Recognizes and expresses gratitude to the Office of the Illinois Attorney General and Attorney General Kwame Raoul for their exceptional devotion, leadership, and perseverance in defending democracy and freedoms through the courts. Acknowledges that the most effective instrument for the protection of democracy and civil liberties in the last nine months has been litigation, and that the Attorney General and his team have been incredibly effective in their defense of the State's democracy. Recognizes the Office of the Illinois Attorney General's filing of a lawsuit against the Trump administration to stop the unlawful deployment of the National Guard in Illinois, challenging federal invocation of 10 U.S.C. § 12406, the Posse Comitatus Act, and the Tenth Amendment, is a case of national significance in protecting state sovereignty and civil liberties. Encourages the Office of the Illinois Attorney General to continue steadfastly engaging in litigation as necessary to uphold democracy and freedoms.

Urges the Illinois State Board of Education (ISBE) to identify and publish a list of evidence-based, decision-making, and impulse-control curricula that have been demonstrated to reduce violence involvement, make at least one free or low-cost curriculum available statewide for optional integration into existing Social and Emotional Learning (SEL) instruction, encourage districts to implement these programs using existing resources and staff development, and develop, pilot, and rigorously test new school-based decision-making and violence-prevention curricula that can be easily adopted by ISBE and schools statewide if proven effective in reducing violence. Urges the Administrative Office of the Illinois Courts (AOIC), the Department of Juvenile Justice (DJJ), and county probation and diversion programs to identify and approve evidence-based, decision-making curricula appropriate for minors under supervision, diversion, or detention, to encourage their integration as standard early interventions, and to implement these initiatives within existing budgets and structures. Urges the Illinois Department of Human Services (IDHS) and the Illinois Criminal Justice Information Authority (ICJIA) to coordinate with ISBE, AOIC, DJJ, and local partners to align violence-prevention curricula and community-based interventions across settings. Recognizes Professor Jens Ludwig for his groundbreaking research, leadership, and publication of Unforgiving Places. Provides that a gas utility may cease providing service if the Illinois Commerce Commission determines that adequate substitute service is available at a reasonable cost to support the existing end uses of the affected utility customers. Provides for cost-effective energy efficiency measures for natural gas utilities that supersede existing provisions concerning natural gas energy efficiency programs and take effect beginning January 1, 2025. Provides that gas main and gas service extension policies shall be based on the principle that the full incremental cost associated with new development and growth shall be borne by the customers that cause those incremental costs. Adds the Clean Building Heating Law Article to the Act, with provisions concerning emissions standards for heating in buildings, as well as related and other provisions. Adds the 2050 Heat Decarbonization Standard Article to the Act, with provisions concerning options for compliance, measures for customer emission reduction, customer emission reductions, tradable clean heat credits, banking of emission reductions, equity in emission reductions, enforcement, the 2050 Heat Decarbonization Pathways Study, gas infrastructure planning, a study on gas utility financial incentive reform, and reporting requirements. Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

Amends the Accident and Health Insurance Article of the Illinois Insurance Code. Provides that when an insured person or policyholder requests, in writing, from the insurance issuer a confirmation of the current outstanding balance due from the insured person or policyholder, the insurance issuer may charge a fee of no more than \$40 to provide that information. Requires the fee to be reasonably related to the work and time required to confirm the total balance owed. Sets forth requirements that must be met before an insurance issuer may turn an outstanding balance over to a collection agent, including requiring a written communication to the insured person or policyholder from whom money is owed, requiring the insurer to allow the insured person or policyholder 7 calendar days after receipt of the written communication to either confirm receipt of the written communication and agree to pay or to request a different time frame, and the insurer to attempt in good faith to agree on a time frame for all outstanding moneys owed to be paid. Provides that if an agreement to pay is not reached within 7 calendar days after receipt of the written notice or payment is not made by the agreed-upon time frame, the insurance issuer may turn the delinquent account over to a collection agent.

HB 03811 (Continued)

Replaces everything after the enacting clause. Amends the Guardians for Adults with Disabilities Article of the Probate Code of 1975. Authorizes the appointment of a private professional guardian to serve as a temporary, limited, or plenary guardian for a person with a disability. Defines "private professional guardian" as (1) a person or entity who receives compensation for services as a guardian to 5 or more persons with disabilities who are not related to the guardian by blood or marriage; or (2) a not-for-profit corporation qualified to act as guardian. Provides that "private professional guardian" does not include a government agency, the Office of State Guardian, a public guardian, corporations qualified to accept and execute trusts in this State, or a financial institution. Requires a petitioner who nominates a private professional guardian to be appointed as a guardian to attach an affidavit to the petition for guardianship detailing the petitioner's efforts at locating and contacting the respondent's nearest relatives, agent under power of attorney, or other fiduciaries regarding the need for the appointment of a guardian unless a family member of the respondent nominates the private professional guardian. Requires the private professional guardian to personally meet and assess the respondent, certify best interest findings, and identify the least restrictive alternative and community-based living options. Prohibits certain conflicts of interest by the private professional guardian. Requires that the private professional guardian be certified by the Center for Guardianship Certification. Provides that if a private professional guardian estimates that the estate of the person with a disability can afford the services of the private professional guardian for 36 months or less before the estate is depleted, and the person with a disability is living at home, then the private professional guardian shall forgo or delay the collection of court-awarded fees until the person with a disability is clinically unable to remain at home or until it is not financially feasible, for reasons other than the collection of court-awarded fees, for the person with a disability to remain at home. Provides that the private professional guardian may petition the court to reduce or waive the 36-month no fee collection period by showing that it is in the best interests of the person with a disability for the private professional guardian to collect the full or partial amount of court-awarded fees. Makes other changes.

Creates the Charitable Organization Beneficiary Act. Requires a holder of property in which a charitable organization that is exempt from taxation as a 501(c)(3) entity is a designated beneficiary in a nonprobate instrument (excluding wills or trusts) to notify each charitable organization within 30 business days that it may have a right to the property. Creates a process in which the charitable organization may request that it be given information about the property or that the property be delivered to the charitable organization or both. Provides duties and obligations of the holder of the property. Provides the holder of the property protection from liability for a good faith reliance on the information it receives from a designated beneficiary. Provides remedies against a holder of property for a failure or refusal to provide the requested information or transfer of property if the provisions of the Act are followed. Defines terms.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Requires that the notice of death to the owner of property include the exact language of the beneficiary designation except that the names of any other beneficiaries that are not charitable organizations may be redacted. Provides that nothing in the Act alters the duties of the holder of the property under the Revised Uniform Unclaimed Property Act or the Unclaimed Life Insurance Benefits Act. Requires that the holder of the property must provide notice to each charitable organization listed under the beneficiary designation that the charitable organization may have a right to the property within 45 business days of the death of the owner of the property. Deletes provisions that provide that (i) any right or title acquired from the charitable organization in consideration of the provision of property or information under the Act is not invalid because of an inadvertent misapplication by the charitable organization; and (ii) a transaction and a lien created by a transaction entered into by the charitable organization and anyone acting in reliance on the affidavit under the Act is enforceable against the property. Provides that if the holder of the property fails or refuses to provide the requested property or information within 60 business days after receiving the affidavit, the charitable organization may bring an action against the holder of the property to receive the information about the property or recover the property or compel the delivery of the property. Provides that the court may award reasonable attorney's fees based on the time expended by the attorney to obtain the requested information or payment, delivery, or transfer of the property without regard to the amount of the recovery on behalf of the charitable organization. Deletes the requirement that verification of a charitable organization's authority may not exceed 30 days from the date of delivery of the affidavit.

Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

HB 01607 (Continued)

Creates the Commission on Eliminating Food Deserts Act. Establishes the Commission on Eliminating Food Deserts in the Office of the Lieutenant Governor for the purpose of reviewing the effectiveness of current State-led efforts to eliminate food deserts in Illinois and advising the General Assembly on policy, funding, initiatives, and best practices for the elimination of food deserts in Illinois. Describes the membership of the Commission. Provides that the Commission shall convene at the call of the chairperson and meet as frequently as necessary to carry out its duties. Provides that the Office of the Lieutenant Governor shall provide administrative and other support to the Commission. Provides that commissioners shall serve without compensation but shall be reimbursed for their reasonable and necessary expenses from funds appropriated for that purpose. Provides that the Commission shall submit a report to the Governor and the General Assembly on or before January 1, 2027, with annual addenda thereafter. Provides that the Act is repealed and the Commission is dissolved if 90% of food deserts in this State have been eliminated, with certain requirements. Defines terms.

House Committee Amendment No. 1

In provisions concerning the Commission on Eliminating Food Deserts, adds a commissioner who is a representative of labor organizations, appointed by the Governor, to members of the Commission.

House Floor Amendment No. 2

Provides that the Director of Commerce and Economic Opportunity or the Director's designee serves on the Commission as an ex officio, nonvoting, advisory member.

House Floor Amendment No. 3

Provides that the Commission on Eliminating Food Deserts is established in the Department of Public Health (rather than the Office of the Lieutenant Governor), and that the Department of Public Health (rather than the Office of the Lieutenant Governor) shall provide support to the Commission. Replaces the Lieutenant Governor or the Lieutenant Governor's designee as chairperson on the Commission with the Director of Public Health or the Director's designee as chairperson. Adds the Director of Aging or the Director's designee to the Commission.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Retitles the Act as the Task Force on Eliminating Food Deserts Act (rather than the Commission on Eliminating Food Deserts Act), and makes corresponding changes throughout the Act. Changes the date of the submission of the report by the Task Force to January 1, 2028 (rather than January 1, 2027). Deletes provisions regarding the submission of an addendum noting the percentage of food deserts in the State that have been eliminated since the submission of the report, and deletes provisions that trigger repeal if 90% of food deserts have been eliminated. Provides that the Act is repealed and the Task Force is dissolved upon the submission of the report by the Task Force, with certain filing requirements.

Provides that the restricted commercial driver's license issued for farm-related service industries may be available for periods not to exceed a total of 210 (rather than 180) days in any 12-month period. Removes some of the duration limitations for suspended licenses. Provides that the traffic-control signals also apply to bicyclists. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide. Provides that in any proceeding under this provision, the prosecution shall timely disclose prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a place of detention. Provides that at that time, the prosecution must tender any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and any other evidence the State intends to rely upon to determine the statement's reliability. Provides that before trial, a defendant may move to exclude a statement alleged to be unreliable. Provides that the defendant shall specifically identify the statement or statements alleged to be unreliable. Provides that at the hearing, it shall be the burden of the prosecutor to prove by a preponderance of the evidence that the statement is reliable. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement.

Amends the Affordable Housing Planning and Appeals Act. Permits the following persons to appeal a municipality's denial of a proposed supportive housing project, including a project to develop a permanent supportive housing apartment building or community integrated-living arrangement, for low-income persons with disabilities: (1) the affordable housing developer of the proposed project; (2) a person who would be eligible to apply for residency in the proposed project; and (3) the community group or supportive housing advocacy group advocating for the proposed project. HB 03744 (Continued)

Amends the Radiation Protection Act of 1990. Provides that all intrastate and interstate shippers or carriers (rather than intrastate and interstate carriers) of irradiated nuclear reactor fuel are required to notify the Illinois Emergency Management Agency and Office of Homeland Security no less than 7 days (rather than 24 hours) prior to any transportation of irradiated nuclear reactor fuel. Changes the definition of "carrier" and "irradiated reactor fuel". Adds a definition of "shipper". Provides that the Agency may collect, store, and dispose of uncontrolled sources of radiation that have entered the public domain and that the Agency considers to be a threat to public health and safety or the environment. Authorizes the Agency to assess actual costs, as appropriate, for the collection, storage, and disposal of uncontrolled sources of radiation that have entered the public domain and that the Agency considers to be a threat to public health and safety or the environment against any person that owns, owned, possesses, or is responsible for the radioactive material entering the public domain.

New Act

Creates the Commission on Eliminating Food Deserts Act. Establishes the Commission on Eliminating Food Deserts in the Office of the Lieutenant Governor for the purpose of reviewing the effectiveness of current State-led efforts to eliminate food deserts in Illinois and advising the General Assembly on policy, funding, initiatives, and best practices for the elimination of food deserts in Illinois. Describes the membership of the Commission. Provides that the Commission shall convene at the call of the chairperson and meet as frequently as necessary to carry out its duties. Provides that the Office of the Lieutenant Governor shall provide administrative and other support to the Commission. Provides that commissioners shall serve without compensation but shall be reimbursed for their reasonable and necessary expenses from funds appropriated for that purpose. Provides that the Commission shall submit a report to the Governor and the General Assembly on or before January 1, 2027, with annual addenda thereafter. Provides that the Act is repealed and the Commission is dissolved if 90% of food deserts in this State have been eliminated, with certain requirements. Defines terms.

House Committee Amendment No. 1

In provisions concerning the Commission on Eliminating Food Deserts, adds a commissioner who is a representative of labor organizations, appointed by the Governor, to members of the Commission.

House Floor Amendment No. 2

Provides that the Director of Commerce and Economic Opportunity or the Director's designee serves on the Commission as an ex officio, nonvoting, advisory member.

House Floor Amendment No. 3

Provides that the Commission on Eliminating Food Deserts is established in the Department of Public Health (rather than the Office of the Lieutenant Governor), and that the Department of Public Health (rather than the Office of the Lieutenant Governor) shall provide support to the Commission. Replaces the Lieutenant Governor or the Lieutenant Governor's designee as chairperson on the Commission with the Director of Public Health or the Director's designee as chairperson. Adds the Director of Aging or the Director's designee to the Commission.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Retitles the Act as the Task Force on Eliminating Food Deserts Act (rather than the Commission on Eliminating Food Deserts Act), and makes corresponding changes throughout the Act. Changes the date of the submission of the report by the Task Force to January 1, 2028 (rather than January 1, 2027). Deletes provisions regarding the submission of an addendum noting the percentage of food deserts in the State that have been eliminated since the submission of the report, and deletes provisions that trigger repeal if 90% of food deserts have been eliminated. Provides that the Act is repealed and the Task Force is dissolved upon the submission of the report by the Task Force, with certain filing requirements.

Replaces everything after the enacting clause. Amends the Meat and Poultry Inspection Act. In provisions concerning exemptions, provides that poultry raisers with respect to poultry raised on the poultry raisers' own farms are exempt from the provisions if such raisers slaughter, eviscerate, or further process not more than 7,500 (rather than 5,000) poultry during the calendar year for which the exemption is being granted, and such poultry or poultry products are slaughtered, otherwise prepared, sold or delivered to the consumer on or from the premises for which the exemption is given, including sales at the poultry raiser's farm, at a farmers' market, at a roadside stand, or through delivery to the consumer (rather than only for which the exemption is given), in addition to other criteria. Adds the following requirements to provisions exempting poultry raisers with respect to poultry raised on the poultry raisers' own farms: (i) there is at least one person who is responsible for all periods of operation for the premises for which the exemption is given who has successfully obtained a certification as a Certified Food Protection Manager from a program that is accredited by the American National Standards Institute; (ii) the poultry products are labeled in at least 10-point font to include the producer's name and address, the date on which the poultry product was processed, and the statement "NOT INSPECTED-Exempt P.L. 90-492"; and (iii) at the point of sale, notice is provided in a prominent location and states the following: "These poultry products were processed in an on-farm facility that is exempt from continuous inspection by the Illinois Department of Agriculture or the United States Department of Agriculture.". Provides that a notice on a physical display shall be displayed on a placard and a notice displayed online shall be displayed in the form of a message on the farm's online sales interface at the point of sale.

New Act

110 ILCS 205/8

from Ch. 144, par. 188

Creates the Adequate and Equitable Public University Funding Act. Provides that all general operating expenses for public universities shall be distributed by the Board of Higher Education through a funding formula for eligible public institutions and shall be administered by the Board. Defines "eligible public institution". Sets forth provisions concerning the adequacy targets and resource profiles of eligible public institutions. Provides for the distribution of State appropriations and the calculation of the base funding minimum for each eligible public institution. Provides that the Board shall oversee an accountability and transparency framework for assessing the distribution and use of all funds appropriated by the funding formula and evaluating the funds' effects on institutional outcomes pertaining to student affordability, enrollment, persistence, and outcome metrics. Provides for reporting and the establishment of an Accountability and Transparency Committee. Provides that the Board shall establish a Funding Formula Review Panel tasked with studying and reviewing topics pertaining to the implementation and impact of the funding formula. Requires the Board of Higher Education to include in each eligible public institution's adequacy target the amount required to provide students with access support. Sets forth how to determine the high-cost program adjustment to core instructional program support. Requires the Board to include the funding required to conduct research. Makes changes to the membership of the Accountability and Transparency Committee and the Funding Formula Review Panel. Deletes certain provisions regarding the Accountability and Transparency Committee, as well as regarding certain reporting requirements. Makes other changes. Effective immediately.

Amends the Underserved Health Care Provider Workforce Act. Changes the definition of "designated shortage area" to mean an area designated as a medically underserved area or a health professional shortage area (rather than a physician shortage area, a medically underserved area, or a critical health manpower shortage area). Changes the term "eligible medical student" to "eligible student", and includes in the definition of that term a person who is studying optometry in an optometry college or institution located in Illinois and that a person may agree to practice full-time in a designated shortage area as an optometrist or anesthesiologist one year for each year he or she is a scholarship recipient. Includes a rural health center, a federally qualified health center, a federally qualified health center look alike, and an optometric office in the definition of "medical facility". Includes an optometrist in the definition of "eligible health care provider". Includes an obstetrician or gynecologist in the definition of "primary care physician". Includes loan repayment recipients in a provision regarding scholarship recipients who fail to fulfill specified obligations, and provides that the amounts paid by these scholarship or loan repayment recipients shall be deposited into the fund where the payment originated from (rather than the Community Health Center Care Fund). Repeals a different provision defining "primary care physician". Effective January 1, 2026.

House Committee Amendment No. 1

Provides that "eligible student" includes a person who, among other qualifications, agrees to practice full-time in a Designated Shortage Area as an ophthalmologist one year for each year he or she is a scholarship recipient. Provides that "eligible health care provider" and "primary care physician" include an ophthalmologist.

Requires the Department of Human Services to implement the federal Family Violence Option created by the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, and other specified federal provisions that permit state agencies to waive TANF work and self-sufficiency requirements for individuals who are the victims of domestic or sexual violence. Contains provisions on how individuals may apply for a "good cause" waiver of TANF requirements due to domestic or sexual violence, including, provisions concerning required documentation or third-party verification to support a good cause waiver claim; and the option to self-attest to a claim of domestic or sexual violence in support of a good cause waiver claim. Contains provisions on notification requirements imposed on the Department; crisis assistance funding; rulemaking; and data reporting requirements.

House Committee Amendment No. 1

Reinserts the provisions of the introduced bill with the following changes: Removes language concerning crisis assistance funding that were included with the amendatory provisions concerning the waiver of TANF work and self-sufficiency requirements for individuals who are the victims of domestic or sexual violence. Instead amends an existing statutory provision regarding crisis assistance funds for families who have become homeless due to domestic or sexual violence. Requires the Department of Human Services to inform such families, during their application for TANF, on the availability of crisis assistance funding. Provides that the Department shall provide no less than \$1,250 to eligible families for up to 4 months. Provides that the provisions of the bill are subject to the civil remedies outlined in the Public Assistance Fraud Article of the Illinois Public Aid Code.

Requires the pilot OPSs to offer people, who are most likely to use drugs in public, unobserved, high-risk, and unsanitary locations, a safe space to use pre-obtained substances and connect to community supports or other existing treatment and recovery programs, harm reduction services, and health care. Contains provisions concerning certain principles pilot OPSs must abide by; OPS staffing and location requirements; pilot OPS services; and other matters. Permits the Department to approve an entity to operate a pilot program in one or more jurisdictions. New Act

Creates the Crossing of Electric Utility Property Act. Requires a public utility to provide an expedited review and grant of a crossing application and may not unreasonably withhold an allowance for a crossing, unless a public utility provides a reasonable justification that the crossing will impair or harm the right-of-way. Authorizes an occupant to commence use of a crossing within 90 days after meeting the following conditions: (i) notice is sent to the public utility that occupant owns or controls land on both sides of the public utility property and that a crossing is reasonably required to expand or maintain operations on the occupant's property or to benefit the public; (ii) provides to the public utility engineering specifications to demonstrate that the proposed crossing will not impair the public utility's occupancy and use of the right-of-way; (iii) affirms to the public utility that the occupant must maintain and repair the owner's own crossing and must bear responsibility for the owner's own acts and omissions concerning use of the crossing; and (iv) provides to the public utility a payment for establishment of the crossing and the first year of crossing fees. Prohibits a public from unreasonably denying a crossing and lists conditions that make a denial unreasonable. Requires that the occupant provide the public utility reasonable access to the crossing to inspect and monitor, and the occupant provide engineering studies that demonstrate that the crossing will not reasonably interrupt or impair the public utility's right-of-way.

Provides that the amendatory Act may be referred to as the Thermal Energy Network and Jobs Acts. Sets forth a statement of legislative findings and intent. Amends the Public Utilities Act. Defines "thermal energy" and "thermal energy network". Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Effective immediately.

House Committee Amendment No. 1

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that each public utility shall hold at least one pre-filing public meeting to receive public comment concerning the proposed thermal energy network in the municipality where the thermal energy network is to be located. Sets forth requirements for the notice of the public meeting. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

New Act

Creates the Crossing of Electric Utility Property Act. Requires a public utility to provide an expedited review and grant of a crossing application and may not unreasonably withhold an allowance for a crossing, unless a public utility provides a reasonable justification that the crossing will impair or harm the right-of-way. Authorizes an occupant to commence use of a crossing within 90 days after meeting the following conditions: (i) notice is sent to the public utility that occupant owns or controls land on both sides of the public utility property and that a crossing is reasonably required to expand or maintain operations on the occupant's property or to benefit the public; (ii) provides to the public utility engineering specifications to demonstrate that the proposed crossing will not impair the public utility's occupancy and use of the right-of-way; (iii) affirms to the public utility that the occupant must maintain and repair the owner's own crossing and must bear responsibility for the owner's own acts and omissions concerning use of the crossing; and (iv) provides to the public utility a payment for establishment of the crossing and the first year of crossing fees. Prohibits a public from unreasonably denying a crossing and lists conditions that make a denial unreasonable. Requires that the occupant provide the public utility reasonable access to the crossing to inspect and monitor, and the occupant provide engineering studies that demonstrate that the crossing will not reasonably interrupt or impair the public utility's right-of-way.
