

Illinois Student Assistance Commission

Single-Use Plastic Tracking Report

The Illinois Student Assistance Commission (“ISAC”) is providing this report as required by the State Entities Single-Use Plastic Reporting Act, 30 ILCS 567/10(b). ISAC made one purchase of disposable plastic forks and spoons since July 1, 2024. This purchase, totaling \$524.47, was a temporary measure while the procurement team researched alternative sustainable options. Since that purchase, ISAC has eliminated procurements and reimbursements for single-use plastics and switched to wooden disposable utensils. ISAC’s goal is to continue purchasing environmentally friendly alternatives to single-use plastics and to avoid the procurement of single-use plastic disposable foodware.

ISAC welcomes any advice or additional ideas for ensuring the elimination of single-use plastic disposable foodware at ISAC.

Sincerely,

Lisa Schlessinger

Deputy General Counsel
