May 1, 2025

The Clarendon Hills Police Department is submitting its 2025 Body Camera Report pursuant to 50 ILCS 706/10-25.

The Clarendon Hills Police Department maintains fifteen Motorola body worn cameras that are utilized by fourteen sworn officers. These body worn cameras have been in use during the last reporting year between May 1, 2024, and April 30, 2025. During that reporting year, there were seven (7) reported body worn camera malfunctions.

The Clarendon Hills Police Department has established Policy 450 Portable Audio/Video Recorders which states that supervisors may review body worn camera recordings in the following situations.

- Investigating a specific act of officer misconduct
- To assess reports of meritorious conduct
- To assess proper functioning of the body worn camera
- To assess training value
- Report preparation
- In the case of an official investigation such as a personnel complaint, administrative inquiry of a criminal investigation

Respectfully,

A handwritten signature in black ink, appearing to read "Ed Leinweber".

Ed Leinweber
