Per 730 ILCS 5/3-17-5, the Department of Corrections must file a report with the General Assembly on the number of transitional housing facilities for sex offenders licensed by the Department, the addresses of each facility, how many sex offenders are housed in each facility, and the particular sex offense that each resident of the transitional housing facility committed.

In 2024, there were no licensed transitional housing facilities for sex offenders in Illinois. The Illinois Department of Corrections was enjoined from requiring a license prior to approving multiple sex offenders to live at one address.

Mission: To serve justice in Illinois and increase public safety by promoting positive change in offender behavior, operating successful reentry programs, and reducing victimization.
