MEMORANDUM TO THE HONORABLE MEMBERS OF THE 104th GENERAL ASSEMBLY

SUBJECT: 30 ILCS/45-105 Bid Preference for Illinois Businesses – FY25 Report

The Illinois Department of Transportation has prepared an annual report identifying Illinois businesses procured by the agency for construction services on Illinois-based projects in accordance with 30 ILCS 500/45-105(d).

The legislation requires an annual report to be submitted by December 1 of each year; therefore, a copy of the FY25 report is enclosed for your use.

Typically, the Department administers seven scheduled bid lettings per year with approximately 70% of the advertised projects involving Federal-aid funding. Non-Federal aid projects advertised by the Department include a bid preference for Illinois businesses in accordance with 30 ILCS 500/45-105.

The Department continues to work to expand competition in the industry through advertisements that promote awareness of State contracting opportunities to Illinois businesses to grow their revenue, which in turn, spurs economic growth and job creation throughout Illinois.

If there are any questions regarding this report or if you need additional information, please contact my office.

Sincerely,

A handwritten signature in black ink, appearing to read 'G. Biagi'.
