Provides that a resolution agreement does not violate the Act and a party to the resolution agreement may overcome the presumption of anticompetition if the party, by a preponderance of evidence, can demonstrate that: (1) the item of value that the alleged infringer received is fair and reasonable compensation solely for other goods or services that the claimant promised to provide to the alleged infringer; or (2) the agreement has directly generated procompetitive benefits within the relevant market and the procompetitive benefits of the resolution agreement favor competition to the extent that the procompetitive benefits materially outweigh the anticompetitive effects of the resolution agreement. Provides that this presumption may be overcome only in rare and exceptional circumstances. Amends the Code of Civil Procedure. HB 04785

Rep. Lindsey LaPointe and Nicolle Grasse

New Act

Creates the Preventing Crisis Cost Shifting to Medicaid Act. Provides that the General Assembly finds that (i) behavioral health crisis services, including crisis call centers, mobile crisis response, and crisis stabilization and receiving services, function as essential public health infrastructure and must be available statewide without regard to insurance status; and (ii) commercial health insurance policies issued or administered in the State generally do not provide comprehensive coverage for the full continuum of behavioral health crisis services, resulting in the cost of such services being disproportionately borne by Medicaid, local governments, and taxpayers. Requires specified entities (surcharge payors) that are authorized to issue or administer a policy or contract of accident and health insurance or a health maintenance organization contract in the State to pay a behavioral health crisis assessment to the Department of Human Services for deposit into the Statewide 9-8-8 Trust Fund. Exempts Medicaid managed care organizations from paying the behavioral health crisis assessment. Permits the Department to update the total behavioral health crisis assessment amount as necessary to ensure the continued availability, quality, or geographic equity of the statewide behavioral health crisis system. Requires the Department to establish an appropriate mechanism for enforcing a surcharge payor's liability, which may include accrued interest on unpaid liabilities at a rate not to exceed 18% per annum and late fees or penalties at a rate not to exceed 5% per month. Provides that the enforcement mechanism may also include notification to the Department of Healthcare and Family Services to offset payments on the surcharge payor's claims. Provides that the Department of Human Services shall not direct the Department of Healthcare and Family Services to offset claims payments unless the surcharge payor has maintained an outstanding liability to the Statewide 9-8-8 Trust Fund for a period longer than 45 days and has received proper notice of pending enforcement.

Contains provisions concerning home repair project types and application process and operational requirements. Creates a Workforce Development Home Repair Program (Workforce Development Program) to promote the State's interest in enabling low-income senior households to age in place safely and securely. from Ch. 40, par. 510

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides for a child support calculation for shared physical care in which each parent exercises 110 or more overnights per year with the child or 110 or more overnight equivalents as determined by a court as a deviation from guidelines or upon agreement by the parties. Provides that overnight equivalents are calculated by using a method other than overnights if the parent has significant parenting time periods on separate days in which the child is in the parent's physical care and under the direct care of that parent but does not stay overnight. Provides that if parents have shared physical care of a child, the basic child support obligation is multiplied by 1.5 to calculate the combined shared care child support obligation; the court shall determine each parent's portion of the shared care child support obligation based on the parent's percentage share of combined adjusted net income; the shared care child support obligation is then computed for each parent by multiplying that parent's portion of the shared care support obligation by the percentage of time the child spends with the other parent and determining any adjustment for shared physical custody that is less than 146 overnights or overnight equivalents. Provides that the respective shared care child support obligations are then offset with the parent owing more paying the difference in child support. Creates a statutory table to calculate the child support if a parent has physical shared custody for less than 146 overnights or overnight equivalents per year. Provides that the shared care child support obligation after adjustment may not be greater than the amount that would have been ordered under the basic support guidelines in any event. Provides that a parent incarcerated for more than 180 days is presumed to be unable to pay any amount of child support, and this presumption may be rebutted by evidence establishing the ability to pay child support during incarceration. Provides a rebuttable presumption that a minimum child support obligation of \$40 per month, per child, will be entered for an obligor who has actual or imputed gross income at or less than 100% of the most recent United States Department of Health and Human Services Federal Poverty Guidelines for a family of one person.

Rep. Anne Stava

New Act

Creates the Aligning Recommendations with Children's Actual Clinical and Emergency Needs and Determinations Act (ARC-ACEND). Provides that if a child who is the subject of a custody or parenting-time dispute has a serious medical condition, all recommendations made by guardian ad litem, child representative, evaluator, mediator, or other court-appointed officer are deemed provisional and may not be used by the court until a qualified medical provider certifies, in writing, that the recommendation is consistent with the child's clinical needs and medical best interests. Requires that if a qualified medical provider determines that a provisional recommendation is not consistent with the child's clinical needs or medical best interests, the recommendation must be modified to at least the minimum extent necessary to achieve consistency with the recommendations of the qualified medical provider. Provides that nothing in the Act may be construed to limit the court's authority to order additional or more protective modifications if consistent with the child's clinical needs or medical best interests, but the court may not impose less protective measures or measures inconsistent with the qualified medical provider's recommendations. Requires that if the court alters the recommended modifications of the qualified medical provider, it must rule in writing and specify the reasons for the alteration, and the qualified medical provider and the child's primary caregiver must be given an opportunity to respond before the order becomes final. Requires medical consistency for children with a serious medical condition to supersede all other considerations, including but not limited to, geography, parental preferences, logistical convenience or feasibility, or generalized notions of co-parenting balance. Provides that for any child with a serious medical condition, it is per se contrary to the child's medical best interests to be separated from a safe parent who is primarily or predominantly responsible for the child's day-to-day condition-related care, monitoring, or condition management. Provides that this presumption may be rebutted only by clear and convincing evidence, supported by qualified medical testimony, that separation is medically necessary for the child's safety or clinical well-being.

Provides that if no qualified supervisor is available, the court shall maintain the restriction on unsupervised parenting time and order one or more statutorily authorized alternatives, including temporary suspension of in-person parenting time, virtual contact, therapeutic supervised contact, or other protective measures necessary to ensure safety. Provides a rebuttable presumption of supervised parenting time: (1) in any case in which that parent has committed abuse against the child or the other parent based on a preponderance of the evidence; (2) when the other parent has an active order of protection against the parent in question which has been upheld or extended after a hearing. Provides that evidence of abuse may not be given weight if it appears more probable than not to be manufactured or the product of coaching or fabricated, unless and until it can be independently corroborated.

410 ILCS 620/11.7 new

Amends the Illinois Food, Drug and Cosmetic Act. Provides that on and after January 1, 2026, a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration. Defines "toxic heavy metal" as arsenic, cadmium, lead, or mercury and defines other terms. Provides that beginning January 1, 2026, each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for each toxic heavy metal. Requires monthly testing. Beginning January 1, 2027, requires each manufacturer of baby food to make certain information publicly available. Provides that if a consumer believes, based on information gathered through the use of the code included on the baby food product label, that baby food is being sold in the State with toxic heavy metals that exceed limits established by the U.S. Food and Drug Administration, the consumer may report that baby food to the Department of Public Health.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Defines "final baby food product", "product label", and "product shelf life". Makes changes to the definition of "proficient laboratory". Changes the term "toxic heavy metal" to "toxic element". Provides that no person or entity shall sell in the State or manufacture, deliver, or hold or offer for sale in the State any baby food that does not comply with the requirements described in the amendatory provisions (rather than a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration). Provides that each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for toxic elements at a proficient laboratory (rather than for each toxic heavy metal). Provides that, beginning January 1, 2027, for final baby products sold, manufactured, delivered, or held or offered for sale in the State, requires each manufacturer of baby food to disclose product information to consumers consistent with certain specifications. Removes provisions concerning a consumer's ability to report to the Department of Public Health baby food being sold in the State with toxic heavy metals that exceed certain limits. Directs the Department of Public Health to adopt rules to implement a system for consumer reporting of baby foods.

House Floor Amendment No. 1

In provisions concerning baby foods and toxic elements, provides that the Department of Public Health shall implement (rather than adopt rules to implement) a system for consumer reporting of baby foods.

Creates the State Agency Retainage Act. Provides that, if a State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made, a percentage of the payment may be retained by the State agency. Prohibits retainage of more than 5% of the contract for the duration of the contract. Further provides that on completion of all contract requirements, amounts retained under the Act must be paid promptly. Defines the terms "retainage" and "State agency". Amends the State Prompt Payment Act. Specifies that the State Prompt Payment Act does not apply to retainage withheld under the State Agency Retainage Act.
