

Harper College Police Department
Body Worn Camera Review

ANNUAL REVIEW OF THE BWC PROGRAM

The Body-Worn Camera Administrator completes an annual review of the BWC Program to determine if training concerns, court decisions, or technology changes warrant procedural changes. This review will be conducted in conjunction with the filing of the BWC Annual Report to the Illinois Law Enforcement Training and Standards Board, which is completed in May.

Date: 01-11-2026 Review Period: 1/1/25-12-31-25 BWC Administrator: Dep Chief M. Gicla

Number of Issued BWC: 13 Are all BWC accounted for? Yes No
If no is selected, use the space provided under misc to explain.

Training:

Briefly summarize training provided to officers to include concerns that were addressed during the review period.

Our new officers hired in 2025 received training in the use of the BWC's during their Field Training periods. They also reviewed and discussed the HCPD BWC General Order with FTO's during their training. Officers had to be reminded to ensure their BWC's were not covered or obstructed by outer clothing garment

Court Decisions:

Briefly summarize court decisions that impacted department protocol.

HCPD's BWC General Order was drafted to be in compliance with the Illinois Body Worn Camera Act

Technology:

Briefly summarize technology changes that impacted BWC use.

Our agency acquired advanced redaction software from AXON to assist our FOIA officer to more efficiently redact footage when completing FOIA request s

Policy Changes:

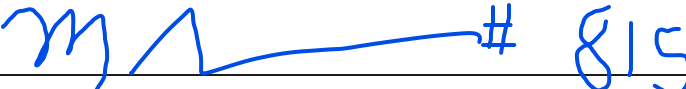

Use this space to summarize policy changes during the review period to include proposed policy changes.

Our department did not institute any changed to our BWC General Order in 2025

Other Concerns/Miscellaneous:

Briefly summarize any issues with the equipment, inventory concerns or anything that impacts usage.

HCPD experienced only minor technological issues with the BWC's that were all able to be powering the units off/on, or by conducting a hard reset

BWC Administrator Signature:  # 815
