Re: Annual Body Worn Camera Report (50 ILCS 706/10-1)

Please find below and attached information required by statute pertaining to Body Worn Camera use by the Chicago Ridge Police Department.

Department Makeup

The Chicago Ridge Police Department initiated a Body Worn Camera (BWC) program in May 2023. There are approximately 31 sworn officers, all of whom have been issued BWC's and are required to wear them in any law enforcement compacity.

Technical Issues

The department is not experiencing any specific technical issues, however; some BWC's have been returned and replaced by Motorola due to damage or hardware issues.

Review

Supervisors are required to review sporadic videos of each officer assigned to their respective shifts. Supervisors must log the videos that were reviewed and submit a monthly report to the Commander. Each video reviewed requires the supervisor to critique the video with notes of violations or compliance with department general orders and asses training.
