To Whom It May Concern,

On June 23, 2020, the Village of Glen Carbon, was awarded a Camera Grant SAIN#2383-18631 in the amount of \$80,500.00. Twelve Data 911 Verus Solo System in-car cameras were purchased and installed in our squad cars. Those units and their serial numbers are listed in the attached document.

The Data 911 in-car cameras were utilized until February 13, 2024, at which time the in-car cameras were removed from the squad cars and replaced by Axon in-car cameras as part of a system wide conversion to Axon body cameras, signal side arms, Evidence.com and tasers.

The Data 911 cameras were stored until June 10, 2025 and were then recycled at CJD E-Cycling in Edwardsville, Illinois.
