of willful flight to avoid prosecution when the defendant is charged with certain specified offenses. Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Provides that any person for whom a municipality contributed to both the Fund and a Taft-Hartley pension plan at a rate equal to or less than \$5 per hour worked since July 16, 2014 shall be deemed an employee under the Article from July 16, 2014 through the effective date of the amendatory Act. Provides that, after the effective date of the amendatory Act, a person shall be deemed an employee under the Article if the participating municipality pays an hourly contribution rate to a Taft-Hartley pension plan that is equal to or less than \$5 per hour worked. Makes a conforming change. Amends the State Mandates Act to require implementation without reimbursement.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that any person for whom a municipality contributed to both the Fund and a Taft-Hartley pension plan at a rate equal to or less than \$6 (rather than \$5) per hour worked since July 16, 2014 shall be deemed an employee under the Article from July 16, 2014 through the effective date of the amendatory Act. Provides that, after the effective date of the amendatory Act, a person shall be deemed an employee under the Article if the participating municipality pays an hourly contribution rate to a Taft-Hartley pension plan that is equal to or less than \$6 (rather than \$5) per hour worked.

PENSION NOTE (Government Forecasting & Accountability)

According to IMRF HB 4909 may lead to minor administrative issues due to the need to keep track of Taft-Hartley pension plan participants and ensure that the aggregate of total annuity payments from both pension plans for those participants does not exceed the Internal Revenue Code Section 415(b) limit (which is \$290,000 as of CY 2026). IMRF believes the bill would impact only a small number of individuals who were previously ejected from IMRF for participating in a Taft-Hartley pension plan. The fiscal impact is expected to be negligible, as the increase in participants would be minimal. As of this writing, IMRF is neutral on this legislation.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Provides that any person who is part of or becomes part of a bargaining unit for which a participating municipality is required to contribute to a Taft-Hartley pension plan under a collective bargaining agreement or other written agreement in effect on or before the effective date of the amendatory Act shall be deemed to be an employee for any period on or after July 16, 2014. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE, SENATE COMMITTEE AMENDMENT NO. 1 (Government Forecasting & Accountability)

According to IMRF HB 4909 (S-AM 1) may lead to minor administrative issues due to the need to keep track of Taft-Hartley pension plan participants and ensure that the aggregate of total annuity payments from both pension plans for those participants does not exceed the Internal Revenue Code Section 415(b) limit (which is \$290,000 as of CY 2026). IMRF believes the bill would impact a limited number of individuals (approximately 500 current IMRF members, or 0.25% of IMRF participating members) who are currently in an uncertain legal status due to participation in a Taft-Hartley pension plan. The fiscal impact is expected to be negligible, as the number of affected participants would be minimal. As of this writing, IMRF is now opposed to the bill due to its conferring benefits on a select group of IMRF members rather than the whole body of members.

PENSION NOTE, SENATE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

According to IMRF, HB 4909 (S-AM 2) may lead to minor administrative issues due to the need to keep track of Taft-Hartley pension plan participants and ensure that the aggregate of total annuity payments from both pension plans for those participants does not exceed the Internal Revenue Code Section 415(b) limit (which is \$290,000 as of CY 2026). IMRF believes the bill would impact a limited number of individuals (approximately 500 current IMRF members, or 0.25% of IMRF participating members) who are currently in an uncertain legal status due to participation in a Taft-Hartley pension plan. The fiscal impact is expected to be negligible, as the number of affected participants would be minimal. As of this writing, IMRF is now opposed to the bill due to it conferring benefits on a select group of IMRF members rather than the whole body of members.

Replaces everything after the enacting clause. Amends the Adult Protective Services Act. Provides that any employee of a financial institution who willfully fails to report as required by the Act shall be referred to the Department of Financial and Professional Regulation for possible disciplinary action. Expands the list of mandated reporters under the Act to include investment advisers and investment adviser representatives as defined in the Illinois Securities Law of 1953, dealers and salespersons as defined in the Illinois Securities Law of 1953, and employees of financial institutions who serve as branch managers or members of the compliance team. Provides that the term "financial institution" is limited to a federally or State-chartered bank, savings bank, savings and loan association, or credit union. Requires the Department on Aging to develop by joint rulemaking with the Department of Financial and Professional Regulation minimum training standards which shall be used by financial institutions for its employees. In provisions granting specified persons with access to Department records concerning reports of financial exploitation and other forms of abuse or neglect, extends such access to: (i) a court appointed executor or administrator (rather than an executor or administrator) of the estate of an eligible adult who is deceased, unless the executor or administrator is the abuser or the alleged abuser; and (ii) any court of competent jurisdiction with a valid court order for an in camera inspection (rather than a probate court with jurisdiction over the guardianship of an alleged victim). In cases where a coroner or

medical examiner has reason to believe that an eligible adult has died as the result of abuse, abandonment, neglect, financial exploitation, or self-neglect, requires the Department (rather than the provider agency) to provide the coroner or medical examiner with all records pertaining to the eligible adult as soon as practicable. Provides that the Department, at its discretion, may provide its report records to any professional licensing board or commission, investigatory unit, prosecutorial unit, or similar disciplinary body if any substantiated abuser falls under its purview. Provides that all records not generated by the Department but obtained during the course of an Adult Protective Service investigation or related to an Adult Protective Service case, including, but not limited to, financial records and medical records, shall be confidential and shall not be disclosed except at the Department's sole discretion. Provides that such records may be obtained through intergovernmental agreements with the Department and are exempt from disclosure under the Freedom of Information Act. Requires the Department to establish, by July 1, 2028, a web-based portal to receive alleged or suspected reports of financial exploitation as well as other reports of alleged or suspected abuse, abandonment, neglect, or self-neglect. Amends the Illinois Securities Law of 1953. Provides that dealers, salespersons, investment advisers, and investment adviser representatives may issue an initial transactional hold when they have a reasonable suspicion that a transaction or disbursement from an account of an eligible adult may involve, facilitate, result in, or contribute to financial exploitation of that eligible adult. Grants criminal, civil, and administrative immunity to dealers, salespersons, investment advisers, and investment adviser representatives who hold a transaction in good faith or who contact or elect not to contact an eligible adult's trusted contact person when they have a reasonable suspicion that a transaction or disbursement from the eligible adult's account may involve, facilitate, result in, or contribute to financial exploitation of that eligible adult. Contains provisions concerning the duration of initial transactional holds and extended transactional holds; transactional hold notice requirements; and other matters. Makes conforming changes to the Illinois Banking Act, the Savings Bank Act, and the Illinois Credit Union Act. Effective July 1, 2027.

Amends the Environmental Protection Act. Provides that the Underground Storage Tank Fund shall be accessible by owners and operators who intend to remove underground storage tanks installed over 30 years before removal if the eligibility requirements of specified provisions are satisfied and (1) neither the owner nor the operator is the United States Government; (2) the tank does not contain fuel which is exempt from the Motor Fuel Tax Law; (3) the costs were incurred as a result of removing an underground storage tank installed over 30 years prior to removal; (4) the owner or operator registered the tank and paid all fees in accordance with the statutory and regulatory requirements of the Gasoline Storage Act; (5) the owner or operator notified the Illinois Environmental Protection Agency and the Office of the State Fire Marshal of the owner's or operator's intent to remove the underground storage tank; and (6) the costs have not already been paid to the owner or operator under a private insurance policy, other written agreement, or court order.

HOUSE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Replaces references to underground storage tanks over 30 years old with references to underground storage tanks installed before January 1, 1976. Provides that the Underground Storage Tank Fund shall be accessible by owners and operators for eligible costs associated with the removal of underground storage tanks installed before January 1, 1976, including, but not limited to, costs for removal of visibly contaminated fill material within 4 feet of the outside dimensions of the tank, removal of groundwater in the excavation that exhibits a sheen, and sampling to determine whether a release from the tank has occurred (rather than shall be accessible by owners and operators who intend to remove underground storage tanks installed over 30 years before removal). Requires the costs, in order for the owner or operator to access the Fund, to be incurred as a result of removing an underground storage tank installed before January 1, 1976 that contained specified substances (rather than installed over 30 years prior to removal). Requires the owner or operator, in order to access the Fund, to have obtained Agency approval of a tank removal plan and budget prior to the tank's removal (rather than to have registered the tank and paid all fees in accordance with the statutory and regulatory requirements of the Gasoline Storage Act). Deletes a requirement for the owner or operator to have notified the Illinois Environmental Protection Agency and the Office of the State Fire Marshal of the owner's or operator's intent to remove the underground storage tank. Provides that costs paid under a specified provision shall be subject to the application of a \$5,000 deductible, and that any deductible amount applied shall also apply towards any deductible amount required under another specified provision so as to prevent the application of duplicate deductibles. In provisions regarding eligibility and deductibility determinations to be made by the Office of the State Fire Marshal, deletes a requirement for the Office to provide a form when an owner or operator notifies the Office of the owner's or operator's intention to remove an underground storage tank over 30 years old. Amends the Illinois Civil Rights Act of 2003. Prohibits an otherwise qualified individual with a disability, as defined by the Environmental Barriers Act, from being excluded from participation in, be denied the benefits of, or be subjected to discrimination solely by reason of the individual's disability under any of the following: (i) any program or activity operating inside Illinois and receiving federal financial assistance; (ii) any program or activity receiving federal financial assistance that passes through or is administered by State, county, or local government; (iii) any activity regulated by the State that receives federal financial assistance; or (iv) any program or activity receiving State, county, or local government financial assistance. Provides that a State agency that has an existing mechanism for enforcing federal Section 504 rights under the federal Rehabilitation Act may also enforce provisions of the Act. Authorizes the Attorney General to commence a civil action to enforce the provisions of this Act in any appropriate circuit court if the Attorney General has reasonable cause to believe that any person or group of persons is engaged in a pattern of discrimination prohibited by this Act. Provides that these rights constitute a minimum set of rights that may not be reduced. Requires the Secretary of State to maintain a copy of the regulations in a manner that is easily available to the public such as on a website in a searchable format. Makes the Act severable.

HOUSE COMMITTEE AMENDMENT NO. 1

Provides that any State agency that is administratively enforcing rights under the Act may adopt rules to create new administrative enforcement options to implement that enforcement. Provides that no later than January 1st, 2028, the Secretary of State shall maintain a copy of the regulations required under the Act in a manner that is easily available to the public, such as on a website in a searchable format.

705 ILCS 405/5-810

Amends the Juvenile Court Act of 1987. Provides that the State's Attorney may file a written petition, at any time prior to commencement of the minor's trial, to designate the proceeding as an extended jurisdiction juvenile prosecution when the petition alleges the commission by a minor 15 (rather than 13) years of age or older of any offense that would be a felony if committed by an adult. Provides that, upon filing of a petition, the judge shall conduct a hearing at which he or she shall first determine whether there is probable cause to believe that the allegations in the petition and motion are true. Provides that, if probable cause is found, the judge may enter an order designating the proceeding as an extended jurisdiction juvenile proceeding if the judge makes a finding based on clear and convincing evidence that sentencing under the Unified Code of Corrections may be appropriate for the minor based on an evaluation of certain factors. Provides that the judge shall consider: (1) the minor's age, impetuosity, and level of maturity at the time of the offense, including the ability to consider risks and consequences of behavior, and any presence of cognitive or developmental disability, or both, including if a comprehensive mental health evaluation of the minor was conducted by a qualified mental health professional, the outcome of the evaluation; and (2) the history of the minor, including the minor's family, home environment, educational and social background, including any history of parental neglect, domestic or sexual violence, sexual exploitation, physical abuse, or other childhood trauma, including adverse childhood experiences. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Restores the minimum age of 13 at which a petition may be filed to designate the proceeding as an extended jurisdiction juvenile prosecution. Restores various factors that the judge may consider in designating a proceeding an extended jurisdiction juvenile prosecution. Deletes as a factor the consideration of the minor's impetuosity and level of maturity. Provides that the offenses that may be considered by the State's Attorney in determining whether to file a petition to revoke the stay of an adult sentence under the Unified Code of Corrections include a felony offense involving the use or unlawful possession of a firearm. Provides that after a hearing, if the court finds by clear and convincing evidence (rather than beyond a reasonable doubt) that the minor committed a new qualifying offense, that there is a rebuttable presumption that the court may order execution of the previously imposed adult criminal sentence. Provides that after a hearing, if the court finds by clear and convincing evidence that the minor committed a new qualifying offense, there is a rebuttable presumption that the court shall order execution of the previously imposed adult criminal sentence unless the new offense is a non-violent forcible felony or a Class 4 felony unlawful possession of a weapon offense and the defendant is 18 years of age or older. Provides that if the court declines to order execution of the previously imposed adult criminal sentence, the court may continue the minor on the existing juvenile sentence with or without modifying or enlarging the conditions.

SENATE COMMITTEE AMENDMENT NO. 1

has found by clear and convincing evidence the minor committed the offense. Provides that if the court declines to order execution of the previously imposed adult criminal sentence, the court may continue the minor on the existing juvenile sentence with or without modifying or enlarging the conditions. Provides that, if, after receiving the notice and trust information, a qualified beneficiary or any other party that received the notice and trust information objects to a disclosed act or omission, the qualified beneficiary must provide written notice of the objection to the trustee not later than 60 days after the notice was sent by the trustee. Amends the Illinois Human Rights Act. Provides that for charges alleging violations under the Equal Employment Opportunity Commission or the Illinois Human Rights Act, if the

EEOC issues a right to sue, the Department will issue a Departmental right to sue. Provides that if the complainant does not file a written request with the Department to review the EEOC's determination within 35 days after receipt of the Department's notice, the Department shall issue to the complainant, within 10 business days after the expiration of the 35-day period, a Departmental right to sue notice stating that the complainant has the right, within 90 days after receipt of the Department's notice, to either file the complainant's own complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court. Requires the Department, within 10 days of the date on which the charge was filed, to serve a copy of the charge on the respondent and provide all parties with a notice of the complainant's right to opt out of the investigation within 60 days to commence an action in circuit court and the complainant's right to request a Departmental right to sue notice after 60 days has elapsed to file in the Human Rights Commission or commence a civil action in circuit court. Provides that within 10 business days of receipt of the complainant's request to opt out of the investigation, the Director shall issue an opt out notice to commence an action in circuit court to the parties. Provides that a Departmental right to sue notice does not constitute a finding of substantial evidence or of a lack of substantial evidence. Requires that any Departmental right to sue notice to state that the complainant shall have 90 days from the date of receipt of the notice to either file the complainant's own complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the Department of Human Rights to notify the parties that the complainant may request a Departmental notice of right to sue when submitting the Equal Employment Opportunity Commission determination after the Department receives notice that a charge was filed with the EEOC. Requires that if the EEOC does not issue a determination or determines that it is unable to establish illegal discrimination, the Department must proceed as follows: if the complainant timely notifies the Department of the EEOC's determination and also requests in writing that the Department issue a Departmental notice of right to sue, then the Department shall issue such notice within 10 business days after the receipt of the EEOC's determination and request from the complainant; but if the complainant does not submit the written request as required when notifying the Department of the EEOC's determination, then the Department must inform the parties, within 10 business days after receipt of the EEOC's determination, that the Department will issue a Departmental notice of right to sue unless the complainant requests in writing within 35 days after receipt that the Department review the EEOC's determination. Provides that if the complainant does file a written request with the Department to review the EEOC's determination, the Department shall review the EEOC's determination and may review any information submitted by the complainant with the written request and any evidence obtained by the EEOC during its investigation. Provides that if the Department receives a written request from the complainant to opt out of the investigation after the 60-day opt-out time period has elapsed, the Department shall process the request as a request for a Departmental notice of right to sue. Provides that if more than 365 days have elapsed after the charge is filed, or any such longer period agreed to in writing by all the parties, the complainant may exercise the complainant's rights to either file a complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court without requesting or obtaining a Departmental notice of right to sue. Makes structural changes. Provides that the changes made to the Section governing procedures by Public Act 104-425 apply to charges pending or filed on or after January 1, 2026.

Amends the Toll Highway Act. Provides that the Illinois State Toll Highway Authority has the power to establish a special pay supplement for those positions of employment that require that a person employed in that position speak or write a language other than English. Provides that such paid positions may be eligible for a bilingual pay supplement to attract bilingual individuals, to encourage present employees to become proficient in languages other than English, or to retain qualified bilingual employees. Provides that a bilingual pay supplement shall be processed within 30 calendar days after the employee presents to the Authority a certification from either the designated testing program process selected by the Authority or a State community college confirming that language skill proficiency in reading, writing, and speaking has been satisfied by the employee.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with the provisions of the introduced bill and

makes the following changes. Provides that the Illinois State Toll Highway Authority shall submit, on or before December 31 of each year, to the General Assembly and the Governor a report on the bilingual pay supplements processed within the last calendar year and the needs of bilingual positions left unfilled in the last calendar year.

FISCAL NOTE (Illinois Tollway Authority)

It is estimated that the bilingual pay supplement would result in an annual increase in direct expenditures of \$5,948 (5-year cost estimate: \$31,579 (assuming 3% annual inflation but no other changes). This amount would be paid from the Tollway's operating budget. There is no foreseen long-range fiscal effect beyond this recurring expense. The reporting requirement is expected to be absorbed into the agency's existing operational budget; no new staff, funds, or other resources would be required for reporting compliance. Stipend amounts, eligibility, and duration would be subject to union negotiations.

New Act

Creates the Faith-Based Housing and Mixed-Use By-Right Act. Provides that a unit of local government shall permit multifamily developments and mixed-use developments as

allowable by-right uses on faith-based land. Provides that a unit of local government may not require a proposed multifamily or mixed-use development on faith-based land to obtain any discretionary approval in order to permit the proposed use and development or allow for the minimum development standards and limitations established by the Act. Provides that the by-right entitlement under the Act applies whether or not the faith-based organization continues to operate an existing religious, educational, or community facility on the same parcel or adjacent parcel, and regardless of whether the housing is owned, leased, operated, or developed by the faith-based organization or by a partner acting under agreement with the faith-based organization. Provides that nothing in the Act affects the authority of a unit of local government to apply to a development authorized by this Act requirements that are (1) generally applicable to comparable developments within the jurisdiction; (2) objective and ascertainable on the face of the ordinance or code provision; and (3) related to public health and safety. Provides that a unit of local government shall approve an application for a multifamily or mixed-use development on faith-based land if the development satisfies the unit of local government's generally applicable, objective land development and building regulations as limited by the Act. Limits the concurrent use of home rule powers. Effective immediately.

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides for a child support calculation for shared physical care in which each parent exercises 110 or more overnights per year with the child or 110 or more overnight equivalents as determined by a court as a deviation from guidelines or upon agreement by the parties. Provides that overnight equivalents are calculated by using a method other than overnights if the parent has significant parenting time periods on separate days in which the child is in the parent's physical care and under the direct care of that parent but does not stay overnight. Provides that if parents have shared physical care of a child, the basic child support obligation is multiplied by 1.5 to calculate the combined shared care child support obligation; the court shall determine each parent's portion of the shared care child support obligation based on the parent's percentage share of combined adjusted net income; the shared care child support obligation is then computed for each parent by multiplying that parent's portion of the shared care support obligation by the percentage of time the child spends with the other parent and determining any adjustment for shared physical custody that is less than 146 overnights or overnight equivalents. Provides that the respective shared care child support obligations are then offset with the parent owing more paying the difference in child support. Creates a statutory table to calculate the child support if a parent has physical shared custody for less than 146 overnights or overnight equivalents per year. Provides that the shared care child support obligation after adjustment may not be greater than the amount that would have been ordered under the basic support guidelines in any event. Provides that a parent incarcerated for more than 180 days is presumed to be unable to pay any amount of child support, and this presumption may be rebutted by evidence establishing the ability to pay child support during incarceration. Provides a rebuttable presumption that a minimum child support obligation of \$40 per month, per child, will be entered for an obligor who has actual or imputed gross income at or less than 100% of the most recent United States Department of Health and Human Services Federal Poverty Guidelines for a family of one person.

New Act

Creates the Aligning Recommendations with Children's Actual Clinical and Emergency Needs and Determinations Act (ARC-ACEND). Provides that if a child who is the subject of a custody or parenting-time dispute has a serious medical condition, all recommendations made by guardian ad litem, child representative, evaluator, mediator, or other court-appointed officer are deemed provisional and may not be used by the court until a qualified medical provider certifies, in writing, that the recommendation is consistent with the child's clinical needs and medical best interests. Requires that if a qualified medical provider determines that a provisional recommendation is not consistent with the child's clinical needs or medical best interests, the recommendation must be modified to at least the minimum extent necessary to achieve consistency with the recommendations of the qualified medical provider. Provides that nothing in the Act may be construed to limit the court's authority to order additional or more protective modifications if consistent with the child's clinical needs or medical best interests, but the court may not impose less protective measures or measures inconsistent with the qualified medical provider's recommendations. Requires that if the court alters the recommended modifications of the qualified medical provider, it must rule in writing and specify the reasons for the alteration, and the qualified medical provider and the child's primary caregiver must be given an opportunity to respond before the order becomes final. Requires medical consistency for children with a serious medical condition to supersede all other considerations, including but not limited to, geography, parental preferences, logistical convenience or feasibility, or generalized notions of co-parenting balance. Provides that for any child with a serious medical condition, it is per se contrary to the child's medical best interests to be separated from a safe parent who is primarily or predominantly responsible for the child's day-to-day condition-related care, monitoring, or condition management. Provides that this presumption may be rebutted only by clear and convincing evidence, supported by qualified medical testimony, that separation is medically necessary for the child's safety or clinical well-being.

Requires that before a court may order supervised parenting time, it must determine whether qualified supervisors are reasonably available within the child's geographic area and shall document the inquiry. Requires that if supervision is warranted, the court may not order or

permit unsupervised parenting time solely because no qualified supervisor is available. Provides that if no qualified supervisor is available, the court shall maintain the restriction on unsupervised parenting time and order one or more statutorily authorized alternatives, including temporary suspension of in-person parenting time, virtual contact, therapeutic supervised contact, or other protective measures necessary to ensure safety. Provides a rebuttable presumption of supervised parenting time: (1) in any case in which that parent has committed abuse against the child or the other parent based on a preponderance of the evidence; (2) when the other parent has an active order of protection against the parent in question which has been upheld or extended after a hearing. Provides that evidence of abuse may not be given weight if it appears more probable than not to be manufactured or the product of coaching or fabricated, unless and until it can be independently corroborated.

Extends the option for a participant to receive an accelerated pension benefit payment in lieu

of any pension benefit or for a reduction in the increases to his or her annual retirement annuity and survivor's annuity to June 30, 2030 (instead of June 30, 2026). Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Amends the General Obligation Bond Act. Authorizes an additional \$700,000,000 (rather than \$1,000,000,000) of State Pension Obligation Acceleration Bonds. Makes a conforming change. Amends the State Employees, State Universities, and Downstate Teachers Articles of the Illinois Pension Code. Extends the option for a participant to receive an accelerated pension benefit payment in lieu of any pension benefit or for a reduction in the increases to his or her annual retirement annuity and survivor's annuity to June 30, 2028 (instead of June 30, 2030). Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

In provisions amending the General Obligation Bond Act, authorizes an additional \$1,000,000,000 (rather than \$700,000,000) of State Pension Obligation Bonds. In language providing an exception to a limitation on bond issuance, excludes bonds authorized by certain changes made to the Act by Public Act 104-8 and bonds authorized by the amendatory Act. Makes a grammatical change.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

HB 5196, as amended by HA 2, would extend the Accelerated Pension Buyout programs for two additional years, through June 30, 2028, and authorize an additional \$1 billion in State Pension Obligation Acceleration Bonds to pay for the buyouts, bringing the total bond authorization for these programs to \$3.2 billion. According to SERS, SURS, and TRS, the programs have resulted in an estimated \$2.6 billion reduction in liabilities and required approximately \$2 billion in buyout payments, based on the most recently provided data from each system (ranging from June 2025 to January 2026). Given the experience of the buyout programs to date, it may be reasonable to anticipate similar participation patterns during the extended period under HA 2, which could help reduce the liability. However, estimating the precise reduction in pension liabilities is uncertain by nature, as participation is voluntary and individual member decisions play a significant role in determining overall program impact.

Amends the Affordable Housing Planning and Appeal Act. Requires non-exempt local governments to provide residents with notice and the opportunity for comment at a public hearing prior to adopting an affordable housing plan. Requires a non-exempt local government to provide proof of its compliance with the notice and public hearing requirements when it submits a copy of its affordable housing plan to the Illinois Housing Development Authority. Expands the list of information that must be provided in the affordable housing plan to include, (i) an identification of "specific lands" (rather than "lands") within the jurisdiction that are most appropriate for the construction of affordable housing, (ii) proposed timelines to commence "specific actions and deadlines" (rather than "actions") to implement the components of the affordable housing plan, and (iii) incentives, including certain measures to address the need for affordable housing, that the local government may provide for the purpose of attracting affordable housing. In a provision permitting certain persons to appeal a local government's denial of a proposed affordable housing plan, expands the list to include a service provider that is under contract to provide services for potential residents of a proposed supportive housing project or community-integrated living arrangement that is included in the proposed affordable housing plan. Contains provisions concerning final actions or decisions by the governing body of the local government on the proposed affordable housing plans; appeal procedures and timelines; and other matters. Expands the Illinois Housing Development Authority's rulemaking authority to include the adoption of rules and regulations concerning the substance of affordable housing plans consistent with the changes made in the amendatory Act.

HOUSE FLOOR AMENDMENT NO. 1

Changes the definition of "exempt local government" to mean any local government in which at least 25% (rather than 10%) of its total year-round housing units are affordable, as determined by the Illinois Housing Development Authority, or any municipality with a population under 2,000 (rather than 2,500). Provides that beginning October 1, 2028 (rather than October 1, 2024), the Illinois Housing Development Authority shall determine which local governments are exempt or not exempt from the operation of the Act. Requires an affordable housing plan to consist of incentives, including, but not limited to, specified measures outlined under the amendatory Act, that the local government intends to (rather than may) provide for the purpose of attracting affordable housing to its (rather than their) jurisdiction. Provides that a local government, whether exempt or non-exempt under the Act, may adopt measures regarding the preservation of existing affordable housing, including home modifications to support accessibility. Makes several technical changes.

In the Employment Article of the Illinois Human Rights Act: provides that "reasonable accommodations" for pregnancy include flexible scheduling or modified work hours and temperature or climate-adjusted workspace; removes language providing that it is a civil rights violation for an employer to discriminate in any way or refuse or fail to provide reasonable accommodations for an employee because of a menopause-related condition; and provides that the notice summarizing the requirements of the Article must include information about the right to reasonable accommodations for pregnancy, which includes the right to reasonable accommodations for menopause-related conditions. Effective January 1, 2027, except that the changes to the Illinois Insurance Code take effect January 1, 2028.

775 ILCS 5/3-102

from Ch. 68, par. 3-102

Amends the Illinois Human Rights Act. Provides that it is a civil rights violation under the Act to refuse to lease or rent real property or otherwise discriminate against any person in the terms, conditions, or privileges of a real estate transaction by using an applicant's credit score or credit history as a disqualifying factor if that applicant's source of income includes a local, State, or federal housing subsidy. "Housing subsidy" includes, but is not limited to, housing choice vouchers, permanent supportive housing program placements, or rapid rehousing subsidies. Provides that use of credit scores or history to deny a rental application to a person with a housing subsidy is a violation of the Act as it constitutes a practice that subjects individuals to discrimination based on source of income without a legitimate, nondiscriminatory necessity.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Illinois Human Rights Act. Provides that if there is a housing subsidy, it is a civil rights violation for an owner or any other person, or for a real estate broker or salesman to: (1) use a financial or income standard in assessing eligibility for the rental of housing that is not based on the portion of the rent to be paid by the tenant; or (2) use a person's credit history as part of the application process for a rental accommodation or deny an applicant based on credit score or credit history, without offering the applicant the option, at the applicant's discretion, of providing lawful, verifiable alternative evidence of the applicant's reasonable ability to pay the portion of the rent to be paid by the tenant, including, but not limited to, bank statements, pay stubs, rental history, or benefit statements. Provides that if the applicant elects to provide lawful, verifiable alternative evidence of the applicant's reasonable ability to pay, the housing provider must do both of the following: (1) provide the applicant reasonable time to respond with that alternative evidence; and (2) reasonably consider that alternative evidence in lieu of the person's credit score or credit history in determining whether to offer the rental accommodation to the applicant. Requires that the Department of Human Rights adopt any rules necessary for the implementation and enforcement of the new provisions, including, but not limited to, rules on the circumstances and conditions under which use of credit scores or history to deny a rental application to a person with a housing subsidy may constitute a civil rights violation.

In provisions concerning the qualifications for a clinical social worker license, provides that a person shall be qualified to be a licensed clinical social worker if that person, among other things, (i) demonstrates to the satisfaction of the Department of Financial and Professional Regulation that, subsequent to securing a master's degree in social work from an approved program and obtaining a social worker license or temporarily practicing pending the issuance of a social worker license if the license was ultimately issued (rather than subsequent to only securing a master's degree), the applicant has successfully completed at least 3,000 hours of satisfactory, supervised clinical professional experience; or (ii) demonstrates to the satisfaction of the Department that such applicant has received a doctor's degree in social work from an approved program and has, subsequent to receiving the degree, completed at least 2,000 hours of satisfactory, supervised clinical professional experience after obtaining a social worker license or during temporary practice pending the issuance of a social worker license if the license was ultimately issued (rather than subsequent to only securing a master's degree). Provides that any hours of supervised clinical professional experience completed before the effective date of the amendatory Act may be counted toward the required hours for qualification for a clinical social worker license if the hours were completed subsequent to securing an applicable graduate degree and the completed hours would have qualified towards licensure under the law in effect at the time the hours were earned. In provisions concerning qualifications for a social worker license, provides that a person shall be qualified to be a licensed social worker if that person, among other things, has a degree in social work from an undergraduate program approved by the Department and has successfully completed at least 3,000 hours (rather than 3 years) of supervised professional experience subsequent to obtaining the degree within a period of no more than 4 years. This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. This bill prohibits "covered entities" from purchase single-family residences for at least 75 days. Covered Entities are organizations that receive funding to buy Single-Family housing stock. The intention of this bill appears to be to give individual households and non-profit organizations a chance to purchase homes before corporate/private market buyers have a chance to buy up existing properties and sell them at a higher level.

705 ILCS 205/13 new

Amends the Attorney Act. Prohibits a private equity group, hedge fund, or any entity owned, operated, or controlled by a private equity group or hedge fund, including management services organizations, that is involved with a law firm or an attorney's practice from: (1) interfering with the professional judgment of attorneys in representing clients; (2) exercising control over or being delegated the power to own or determine the content of client records, select, hire, or terminate the employment of attorneys or allied legal staff in whole or in part based on competency or proficiency; or set competency or proficiency parameters for attorneys or allied legal staff; or (3) charging any fee to the attorney or law firm that is directly or indirectly based on the fees, revenues, or profits of the attorney or law firm. Prohibits an attorney from sharing legal fees directly or indirectly with an out-of-state alternative business structure unless: (1) the attorney is also licensed in the state in which the alternative business structure is approved; (2) the fees are compensation for providing legal services in that state; and (3) the law of that state is controlling under the Illinois Rules of Professional Conduct or a successor rule. Provides for the recovery of statutory damages, attorney's fees and costs, and injunctive or declaratory relief as a remedy for violation. Defines terms. Contains applicability provisions. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts provisions in the bill as introduced with these changes. Deletes references to "hedge fund" and "private equity group" and makes the Act applicable to "an entity owned, operated, or controlled in whole or in part by persons not licensed as attorneys". Prohibits such an entity from accessing, owning, or determining the content of client records or accessing any attorney-client communications. Makes conforming changes. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Provides that an attorney who violates the provisions may be subject to statutory damages of \$10,000 per violation or 3 (rather than 25) times the actual damages incurred by the client, whichever is greater.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with the following changes. Defines "allied legal staff" to mean a person or persons who are not licensed as attorneys who access attorney-client and work-product privileged information in their work to include, but not be limited to, paralegals and legal assistants. Provides that any attorney or law firm that is party to an agreement with a management services organization must disclose in its attorney-client contracts that the attorney or law firm is party to such an agreement and the terms of the agreement. Provides that the provisions of the Act apply to all Illinois attorneys and law firms that represent clients in whole or in part on a contingent fee basis. Prohibits an entity owned, operated, or controlled in whole or in part by persons not licensed as attorneys, including management services organizations, that is involved with a law firm or lawyer's practice may not charge any fee to the attorney or law firm that is directly or indirectly based on the attorney's fees, revenues, or profits of the attorney or law firm. Provides that this prohibition does not apply to the repayment of a loan or extension of credit that the attorney or law firm is obligated to repay if the amount of the borrower's obligation is not contingent upon or calculated on the basis of the borrower's attorney's fees, revenues, profits, or other financial performance. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by Senate Amendment No. 1 with the following changes. Specifies that the provisions added by the amendatory Act apply only to (i) a licensed attorney or law firm operating in Illinois with annual global revenue from that licensed attorney's or law firm's provision of legal services that is less than \$300,000,000 or (ii) a licensed attorney or law firm that regularly represents clients on a contingent fee basis, where the fee is based on the resolution or outcome of actual or threatened private litigation, and that has derived more than 50% of the attorney's or law firm's revenues from the contingent fee arrangements in each of the previous 3 calendar years. Provides that, upon request of the Attorney Registration and Disciplinary Commission or other governmental authority or agency charged with administering or enforcing the provisions, or upon order of a court of competent jurisdiction, a licensed attorney or law firm shall be permitted to provide a self-certification attesting, under oath, to

certain facts. Makes other changes effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Provides that an entity that is owned, operated, or controlled in whole or part by persons not licensed as attorneys and that is involved with a law firm's or attorney's practice must not, among other things, exercise control over or be delegated the power to reveal (rather than access) the content of client records or the power to reveal (rather than access) any attorney-client communications.

Amends the Environmental Protection Act. Repeals the definition of "food scrap"; adds definitions for "anaerobic digestion", "biogas", "digestate", "food waste", "organic material", and "organic waste"; and updates the definitions of "compost" and "composting". In provisions regarding pollution control facilities, includes a new exemption for portions of sites or facilities used for composting or anaerobic digestion of organic waste that meet specified siting, setback, floodplain, and operational requirements. In provisions regarding prohibited acts, establishes permitting requirements for organic waste composting operations and organic waste anaerobic digesters, and creates exemptions for small-scale and certain farm-based composting operations that meet volume limits, setback distances, and other environmental safeguards. Provides that anaerobic digesters using only non-waste feedstock are exempt from solid waste permitting and clarifies that digested material returned to the economic mainstream is not regulated as waste. Authorizes the Environmental Protection Agency to recommend, and the Pollution Control Board to adopt, performance standards for organic waste compost facilities and testing procedures for end-product compost, and requires a Technical Advisory Committee with balanced stakeholder representation. Specifies that standards apply to compost offered for sale or use and exempts on-site residential composting. Makes conforming changes throughout to integrate new definitions and regulatory requirements.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes the definitions of "biogas" and "food waste". In provisions regarding facilities that are not pollution control facilities, deletes specified changes from the introduced bill not referential to organic waste or food waste, including specified references to anaerobic digestion. In provisions regarding prohibited acts, replaces all changes from the introduced bill with a provision that no person shall conduct an organic waste composting operation without an Agency permit, provided, however, that no permit shall be required for any person conducting an organic waste composting operation for organic wastes generated by such person's own activities which are stored, treated, or disposed of within the site where such wastes are generated or for any person conducting an organic waste composting operation that (i) has not more than 50 cubic yards of organic waste, composting additives, composting material, or end-product compost on-site at any one time and (ii) is not engaging in commercial activity. Specifies that landscape waste composting operations are subject to different provisions. Makes technical changes.

35 ILCS 200/21-26 new

Amends the Property Tax Code. Provides that, notwithstanding any other law, if an interest penalty for the delinquent payment of taxes is imposed and if collections of interest penalties are enjoyed by a county pursuant to that procedure, then the county collector shall place all of the proceeds from interest penalty payments collected thereby into a separate and distinct fund created within the county treasury for the delineation and distribution of interest penalties paid on property taxes that are past due as of the time payment is made. Further provides all moneys in the interest penalty fund created by each county under this provision shall, within 30 days of receipt by the county, be divided and distributed to (i) the county of record and (ii) all other proper authorities or persons, on the basis of proportionate share of the overall tax extension within which individual taxpayer delinquency and payment of interest penalties took place. Provides that, when making this distribution to a proper authority or person, the county collector may include a notification that the moneys so distributed are the result of interest penalties charged by the county as part of the overall enforcement by the county of the Code.

Expresses the belief that nursing, social work, professional counseling, marriage and family therapy, physical therapy, occupational therapy, speech-language pathology, audiology, physician assistant practice, public health, and education are professional disciplines that require advanced graduate education, professional licensure, and adherence to rigorous ethical and clinical standards. Lists the graduate degrees that should be considered professional degrees. Expresses the belief that nursing, social work, professional counseling, marriage and family therapy, physical therapy, occupational therapy, speech-language pathology, audiology, physician assistant practice, public health, and education are professional disciplines that require advanced graduate education, professional licensure, and adherence to rigorous ethical and clinical standards. Lists the graduate degrees that should be considered professional degrees. States that any state agency, public university, or entity receiving state funds should take all necessary steps to avoid discrimination against individuals holding these graduate degrees in hiring, promotion, compensation, professional development funding, or other terms and conditions of employment based on any federal student loan classification. Urges the United States Department of Education to include all graduate degrees in nursing, social work, counseling, therapy, physical therapy, occupational therapy, speech-language pathology, audiology, physician assistant practice, public health, and education in its definition of "professional degrees" for federal student loan purposes. Urges the Illinois Congressional Delegation to advocate for legislation to ensure that graduate students in all health and human services professions have access to adequate federal student loan funding to complete their professional education. Commits to exploring state-level solutions to support graduate education in health and human services professions, including but not limited to scholarships, grants, loan repayment assistance programs, and other workforce development initiatives. Expresses support for the licensed health and human services professionals in Illinois who serve our most vulnerable populations with skill, compassion, and unwavering commitment to the public good.

States that it is of vital importance to protect Illinois farmland from irreversible conversion and fragmentation due to solar, industrial, and other large-scale developments. Condemns the practice of conversion therapy on any population as unethical and fraudulent. Asserts that no licensed professional operating in the State of Illinois should engage in this practice, whether with minors or adults, as it violates the ethical standards of professional behavioral healthcare. Condemns conversion therapy as described herein, regardless of the target population or how the service is marketed or titled. Acknowledges that conversion therapy is not a legitimate form of therapy but is a dangerous and discredited practice that has no place in a professional setting, and that any professional engaging in such practices is in violation of the ethical guidelines governing their licensure. Encourages the Illinois Department of Public Health to launch a statewide public awareness campaign to educate communities about the harms of conversion therapy and its fraudulent nature, to collaborate with the Department of Financial and Professional Regulation to investigate and hold accountable practitioners offering conversion therapy under false pretenses, to develop guidelines for healthcare professionals to recognize, report, and prevent practices associated with conversion therapy, and to support outreach initiatives to connect survivors of conversion therapy with affirming mental health resources.
