Subject: Village of Lemont Police Department 2024 In-Car and Body-Worn Camera Report

Dear Mrs. Woolridge,

I am writing to provide a report on the Village of Lemont Police Department's body-worn and in-car camera program. Our body worn camera program was fully implemented in January 2024, and synced to are already established in car cameras. The body-worn camera program outfitted all sworn law enforcement officers across all divisions, including Patrol, Investigations, and Administration. The department has deployed Motorola V700 body-worn cameras, as well as Motorola 4RE and M500 in-car cameras.

As of December 31, 2024, the department's total staffing consisted of 30 full-time sworn officers and 2 part-time sworn officers. Additionally, the department employs 5 full-time civilians and 3 part-time civilians.

Currently, the Lemont Police Department is equipped with thirty (30) Motorola V700 body-worn cameras, nine (9) Motorola 4RE cameras, and four (4) Motorola M500 in-car cameras. Over the next two (2) years, we plan to replace all 4RE cameras with M500 cameras. All digital evidence from these cameras is securely stored in the Motorola Video Manager EL Cloud.

During the deployment of the body-worn cameras in 2024, the department encountered and resolved the following technical issues:

- **Synchronization Issues:** Occasionally, the body-worn cameras did not sync properly with the in-car cameras. This issue was resolved in-house with technical assistance from Motorola via phone support.
- **Charging/Upload Dock Malfunction:** On one occasion, a charging/upload dock malfunctioned, preventing videos from uploading to the Video Manager. This issue was addressed and resolved through in-house troubleshooting.

To ensure the proper use and continued functionality of the body-worn and in-car cameras, the Lemont Police Department has established comprehensive general orders, which I have attached in PDF format for your reference.

Please do not hesitate to reach out should you have any questions or require further details.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dan Dykshorn", with a stylized flourish extending to the right.

Dan Dykshorn
Operations Commander
Lemont Police Department
