Sec. 70. Property Survey and Report.

Background

20 ILCS 2421, The Blind Vendors Act, establishes the basis for the Business Enterprise Program for the Blind (BEPB). BEPB is created for the purposes of providing blind persons with remunerative employment, enlarging the economic opportunities of the blind, and stimulating the blind to greater efforts in striving to make themselves self-supporting. To achieve these goals, blind persons licensed under the Act shall be authorized to operate vending facilities on any property within the State of Illinois as provided by this Act.

The Act specifies priority is given to blind vendors in the operation of vending facilities on State property. One or more vending facilities shall be established on all State property to the extent feasible. A State property deemed not feasible, shall be justified in writing and presented to the Committee for ratification or rejection. All state agencies shall fully cooperate with the Department of Human Services to ensure priority is given to blind vendors.

State of Illinois Property Summary

Total Number of State-Owned Properties	172
State-Owned Properties with Business Enterprise Program for the Blind (BEPB) Vending	52
State-Owned Properties WITHOUT BEPB Vending	120
Total Number of Leased State Properties	376
State-Leased Properties with Business Enterprise Program for the Blind (BEPB) Vending	41
State-Leased Properties WITHOUT BEPB Vending	335
Total Number of BEPB Vending Sites	93
Total State sites (leased and owned) WITHOUT vending services	455
Total Sites evaluated and deemed unsuitable for vending facilities (i.e. low population, remote workers, sq. footage, and/or accessibility)	417
Sites with no manager in the area	29
Sites currently under review	9

*See Appendices for full property summary details.

Vending Facility Summary

The Illinois Business Enterprise for the Blind Program currently has Memorandum’s of Understanding with the following state agencies:

- Illinois Department of Corrections
- Illinois Department of Transportation
- Illinois Department of Mental Health

The MOUs outline the terms of contracts for vending, including financial terms, and the disbursement practices for vending machine income.

BEPB Licensed Vendors

Total Number of BEPB Vending Sites	93
State-Owned Properties with Business Enterprise Program for the Blind (BEPB) Vending	52
State-Leased Properties with Business Enterprise Program for the Blind (BEPB) Vending	41

Private Facilities

Total number of private facilities	1
Number of Private facilities paying commissions to BEPB	1

*See Appendices for full facility details

Vending Feasibility Surveys

The Illinois Business Enterprise for the Blind Program conducts marketing assessments and site surveys of State owned and leased facilities. Factors considered for each survey are the number of vendors in the area, available managers, building population and work status (on-site or remote), and potential for public traffic.

The BEPB assesses locations within the State that could reasonably accommodate a vending facility. For each potential vending location, a survey is completed to analyze the following factors:

Location details:

Precise address, building layout, and relevant maps of the property.

Traffic analysis:

Assessment of pedestrian traffic flow, including peak hours and demographics of people passing by. The number of employees located in or visiting these buildings during normal working hours.

Space evaluation:

Measurement of available space for a vending operation, considering potential placement of vending machines or a food service area.

Accessibility assessment:

Evaluation of accessibility features for visually impaired individuals, including ramps, signage, lighting, and clear pathways.

Existing vendors:

Identification of any current vendors operating on the property, including their product types and location.

Potential sales analysis:

Estimation of potential sales volume based on traffic patterns and anticipated customer demand.

Recommendations:

Suggestions on the optimal location for a vending facility, potential product offerings, and necessary modifications to enhance accessibility.

Rejected Vending Facilities

During the reporting period, July 1, 2023- June 30, 2025, 455 site surveys and marketing analysis were completed. Of the surveyed sites, 5 sites were deemed appropriate. State property deemed not feasible, will be justified in writing and presented to the Committee for ratification or rejection.

Total State sites (leased and owned) WITHOUT vending services	455
Total Sites evaluated and deemed unsuitable for vending facilities (i.e. low population, remote workers, sq. footage, and/or accessibility)	417
Sites with no manager in the area	29
Sites currently under review	4

Recommendations

Strategic planning and goals associated with the growth of the BEPB program are assessed annually. The Department also considers input from the Illinois Committee of Blind Vendors when making decisions regarding the expansion of the Business Enterprise Program for the Blind.

The Department shall use the reports and recommendations presented in this report to develop greater opportunities for the placement of blind vendors, to increase vending machine income to the program, and to aid in establishing vending machines and facilities on State property.

We should review all current state vending locations with the Committee to identify opportunities to maximize profitability. Given the modified work schedules across the state, we need to assess whether each site would benefit from more or fewer machines, or if there's space to implement a micro-market system.

We will maintain open communication with agencies throughout the State of Illinois and stay informed about the latest advancements in vending technology.

Appendix 1: Initial Site Assessment Form

INITIAL SITE ASSESSMENT

Reported by _____ Date _____

1. Building Name & Address:
2. Name, title, phone and email of contact person
3. Building population numbers
4. What is current level of interest/commitment by building management?
5. Current prices at this location?

Soda: Cans -\$, Gatorade - \$, Bottle soda -\$,Water- \$

Candy:

Chips:

Pastry:

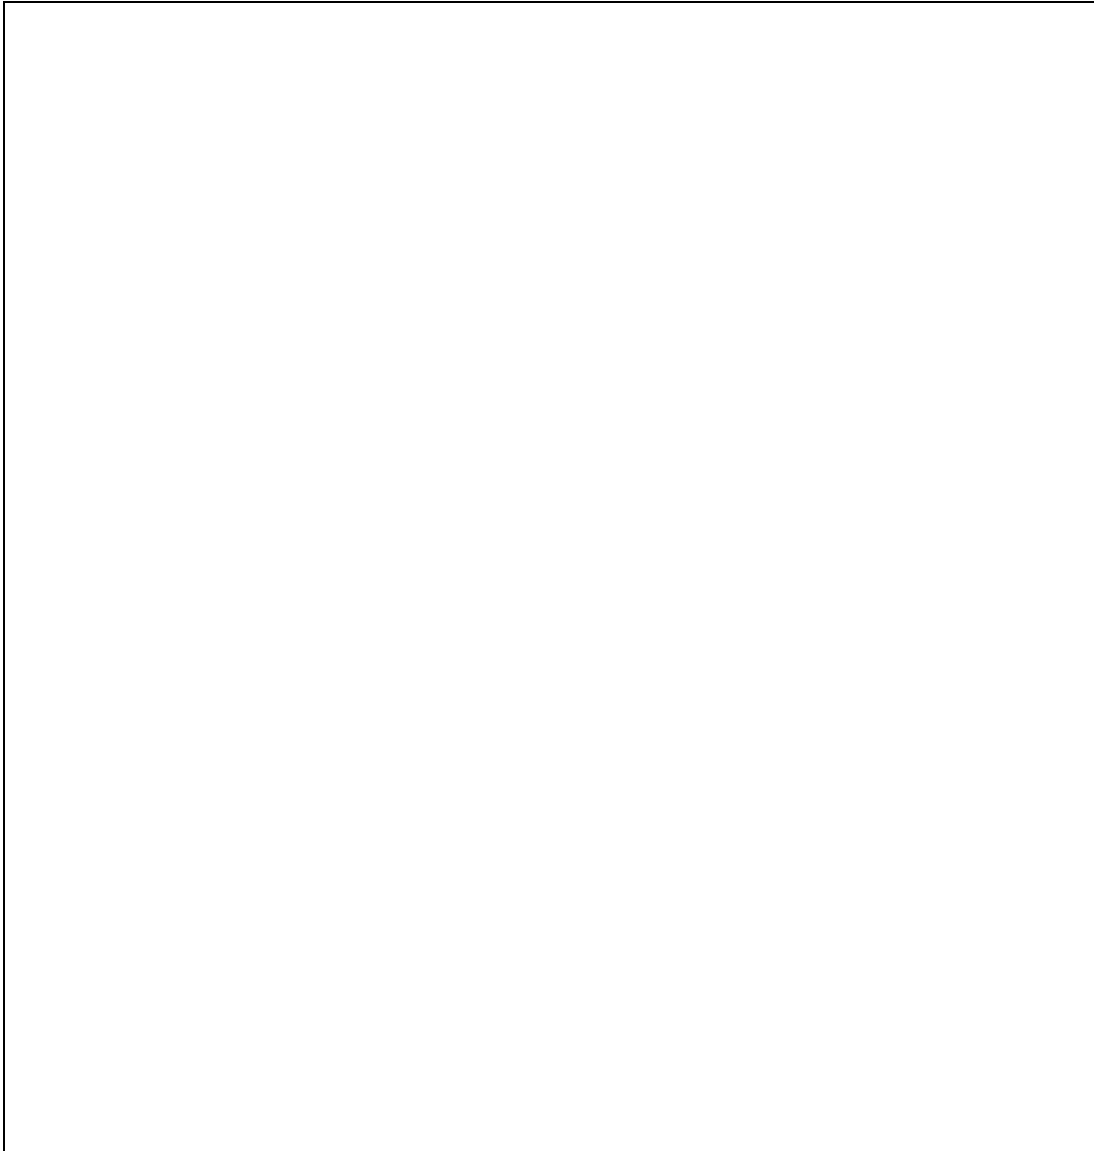

6. Machines proposed:

7. Sales information:

Actual sales of food items monthly. _____

Actual sales of beverages monthly. _____

Facilities income from sales. _____

Show locations of machines in room show above.

Measure size of doors into building? _____

Do we have enough outlets to accommodate 20 amp dedicated circuits? Yes or No.

Is a water line available for coffee machine? Yes or No

Do we have enough space to fit our machines in space provided? Yes or No. Measure if questionable? _____
