Following the requirements of 50 ILCS 706/10-25, this is our yearly report:

2025 was the first year the Highwood Police Department implemented body-worn cameras. Our agency has 12 sworn full-time officers, each assigned their own body camera, and 8 sworn part-time officers who share 3 body cameras for a total of 15 cameras in use throughout the year.

There have been no reported technical issues.

While we do not have an official review policy, videos are regularly reviewed by supervisors and our records clerk.

Our records clerk has been trained in Freedom of Information Act requests as well as the video redaction software.
