Re: State Fiscal Year 2025 Illinois Business Procurements by the Office of the Illinois State Treasurer, 30 ILCS 500/45-105(d)

Dear Secretary Anderson and Clerk Hollman:

While not required by the administrative rules governing procurement by the Office of the Illinois State Treasurer ("Treasurer," rules located at 44 Ill. Adm. Code 1400), please find on the page that follows a voluntary disclosure, consistent with the requirements of Section 45-105(d) of the Illinois Procurement Code, 30 ILCS 500/45-105(d).

Actions the Treasurer has undertaken to use Illinois businesses for construction and construction-related professional services include direct solicitation of Illinois businesses; coordination with the Illinois Capital Development Board to include required Illinois prequalification and licensure where applicable; and, requesting and reviewing information from respondents regarding prior projects in Illinois.

Both awards during State Fiscal Year 2025 for construction projects were made to Illinois businesses, representing 100% utilization of Illinois businesses.

If you have any questions, please feel free to contact me.

Sincerely,

Christopher M. Flynn
