750 ILCS 5/510 from Ch. 40, par. 510

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides that overnight equivalents are calculated by using a method other than overnights if the parent has significant parenting time periods on separate days in which the child is in the parent's physical care and under the direct care of that parent but does not stay overnight. Provides that if parents have shared physical care of a child, the basic child support obligation is multiplied by 1.5 to calculate the combined shared care child support obligation; the court shall determine each parent's portion of the shared care child support obligation based on the parent's percentage share of combined adjusted net income; the shared care child support obligation is then computed for each parent by multiplying that parent's portion of the shared care support obligation by the percentage of time the child spends with the other parent and determining any adjustment for shared physical custody that is less than 146 overnights or overnight equivalents. Provides that the respective shared care child support obligations are then offset with the parent owing more paying the difference in child support. Creates a statutory table to calculate the child support if a parent has physical shared custody for less than 146 overnights or overnight equivalents per year. House Rule 37.5 new

Adds a rule authorizing a member to designate a House Bill as a Priority Bill when filing it with the Clerk. Requires Chairpersons to make a good-faith effort to facilitate committee consideration of each Priority Bill at a time when the Principal Sponsor or the Principal Sponsor's designee, and their necessary witnesses, are available. Provides that each Priority Bill that remains pending in any committee at 5:00 p.m. on April 1 shall be automatically discharged to the House and placed on the calendar on the order of Second Reading, unless a standing or special committee has provided an opportunity for public testimony on the bill at a posted hearing and taken a record vote on a motion to report the bill to the House. Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.
