**Re: 2024 Body Worn Camera Report**

Pursuant to the Illinois Body Worn Camera Act, the Moraine Valley Community College Police Department is providing this information regarding our Body Worn Camera program.

The Moraine Valley Community College Police Department consist of (21) sworn Illinois law enforcement officers. A Body Worn Camera is assigned to each officer. In our inventory we have (21) active Body Worn Camera devices.

On a monthly basis, supervisors access and review officer recorded Body Worn Camera footage for performance assessments and policy compliance. In addition, supervisors review if officers are properly documenting Body Worn Camera use in incident reports.

There are no Body Worn Camera technical issues to report. No Body Worn Camera incidents were used in prosecution. Please let our agency know if you have any questions or require any further information.

Respectfully,

A handwritten signature in blue ink that reads "Frank Arteaga" with a "#2" written to the right of the name.
