

January 12, 2026

Governor JB Pritzker
207 Statehouse
Springfield, IL 62706

Dear Governor Pritzker:

Pursuant to Public Act 88-593, as amended, at a meeting of the Board of Trustees of the General Assembly Retirement System (GARS) held on January 9, 2026, the Board certified an FY 2027 State contribution of \$25,650,000, or 181.535% of projected payroll. Of the \$25,650,000, \$1,824,000 is for the employer's portion of the expected FY 2027 normal cost and \$23,826,000 is due to the unfunded liabilities.

Consistent with Governmental Accounting Standards Board (GASB) Statement No. 67, the GARS Board of Trustees adopted an Actuarially Determined Contribution (ADC) policy in July 2025. The ADC provides for annual contributions that are equal to the normal cost of benefits earned plus amortization of the unfunded actuarial liability over a 15-year period, as a level percent of payroll. The FY 2027 ADC is \$27,907,617, or \$2.3 million higher than the statutorily calculated contribution. The ADC is used in financial reporting and does not affect the employer contribution certified by the Board of GARS.

Attached are the FY 2025 actuarial valuation and the FY 2027 certification letter prepared by the System's actuaries. The actuarial valuation and membership data has been reviewed by the State Actuary.

Very truly yours,

Timothy Blair
Executive Secretary
