Creates the Prohibition on Anticompetitive Pharmaceutical Practices Act. Provides that, except as specified, a court before which the Attorney General brings an action under the Act shall presume that a resolution agreement that ends a dispute over an alleged infringement of a patent, or a violation of other protection for a protected drug, has anticompetitive effects and is a violation of the Act if, as part of or in connection with the resolution agreement, an alleged infringer: (1) receives an item of value; or (2) agrees to limit or stop researching, developing, manufacturing, marketing, or selling a competing drug. Provides that a resolution agreement does not violate the Act and a party to the resolution agreement may overcome the presumption of anticompetition if the party, by a preponderance of evidence, can demonstrate that: (1) the item of value that the alleged infringer received is fair and reasonable compensation solely for other goods or services that the claimant promised to provide to the alleged infringer; or (2) the agreement has directly generated procompetitive benefits within the relevant market and the procompetitive benefits of the resolution agreement favor competition to the extent that the procompetitive benefits materially outweigh the anticompetitive effects of the resolution agreement. Sets forth provisions concerning penalties and enforcement of the Act by the Attorney General. Provides that the Act applies to resolution agreements: (1) that are negotiated, completed, or entered into within the State on or after the effective date of this Act; (2) where the dispute arose out of or was substantially related to pharmaceutical sales that were made within the State; or (3) where a party to the resolution agreement is an entity registered to conduct business within the State.

Establishes remedies for violations of the Act. Creates criteria that are to be used in determining the amount of punitive damages that will be awarded under the Act. Amends the Whistleblower Act. Provides that an employer may not take retaliatory action against an employee for disclosing or threatening to disclose in good faith a violation of the Illinois Bivens Act. Makes conforming changes to the definition of "retaliatory action". Creates the Court Access, Safety, and Participation Act. Makes legislative findings concerning access to the courts. Creates a privilege from civil arrest for a person who in good faith is attending a State court proceeding or who is going to, remaining at, or returning from the place of the court proceeding. Provides that a person who violates provisions of the Act is liable for civil damages for false imprisonment, including actual damages and statutory damages of \$10,000, if that person knew or reasonably should have known that the person arrested is a person duly and in good faith attending a State court proceeding in which the person is a party, a witness, a potential witness, or a court companion of a party, witness, or potential witness while going to, remaining at, and returning from the court proceeding. Authorizes a court to grant any equitable or declaratory relief it deems appropriate and just. Prohibits an action from being commenced under the Act against the Illinois court system or any Illinois court system personnel acting lawfully under duty to maintain safety and order in the courts. Requires the policy to be submitted to the Department of Public Health. Establishes a fine for hospitals that fail to submit the policy. Sets forth provisions concerning complaints of noncompliance with the provisions; holding hospital personnel harmless from any civil, criminal, or other liability that may arise as a result of their reasonable compliance with the amendatory provisions; obligations as a mandated reporter; and conflicts with federal law. Amends the University of Illinois Hospital Act to require compliance with the provisions of the amendatory Act. Amends the Illinois Administrative Procedure Act to grant the Department of Public Health emergency rulemaking powers. Amends the Public Higher Education Act. Allows aggrieved parties to bring a civil lawsuit. Amends the Child Care Act of 1969. Provides that a licensed day care center shall not disclose or threaten to disclose to any other person, entity, or agency information regarding or relating to the actual or perceived citizenship or immigration status of a child or an associated person, unless disclosure is required by State or federal law. Provides that a licensed day care center shall not consent to entry to its premises by a law enforcement agent for immigration enforcement action unless the law enforcement agent provides valid identification and a signed judicial warrant or order or subpoena to enter the facility. Requires the Department of Children and Family Services or the Department of Early Childhood, as is applicable, to make available on its website specified resources for families. Provides that, if a child's parent or guardian directly faces immigration enforcement action, a licensed day care center shall use the child's emergency contact information and release the child to the persons designated as the child's emergency contacts or into the custody of an individual who presents a properly executed appointment of short-term guardian form on behalf of the child. Sets forth provisions requiring a licensed day care center to adopt certain policies concerning consent to disclosure. Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

HB 04340 (Continued)

Amends the Court of Claims Act. Creates an administrative process for uncontested claims for vendors arising from contracts with the State. Requires a State agency to confirm or reject an uncontested claim that is from a lapsed appropriation and valued at less than \$2,500 within 30 days after being notified in writing by the Attorney General. Provides that if the State agency does not confirm or reject the claim within that 30-day period, then the State agency forfeits the right to reject or contest the claim. Requires the Comptroller, subject to appropriation, then issue payment to the vendor within 30 days of the court entering such an award. Provides that if the court determines that it is unable to process such an uncontested claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 30 days after the bill or invoice was first submitted. Provides that if one or more items on a bill or invoice are disapproved, but not the entire bill or invoice, then the portion that is not disapproved must be transmitted to the Comptroller for payment. Changes the filing fees required under the Act as follows: a fee of \$15 for a petition seeking more than \$500 but less than \$10,000; and \$35 for a petition seeking more than \$10,000 or more. Requires that the court must allow claimants to submit documentation to amend and cure defects. Makes other changes. Authorizes the Court of Claims to adopt rules to implement the Act.

House Committee Amendment No. 1

Deletes reference to:

705 ILCS 505/21

Replaces everything after the enacting clause. Provides these changes to the bill. Provides that a State agency must confirm or reject a claim arising under the Act that is from a lapsed appropriation and valued at less than \$2,500 within 45 days (instead of 30 days) after being notified in writing of the claim by the Attorney General. Deletes provisions that if the State agency does not confirm or reject the claim within a 30-day period, then the State agency forfeits the right to reject or contest the claim. Provides that if the court determines that it is unable to process such a contractual claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 45 days (instead of 30 days) after the bill or invoice was first submitted. Requires the court to produce an annual report to the General Assembly on claims arising from lapsed appropriations. Provides that the report shall include data on the number of claims submitted each year, the number of claims resolved, the number and dollar amount of claims paid and pending, the State agencies associated with the lapsed claims, the average length of time from claim submission to resolution for each State agency, and the number and age of unresolved claims that are older than 12 months, by State agency. Makes other changes.

Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

Removes the language that provides that general allegations of unprofessional conduct or similar phrases are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances may a notice of remedial warning remain effective for longer than 4 years from the date of the issuance of the notice of remedial warning (rather than remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning). Requires the school district to use reasonable efforts to remove the notice of remedial warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed through the exclusive bargaining representative. Corrects grammatical and terminology errors.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following change: Provides that a notice of remedial warning may not include misconduct deemed irremediable or actions that are injurious to or endanger the health or person of students in the classroom or school. Corrects a grammatical error. Effective immediately.

Amends the Community Living Facilities Licensing Act, the MC/DD Act, the ID/DD Community Care Act, the Community-Integrated Living Arrangements Licensure and Certification Act, and the Child Care Act of 1969. Requires the State agencies responsible for licensing facilities under those Acts to adopt, by December 31, 2026, rules requiring a facility to disclose upon initial application for licensure and on a quarterly basis thereafter, whether the facility, its subsidiaries, affiliates, parent companies, or contractual service providers are owned, managed, or contained within a fund owned or managed by an asset management company; and if so, to make certain disclosures about the asset management company's assets, the facility's debt, and other matters. Requires the State agencies to also adopt rules requiring such a facility to provide written notice of transactions and copies of agreements which would (i) sell or otherwise dispose of a material amount of the facility's assets or (ii) transfer control, responsibility, or governance of a material amount of the facility's assets or operations. Prohibits facilities owned or managed by an asset management company from engaging in certain transactions or actions that would result in the facility issuing debt-funded dividends or perform any other similar action causing the facility to become financially distressed. Provides that a violation of these requirements and prohibitions constitutes an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act. Requires the State agencies to publish disclosures, written notices, and copies of agreements submitted by facilities on the agencies' public websites. HB 05472

Rep. Gregg Johnson

20 ILCS 2105/2105-368

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In conjunction with applications for health care professional licensure and renewals, requires the Department of Financial and Professional Regulation shall require applicants to provide practice information that include areas of practice specialty, addresses of all current practice locations, hours spent at each practice location on direct outpatient care, the applicant's National Provider Identifier (NPI) number if applicable, and anticipated date of retirement. Provides that the Department shall share the information with authorized personnel at the Department of Public Health. Specifies that the data is exempt from the Freedom of Information Act. Defines "health care professional". Provides that data published in conjunction with applications for health care professional licensure shall not identify a health care professional's name or any other data that leads to identification.

House Committee Amendment No. 1

In a provision concerning applications for health care professional licensure and renewals, provides that the Division of Professional Regulation of the Department of Financial and Professional Regulation shall request, and applicants may voluntarily provide, (rather than shall require applicants to provide) practice information. Defines "health care professional" as a person who is licensed or has applied to be licensed by the Department as a physician to practice medicine in all its branches under the Medical Practice Act of 1987, an advanced practice registered nurse under the Nurse Practice Act, or a dentist under the Illinois Dental Practice Act (rather than a person licensed or registered by the Department under the Medical Practice Act of 1987, the Nurse Practice Act, the Clinical Psychologist Licensing Act, the Illinois Optometric Practice Act of 1987, the Illinois Physical Therapy Act, the Physician Assistant Practice Act of 1987, the Clinical Social Work and Social Work Practice Act, the Nursing Home Administrators Licensing and Disciplinary Act, the Illinois Occupational Therapy Practice Act, the Podiatric Medical Practice Act of 1987, the Respiratory Care Practice Act, the Professional Counselor and Clinical Professional Counselor Licensing and Practice Act, and the Illinois Speech-Language Pathology and Audiology Practice Act).

425 ILCS 25/6 from Ch. 127 1/2, par. 6
425 ILCS 25/6.1

Amends the Fire Investigation Act. Directs the Office of the State Fire Marshal to investigate the cause, origin, and circumstances of a fire or an explosion in which fire is presumed to be a contributing factor in a death, and lists related procedures and requirements. Provides that the reporting of fires, hazardous material incidents, and other incidents shall be based upon the nationally recognized standards of the United States Fire Administration's National Emergency Response Information System (rather than the National Fire Incident Reporting System). Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that, upon discovery of a fire-related death at the scene of the incident (rather than just upon discovery of a fire-related death), the chief of the fire department or the chief's designee shall notify the Office to initiate its investigation (rather than shall notify the Office for an investigation of the cause, origin, and circumstances). Allows the Office to request the fire chief or the chief's designee to take reasonable steps to maintain control of the scene and, if making such request, directs the office to provide an estimated time of arrival to the fire chief or the chief's designee (rather than directs the chief of the fire department or designee to maintain control of the scene until a representative of the Office arrives on the scene and initiates the investigation). Provides that, if the fire chief or the chief's designee has agreed to maintain control of the scene, the fire chief or the chief's designee may turn over control of a scene to a law enforcement officer. Provides that the fire chief, designee, or law enforcement officer is not required to maintain a scene (i) after the arrival of a representative of the Office or (ii) upon advisement from the Office that it is no longer necessary to maintain control of the scene, whichever is first.

Amends the Program of All-Inclusive Care for the Elderly Act. Provides that to ensure that organizations contracted to implement the Program of All-Inclusive Care for the Elderly (PACE) program meet the needs of PACE participants, the Department of Healthcare and Family Services shall reform the rate-setting methodology for the PACE program by establishing a blended rate structure based on a 30% Home and Community-Based Services and 70% Skilled Nursing Facility case-mix which is a more accurate proportion of the comparable population expected to reside in an institution or the community if not enrolled in PACE. Requires the blended rate structure to more accurately reflect the comprehensive nature of care provided by PACE organizations and address the unique needs of PACE participants as a higher risk/acuity population with expected higher costs and frailty than comparable populations. Provides that when developing rates under the blended rate structure, the Department must consider not only the standard cost experiences of PACE participants but also the unique characteristics and specific care needs of the PACE population as well as any additional State plan services or populations that are not included in the State's Medicaid managed care contracts but are required under the PACE program.

Establishes reimbursement rates for mental health and substance use disorder treatment services for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2027 or for any contracted third party administering the behavioral health benefits for the insurer. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 or any contracted third party administering the behavioral health benefits for the insurer to cover certain medically necessary mental health and substance use disorder treatment services. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 for each violation. Excludes certain health care plans serving Medicaid populations who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Requires the Department to review the impact of the proposed mental health and substance abuse mandate on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Permits the Department to examine out-of-network utilization and out-of-pocket costs for insureds for mental health and substance use treatment and services for all plans to compare with in-network utilization. Amends the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, and the School Code to require coverage under those provisions. Effective immediately.

House Committee Amendment No. 1

Deletes reference to:
5 ILCS 375/6.11

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Removes provisions amending the State Employees Group Insurance Act of 1971. In provisions concerning mental health and substance abuse parity, removes provision limiting the applicability of parity requirements for mental health or substance use disorder services provided by a hospital when the hospital has a contract with the insurer that provides for reimbursement for such services based on achieving specified patient health outcomes and other quality measures and includes shared savings from lower health care costs. Makes conforming changes.

Senate Committee Amendment No. 1

Deletes reference to:
215 ILCS 125/5-3

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Replaces provisions concerning reimbursement for in-network mental health and substance use disorder treatment services. Provides that, consistent with the principles of the federal Mental Health Parity and Addiction Equity Act of 2008, and for the purposes of strengthening network adequacy for mental health and substance use disorder services and lowering out-of-network utilization, the Department of Human Services, by rule, shall determine a reimbursement rate floor for all in-network mental health and substance use disorder services, including inpatient services, outpatient services, office visits, and residential care, delivered by Illinois providers and facilities using the Illinois data in Research Triangle Institute International's study. Sets forth provisions concerning requirements for the reimbursement rate floor. Grants the Department of Insurance enforcement and monitoring authority over the reimbursement rate floor and requires the Department to publish the rate floor set by the Department of Human Services in Title 50 of the Illinois Administrative Code. Provides that, at the end of 2 years, 7 years, and 12 years (rather than 5 years, 10 years, and 15 years) following the implementation of provisions concerning the reimbursement rate floor, the Department of Insurance shall review the impact of provisions concerning mental health and substance use parity on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Requires the Department to submit a report to the General Assembly by no later than December 31, 2030, December 31, 2035, and December 31, 2040 (rather than by December 31, 2033, December 31, 2038, and December 31, 2043) that includes its analyses and findings following the Department's review. Makes changes in provisions granting the Department of Insurance the authority to examine out-of-network utilization and out-of-pocket costs. Provides that the Department of Insurance and the Department of Human Services (rather than only the Department of Insurance) shall adopt any rules necessary to implement provisions concerning mental health and substance use parity by no later than May 1, 2026. Specifies that the amendatory Act may be referred to as the Equality for Every Family Act. Amends the Illinois Parentage Act of 2015. Declares it to be the public policy of Illinois that a child has the same rights and protections under law to parentage without regard to the marital status, age, gender, gender identity or sexual orientation of their parents, or the circumstances of the child's birth, including whether the child was born as a result of assisted reproduction or surrogacy. Changes the burden of proof for challenging a presumption of parentage from clear and convincing evidence to a preponderance of the evidence. Provides that a person who gave birth to a child and an alleged genetic parent of the child, a presumed parent under the Illinois Parentage Act of 2015, or an intended parent under the assisted reproduction provisions may sign an acknowledgment of parentage to establish the parentage of the child. Prohibits genetic testing from being used to: (i) challenge the parentage of a person who is a parent by assisted reproduction under the Illinois Parentage Act of 2015 or the Gestational Surrogacy Act; or (ii) establish the parentage of a person who is a donor. Changes the venue provisions for a proceeding to adjudicate parentage and the related notice provisions in such a proceeding. Provides that an individual who consents to assisted reproduction with the intent to be a parent of a child conceived by assisted reproduction is a parent of the child. Amends the Illinois Gestational Surrogacy Act. Contains provisions describing the consequences if a change in the marital status of a surrogate occurs. Sets out provisions concerning the termination of a gestational surrogacy agreement. Amends the Adoption Act. Provides a process for a confirmatory adoption for children born through assisted reproduction. Defines terms. Makes other changes. Effective immediately.

Representative Tracy Katz Muhl
HB 02966 (Continued)

Replaces everything after the enacting clause. Amends the School Code. Authorizes the State Board of Education to award grants to school districts in the State for the purpose of incentivizing those districts to conduct reorganization feasibility studies. Provides that, to be eligible for a grant under these provisions, the board of the school district that is applying for the grant shall (i) negotiate a proposed agreement to secure the services of a third-party consultant who will conduct the reorganization feasibility study; (ii) adopt a resolution that is signed by the board president of the district and calls for the initiation of a school district reorganization feasibility study in accordance with the terms of the proposed agreement and any rules adopted by the State Board of Education; and (iii) submit the completed agreement form, the signed board resolution, and such other information as the State Board of Education may, by administrative rule, require, to the regional office of education or the executive director of the intermediate service center for the district for approval. Provides that, upon receipt of a complete application from a district, the regional office of education or the executive director of the intermediate service center shall either (i) approve the agreement and send the agreement to the State Board of Education or (ii) disapprove the agreement and return the agreement to the district with a letter of explanation. Authorizes the State Board of Education to award grants under these provisions to districts for which it receives an approved agreement. Requires the State Board of Education to annually notify each school district in the State of the availability of grant funds and to provide with that notice specified information. Provides that, every 2 years, each board that receives a notice may include the question of whether to pursue this grant funding as an action item on the agenda at one of its meetings. Authorizes the State Board of Education to provide a school district up to the maximum reimbursement amount set by the State Board of Education, for the purpose of covering all or part of the costs borne by the school district to conduct a reorganization feasibility study. Directs the State Board of Education, in awarding these grants, to prioritize districts that are contiguous with one another, districts that have similar property tax rates, districts with similar per-pupil adequacy funding, and, beginning in State fiscal year 2030, other districts that have been identified as priority districts by the State Board of Education pursuant to rules it adopts. Prohibits a school district from being awarded a grant under these provisions in any 2 consecutive award cycles. Allows the State Board of Education to adopt any rules it deems necessary to implement and administer this program of grant funding, including, but not limited to, rules establishing the criteria that must be met by the third-party consultants who will perform the feasibility studies, rules describing minimum criteria to be included in agreements executed with the third-party consultants who will perform the feasibility studies described in this Section, and, beginning in State fiscal year 2030, rules identifying additional types of school districts to be prioritized for grant funding under these provisions. Directs the State Board of Education, in State fiscal year 2035, and every 5 years thereafter, to reevaluate and, if necessary, amend the rules identifying additional types of school districts to be prioritized for grant funding. Defines terms. Effective immediately.

Amends the Mental Health and Developmental Disabilities Code. Makes changes to a provision concerning initial Department of Human Services investigations of a facility employee's alleged abuse, neglect, or financial exploitation of a recipient of mental health or developmental disability services. Expands the provision to include allegations of material obstruction of an investigation, physical abuse, sexual abuse, non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$100), or egregious neglect. Adds provisions concerning Department investigations where a facility employee is the perpetrator of, at most, neglect, de minimis financial exploitation (such as financial exploitation totaling a cumulative value of less than \$100), or mental abuse.

House Committee Amendment No. 2

Changes the amendatory provisions such that a facility employee shall be barred from further contact with a facility resident if the Department of Human Services' initial investigation indicates that the facility employee is (rather than may be) the perpetrator of non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$20 (rather than \$100)). Adds physical abuse to the types of conduct that will result in a facility employee being barred from further contact with a facility resident.

Senate Committee Amendment No. 1

Reinserts the provisions of the engrossed bill with the following addition: Provides that nothing in the amendatory Act is intended to include an employee of a hospital licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act or a hospital affiliate.

5 ILCS 100/5-45.71 new

Replaces everything after the enacting clause. Creates the Responsible Gun Manufacturing Act. Provides that it is unlawful for a person to manufacture a convertible pistol. Provides that it is unlawful for a certified licensee, as defined in the Firearm Dealer License Certification Act, to sell, offer to sell, exchange, give, transfer, or deliver any convertible pistol. Provides that the civil penalty and license suspension or revocation shall be assessed by the Illinois State Police after a hearing is held in accordance with the Firearm Dealer License Certification Act. Provides that a second violation of the Act is punishable by a civil penalty of \$25,000, which shall be paid to the Illinois State Police, and, if the person who committed the violation is a certified dealer, the Illinois State Police shall revoke the certified dealer's license pursuant to the Firearm Dealer License Certification Act. Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

425 ILCS 25/6.1

Amends the Fire Investigation Act. Directs the Office of the State Fire Marshal to investigate the cause, origin, and circumstances of a fire or an explosion in which fire is presumed to be a contributing factor in a death, and lists related procedures and requirements. Provides that the reporting of fires, hazardous material incidents, and other incidents shall be based upon the nationally recognized standards of the United States Fire Administration's National Emergency Response Information System (rather than the National Fire Incident Reporting System). Effective immediately.

Provides that, upon discovery of a fire-related death at the scene of the incident (rather than just upon discovery of a fire-related death), the chief of the fire department or the chief's designee shall notify the Office to initiate its investigation (rather than shall notify the Office for an investigation of the cause, origin, and circumstances). Allows the Office to request the fire chief or the chief's designee to take reasonable steps to maintain control of the scene and, if making such request, directs the office to provide an estimated time of arrival to the fire chief or the chief's designee (rather than directs the chief of the fire department or designee to maintain control of the scene until a representative of the Office arrives on the scene and initiates the investigation). Provides that, if the fire chief or the chief's designee has agreed to maintain control of the scene, the fire chief or the chief's designee may turn over control of a scene to a law enforcement officer. Provides that the fire chief, designee, or law enforcement officer is not required to maintain a scene (i) after the arrival of a representative of the Office or (ii) upon advisement from the Office that it is no longer necessary to maintain control of the scene, whichever is first.

(Sen. Craig Wilcox-Darby A. Hills, Mike Porfirio, Seth Lewis and Chris Balkema)

330 ILCS 61/1-15

Amends the Service Member Employment and Reemployment Rights Act. In a provision concerning differential compensation, changes the definition of "work days" to mean the actual number of shifts (rather than days) the employee would have worked during the period of military leave but for the service member's military obligation. Further provides that work days are tabulated without regard for the number of hours in a shift (rather than work day), regardless if the shift extends into the next day. Removes a provision providing that work hours that extend into the next calendar day count as 2 work days.

House Floor Amendment No. 2

Adds reference to:
330 ILCS 61/1-10

Adds reference to:

330 ILCS 61/5-5

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following additional changes: Provides that a service member whose employment with an employer is interrupted by a period of active service shall be permitted, upon request of that service member, to use during such period of service any vacation, annual, or similar leave with pay accrued by the service member before the commencement of such period of active service. In a provision concerning concurrent compensation for public employees who are members of a reserve component, provides that such public employees may receive concurrent compensation for both annual training orders and orders in lieu of annual training in the same calendar year; however, the combined total of their concurrent compensation shall not exceed 30 days in a calendar year. In a provision concerning differential compensation, provides that after a public employee is absent from his or her employment for a consecutive period of 365 days while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated. Further provides that the public employee's right to differential pay shall be reinstated upon the employee's return to work with his or her employer for more than 90 calendar days. Provides that public employees are not entitled to differential pay for periods of unpaid active service including, but not limited to: travel to and from military orders, rest periods immediately before or after military orders, and military service in which the public employee does not receive pay from the military. Provides that "work days" are tabulated up to 24 continuous hours in a shift, regardless if the shift extends into the next calendar day; and a shift that extends beyond 24 continuous hours will be calculated as an additional work day. Makes the bill effective immediately.

Senate Floor Amendment No. 1

In provisions concerning differential compensation for public employees during periods of military leave, provides that after a public employee is absent from his or her employment for a consecutive 3-year period (rather than for a consecutive period of 365 days) while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated.

Amends the Children and Family Services Act. Provides that all youth in care shall be assigned a mental health provider to manage their mental health care needs. Requires a youth's mental health provider to visit the youth and conduct a well-being assessment within 30 days after the youth is removed from his or her home and placed in the temporary custody or guardianship of the Department of Children and Family Services. Provides that additional follow-up visits and well-being checks shall be scheduled and conducted until the youth is no longer under the custody or guardianship of the Department. Provides that any mental health care services provided to the youth shall be in addition to any care or services the youth receives from his or her primary care provider. Grants the Department rulemaking authority.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Provides that, no later than 45 days after a youth in care is removed from the youth's home and placed in the temporary custody or guardianship of the Department of Children and Family Services, and every year thereafter, a youth in care shall receive mental health prevention and wellness screenings unless the youth in care is (1) less than 6 months of age; (2) 12 years of age or older and does not consent to receiving mental health services; or (3) already being treated by a mental health clinician. Provides that, if the required screening results in a recommendation of mental health care for the youth, the youth's caseworker shall coordinate the delivery of mental health care and related services recommended for the youth. Specifies that, if the youth in care is covered under the State's Medicaid managed care program, the managed care plan shall ensure that the youth has access to a mental health provider who will begin serving the youth within 30 days after receipt of the referral from the screening and who satisfies certain availability and proximity requirements. Requires the Department of Children and Family Services and the Department of Healthcare and Family Services to ensure that any managed care plan that is in effect, amended, delivered, issued, or renewed on or after January 1, 2026 will require managed care organizations to meet these obligations if the managed care plan serves youth in care under the State's Medicaid managed care program. Specifies that any mental health care and related services provided to the youth shall be in addition to any other care or services the youth receives from the youth's primary care provider. Grants the Department of Children and Family Services rulemaking powers to implement these provisions, including the power to adopt rules to promote a holistic and proactive approach to the provision of mental health care for youth in care. Defines "mental health and wellness screening".

HB 2856 mirrors HB 3765, as amended by HA 3, from the 103rd General Assembly. Two separate actuarial studies were conducted for this bill. According to Segal, HB 3765, as amended by HA 3, would increase total State contributions (nominal dollars) through 2045 by \$41 million for SERS and \$9 million for SURS, resulting in a \$50 million increase. A summary chart of the impact of a DROP plan on the cities of Aurora and Rock Falls along with the actuarial study from Segal and actuarial study from Foster & Foster is included in this pension impact note.

Amends the Airport Authorities Act. Provides that, in an order finding the results of an election to be favorable to the establishment of an airport authority, the circuit court shall determine, among other things, the population of each municipality within the authority having 5,000 or more inhabitants who reside within the corporate limits of the authority (rather than the population of each municipality within the authority having 5,000 or more inhabitants). Provides that, if a municipality not wholly located within the Springfield Airport Authority attains 5,000 or more inhabitants who reside within both the corporate limits of the municipality and the corporate limits of the Springfield Airport Authority, then a referendum may be held to determine whether those residents may be deannexed from the Springfield Airport Authority. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 or any contracted third party administering the behavioral health benefits for the insurer to cover certain medically necessary mental health and substance use disorder treatment services. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 for each violation. Excludes certain health care plans serving Medicaid populations who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Requires the Department to review the impact of the proposed mental health and substance abuse mandate on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. HB 01085 (Continued)

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Replaces provisions concerning reimbursement for in-network mental health and substance use disorder treatment services. Provides that, consistent with the principles of the federal Mental Health Parity and Addiction Equity Act of 2008, and for the purposes of strengthening network adequacy for mental health and substance use disorder services and lowering out-of-network utilization, the Department of Human Services, by rule, shall determine a reimbursement rate floor for all in-network mental health and substance use disorder services, including inpatient services, outpatient services, office visits, and residential care, delivered by Illinois providers and facilities using the Illinois data in Research Triangle Institute International's study. Sets forth provisions concerning requirements for the reimbursement rate floor. Grants the Department of Insurance enforcement and monitoring authority over the reimbursement rate floor and requires the Department to publish the rate floor set by the Department of Human Services in Title 50 of the Illinois Administrative Code. Provides that, at the end of 2 years, 7 years, and 12 years (rather than 5 years, 10 years, and 15 years) following the implementation of provisions concerning the reimbursement rate floor, the Department of Insurance shall review the impact of provisions concerning mental health and substance use parity on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Requires the Department to submit a report to the General Assembly by no later than December 31, 2030, December 31, 2035, and December 31, 2040 (rather than by December 31, 2033, December 31, 2038, and December 31, 2043) that includes its analyses and findings following the Department's review. Makes changes in provisions granting the Department of Insurance the authority to examine out-of-network utilization and out-of-pocket costs. Provides that the Department of Insurance and the Department of Human Services (rather than only the Department of Insurance) shall adopt any rules necessary to implement provisions concerning mental health and substance use parity by no later than May 1, 2026. Removes provisions amending the Health Maintenance Organization Act. Effective immediately.

Senate Floor Amendment No. 3

Deletes reference to:

New Act

Creates the Patient Access to Pharmacy Protection Act. Defines terms. Provides that no person, including a pharmaceutical manufacturer, may deny, restrict, prohibit, condition, or otherwise interfere with, either directly or indirectly, the acquisition of a 340B drug by, or delivery of a 340B drug to, a 340B covered entity or a 340B contract pharmacy authorized to receive 340B drugs on behalf of the 340B covered entity unless such receipt is prohibited by federal law. Provides that no person, including a pharmaceutical manufacturer, may impose any restriction on the ability of a 340B covered entity to contract with or designate a 340B contract pharmacy including restrictions relating to the number, location, ownership, or type of 340B contract pharmacy. Provides that no person, including a pharmaceutical manufacturer, may require or compel a 340B covered entity or 340B contract pharmacy to submit or otherwise provide ingredient cost or pricing data pertinent to 340B drugs unless required by State or federal law; institute requirements in any way relating to how a 340B covered entity manages its inventory of 340B drugs that are not required by a State or federal agency, including requirements relating to the frequency or scope of audits of inventory management systems of a 340B covered entity or a 340B contract pharmacy; or submit data or information that is not required by State or federal law as a condition for a 340B covered entity, its 340B contract pharmacy, or a location otherwise authorized by a 340B covered entity to receive 340B drugs. Sets forth provisions concerning enforcement of this Act; preemption of this Act; and severability of this Act. Effective immediately.

State Mandates Fiscal Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 3350 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness

Fiscal Note (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

Correctional Note (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

Amends the Interagency Children's Behavioral Health Services Act. Requires the Department of Human Services, in coordination with a statewide association representing a majority of hospitals, to establish and offer a voluntary training that will be recorded and made available on the Department's website to all hospital social workers, clinicians, and administrative staff to inform them of BEACON, a centralized resource for Illinois youth and families seeking services for behavioral health needs, with the goal of encouraging families to seek assistance through BEACON and the Interagency Children's Behavioral Health Services Team. Provides that the training shall include how families and hospital staff can access BEACON, the process once a case is entered into BEACON, and State and community programs accessible through BEACON. Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires a psychiatric hospital to contact a youth or the youth's parents, guardian, or caregiver about the BEACON portal (rather than the Family Support Program and the Specialized Family Support Program) prior to referring the youth to the Department of Children and Family Services because the youth was left at the psychiatric hospital beyond medical necessity. Amends the School Code. Requires the State Board of Education, in consultation with the Children's Behavioral Health Transformation Team in the Office of the Governor and relevant stakeholders, to report its work and make available resource materials, including model policies and guidance informed by a phased approach to implementing universal mental health screening in schools. Requires the State Board of Education to report its work by September 1, 2026. Provides that mental health screenings shall be offered by school districts to students enrolled in kindergarten through grade 12, at least once a year, beginning with the 2027-2028 school year.

HB 03440 (Continued)

Further amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions concerning youth left in a psychiatric hospital beyond medical necessity, requires a hospital to attempt to contact the youth and the youth's parents, guardian, or caregiver about the BEACON portal and assist with entering the youth's information into the BEACON portal to begin the process of connecting the youth and family to available resources (rather than assist with connections to the designated Family Support Program coordinator in the service area by providing educational materials developed by the Department of Healthcare and Family Services).

Pension Note (Government Forecasting & Accountability)

HB 3440, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

Fiscal Note, House Committee Amendment No. 1 (Dept. of Human Services)

HB 3440 HA#1 states that psychiatric hospital shall assist in entering the youth's information into the BEACON portal.

This would not have a fiscal cost to DHS because our State psychiatric hospitals do not serve individuals under 18.

New Act

Creates the Behavioral Health Workforce Data Collection Act. Requires The Department of Financial and Professional Regulation to collect data, as specified, from behavioral health professionals at the time of initial application for licensure and renewal of an active license. Requires the Department to ensure the data collection process is secure and adheres to State and federal privacy laws, including de-identification of personal data. Provides that the Department shall make the collected data publicly available in an aggregated, de-identified format. Requires the data to be published in a format that allows policy groups, advocates, and other stakeholders to monitor the diversity, linguistic capacity, and availability of the behavioral health workforce; identify regions and specialties with severe shortages; and forecast future workforce needs. Requires the Department to publish the aggregated data annually by January 31 on its website and through other accessible formats. Grants the Department rulemaking authority to implement the Act. Requires the Department to comply with applicable data privacy and confidentiality laws. Provides that, for a period of 2 years following the effective date of the Act, the Department shall submit to the Illinois Behavioral Health Workforce Center a list of email addresses or email communications, subject to data privacy and confidentiality laws, of all licensed behavioral health professionals exclusively for purposes of collecting data related to the behavioral health workforce in Illinois. Provides that a defendant charged with one or more misdemeanors and for whom a court has determined that a bona fide doubt of the defendant's fitness has been raised may be admitted into an unfit misdemeanor diversion program only upon the approval of the court. Provides that the Illinois Supreme Court or any circuit court of the State may adopt rules establishing unfit misdemeanor diversion programs consistent with the Article. Provides that the court shall require an eligibility screening and an assessment of the defendant to determine whether the defendant may be able to receive mental health services under the Mental Health and Developmental Disabilities Code which shall reasonably assure his or her safety and that of the public and his or her continued participation in treatment. Provides that if, following this screening, the State and the defendant agree to the diversion and the court determines that the defendant is appropriate for diversion, the criminal charges may be dismissed with prejudice. Provides that if the court does not approve, the court shall order a fitness examination and the matter shall be governed by any other relevant provisions of the Fitness for Trial, To Plead, or to be Sentenced Article of the Code. Provides that the misdemeanor diversion program may maintain or collaborate with mental health and substance use treatment providers necessary to provide a continuum of treatment options commensurate with the needs of the defendant and available resources. Treatment programs shall comply with all relevant statutes and rules. Requires the Department of Human Services to provide care to persons determined to be subject to involuntary admission on an inpatient basis as defined in the Mental Health and Developmental Disabilities Code or may make arrangements with any other appropriate inpatient mental health facility to provide those services. 405 ILCS 5/3-210 from Ch. 91 1/2, par. 3-210

Amends the Mental Health and Developmental Disabilities Code. Makes changes to a provision concerning initial Department of Human Services investigations of a facility employee's alleged abuse, neglect, or financial exploitation of a recipient of mental health or developmental disability services. Expands the provision to include allegations of material obstruction of an investigation, physical abuse, sexual abuse, non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$100), or egregious neglect. Adds provisions concerning Department investigations where a facility employee is the perpetrator of, at most, neglect, de minimis financial exploitation (such as financial exploitation totaling a cumulative value of less than \$100), or mental abuse.

House Committee Amendment No. 2

Changes the amendatory provisions such that a facility employee shall be barred from further contact with a facility resident if the Department of Human Services' initial investigation indicates that the facility employee is (rather than may be) the perpetrator of non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$20 (rather than \$100)). Adds physical abuse to the types of conduct that will result in a facility employee being barred from further contact with a facility resident.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following addition: Provides that nothing in the amendatory Act is intended to include an employee of a hospital licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act or a hospital affiliate.

Requires the Department to include, where possible, a specific phone number that a hospital or health care facility may call and specific language to use. Requires the Department to also include on its website a way for the hospital or healthcare system to determine which continuum of care applies based on the physical location of the hospital or healthcare system. Requires other information, all of which must be added to the Department's website by October 31, 2025. Contains provisions concerning annual audits.

Requires a State agency to confirm or reject an uncontested claim that is from a lapsed appropriation and valued at less than \$2,500 within 30 days after being notified in writing by the Attorney General. Provides that if one or more items on a bill or invoice are disapproved, but not the entire bill or invoice, then the portion that is not disapproved must be transmitted to the Comptroller for payment. New Act

Creates the Preventing Crisis Cost Shifting to Medicaid Act. Provides that the General Assembly finds that (i) behavioral health crisis services, including crisis call centers, mobile crisis response, and crisis stabilization and receiving services, function as essential public health infrastructure and must be available statewide without regard to insurance status; and (ii) commercial health insurance policies issued or administered in the State generally do not provide comprehensive coverage for the full continuum of behavioral health crisis services, resulting in the cost of such services being disproportionately borne by Medicaid, local governments, and taxpayers. Requires specified entities (surcharge payors) that are authorized to issue or administer a policy or contract of accident and health insurance or a health maintenance organization contract in the State to pay a behavioral health crisis assessment to the Department of Human Services for deposit into the Statewide 9-8-8 Trust Fund. Exempts Medicaid managed care organizations from paying the behavioral health crisis assessment. Permits the Department to update the total behavioral health crisis assessment amount as necessary to ensure the continued availability, quality, or geographic equity of the statewide behavioral health crisis system. Requires the Department to establish an appropriate mechanism for enforcing a surcharge payor's liability, which may include accrued interest on unpaid liabilities at a rate not to exceed 18% per annum and late fees or penalties at a rate not to exceed 5% per month. Provides that the enforcement mechanism may also include notification to the Department of Healthcare and Family Services to offset payments on the surcharge payor's claims. Provides that the Department of Human Services shall not direct the Department of Healthcare and Family Services to offset claims payments unless the surcharge payor has maintained an outstanding liability to the Statewide 9-8-8 Trust Fund for a period longer than 45 days and has received proper notice of pending enforcement.

Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

Expresses the belief that nursing, social work, professional counseling, marriage and family therapy, physical therapy, occupational therapy, speech-language pathology, audiology, physician assistant practice, public health, and education are professional disciplines that require advanced graduate education, professional licensure, and adherence to rigorous ethical and clinical standards. Lists the graduate degrees that should be considered professional degrees. States that any state agency, public university, or entity receiving state funds should take all necessary steps to avoid discrimination against individuals holding these graduate degrees in hiring, promotion, compensation, professional development funding, or other terms and conditions of employment based on any federal student loan classification. Urges the United States Department of Education to include all graduate degrees in nursing, social work, counseling, therapy, physical therapy, occupational therapy, speech-language pathology, audiology, physician assistant practice, public health, and education in its definition of "professional degrees" for federal student loan purposes. Urges the Illinois Congressional Delegation to advocate for legislation to ensure that graduate students in all health and human services professions have access to adequate federal student loan funding to complete their professional education. Commits to exploring state-level solutions to support graduate education in health and human services professions, including but not limited to scholarships, grants, loan repayment assistance programs, and other workforce development initiatives. Expresses support for the licensed health and human services professionals in Illinois who serve our most vulnerable populations with skill, compassion, and unwavering commitment to the public good.

305 ILCS 5/5-18.7 new

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires hospitals and birthing centers to adopt and maintain written policies and procedures authorizing a patient enrolled in the medical assistance program to select an Illinois Medicaid certified and enrolled doula of the patient's choice to accompany the patient within the facility's premises for the purposes of providing support before, during, and after labor and childbirth, and during the patient's entire postpartum stay. Provides that the doula shall be considered part of the patient's care team and shall not be counted as a support person or against any guest quota. Requires hospitals and birthing centers to provide a written copy of their policies and procedures to maternity patients, the facilities' maternity health care providers, and any other person at the patient's request. Requires publication of the written policies on each facility's website. Contains provisions concerning hospital and birthing center liaisons and doulas certification acknowledgment requirements. Permits the Department of Healthcare and Family Services and the Department of Public Health to establish standing recommendations to meet Centers for Medicare and Medicaid Services requirements and ensure access to preventive services, including Medicaid-covered maternal and reproductive health supports and services.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that, within 6 months after the amendatory Act, all hospitals with licensed obstetric beds and birthing centers shall adopt and maintain written policies and procedures to permit a patient enrolled in the medical assistance program to have an Illinois Medicaid certified and enrolled doula of the patient's choice accompany the patient within the facility's premises for the purposes of providing support before, during, and after labor and childbirth. Provides that an Illinois Medicaid certified and enrolled doula shall not be counted as a support person or against the guest quota before, during, or after childbirth. Requires each applicable facility to post a summary of the facility's adopted policies and procedures on its website, including contact information to facilitate communication between the facility and Illinois Medicaid enrolled doulas and doula organizations. Provides that nothing in the amendatory Act: (i) shall be construed to provide a doula with access to a patient when that access is inconsistent with generally accepted medical standards or practices; and (ii) is intended to expand or limit the malpractice liability of a hospital beyond the limits existing in current Illinois statutory and common law. Requires Illinois Medicaid enrolled doulas to provide written acknowledgment of doula certification and enrollment in the medical assistance program upon request of the hospital or birthing facility. Permits the Departments of Healthcare and Family Services and Public Health to establish standing recommendations to meet Centers for Medicare and Medicaid Services requirements and ensure access to preventive services.

20 ILCS 2105/2105-17

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In a provision concerning the requirements that a health care professional must meet before he or she can have his or her license placed on volunteer status (rather than being granted a volunteer license), provides that a health care professional must possess an active license that is not currently subject to discipline or under investigation by the Department of Financial and Professional Regulation (rather than satisfaction of all requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the Act). Removes the volunteer licensure fee and removes references to volunteer licenses. Provides that a health care professional whose license is in volunteer status may request that the Department change the status of the license to active as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license. Provides that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Provides that the Department may adopt rules for the administration of the provisions regarding volunteer licenses (rather than determining by rule the total number of volunteer licenses to be issued). Makes conforming and other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that a health care professional whose license is in volunteer status may request the Department of Financial and Professional Regulation to change the status to active as long as the request to be active is made during the same renewal period in which the license was previously active or the health care professional renews in the same manner and at the same time with the same conditions as an active license (rather than as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license). Removes language providing that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Makes a conforming change.

Amends the School Code. Prohibits a child from being denied a free public education through secondary school while in the State based on the child's or associated person's perceived or actual citizenship or immigration status. Prohibits a school from excluding a child, or associated person, from participation in or denying a child, or associated person, the benefits of any program or activity on the grounds of that child's, or associated person's, actual or perceived citizenship or immigration status. Provides that a school must not use criteria, measures, or methods of administration that have the effect of excluding from participation or denying the benefits of any program or activity because of a child's, or associated person's, actual or perceived immigration status. Prohibits a school from threatening to disclose information regarding or relating to the actual or perceived citizenship or immigration status of a child, or associated person, or actually disclosing information based on perceived or unverified citizenship or immigration status, to any other person, entity, or any immigration or law enforcement agency. Provides that a school must not allow an immigration agent to enter a school site or school district facility for any purpose without providing valid identification, a written statement of purpose, and a valid judicial warrant, and, to the extent possible, receiving approval from the superintendent of the school district or the principal of the charter school, and their legal counsel. Provides that a school district or school must not detain any individual solely on the basis of any formal or informal request, or immigration detainer or civil immigration warrant from an immigration agent. Requires a school district or school to adopt a policy for complying with the amendatory Act. Allows any party aggrieved by a violation of the provisions to bring a civil lawsuit no later than 2 years after the violation occurred. Provides that if the court finds that a violation has occurred, the court may award to the plaintiff 3 times actual damages or \$17,000, whichever is greater. Makes other changes.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)

HB 3247 (H-AM-2) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. HB 01697 (Continued)

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Prescription Drug Affordability Act. Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that the Department of Insurance shall use moneys deposited into the DCEO Projects Fund pursuant to specified provisions of the Illinois Insurance Code to make a grant to a statewide retail association representing pharmacies to promote access to pharmacies and pharmacist services. Amends the Illinois Insurance Code. Makes changes to defined terms in provisions concerning pharmacy benefit manager contracts. Provides that a pharmacy benefit manager or an affiliate acting on its behalf shall not conduct spread pricing, steer a covered individual, or limit a covered individual's access to drugs from a pharmacy or pharmacist enrolled with the health benefit plan under the terms offered to all pharmacies in the plan coverage area by designating the covered drug as a specialty drug contrary to the specified definition. Provides that a pharmacy benefit manager or affiliated rebate aggregator must remit no less than 100% of any amounts paid by a pharmaceutical manufacturer, wholesaler, or other distributor of a drug. Provides that the contract between the pharmacy benefit manager and the insurer or health benefit plan sponsor must allow and provide for the pharmacy benefit manager's compliance with an audit at least once per calendar year of the rebate and fee records remitted from a pharmacy benefit manager or its affiliated party to a health benefit plan. Provides that the changes made to provisions concerning pharmacy benefit manager contracts by the Act shall apply with respect to any health benefit plan that provides coverage for drugs that is amended, delivered, issued, or renewed on or after January 1, 2026. Sets forth provisions concerning pharmacy benefit manager reporting requirements. In provisions concerning pharmacy benefit manager licensure requirements, provides that on or before August 1, 2025, the pharmacy benefit manager shall submit a report to the Department that lists the name of each health benefit plan it administers, provides the number of covered individuals for each health benefit plan as of the date of submission, and provides the total covered individuals across all health benefit plans the pharmacy benefit manager administers. Provides that on or before September 1, 2025, a registered pharmacy benefit manager, as a condition of its authority to transact business in the State, must submit to the Department an amount equal to \$15 or an alternate amount as determined by the Director by rule per covered individual enrolled by the pharmacy benefit manager in the State. Provides that on or before September 1, 2026 and each September 1 thereafter, payments submitted in provisions concerning pharmacy benefit manager licensure requirements shall be based on the number of covered individuals reported to the Department in specified provisions of the Illinois Insurance Code. Makes changes to provisions concerning examinations of registered pharmacy benefit managers. Amends the Illinois Public Aid Code. Makes changes to provisions concerning critical access care pharmacies. In provisions concerning pharmacy benefits, provides that a pharmacy benefit manager must comply with all provisions of the Pharmacy Benefit Managers Article of the Illinois Insurance Code to the extent that the provisions do not prevent the application of any provision of the Article or applicable federal law. Amends the State Employees Group Insurance Act of 1971 and the School Code to require coverage from specified provisions of the Illinois Insurance Code under the provisions of those Acts. Amends the Juvenile Court Act of 1987, the Unified Code of Corrections, and the County Jail Act to require specified contracts and pharmacy benefit manager activities to be subject to the Pharmacy Benefit Managers Article of the Illinois Insurance Code and the authority of the Director of Insurance to enforce those provisions. Makes other changes. Effective January 1, 2026, except that certain provisions are effective immediately.

Senate Floor Amendment No. 4

In an applicability provision concerning violations of pharmacy benefit manager contract requirements, specifies that the provisions do not apply to a contract directly between a 340B entity and the plan sponsor of a self-funded, single-employer or multiemployer (rather than only single-employer) employee welfare benefit plan subject to 29 U.S.C. 1144. In provisions concerning amounts transferred to the Prescription Drug Affordability Fund, specifies that the first \$25,000,000 transferred into the DCEO Projects Fund shall be for grants to pharmacies under specified provisions of the Department of Commerce and Economic Opportunity Law. Removes provision excluding a pharmacy that participates or contracts in the 340B program as a contract pharmacy from the definition of "critical access pharmacy". Provides that 340B pharmacies that are participants in the critical access care pharmacy program shall only be reimbursed for the actual acquisition costs of the 340B covered drugs dispensed to participants in the State's medical assistance program as defined in the Illinois Public Aid Code.

Senate Floor Amendment No. 5

Amends the Illinois Public Accounting Act. Changes the definition of "CPA firm" to remove a reference to limited liability companies and to include professional limited liability companies. Changes references from "substantial equivalency" to "enhanced mobility". Changes provisions regarding substantial equivalency for an individual whose principal place of business is not in the State but who has a valid CPA license issued by another state to require that the licensure requirements of the issuing state must be equivalent to the criteria in the Act or, if the licensure requirements of the issuing state are not equivalent, to require that the individual must petition the Public Accountant Registration and Licensure Committee for, and obtain from the Public Accountant Registration and Licensure Committee, an equivalency determination (instead of requiring a verification of the criteria by the National Qualification Appraisal Service of the National Association of State Boards of Accountancy). Provides that, on and after January 1, 2027, the Department may license as licensed CPAs, individuals who have received a bachelor's degree in accounting from an accredited college or university and an exam certificate or certification from the Board and have had at least 2 years of experience as defined by Department of Financial and Professional Regulation rule. Provides that, on and after January 1, 2027, the Department may license as licensed CPAs individuals who have received a master's degree, a bachelor's degree with 30 hours of accounting from an accredited college or university and an exam certificate or certification from the Board, and at least one year of experience as defined by Department rule. Changes the organization that the Department may rely on for enhanced mobility determinations from the National Qualification Appraisal Service of the National Association of State Board of Accountancy to the Public Accountant Registration and Licensure Committee. Makes conforming and other changes.

330 ILCS 61/1-15

Amends the Service Member Employment and Reemployment Rights Act. In a provision concerning differential compensation, changes the definition of "work days" to mean the actual number of shifts (rather than days) the employee would have worked during the period of military leave but for the service member's military obligation. Further provides that work days are tabulated without regard for the number of hours in a shift (rather than work day), regardless if the shift extends into the next day. Removes a provision providing that work hours that extend into the next calendar day count as 2 work days.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following additional changes: Provides that a service member whose employment with an employer is interrupted by a period of active service shall be permitted, upon request of that service member, to use during such period of service any vacation, annual, or similar leave with pay accrued by the service member before the commencement of such period of active service. In a provision concerning concurrent compensation for public employees who are members of a reserve component, provides that such public employees may receive concurrent compensation for both annual training orders and orders in lieu of annual training in the same calendar year; however, the combined total of their concurrent compensation shall not exceed 30 days in a calendar year. In a provision concerning differential compensation, provides that after a public employee is absent from his or her employment for a consecutive period of 365 days while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated. Further provides that the public employee's right to differential pay shall be reinstated upon the employee's return to work with his or her employer for more than 90 calendar days. Provides that public employees are not entitled to differential pay for periods of unpaid active service including, but not limited to: travel to and from military orders, rest periods immediately before or after military orders, and military service in which the public employee does not receive pay from the military. Provides that "work days" are tabulated up to 24 continuous hours in a shift, regardless if the shift extends into the next calendar day; and a shift that extends beyond 24 continuous hours will be calculated as an additional work day. Makes the bill effective immediately.

Senate Floor Amendment No. 1

In provisions concerning differential compensation for public employees during periods of military leave, provides that after a public employee is absent from his or her employment for a consecutive 3-year period (rather than for a consecutive period of 365 days) while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated.

HB 03399 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning program establishment, provides that the Program shall function as a separate and distinct procurement program that does not draw from the allocation and funding of renewable energy credits from other sources. In provisions concerning program block allocation, provides that at least 33% (rather than 50%) of each annual block shall be reserved by systems that meet the Illinois Power Agency's definition of "residential". In provisions concerning project terms, provides that applicant firms shall have advanced capital disbursed before geothermal renewable energy credits are first generated (rather than after the geothermal heating and cooling system is operational but before geothermal renewable energy credits are first generated). In provisions concerning advanced capital, provides that the amount or percentage of capital advanced for residential systems (rather than for all systems) shall be at the discretion of the Agency by not less than 40% of the total contract. Provides that the amount or percentage of capital advanced for commercial, public, or environmental justice systems shall be at the discretion of the Agency. In provisions concerning contract terms, provides that each project shall be subject to the requirements of the Prevailing Wage Act. Provides that the Agency shall require verification that, for all construction for a project that was performed by a renewable energy credit delivery contract holder, its contractors, or its subcontractors, the construction employees received an amount for the work equal to or greater than the general prevailing rate. Provides that geothermal renewable energy credits for any single geothermal heating and cooling project that is 285 tons or larger and is procured after the effective date of the amendatory provisions shall be from a project built by general contractors that entered into a project labor agreement prior to construction. Provides that the project labor agreement shall be filed with the Director in accordance with procedures established by the Agency through its long-term renewable resources procurement plan. Amends the Illinois Power Agency Act. Makes a change to the definition of "renewable energy resources". Amends the Public Utilities Act. In provisions concerning the recovery of costs associated with the provision of delivery and other services, provides that an electric utility shall be entitled to recover through tariffed charges all costs associated with the purchase of geothermal renewable energy credits pursuant to the Geothermal Homes and Businesses Act. In provisions concerning procurement, provides that, beginning with the delivery year commencing on June 1, 2026, an electric utility shall procure geothermal renewable energy credits in accordance with the applicable provisions set forth in the Geothermal Homes and Businesses Act. Makes other changes. Effective immediately.

House Floor Amendment No. 2

In provisions concerning the length of contracts under the Geothermal Homes and Businesses Program, provides that, for geothermal renewable energy credits that qualify and are procured under the Program, the length of a geothermal renewable energy credits delivery contract shall be 15 years (rather than 25 years). In provisions concerning the Illinois Power Agency administration of the Program, provides that the Agency may use any existing program administrator and applicable subcontractors to develop, administer, implement, operate, and evaluate the Program (rather than the Agency shall be authorized to retain one or more experts or expert consulting firms to develop, administer, implement, operate, and evaluate the Program and the Agency shall retain the consultant or consultants in the same manner, to the extent practicable, as the Agency retains others to administer provisions of this Act, including, but not limited to, the procurement administrator). Adds provisions concerning the cost recovery of generating units.

Representative Joyce Mason
HB 03493 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that no ordinance or permitting requirement of a unit of local government shall be enforced against the construction, reconstruction, improvement, or installation of a State facility, other than an ordinance or permitting requirement that is (i) an ordinance or permitting requirement of a sanitary district or an ordinance or permitting requirement regulating a municipally-owned wastewater system and (ii) mandated by State or federal laws, rules, or regulations or related to environmental protection, as supported by industry standards (in the introduced bill, no ordinance of a unit of local government shall be enforced against the construction, reconstruction, improvement, or installation of a State facility). Provides that, upon the Capital Development Board's request, a sanitary district or unit of local government regulating a municipally-owned wastewater system must provide to the Capital Development Board information that verifies that an ordinance or permitting requirement is mandated by State or federal laws, rules, or regulations or that an ordinance or permitting requirement related to environmental protection is supported by industry standards. Removes a provision from the introduced bill providing that a unit of local government shall not require the payment of permitting fees or require permit inspections for the construction, reconstruction, improvement, or installation of any State facility. Provides that the term "fair and reasonable connection or impact costs" means demonstrated costs incurred by the unit of local government that (i) directly result from the Board's use of or impact on local infrastructure or (ii) are consistent with similar costs that are applied to non-governmental capital projects.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill. Provides that the provisions of the engrossed bill do not apply to a municipality with more than 500,000 inhabitants that has entered into one or more comprehensive or project-specific agreements with the Capital Development Board establishing terms explicitly agreed upon as alternative or supplemental to this Section. Provides that the provisions of the engrossed bill do not relieve the Capital Development Board from the obligation to compensate units of local governments for fair and reasonable connection, restoration, or impact costs (in the engrossed bill, fair and reasonable connection or impact costs).

Amends the Code of Criminal Procedure of 1963. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Requires a county (not just counties with more than 250,000 in population) to provide remote access to a hearing on a protective order to include relevant witnesses besides the petitioner and respondent. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

from Ch. 40, par. 2312-1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the court to grant a request for remote hearing unless good cause is shown to deny the request. Provides that a petitioner may not be denied a protective order solely on the basis that the petitioner or the respondent is incarcerated in a penal institution at the time of the issuance of the order. Allows a petition seeking protection to include a crime victim who was abused by a family or household member before the offender was incarcerated and by any person who has previously suffered abuse by a family or household member convicted of certain crimes. Provides that if the respondent does not contest the motion to extend a plenary order of protection after service of the motion in accordance with Supreme Court Rules, the court may grant the request for an extension based solely on the petitioner's motion and affidavit setting forth the requirements of the provisions governing plenary orders. Makes structural changes.
