Amends the Juvenile Court Act of 1987. In the Abused, Neglected, or Dependent Minors Article of the Act, provides that an environment is injurious to the minor's welfare if conditions in the child's environment create a real, significant and imminent likelihood of harm to the child's health, well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence unless the court determines the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian resulting in a determination of abuse or neglect under the Act. Provides that in making a custody determination, the court shall presume that it is consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence, unless the court has determined that the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian that is sufficient to independently support a determination of

abuse or neglect under the Act. Defines "domestic violence".

HOUSE FLOOR AMENDMENT NO. 1

Deletes reference to:

705 ILCS 405/2-18

Adds reference to:

325 ILCS 5/3

from Ch. 23, par. 2053

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with certain changes. In the amendatory changes to the Juvenile Court Act of 1987, provides that for purposes of determining whether a minor is neglected, provides that an environment is injurious if conditions in the child's environment create a real, significant and imminent likelihood of severe harm to the child's health, physical well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm as defined in the Abused and Neglected Child Reporting Act. Provides that domestic violence that is perpetrated against someone other than the minor where there is no demonstrated likelihood of present and imminent bodily harm to the minor is not sufficient to determine that an urgent and immediate necessity exists to remove a minor from a parent who is not the perpetrator of that domestic violence. Provides that in making findings as to whether a minor has been abused, neglected, or dependent, the factual basis supporting a determination that the child has been abused, neglected, or dependent must be sufficient and independent of exposure to domestic violence that is perpetrated against someone other than the child where there is no demonstrated likelihood of imminent bodily harm to the child. Makes other changes. Amends the Abused and Neglected Child Reporting Act to make conforming changes.

725 ILCS 5/106B-5

Amends the Code of Criminal Procedure of 1963. In a provision concerning the prosecution of a person for an offense of criminal sexual assault, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery, or aggravated domestic battery, deletes a provision which states that there is a rebuttable presumption that the testimony of a victim who is a child under 13 years of age shall occur outside the courtroom and the child's testimony shall be shown in the courtroom by means of a closed circuit television. Deletes that this presumption may be overcome if the defendant can prove by clear and convincing evidence that the child victim will not suffer severe emotional distress. Provides that, if the court denies the State's request for the child victim's testimony to be taken outside the courtroom, the court shall toll the speedy trial requirements for 30 days to allow the State to present the motion to the court again before trial requesting the child's testimony to be taken outside the courtroom by means of a closed circuit television.

SENATE COMMITTEE AMENDMENT NO. 1

In the provision that provides that before the court permits the testimony of a victim outside the courtroom that is to be shown in the courtroom by means of a closed circuit television, the court must make a finding that the testimony by means of closed circuit television does not unduly prejudice (rather than prejudice) the defendant. Deletes a provision that states that if the court denies the State's request for the child victim's testimony to be taken outside the courtroom, the court shall toll the speedy trial requirements for 30 days to allow the State to present the motion to the court again before trial requesting the child's testimony to be taken outside the courtroom by means of a closed circuit television.

from Ch. 111, par. 1701-7

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In provisions concerning applicants with criminal convictions, requires the Department of Financial and Professional Regulation to consider various factors when considering whether a prior conviction is directly related to the ability of an applicant to safely perform the duties, functions, and responsibilities of the position (instead of whether a prior conviction will impair the ability of the applicant to engage in the practice). Removes the requirement that a person who is licensed or registered to engage in any of the professions licensed or registered by the Department be of good moral character. Prohibits the Department from using a vague term in its consideration of a criminal record and decision regarding whether a criminal record is disqualifying for licensure, certification, or registration, including, but not limited to, "good moral character", "moral turpitude", or "character and fitness". Makes other changes. Amends the Barber, Cosmetology, Esthetics, Hair Braiding, and Nail Technology Act of 1985. Provides that no application shall be automatically placed on hold, delayed, denied, or otherwise not processed by the Department because it was submitted by a person who is incarcerated. 765 ILCS 705/35 new

Replaces everything after the enacting clause. Amends the Landlord and Tenant Act. Adds provisions concerning rental fee transparency by requiring all non-optional fees, regardless of whether they are one-time fees or recurring fees, to be explicitly contained on the first page of a lease agreement. Provides that a tenant shall not be liable for payment of any fee that is not explicitly contained on the first page of the lease agreement. Requires a landlord to disclose in the lease agreement or unit listing whether utilities are included in the rent. Prohibits certain fees including: (i) a fee for a rental application or background check in excess of \$50, with some exceptions; (ii) a fee or fine for modification or renewal of a lease agreement; (iii) a fee or fine for after-hours requests for maintenance service; (iv) a fee or fine for pest abatement or removal where the tenant has in no way contributed to the infestation; and other fees. Limits the concurrent exercise of home rule powers if inconsistent with the provisions of the amendatory Act. Provides that the amendatory Act applies to all

lease agreements for residential rental property entered into after the effective date of the amendatory Act; and that a landlord may not rename a fee or charge to avoid application of the Act. Creates a civil action for any person alleging a violation of the rental fee transparency and fee ban provisions under the amendatory Act. Effective July 1, 2026.

SENATE FLOOR AMENDMENT NO. 8

Provides that non-optional fees must be disclosed in a clear and conspicuous manner in a listing of residential property or in an accompanying weblink at the time of the listing. Prohibits the imposition of a fee or fine ancillary to the application fee at the time of the application that is intended to duplicate the costs of tenant screening or to include costs unrelated to tenant screening but may not be construed to limit the ability of the landlord to charge an application fee to cover the costs of tenant screening.

Replaces everything after the enacting clause. Amends various Acts by replacing the terms "day care", "daycare", and "day-care", in relation to the care of a child, with the term "early care and education" and from "facility" to "provider". Amends the Child Care Act of 1969. Provides that the following are exempt from licensure under the Act and must register as Recognized Alternative Providers: part day programs for children 3 years of age until they reach 5 years of age or begin kindergarten, whichever is later, where the child is present for a maximum of 3 hours per day and the parent or guardian is not on site; programs or portions of programs that serve children who have reached 3 years of age in full early care and education that are operated by a church or religious institution that receive no governmental aid; nonresidential programs for children 5 years of age to 12 years of age that have supervisors of children when school is not in session, that act as an alternative to full-day school or care, and that operate for no more than 100 days in any 12-month period; and programs that provide care to children 5 years of age to 12 years of age before or after school hours. Sets forth registration requirements for Recognized Alternative Providers, including background check requirements. Provides that certain programs are exempt from registration requirements for Recognized Alternative Providers and licensure requirements under the Act. Makes changes in provisions concerning definitions; the prohibition of unlicensed practice; criminal background investigations; and advertisements. Repeals provisions concerning an exemption from licensure for day care homes and group day care homes serving children of military personnel and a child from a foreign state or country and the definition of "part day child care facility". Makes other changes. Effective July 1, 2026.

215 ILCS 5/356u.10

Amends the Illinois Insurance Code. Makes changes to defined terms. Provides that a group policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed after January 1, 2026 shall provide coverage for evidence-based cancer imaging for individuals with an increased risk of cancer as recommended by the current National Comprehensive Cancer Network clinical practice guidelines. Provides that this coverage shall be provided without cost-sharing, and the requirements of the Act shall not apply to the extent that providing coverage would disqualify a high-deductible health plan from eligibility for a health savings account.

HOUSE FLOOR AMENDMENT NO. 4

Adds reference to:

5 ILCS 375/6.11

5 ILCS 375/6.11F new

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that the coverage required under provisions concerning genetic testing and evidence-based screenings for an inherited gene mutation shall be provided without cost sharing, except as specified. Changes the date of coverage to January 1, 2028 (rather than January 1, 2026) and provides that the coverage requirements apply to an individual or group policy (rather than only a group policy) of accident and health insurance or managed care plan. Excludes the State Employees Group Insurance Program or any other health care plan established or maintained under the State Employees Group Insurance Act of 1971 from the coverage requirements. Amends the State Employees Group Insurance Act of 1971. Requires the State Employees Group Insurance Program to provide coverage for clinical genetic testing for an inherited gene mutation for individuals with a personal or family history of cancer, as recommended by a health care professional in accordance with current evidence-based clinical practice guidelines. For individuals with a genetic test that is positive for an inherited mutation

associated with an increased risk of cancer, requires the coverage to include any evidence-based screenings, as recommended by a health care professional in accordance with current evidence-based clinical practice guidelines, to the extent that the management recommendation is not already covered by the policy. Provides that the coverage is subject to specified cost sharing requirements.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces a reference to the State Employees Group Insurance Program with the program of health benefits provided under the State Employees Group Insurance Act of 1971 in provisions requiring coverage for genetic testing under that Act.

20 ILCS 3930/7

from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed or designated. Amends the Nursing Home Care Act. Requires a facility to notify the Office of State Guardian and the public guardian in the county where the patient resides before executing a contract in specified circumstances where the patient has diminished capacity. Amends the Probate Act of 1975. Includes private professional guardians as individuals who may act as guardians. Establishes standards for private professional guardians before appointment. Requires a private professional guardian who serves as guardian for 15 or more persons with disabilities to be certified as a National Master Guardian by the Center for Guardianship Certification and imposes other requirements, including background checks. Sets forth provisions concerning private professional guardians as successor guardians and the removal of private professional guardians who fail to comply with the specified requirements.

HOUSE COMMITTEE AMENDMENT NO. 1

Adds reference to:

755 ILCS 5/11a-26 new

Replaces everything after the enacting clause. Amends the Guardians for Adults with Disabilities Article of the Probate Code of 1975. Authorizes the appointment of a private professional guardian to serve as a temporary, limited, or plenary guardian for a person with a disability. Defines "private professional guardian" as (1) a person or entity who receives compensation for services as a guardian to 5 or more persons with disabilities who are not related to the guardian by blood or marriage; or (2) a not-for-profit corporation qualified to act as guardian. Provides that "private professional guardian" does not include a government agency, the Office of State Guardian, a public guardian, corporations qualified to accept and execute trusts in this State, or a financial institution. Requires a petitioner who nominates a private professional guardian to be appointed as a guardian to attach an affidavit to the petition for guardianship detailing the petitioner's efforts at locating and contacting the respondent's nearest relatives, agent under power of attorney, or other fiduciaries regarding the need for the appointment of a guardian unless a family member of the respondent nominates the private professional guardian. Requires the private professional guardian to personally meet and assess the respondent, certify best interest findings, and identify the least restrictive alternative and community-based living options. Prohibits certain conflicts of interest by the private professional guardian. Requires that the private professional guardian be certified by the Center for Guardianship Certification. Provides that if a private professional guardian estimates that the estate of the person with a disability can afford the services of the private professional guardian for 36 months or less before the estate is depleted, and the person with a disability is living at home, then the private professional guardian shall forgo or delay the collection of court-awarded fees until the person with a disability is clinically unable to remain at home or until it is not financially feasible, for reasons other than the collection of court-awarded fees, for the person with a disability to remain at home. Provides that the private professional guardian may petition the court to reduce or waive the 36-month no fee collection period by showing that it is in the best interests of the person with a disability for the private professional guardian to collect the full or partial amount of court-awarded fees. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts provisions of House Amendment No.1 with the following changes. Provides that if a private professional guardian is serving as a limited or plenary guardian of a person with a disability and intends to name the Office of State Guardian or public guardian as successor, notice shall be provided to the court and the Office of State Guardian or a public guardian not less than 120 days before the hearing for a successor to a limited or plenary guardian unless the assets of the person with a disability at the time of the appointment of the limited or plenary guardian do not exceed the estimated amount necessary for funding of the needs of the person with a disability for a period of 120 days. Provides that before being appointed as guardian for a person with a disability, the private professional guardian must certify, in open court or by affidavit: (i) that the private professional guardian has personally met with and assessed the respondent or, if not reasonably

possible, consistent with the National Guardianship Association Standards of Practice, certify that they will meet with the respondent as soon as feasible after the appointment. Provides that a private professional guardian may not (i) have any direct or indirect beneficial interest, financial or otherwise, in entities or corporations that transact business with the estate or receive benefits, including referral fees, from persons, entities, or corporations that transact business with the estate or on behalf of the person under its guardianship, excluding any fixed salary received from its employer. Provides that within 2 years of the effective date of the amendatory Act, a person or the president, director, or chief executive officer of a not-for-profit corporation and employees of the private professional guardian who serve as a private professional guardian must be certified as a national master guardian or a national certified guardian by the Center for Guardianship Certification or its successor organization. Requires a private professional guardian that manages, in the aggregate, more than \$1 million of assets as a guardian of persons with a disability, to arrange for an independent audit by a qualified examiner of its financial records on an annual basis. Requires a private professional guardian to promptly notify the court at such time that it estimates the estate of the person with a disability can no longer afford the services of the private professional guardian or, if the sale of respondent's residence would be required for the continued services of a private professional guardian, within 36 months or less. Makes structural changes.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that if a private professional guardian is serving as a limited or plenary guardian of a person with a disability and intends to name the Office of State Guardian or public guardian as successor, notice shall be provided to the court and the Office of State Guardian or a public guardian not less than 60 days (instead of 120 days) before the hearing for a successor to a limited or plenary guardian unless the assets of the person with a disability at the time of the appointment of the limited or plenary guardian do not exceed the estimated amount necessary for funding of the needs of the person with a disability for a period of 60 days (instead of 120 days). Provides that before being appointed as guardian for a person with a disability, the private professional guardian must personally meet with and assess the respondent before or as soon as feasible after the appointment; (ii) evaluate what is the least restrictive form of guardianship that is appropriate; and (iii) evaluate options regarding the respondent's living arrangements including community-based, least restrictive living settings that incorporate the respondent's values, preferences, and known wishes.

40 ILCS 5/1-110.18 new

Amends the General Provisions Article of the Illinois Pension Code. Provides that the amendatory Act may be referred to as the Fossil Fuel Divestment Act. With regard to the retirement systems established under the General Assembly, State Employees, State Universities, Downstate Teachers, or Judges Article of the Code and the Illinois State Board of Investment,

prohibits direct investment of any additional pension assets in the stocks, securities, or other obligations of any fossil fuel company or any subsidiary, affiliate, or parent of a fossil fuel company. Provides that each board of trustees of a pension system shall ensure the pension system does not make further indirect investments unless, upon exercising due diligence, the board of trustees is satisfied that the investment vehicle is unlikely to have more than 2% of its assets invested in fossil fuel companies. Requires pension system trustees to identify the pension system's holdings, whether directly or indirectly invested, including private investments. Requires pension system trustees to identify holdings that are invested in the stocks, securities, equities, fixed income, corporate bonds, prime commercial paper, or other obligations of fossil fuel companies. Requires pension systems to, in accordance with sound investment criteria and consistent with fiduciary obligations, divest any fossil fuel holdings, which must be completed by January 1, 2030. Requires pension systems to adopt an update to their written investment policies if necessary. Requires each pension system to disclose the analytic methods used, if any, in determining the climate-related financial risks posed by its fossil fuel investments (both publicly traded and private investments) and the results of the analysis. Sets forth provisions concerning definitions, de minimis exposure to fossil fuel securities, and annual reporting. Effective immediately.

Amends the Name Change Article of the Code of Civil Procedure. Provides that for a petition for name change by a person who is required to register under Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registration Act and not yet pardoned, if the petition alleges that it is sought because of marriage, religious beliefs, status as a victim of trafficking or gender-related identity, the court may grant or deny the petition after making a determination based on certain factors. Provides that any denial of a name change to these individuals must be in writing demonstrating the reasons for the denial. Provides that a person who has been convicted as an adult of a felony offense and whose sentence has not been completed, terminated, or discharged is not permitted to file a petition for a name change unless pardoned for the offense. Provides that the State's Attorney may file an objection to the petition within 30 days of being served if the petitioner has been convicted of and not been pardoned or has a pending case for any of the these enumerated charges: identity theft, aggravated identity theft, felony or misdemeanor criminal sexual abuse if the victim of the offense at the time of its commission is under 18 years of age, felony or misdemeanor sexual exploitation of a child, felony or misdemeanor indecent solicitation of a child, or felony or misdemeanor indecent solicitation of an adult. Provides the same opportunity to object if the petitioner has any pending charge that would require compliance, if convicted, with the Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registry Act. Provides those objections must be in writing, filed with the circuit court clerk, served upon the petitioner, and state with specificity the basis of the objection, including, but not limited to, any evidence of specific intent for requesting the name change and any specific and detailed facts demonstrating that any potential risk to another individual or group would outweigh any potential harm or negative impact to the individual making the request for the name change. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts provisions of the bill with the following changes. Requires a petition for name change to include a statement if the petitioner is a juvenile with a current felony or misdemeanor adjudication or conviction that has not been sealed or expunged, and for which a pardon has not been granted a pending charge on a

felony or misdemeanor, or has an arrest for which a charge has not been filed. Provides that adults with sealed juvenile convictions or adjudications are not required to disclose the sealed convictions or adjudications on the name change petition, and such convictions and adjudications may not be considered in the proceedings. Restores current law that allows the State's Attorney to request the court order a petitioner to update the petitioner's criminal history with the Illinois State Police in certain circumstances. Requires that notice of the petition must be served on the State's Attorney if the petitioner is a juvenile with a current felony or misdemeanor conviction or adjudication that has not been sealed or expunged, and for which a pardon has not been granted, pending charge on a felony or misdemeanor offense, or has an arrest for which a charge has not been filed. Provides that notice of a name change does not have to be given to the Illinois State Police and State's Attorney for an adult with a sealed, expunged, or pardoned juvenile conviction or adjudication. Provides that the State's Attorney may file an objection if the petitioner has a pending case for a Class 2 felony or greater offense. Makes other changes.

 725 ILCS 5/110-6.1 from Ch. 38, par. 110-6.1

Amends the Code of Criminal Procedure of 1963. Provides that in cases involving domestic violence or sex offenses, as defined in the Sex Offender Registration Act, in which the victim, at the time of the offense, was under 18 years of age, the presumption is that the defendant is to be detained, unless the judge makes a finding that the defendant is not a threat to the alleged victim, witnesses, or community. Provides that upon this finding, the defendant is entitled to be released on personal recognizance on the condition that the defendant attend all required court proceedings and the defendant does not commit any criminal offense and complies with all terms of pretrial release. Provides that upon verified petition by the State, the court shall hold a hearing and may deny a defendant pretrial release if the defendant is charged with domestic battery or aggravated domestic battery or a sex offense, as defined in the Sex Offender Registration Act, in which the victim, at the time of the offense, was under 18 years of age and the judge cannot make a finding that (rather than it is alleged that) the defendant's pretrial release does not pose (rather than poses) a real and present threat to the safety of the victim, the victim's family, or society (rather than any person or persons or the community), based on the specific articulable facts of the case.

HB-4206 GONG-GERSHOWITZ, FAVER DIAS, LAPOINTE, MOELLER, MUSSMAN - NESS, OLICKAL - WILLIAMS, ANN, CANTY AND COCHRAN.

Creates the Charitable Organization Beneficiary Act. Requires a holder of property in which a charitable organization that is exempt from taxation as a 501(c)(3) entity is a designated beneficiary in a nonprobate instrument (excluding wills or trusts) to notify each charitable organization within 30 business days that it may have a right to the property. Creates a process in which the charitable organization may request that it be given information about the property or that the property be delivered to the charitable organization or both. Provides duties and obligations of the holder of the property. Provides the holder of the property protection from liability for a good faith reliance on the information it receives from a designated beneficiary. Provides remedies against a holder of property for a failure or refusal to provide the requested information or transfer of property if the provisions of the Act are followed. Defines terms.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Requires that the notice of death to the owner of property include the exact language of the beneficiary designation except that the names of any other beneficiaries that are not charitable organizations may be redacted. Provides that nothing in the Act alters the duties of the holder of the property under the Revised Uniform Unclaimed Property Act or the Unclaimed Life Insurance Benefits Act. Requires that the holder of the property must provide notice to each charitable organization listed under the beneficiary designation that the charitable organization may have a right to the property within 45 business days of the death of the owner of the property. Deletes provisions that provide that (i) any right or title acquired from the charitable organization in consideration of the provision of property or information under the Act is not invalid because of an inadvertent misapplication by the charitable organization; and (ii) a transaction and a lien created by a transaction entered into by the charitable organization and anyone acting in reliance on the affidavit under the Act is enforceable against the property. Provides that if the holder of the property fails or refuses to provide the requested property or information within 60 business days after receiving the affidavit, the charitable organization may bring an action against the holder of the property to receive the information about the property or recover the property or compel the delivery of the property. Provides that the court may award reasonable attorney's fees based on the time expended by the attorney to obtain the requested information or payment, delivery, or transfer of the property without regard to the amount of the recovery on behalf of the charitable organization. Deletes the requirement that verification of a charitable organization's authority may not exceed 30 days from the date of delivery of the affidavit.

HOUSE FLOOR AMENDMENT NO. 2

Adds reference to:

215 ILCS 5/224

from Ch. 73, par. 836

215 ILCS 185/15

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Provides that a "beneficiary designation" means a provision in an instrument designating a beneficiary, other than in a will or an instrument creating a trust, and may also mean the instrument itself, including, but not limited to, any of the following: (1) a demand deposit, savings deposit, time deposit or other account or instrument on which the holder is directly liable with a designation for payment upon death or other nonprobate designation making it transferable on death; (2) a security registered in beneficiary form; or (3) a pension, profit-sharing plan, retirement account such as an IRA, 401(k), 403(b), or other employment-related benefit plan. Excludes from this definition a beneficiary made as part of an annuity or an insurance policy. Amends the Unclaimed Life Insurance Benefits Act. Requires an insurer within 120 days after being contacted by the charitable beneficiary to: (1) determine whether the charitable organization has a right to the proceeds of the policy, annuity contract, or a retained asset account; (2) provide a general description of the policy, annuity contract, or a retained asset account that may be held for the benefit of the charitable organization and the exact language of the beneficiary designation; and (3) include information that verifies whether the insurer has already obtained the official death certificate or documentation needed to verify the death of the insured, annuitant, or retained asset account holder. Provides that if the holder of property maintains it is prohibited from paying, delivering, or transferring the property listed under a beneficiary designation to a charitable organization due to requirements under federal law, the holder of the property shall (1) explain in writing the reason why the property cannot be paid, delivered, or transferred to the charitable organization; and (2) take all actions necessary in order to facilitate payment, delivery, or transfer of the property in compliance with this Act. Provides that if a holder of property fails or refuses to comply with the Act,

the court may award a charitable organization, among other relief, a penalty in an amount determined by the court up to \$10,000 only if the court finds that the holder of the property engaged in bad faith or willful misconduct. Excludes not-for-profit organizations that are the irrevocable sole beneficiary of a life insurance policy covered by the Illinois Insurance Code. Requires an insurer to provide within 120 days the appropriate claims forms or instructions to a holder of property under the Charitable Organization Beneficiary Act. Makes structural changes. Amends the Illinois Insurance Code. Provides that if due proof of death requires a certified copy of the death certificate, then no more than one beneficiary is required to submit a certified copy of the death certificate.

New Act

Creates the Civil Remedies for Nonconsensual Recording of Children Act. Creates a civil action for a child or the parent or legal guardian on behalf of a child if a person (1) makes a video record or transmits a live video of the child without the consent of the child's parent or guardian in a restroom, tanning bed, tanning salon, locker room, changing room, or hotel residence; or (2) makes a video record or transmits a live video of a child without the consent of the child's parent or guardian in a residence in which the child does not reside. Provides for exceptions. Provides that a child who proves by a preponderance of the evidence that a defendant violated the Act against the child is considered obviously and materially harmful to the child and is per se harmful and traumatic. Authorizes a prevailing plaintiff to recover: (1) the greater of: (A) economic and noneconomic damages proximately caused by the defendant's violation of the Act, including but not limited to damages for emotional distress whether or not accompanied by other damages; or (B) statutory damages, not to exceed \$10,000, against each defendant found liable under the Act; (2) punitive damages; and (3) reasonable attorney's fees and costs. Provides that an action under the Act may not be brought no later than 2 years from the date the cause of action was discovered or should have been discovered with the exercise of reasonable diligence. Tolls the statute of limitation until the child becomes emancipated or attains the age of majority. Provides that if a State agency or unit of local government is required by law or ordinance to inspect a restroom, tanning bed, tanning salon, locker room, changing room, or hotel residence, the State agency or unit of local government must also inspect for hidden cameras. Provides that if a hidden camera is discovered, the owner or operator of the inspected location must post a public notice advising of the camera and the area it films. Provides that the notice must be in English and any other language that is spoken by a significant number of local residents in that area. Provides that the Act applies to causes of action accruing on or after the effective date of this amendatory Act.

HOUSE FLOOR AMENDMENT NO. 1

20 ILCS 3805/7.34 new
 30 ILCS 105/5.1038 new

Amends the Illinois Housing Development Act. Requires the Illinois Housing Development Authority (Authority) to establish and administer a First-Generation Homebuyer Down Payment Assistance Program to provide targeted assistance to eligible first-generation homebuyers throughout the State for the purchase of a single-family or non-commercial multi-family residence. Sets forth eligibility requirements. Permits the Authority to prioritize assistance to applicants purchasing homes in designated community priority areas, applicants with household income below 80%, and applicants purchasing homes in areas with low homeownership rates, high housing costs burdens, or limited access to affordable mortgage credit. Provides that assistance under the program shall be provided as a forgivable loan to be forgiven pro rata on a monthly basis over a 5-year period of continuous owner-occupancy. Sets forth the available loan amounts and provides that assistance funds may be used for down payments, closing costs, mortgage insurance, interest rate buydowns, or principal reduction. Permits the Authority to waive repayment in cases of documented financial hardship that is beyond the control of the homebuyer. Permits the Authority to adopt rules to implement and administer the program. Effective July 1, 2026.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. While the proposed establishes a new program for First-Generation Homebuyer Down Payment Assistance, this is the establishment of a program that is not needed on the state level. IHDA's current Down Payment Assistance programs and IHDA's current homebuyer programs target first time home buyers exclusively AND they allow first generation homebuyers to already use them. Creation of a new program is redundant and would create more red tape and would not lower barriers for first time homebuyers.

FISCAL NOTE (Housing Development Authority)

This program is redundant and not needed as current Homebuyer and Down Payment assistance programs already do everything this bill proposes. This bill requires program rules that would need to be established and updated throughout the next year (1 FTE Lawyer / Legal Staff (\$200,000/year). Outside of establishment of new rules, the

administration of this program could be covered under existing IHDA staffing levels except for the reporting requirements, which would require the hiring and maintenance of a program staff position or two. These position(s) would be required to meet reporting requirements and burdensome publishing requirements on an ongoing basis(\$100,000 - \$200,000 per year). Additional advertising would also need to occur which could add \$30K to the cost of administering this program.

Amends the Code of Criminal Procedure of 1963. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Requires a county (not just counties with more than 250,000 in population) to provide remote access to a hearing on a protective order to include relevant witnesses besides the petitioner and respondent. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

750 ILCS 60/201

from Ch. 40, par. 2312-1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the court to grant a request for remote hearing unless good cause is shown to deny the request. Provides that a petitioner may not be denied a protective order solely on the basis that the petitioner or the respondent is incarcerated in a penal institution at the time of the issuance of the order. Allows a petition seeking protection to include a crime victim who was abused by a family or household member before the offender was incarcerated and by any person who has previously suffered abuse by a family or household member convicted of certain crimes. Provides that if the respondent does not contest the motion to extend a plenary order of protection after service of the motion in accordance with Supreme Court Rules, the court may grant the request for an extension based solely on the petitioner's motion and affidavit setting forth the requirements of the provisions governing plenary orders. Makes structural changes.

Amends the Court of Claims Act. Creates an administrative process for uncontested claims for vendors arising from contracts with the State. Requires a State agency to confirm or reject an uncontested claim that is from a lapsed appropriation and valued at less than \$2,500 within 30 days after being notified in writing by the Attorney General. Provides that if the State agency does not confirm or reject the claim within that 30-day period, then the State agency forfeits the right to reject or contest the claim. Requires the Comptroller, subject to appropriation, then issue payment to the vendor within 30 days of the court entering such an award. Provides that if the court determines that it is unable to process such an uncontested claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 30 days after the bill or invoice was first submitted. Provides that if one or more items on a bill or invoice are disapproved, but not the entire bill or invoice, then the portion that is not disapproved must be transmitted to the Comptroller for payment. Changes the filing fees required under the Act as follows: a fee of \$15 for a petition seeking more than \$500 but less than \$10,000; and \$35 for a petition seeking more than \$10,000 or more. Requires that the court must allow claimants to submit documentation to amend and cure defects. Makes other changes. Authorizes the Court of Claims to adopt rules to implement the Act.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

705 ILCS 505/21

Replaces everything after the enacting clause. Provides these changes to the bill. Provides that a State agency must confirm or reject a claim arising under the Act that is from a lapsed appropriation and valued at less than \$2,500 within 45 days (instead of 30 days) after being notified in writing of the claim by the Attorney General. Deletes provisions that if the State agency does not confirm or reject the claim within a 30-day period, then the State agency forfeits the right to reject or contest the claim. Provides that if the court determines that it is unable to process such a contractual claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 45 days (instead of 30 days) after the bill or invoice was first submitted. Requires the court to produce an annual report to the General Assembly on claims arising from lapsed appropriations. Provides that the report shall include data on the number of claims submitted each year, the number of claims resolved, the number and dollar amount of claims paid and pending, the State agencies associated with the lapsed claims, the average length of time from claim submission to resolution for each State agency, and the number and age of unresolved claims that are older than 12 months, by State agency. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 2

Deletes reference to:

705 ILCS 505/10

705 ILCS 505/16

Replaces everything after the enacting clause. Reinserts provisions of House Amendment

No. 1 with these changes. Provides that a State agency must confirm or reject a claim arising under the Act that is from a lapsed appropriation and valued at less than \$2,500 within 45 calendar days after being notified in writing of the claim by the Attorney General. If the State agency confirms the claim, then the Court of Claims must enter an award for the claim within 30 calendar days upon being notified. Provides that if the Court of Claims determines that it is unable to process such a contractual claim because the bill or invoice contains a defect, the Court of Claims must notify the vendor in writing of the defect no later than 45 calendar days after the bill or invoice was first submitted. Requires the Court of Claims to confirm receipt of claim to the vendor within 30 calendar days for all claims. Requires the Court of Claims, beginning December 31, 2027, and every December 31st thereafter, to produce an annual report to the General Assembly on claims arising from lapsed appropriations. Provides that the report shall include data on the number of claims submitted each year, the number of claims resolved, the number and dollar amount of claims paid and pending, the State agencies associated with the lapsed claims, the average length of time from claim submission to resolution for each State agency, and the number and age of unresolved claims that are older than 12 months, by State agency. Provides that for claims not covered by the new provisions, the State agency must confirm or reject in writing the allegations in the claim with the Attorney General's office within 90 calendar days of being contacted by the Attorney General; and the Attorney General must notify the claimant of the State agency's decision and file a stipulation or motion with the Court of Claims within 90 calendar days of the State agency confirming or rejecting the claim. Effective July 1, 2027.

SENATE COMMITTEE AMENDMENT NO. 5

30 ILCS 540/7

30 ILCS 708/50

30 ILCS 708/50

from Ch. 127, par. 132.407

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Requires the State agency to confirm, reject, or identify a claim under the Court of Claims Act that is a lapsed appropriation and valued at less than \$2,500 within 60 days after being notified in writing of the claim by the Attorney General. Provides that, if the State agency (instead of the court) determines that it is unable to process a claim under the Act because the bill or invoice contains a defect, the State agency (instead of the court) must notify the vendor and the Attorney General (rather than the vendor only) in writing of the defect no later than 60 calendar days after receiving notice of the claim from the Attorney General's Office (rather 45 days after the bill or invoice was first submitted). Further provides that, for disapproved portions for the claim, the Attorney General (rather than the court) must allow vendors to submit documentation to the Attorney General's Office showing amendments and cured defects (rather than submit documentation to amend and cure defects). Requires a State agency to confirm, reject, or identify a defect within a claim for all other claims arising under the Act that are from lapsed appropriations that are equal to or more than \$2,500. Amends the State Prompt Payment Act. Provides that a State agency shall review each bill or invoice within 30 calendar days after its receipt (currently, in a timely manner). Provides that, when a State official or agency responsible for administering a contract receives a bill or invoice from a contractor, that State official or agency shall confirm the date on which the bill or invoice was received within 15 business days of receipt and shall transmit any approved amount to the Comptroller within 30 calendar days of receipt. Amends the Grant Accountability and Transparency Act. Provides that the advice and technical assistance provided to State grant-making agencies by the Governor's Office of Management and Budget shall include an explanation of how to determine if the awardee is eligible for advance payments, reimbursement, or working capital advances. Provides that each State grant-making agency shall specify in each grant agreement whether the applicable payment methodology is advance payment, reimbursement, or working capital advance. Provides that, if advance payment is not the applicable payment methodology, the grant agreement will specify why an alternative payment methodology applies. Sets forth deadlines by which the State grant-making agency shall issue grant agreements after issuing a Notice of State-Issued Award. Makes other changes. Effective July 1, 2027.

Amends the Board of Higher Education Act, various Acts relating to the governance of public universities in Illinois, and the Higher Education Student Assistance Act. Requires the Board of Higher Education to establish a pathway program in which any public high school student in this State who graduates in the top 10% of the student's graduating class or meets other standardized thresholds is guaranteed admission to at least one public university. Requires the Board to submit an annual report to the General Assembly (and make the report publicly available) that includes, with respect to public universities: (1) how many in-state residents were admitted in the prior academic year compared to the number of out-of-state residents that were admitted; (2) the tuition trends for students who are residents of this State; and (3) how many university graduates continue to reside within this State following graduation. With respect to each academic program of a public university that has a limited capacity to admit students due to a high demand for admission to the program, provides that at least 70% of the students admitted to the program must be residents of this State. Beginning with the 2027-2028 academic year, prohibits the governing board of each public university from increasing its in-state tuition rate for a given academic year by a percentage that exceeds the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items published by the Bureau of Labor Statistics of the United States Department of Labor for the 12 months ending on the previous December 31. Requires the Illinois Student Assistance Commission to establish a workforce incentive program in which a student who enrolls in a high-need field at an institution of higher learning may receive a grant to reduce tuition costs or loan forgiveness if the student commits to working in this State for at least 3 after graduation. Provides that under the program, a student from an underserved region of this State may also receive additional admission and tuition support from the Commission.

Provides that an insured under a property and casualty insurance policy shall not, either prior to or after a claimed or covered loss, assign, delegate or otherwise transfer, in whole or in part, to any other person the insured's: (1) duties under the policy; or (2) rights or benefits under the policy. 215 ILCS 5/368d

305 ILCS 5/5-30.19 new

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to adopt rules that require managed care organizations (MCOs) to utilize a universal provider application developed by a council for affordable quality healthcare, as defined, for the purpose of credentialing a health care professional or a health care provider who seeks to participate in an MCO's provider network. Provides that the rules shall also require the use of a CAQH application for the renewal of credentials; and that the Department may revise the CAQH universal provider application or the application for renewal of credentials to conform to industry or national standards for credentialing health care professionals or health care providers. Provides that within 180 days after the adoption of rules, health and dental plan carriers must accept the universal provider application and the application for the renewal of credentials approved by the Department. Requires all MCOs to provide a provider network consultant to act as a liaison between a health care provider and the MCO. Require the Department to employ provider enrollment consultants to assist health care providers with enrollment in the Illinois Medicaid Program Advanced Cloud Technology system, help navigate the enrollment and provider credentialing process by serving as the liaison between health care providers and MCOs, and other matters. Amends the Illinois Insurance Code. In provisions concerning recoupments, requires a health care professional or health care provider to be provided a remittance advice that includes an explanation of a recoupment or offset taken by a managed care organization. Removes provisions permitting insurers contracted with the Department of Healthcare and Family Services to recoup or offset payments due to a federal Medicaid requirement. Provides that no contract between an MCO and health care professional or provider may provide for recoupments in violation of the Code. Effective January 1, 2027.

410 ILCS 35/16

Amends the Equitable Restrooms Act. Provides that the owner or operator of each State-owned building and the owner or operator of each public building (rather than only the owner or operator of each State-owned building) shall (1) ensure that one or more of the public restrooms is designated as an adult changing station, with certain requirements, (2) maintain, repair, and replace each adult changing table as necessary, (3) clean each adult changing station with the same frequency as the other public restrooms, and (4) provide sufficient floor space to comply with the Americans with Disabilities Act. Provides that the owner or operator of each State-owned building and the owner or operator of each public building (rather than only the owner or operator of each State-owned building) shall ensure that the entrance to each restroom has conspicuous signage and that the central directory for the building, if it exists, indicates the location. Provides that any public building or State-owned building that is constructed on or after January 1, 2029, and any public building or State-owned building with an estimated renovation cost of at least \$10,000 that requires the issuance of a building permit for the renovation and that is renovated on or after January 1, 2031, must contain and provide access to not less than one powered, height adjustable, adult changing table, installed per the manufacturer's recommendations, in a single occupancy restroom that is universal to gender and available to the public. Adds and changes definitions.

HOUSE COMMITTEE AMENDMENT NO. 1

Deletes a requirement that any public building or State-owned building with an estimated renovation cost of at least \$10,000 that requires the issuance of a building permit for the renovation and that is renovated on or after January 1, 2031 must contain and provide access to an adult changing table.

HOUSE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes the definition of "adult changing station" by adding references to the Americans with Disabilities Act of 1990. Changes the definition of "public building" by adding a requirement that the building be constructed on or after January 1, 2029, allowing the owner or operator of one building or structure located in a place of recreation to designate that building or structure as a public building, and specifying that places of education must be designed to educate 1,500 students or more, excluding school athletic stadiums. Changes the definition of "State-owned building" by adding specified State park facilities. Provides that the owner or operator of each public building built after January 1, 2029 shall have specified duties (rather than the owner or operator of each public building shall have specified duties), including, among other things, installing a minimum of one adult changing station, maintaining and repairing adult changing tables, cleaning adult changing stations with the same frequency as other public restrooms, and providing sufficient floor space around the adult changing table to comply with applicable Americans with Disabilities Act accessibility standards. Makes changes to signage requirements, including providing that, except for places of education, the entrance to each restroom must have conspicuous signage indicating the location of adult changing stations and that, for places of education, only the restroom that contains an adult changing station must have such signage. Deletes provisions in the introduced bill requiring that newly constructed or substantially renovated buildings contain and provide access to at least one powered, height-adjustable adult changing table in a single-occupancy restroom. Makes conforming and other changes.

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. In the definition of "public building", deletes provisions clarifying the scope of certain types of buildings or structures that qualify as public buildings, includes in the definition a building or structure, not including an athletic stadium, that is located in a place of education designed to educate 1,500 students or more during a semester, and directs the owner or operator of the place of education or the owner's or operator's agent to designate the building or structure that is located in the place of education as the public building under the Act. Makes technical changes.

820 ILCS 405/612 from Ch. 48, par. 442

Amends the Unemployment Insurance Act. Provides that, with respect to a week of unemployment beginning on or after June 1, 2026, benefits shall be payable to an individual on the basis of wages for employment in other than an instructional, research, or principal administrative capacity performed for an educational institution or an educational service agency, as long as the individual is otherwise eligible for benefits. Effective immediately.

FISCAL NOTE (State Board of Education)

HB 4416 does not have a fiscal impact on the Illinois State Board of Education. Currently, most school district support staff are not eligible for unemployment benefits if they have reasonable assurance of employment continuing for the next school year. The bill makes these staff eligible for these benefits. Categories of staff impacted include paraprofessionals (classroom and individual aides), bus drivers, secretaries, cooks and cafeteria workers, health care aides, safety and security staff, and various other categories of staff not working twelve months. The State Board of Education does not collect the data required to determine a precise financial impact on school districts. However, estimations based on the Non certified Staff Salary Study suggest the statewide cost to school districts could be significant.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

HB 4416 adds both a financial and clerical mandate to school districts. Many school districts, in lieu of paying contributions, reimburse the State for the actual amount of any unemployment benefits paid. Because of this, special care is taken to ensure claims are accurate to minimize the impact on district finances. Additional staff time, and potentially additional clerical staff, will be needed to review and process the increase in claims that will follow should this bill become law. Ultimately, the State Board of Education cannot provide a comprehensive effect of the proposed mandate.

FISCAL NOTE (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Bill 4416 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. The Department gathered data from 2020 when the law was changed to remove the unemployment insurance (UI) eligibility bar for non-instructional, non-principally administrative, and non-research academic

employees, and ran a cost estimate using 2026 estimated wage data. The Department assumed that 75% of workers who were eligible at that time would be eligible for purposes of the cost estimate. This assumption was supported by labor market re-entry rates (members of this category of workers securing alternative seasonal employment), and the general choice of many unemployed individuals to not file for UI benefits. The Department estimated that the annual cost to provide these academic employees UI benefits between and within terms of academic years, assuming the employees are otherwise eligible for UI benefits, would be between \$138,000,000 and \$176,000,000. Approximately 93% of the total amount of unemployment benefits would be paid dollar-for-dollar by public schools, colleges, universities, and not-for-profit academic institutions that make payments in lieu of contributions. Using the federal Resource Justification Model (RJM) for the cost of administering UI benefits, the Department additionally estimated that implementing HB 4416 would cost approximately \$3,600,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department also asked the United States Department of Labor (USDOL) for a standard, informal conformity review of the language of this bill with federal regulations. USDOL did not note a conformity issue.

Creates the Prohibition on Anticompetitive Pharmaceutical Practices Act. Provides that, except as specified, a court before which the Attorney General brings an action under the Act shall presume that a resolution agreement that ends a dispute over an alleged infringement of a patent, or a violation of other protection for a protected drug, has anticompetitive effects and is a violation of the Act if, as part of or in connection with the resolution agreement, an alleged infringer: (1) receives an item of value; or (2) agrees to limit or stop researching, developing, manufacturing, marketing, or selling a competing drug. Provides that a resolution agreement does not violate the Act and a party to the resolution agreement may overcome the presumption of anticompetition if the party, by a preponderance of evidence, can demonstrate that: (1) the item of value that the alleged infringer received is fair and reasonable compensation solely for other goods or services that the claimant promised to provide to the alleged infringer; or (2) the agreement has directly generated procompetitive benefits within the relevant market and the procompetitive benefits of the resolution agreement favor competition to the extent that the procompetitive benefits materially outweigh the anticompetitive effects of the resolution agreement. Sets forth provisions concerning penalties and enforcement of the Act by the Attorney General. Provides that the Act applies to resolution agreements: (1) that are negotiated, completed, or entered into within the State on or after the effective date of this Act; (2) where the dispute arose out of or was substantially related to pharmaceutical sales that were made within the State; or (3) where a party to the resolution agreement is an entity registered to conduct business within the State.

New Act

5 ILCS 100/5-45.71 new

Replaces everything after the enacting clause. Creates the Responsible Gun Manufacturing Act. Provides that it is unlawful for a person to manufacture a convertible pistol. Provides that it is unlawful for a certified licensee, as defined in the Firearm Dealer License Certification Act, to sell, offer to sell, exchange, give, transfer, or deliver any convertible pistol. Provides that a violation of the Act is punishable by a civil penalty of \$10,000, which shall be paid to the Illinois State Police. Provides that, if the person who committed the violation is a certified dealer, at the discretion of the Illinois State Police, the Illinois State Police shall suspend or revoke the certified dealer's license under the Firearm Dealer License Certification Act. Provides that the civil penalty and license suspension or revocation shall be assessed by the Illinois State Police after a hearing is held in accordance with the Firearm Dealer License Certification Act. Provides that a second violation of the Act is punishable by a civil penalty of \$25,000, which shall be paid to the Illinois State Police, and, if the person who committed the violation is a certified dealer, the Illinois State Police shall revoke the certified dealer's license pursuant to the Firearm Dealer License Certification Act. Defines "convertible pistol" as any semiautomatic pistol with a cruciform trigger bar that can be readily altered by hand or with common household tools so that it can be converted into a machine gun by the installation or attachment of a switch. Provides that "convertible pistol" does not include hammer-fired semiautomatic pistols. A tab or other piece of material on a pistol frame is not sufficient to prevent ready alteration so that the pistol can be converted into a machine gun by the installation or attachment of a switch, and will not prevent such pistol from qualifying as a convertible pistol, if that tab or other piece of material can be readily removed with common household tools. Defines other terms. Amends the Illinois Administrative Procedure Act to make conforming changes.

HOUSE COMMITTEE AMENDMENT NO. 2

Amends the bill as amended by House Amendment No. 1. Deletes a provision that the Responsible Gun Manufacturing Act does not apply to or affect the receipt of a convertible pistol by a person who is retired in good standing from service with a law enforcement agency of the State or a unit of local government in the State and is not otherwise prohibited from receiving a convertible pistol if certain conditions are met. Replaces that provision with a provision that states that the Act does not apply to or affect qualified law enforcement officers and qualified retired law enforcement officers, as defined in the Law Enforcement Officers Safety Act of 2004, and as recognized under Illinois law. Amends the Illinois Insurance Code. Provides that if an insurer tenders the lesser of the policy limits or the amount demanded by the claimant in a statutory or common law action alleging bad faith within 90 days after receiving actual notice of a claim accompanied by sufficient evidence to support the amount of the claim, no liability may be imposed against the insurer. 20 ILCS 1305/1-17

Amends the Department of Human Services Act. In the definition of "material obstruction of an investigation", defines the term to mean the intentional failure to timely report an allegation to the hotline or the interference (rather than purposeful interference) with an investigation of physical abuse, sexual abuse, mental abuse, neglect, or financial exploitation for the purpose of obstructing an Office of the Inspector General investigation. Provides that such material obstruction may include, but is not limited to, delaying or withholding reports of allegations to the hotline for the purpose of obstructing an Office of the Inspector General investigation; the withholding or altering of documentation or recorded evidence when reporting an allegation to the hotline or during an investigation; influencing, threatening, or impeding a victim's, complainant's, or required reporter's report of an allegation to the hotline or witness testimony during an investigation; or presenting untruthful information to the hotline or during an investigatory interview. Provides that any employee who fails to cooperate with an Office of the Inspector General investigation may also result in a finding of material obstruction of an investigation. Expands the list of employee conduct during an investigation that is in violation of the Act, including the failure to timely report an incident of abuse or material obstruction of an investigation committed by another employee. Makes changes to the definition of "presenting untruthful information".

HOUSE COMMITTEE AMENDMENT NO. 1

In the definition for "material obstruction of an investigation", provides that the term includes the withholding or altering of documentation or recorded evidence during an investigation (rather than when reporting an allegation to the hotline or during an investigation).

Amends the Adult Protective Services Act. In provisions concerning financial exploitation of an eligible adult, provides that a court may grant a temporary injunction ex parte, pending a full hearing, and may grant such relief as the court deems proper if the court makes certain findings, including, but not limited to, that an immediate and present danger of exploitation of the eligible adult exists, there is a likelihood of irreparable harm and nonavailability of an adequate remedy at law, there is a substantial likelihood of success on the merits, and the threatened injury to the eligible adult outweighs possible harm to the respondent. Sets forth the types of injunctive relief a court might grant, including, but not limited to, freezing the eligible adult's assets or lines of credit, awarding the eligible adult temporary exclusive use and possession of his or her dwelling, if shared with the respondent, and providing directives to law enforcement. Contains provisions on the scope and effect of an ex parte temporary injunction and the grounds for its denial. Sets forth factors a court will consider to determine whether there are reasonable grounds to believe an eligible adult is or is in imminent danger of becoming a victim of financial exploitation; notice of petition and injunction; final hearings on a petition; final cost judgments against a respondent; the transmittal of petitions, financial affidavits, hearing notices to the county sheriff or law enforcement agency; court certification of all orders issued, changed, continued, extended, or vacated subsequent to the original petition, notice of hearing, or temporary injunction; the enforcement of injunction violations through a civil or criminal contempt proceeding; judgment damages against a petitioner; modification or dissolution of injunction; substitute service for unascertainable respondent whose identity cannot be ascertained or whose identity is unknown; and other matters.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In provisions listing the type of relief a court might grant in a case of financial exploitation of an eligible adult, removes from the list: (i) specified fees to be paid by any financial institution that holds the eligible adult's unencumbered assets, if any; and (ii) a final cost judgment against the respondent and in favor of the clerk of the circuit court for all the clerk's filing fees and service charges. Provides that where the court has found that the respondent has engaged in exploitation of the eligible adult, a court may enter a final cost judgment against the respondent and in favor of the petitioner for all taxable costs

and damages. Provides that the court must allow an advocate (rather than an advocate from a State's Attorney's Office or a law enforcement agency) to be present with the petitioner or the respondent in order to provide emotional support during any court proceedings or hearings related to a temporary restraining order. Requires the petitioner (rather than the clerk of the circuit court) to furnish a copy of the petition, the financial affidavit, the notice of hearing, and any temporary restraining order to the sheriff or special process server (rather than to the sheriff or a law enforcement agency) of the county in which the respondent resides or can be found, who shall serve it upon the respondent as soon thereafter as possible on any day of the week and at any time of the day or night. Permits the petitioner (rather than the clerk of the circuit court, upon request of the sheriff) to transmit a facsimile copy of a temporary restraining order to be served in the same manner as a certified copy. Removes provisions that: (i) permit the chief judge of each judicial circuit, in consultation with the appropriate sheriff, to authorize a law enforcement agency within the jurisdiction to effect service; (ii) require the clerk of the circuit court to furnish a copy of the petition, the financial affidavit, the notice of hearing, and any temporary restraining order to the sheriff or a law enforcement agency of the county in which the eligible adult resides or can be found, who shall serve it upon the eligible adult; and (iii) permits the clerk of the circuit court, at the request of the sheriff, to transmit a facsimile copy of a certified temporary restraining order to be served in the same manner as a certified copy. Removes provisions requiring any court ordered assessment or fine to enforce a temporary order, preliminary injunction, or permanent injunction to be collected by the clerk of the circuit court and transferred to the State Treasurer for deposit in the Domestic Violence Fund. Makes other changes.

Requires the Illinois Gaming Board to provide written status updates to each applicant for a license issued under the Act no later than 30, 60, and 90 days after the date the application is deemed complete by the Board. Sets forth information to be included in the written status updates. Provides that if the Board has not issued a final determination approving or denying an application within 365 days after the date the application is deemed complete, the Board shall issue a conditional approval to the applicant unless the delay is attributable to: the applicant's failure to timely provide requested information or documentation; a pending criminal investigation or enforcement action directly involving the applicant; or a written finding by the Board, supported by specific facts, that issuance of a conditional approval would pose a material risk to the public interest or the integrity of video gaming. Provides that a conditional approval authorizes the applicant to proceed with preparatory business activities consistent with licensure but does not authorize operation of video gaming terminals until final approval is issued. Provides that nothing limits the Board's authority to approve, deny, suspend, revoke, or condition a license upon completion of its investigation. Provides that the pilot program shall require long-acting injectable medications for opioid use disorders to be used in at least one Department of Corrections facility. Provides that the Director may expand the pilot program to include an additional facility or facilities as he or she deems appropriate. Provides that a minimum of 4,000 administrations of long-acting injectable medications for opioid use disorders shall be included in the pilot program. Provides that the Department shall develop a plan to facilitate access to continued treatment for opioid use disorders in the community following the release of a person participating in the pilot program, including, but not limited to, a referral to a harm reduction provider. Provides that the Department must report to the General Assembly on the effectiveness of the program by January 1, 2028. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Provides that the pilot program shall provide long-acting injectable medications for opioid use disorder, when clinically appropriate, to not fewer than 3,000 individuals in the custody of the Department of Corrections (rather than a minimum of 4,000 administrations of long-acting injectable medications for opioid use disorders). Provides that the Department shall design and operate the pilot program in accordance with established and nationally recognized clinical guidelines, protocols, and standards for the treatment of opioid use disorder using long-acting injectable medications. Provides that the pilot program shall be funded using opioid settlement funds allocated to the Department. Provides that the Department shall establish and publicly post eligibility criteria and a selection process for participation in the pilot program. Eligibility criteria shall be based on clinical need, medical appropriateness, and operational considerations, consistent with nationally recognized clinical guidelines. The Department shall ensure that participation in the pilot program is offered in an equitable and transparent manner across facilities. Provides that if the number of eligible individuals exceeds program capacity, the Department shall use a fair and objective selection methodology, which may include prioritization based on clinical need or a randomized selection process. Provides that the Department shall document the basis for inclusion or non-inclusion of eligible individuals and shall make aggregate information regarding eligibility and selection available to the General Assembly upon request. Provides that the Department shall not commence implementation of the pilot program unless and until sufficient opioid settlement funds have been secured to fully implement the program and to ensure that individuals participating in the pilot program may receive the full course of treatment clinically indicated. Provides that the Department shall ensure that, prior to the release of a person participating in the pilot program, the person is connected to an appropriate provider or treatment site in the geographic region in which the person will reside after release, that an appointment for continued treatment is scheduled with that provider or site, and that relevant medical and treatment information is shared with the receiving provider to support continuity of care. Provides that the Department shall contract with an independent research organization, public university, or other qualified third-party evaluator to conduct an independent evaluation of the pilot program. Provides that the Department shall provide the evaluator with access to relevant program and administrative data necessary to complete the evaluation, subject to applicable privacy protections. Provides that the independent evaluator shall prepare a report summarizing the findings of the evaluation and shall submit the report to the Department and the General Assembly no later than January 1, 2029 (rather than January 1, 2028). Deletes the immediate effective date of the bill.

Requires the State agencies to publish disclosures, written notices, and copies of agreements submitted by facilities on the agencies' public websites.
