Re: Illinois' 2025 Annual Comprehensive Housing Plan

Dear Senator Curran:

As the Chair of the Illinois Housing Task Force, it is my pleasure to present to the Governor and the Illinois General Assembly the Annual Comprehensive Housing Plan (ACHP), covering calendar year 2025. Each Annual Comprehensive Housing Plan implements the requirements established in the Comprehensive Housing Planning Act (P.A. 99-564) and provides information on major Housing Task Force activities to be undertaken in the upcoming calendar year.

The 2025 ACHP includes resources and production goals targeting the underserved populations identified in the statute as well as updated annual recommendations and action items that make up the policy priorities identified by State Housing Task Force members for the calendar year 2025.

Please feel free to contact me at (312) 836-5314, if you or your staff have any questions or concerns regarding this document.

I look forward to continuing the hard work of all Housing Task Force members towards the successful implementation of Illinois' 2025 Comprehensive Housing Plan.

Sincerely,

Kristin Faust
Executive Director, IHDA
Housing Task Force Chair
