States that the new Department of Early Childhood and its planning process should prioritize appropriate attention to the facilities needs of our State's mixed-delivery system of early care and education. Additionally states that the State should move expeditiously to award its remaining Early Childhood Construction Grant monies to qualified applicants, to assist providers of critical birth-to-five programs in meeting their growing building-and-repair demands. Finally states that the State should also move as quickly as feasible to replenish Early Childhood Construction Grant resources to help Illinois achieve the long-term vision of the bipartisan Funding Commission for making services "simpler, better, fairer" for young children, their families, and communities statewide.

Rep. Rita Mayfield

New Act

Creates the Community-Based Corrections Act. Provides that the Department of Corrections shall establish a program that funds community-based nonprofit providers to serve emerging adults as an alternative to traditional incarceration. Provides that community-based providers shall offer housing, workforce training, mental health counseling, and restorative justice programming in alignment with State guidelines. Provides that the program shall be subject to judicial discretion, allowing sentencing judges to assign eligible individuals to community-based settings instead of Department of Corrections facilities. Provides that all community-based providers must have a written agreement with a restorative justice court for all emerging adults within their care to participate in the restorative justice court programs. Provides that community-based providers shall be compensated at a rate equivalent to the monthly per-inmate cost of incarceration as determined by the Department in its Fiscal Impact Statement. Community-based providers shall be paid on a monthly basis for the number of individuals within their care. Provides that the Department of Corrections shall allocate existing budget authority for contractual services to fund the program created by the Act. Provides that the Department of Human Services shall establish operational standards, including housing conditions, workforce training quality, and mental health support services, to ensure program efficacy. Provides that the Department of Human Services shall monitor and evaluate providers to maintain compliance with State and judicial requirements. Provides that community-based providers shall submit annual reports to the Department of Corrections and the Department of Human Services detailing participant outcomes, including recidivism rates, employment statistics, and community reintegration success. Provides that the Department of Corrections shall report program performance to the General Assembly annually, including cost savings from reduced incarceration based on emerging adults participating with community-based providers for fewer years than they would serve in a Department of Corrections facility. Effective immediately.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)

It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. HB 01332 (Continued)

Replaces everything after the enacting clause with the provisions of the bill, as amended by House Amendment No. 1, with the following changes. Changes the short title to the Emergency Contact and Caregiver Advise, Record, and Enable Act. Makes changes to defined terms. Provides that, following the patient's admission into the hospital as an inpatient, a hospital shall provide each patient or, if applicable, the patient's legal representative with an opportunity to designate a caregiver following the patient's admission into the hospital as an inpatient and prior to the patient's discharge (rather than only prior to the patient's discharge) to the patient's residence or transfer to another facility. Requires a hospital, as soon as practicable, to notify the emergency contact of the patient's death (rather than notify a patient's emergency contact of the patient's death or if the patient's condition has become life threatening) if a patient has authorized the hospital to share protected health information with an emergency contact that is not the patient's legal representative and the patient's legal representative does not object. Limits the liability of hospitals who attempt to contact an emergency contact. Removes provisions concerning failure to contact the patient's emergency contact. Provides that, if a patient fails to authorize the hospital to share the patient's protected health information or revokes such authorization, the hospital may contact the emergency contact only as otherwise allowed by law. Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes changes to definitions. Requires a library, during operating hours, to take reasonable steps to have (rather than to ensure that there is) at least one person present in the library who has completed training in how to recognize and respond to an opioid overdose, including the administration of an opioid antagonist. Provides that training may (rather than shall) be conducted by an organization recognized for providing such training or may be created by the library using free resources available on the Department of Public Health's website or the Department of Human Services' website (rather than may be conducted online or in person). Provides that a library and its authorized personnel are immune from liability for the administration of an opioid antagonist under the provisions, except for wilful and wanton misconduct (rather than except for acts of gross recklessness or acts intended to cause harm). Specifies that a library may receive an opioid antagonist from any lawful source. Removes language allowing the Department of Human Services to adopt rules as necessary to implement the provisions. Removes changes to the Pharmacy Practice Act. Makes other changes.

New Act

Creates the Patient Access to Pharmacy Protection Act. Defines terms. Provides that no person, including a pharmaceutical manufacturer, may deny, restrict, prohibit, condition, or otherwise interfere with, either directly or indirectly, the acquisition of a 340B drug by, or delivery of a 340B drug to, a 340B covered entity or a 340B contract pharmacy authorized to receive 340B drugs on behalf of the 340B covered entity unless such receipt is prohibited by federal law. Provides that no person, including a pharmaceutical manufacturer, may impose any restriction on the ability of a 340B covered entity to contract with or designate a 340B contract pharmacy including restrictions relating to the number, location, ownership, or type of 340B contract pharmacy. Provides that no person, including a pharmaceutical manufacturer, may require or compel a 340B covered entity or 340B contract pharmacy to submit or otherwise provide ingredient cost or pricing data pertinent to 340B drugs unless required by State or federal law; institute requirements in any way relating to how a 340B covered entity manages its inventory of 340B drugs that are not required by a State or federal agency, including requirements relating to the frequency or scope of audits of inventory management systems of a 340B covered entity or a 340B contract pharmacy; or submit data or information that is not required by State or federal law as a condition for a 340B covered entity, its 340B contract pharmacy, or a location otherwise authorized by a 340B covered entity to receive 340B drugs. Sets forth provisions concerning enforcement of this Act; preemption of this Act; and severability of this Act. Effective immediately.

State Mandates Fiscal Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 3350 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness

Fiscal Note (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

Correctional Note (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

110 ILCS 167/20 new

Amends the Public Higher Education Act. Provides that, beginning with the 2025-2026 school year, each public institution of higher education with student health services shall provide enrolled students with access to health care professionals authorized under State law to prescribe contraception. Provides that, beginning with the 2025-2026 school year, if the public institution of higher education's student health services includes a pharmacy, the pharmacy on campus shall dispense contraception to enrolled students who wish to fill their prescriptions at the university pharmacy. Provides that, beginning with the 2025-2026 school year, each public institution of higher education with student health services shall provide enrolled students with access to health care professionals authorized under State law to prescribe medication abortion. Provides that a public institution of higher education that dispenses medication abortion from the university pharmacy shall enter into a referral agreement with a tertiary care facility with obstetrics and gynecological services in the event of complication from medication abortion or suspected complicated pregnancy prior to dispensing medication abortion. Requires each public institution of higher education to report annually to the Board of Higher Education that policies under the provisions have been adopted. Requires the Board to post to its website annually each public institution of higher education's compliance with the policies under the provisions. Effective immediately.

House Committee Amendment No. 1

In the provisions concerning medication abortion availability on campus, removes the requirement that a public institution of higher education that dispenses medication abortion from the university pharmacy enter into a referral agreement with a tertiary care facility with obstetrics and gynecological services in the event of complication from medication abortion or suspected complicated pregnancy prior to dispensing medication abortion. Makes a conforming change.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Provides that each public institution of higher education with student health services shall provide enrolled students with access to one or more health care professionals whose scopes of practice collectively include prescribing and dispensing contraception to patients in the State or include prescribing medication abortion to patients in the State (rather than to health care professionals authorized under State law to prescribe contraception or medication abortion). Makes changes concerning the provision of services. Provides that, beginning with the 2025-2026 school year, each public institution of higher education with student health services shall make available, on the public institution of higher education's student health services' website, information on how students can access medication contraception on campus. Removes language providing that the pharmacy on campus shall dispense the medication abortion to enrolled students who wish to fill their prescriptions at the university pharmacy. Provides that the public institution of higher education shall make medication abortion available at a physical location on campus and enrolled students shall be able to access medication abortion at either a pharmacy on campus, the student health center via a health care professional licensed to dispense medication abortion, or another physical location on campus where students access other similar medications. Makes grammatical changes. Effective immediately.

HB 05408 (Continued)

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department of Public Health to establish the Abortion Access Fund Grant Program to award grants from the Abortion Access Fund to support access to abortion care services throughout the State. Provides that grants awarded under the Program shall only be used to fund abortion services for which the use of federal funds is prohibited for patients who are uninsured or underinsured with respect to those services. Allows the Department to establish rules necessary to implement the Abortion Access Fund Grant Program, including eligibility criteria, grant limits, application standards, requirements for the distribution and obligation of grant funds, accounting for the use of the funds, and standards for monitoring compliance with the requirements of the Program. Amends the State Finance Act to create the Abortion Access Fund as a special fund in the State treasury. Amends the Illinois Health Benefits Exchange Law. Requires specified health insurance issuers that have offered one or more qualified health plans through the Illinois Health Benefits Exchange to report to the Department of Insurance an accounting of receipts, disbursements, transfers of funds between accounts, total dollar claims paid, accrued interest, and the year-end balance for each reporting year for the separate allocation accounts that the issuer has established under specified provisions of federal law for abortion services for which federal funding is prohibited. Establishes further reporting requirements for health insurance issuers. Provides that, if the amount of premiums collected during the plan year for abortion services for which federal funding is prohibited exceeds total claims paid for such services rendered during the plan year, the Director of Insurance shall order the health insurance issuer to transfer funds, and the issuer shall complete the transfer, to the Abortion Access Fund. Makes other changes. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Replaces references to abortion care services and abortion services with "abortions". Removes provisions concerning rulemaking and disclosure requirements for the Department of Public Health in provisions creating the Abortion Access Fund Grant Program. Requires specified moneys to be remitted to the Department of Insurance (rather than transferred directly to the Abortion Access Fund), and requires all specified moneys remitted to the Department of Insurance to be deposited into the Abortion Access Fund. Makes other changes. Effective immediately.

HB 05541 (Continued)

Amends the Environmental Protection Act. Repeals the definition of "food scrap"; adds definitions for "anaerobic digestion", "biogas", "digestate", "food waste", "organic material", and "organic waste"; and updates the definitions of "compost" and "composting". In provisions regarding pollution control facilities, includes a new exemption for portions of sites or facilities used for composting or anaerobic digestion of organic waste that meet specified siting, setback, floodplain, and operational requirements. In provisions regarding prohibited acts, establishes permitting requirements for organic waste composting operations and organic waste anaerobic digesters, and creates exemptions for small-scale and certain farm-based composting operations that meet volume limits, setback distances, and other environmental safeguards. Provides that anaerobic digesters using only non-waste feedstock are exempt from solid waste permitting and clarifies that digested material returned to the economic mainstream is not regulated as waste. Authorizes the Environmental Protection Agency to recommend, and the Pollution Control Board to adopt, performance standards for organic waste compost facilities and testing procedures for end-product compost, and requires a Technical Advisory Committee with balanced stakeholder representation. Specifies that standards apply to compost offered for sale or use and exempts on-site residential composting. Makes conforming changes throughout to integrate new definitions and regulatory requirements.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes the definitions of "biogas" and "food waste". In provisions regarding facilities that are not pollution control facilities, deletes specified changes from the introduced bill not referential to organic waste or food waste, including specified references to anaerobic digestion. In provisions regarding prohibited acts, replaces all changes from the introduced bill with a provision that no person shall conduct an organic waste composting operation without an Agency permit, provided, however, that no permit shall be required for any person conducting an organic waste composting operation for organic wastes generated by such person's own activities which are stored, treated, or disposed of within the site where such wastes are generated or for any person conducting an organic waste composting operation that (i) has not more than 50 cubic yards of organic waste, composting additives, composting material, or end-product compost on-site at any one time and (ii) is not engaging in commercial activity. Specifies that landscape waste composting operations are subject to different provisions. Makes technical changes.

Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

Provides that, consistent with the principles of the federal Mental Health Parity and Addiction Equity Act of 2008, and for the purposes of strengthening network adequacy for mental health and substance use disorder services and lowering out-of-network utilization, the Department of Human Services, by rule, shall determine a reimbursement rate floor for all in-network mental health and substance use disorder services, including inpatient services, outpatient services, office visits, and residential care, delivered by Illinois providers and facilities using the Illinois data in Research Triangle Institute International's study. Sets forth provisions concerning requirements for the reimbursement rate floor. Grants the Department of Insurance enforcement and monitoring authority over the reimbursement rate floor and requires the Department to publish the rate floor set by the Department of Human Services in Title 50 of the Illinois Administrative Code. Provides that, at the end of 2 years, 7 years, and 12 years (rather than 5 years, 10 years, and 15 years) following the implementation of provisions concerning the reimbursement rate floor, the Department of Insurance shall review the impact of provisions concerning mental health and substance use parity on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Requires the Department to submit a report to the General Assembly by no later than December 31, 2030, December 31, 2035, and December 31, 2040 (rather than by December 31, 2033, December 31, 2038, and December 31, 2043) that includes its analyses and findings following the Department's review. Makes changes in provisions granting the Department of Insurance the authority to examine out-of-network utilization and out-of-pocket costs. Provides that the Department of Insurance and the Department of Human Services (rather than only the Department of Insurance) shall adopt any rules necessary to implement provisions concerning mental health and substance use parity by no later than May 1, 2026. Removes provisions amending the Health Maintenance Organization Act. Effective immediately.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. In provisions concerning mental health and substance use parity, makes changes to defined terms. Requires specified provider reimbursement rates to comply with the reimbursement floors for all in-network mental health and substance use disorder services. Establishes the reimbursement rate floor for each Healthcare Common Procedure Coding System (HCPCS) code, Current Procedural Terminology (CPT) code, Ambulatory Payment Classification (APC), Enhanced Ambulatory Patient Group (EAPG), Medicare Severity Diagnosis Related Group (MS-DRG), All Patient Refined Diagnosis Related Group (APR-DRG), and base payment rate with adjusters and applicable outliers for a mental health or substance use disorder service. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2027, or any contracted third party administering the behavioral health benefits for the insurer, shall cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Sets forth provisions concerning additional coverage requirements; disclosure provisions; and provisions concerning the Department of Insurance's enforcement authority, reporting requirements, and rulemaking. Makes other changes. Amends the Counties Code, the Illinois Municipal Code, and the School Code to require coverage under the provisions of those Acts. Effective June 1, 2026.

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

House Democrat Sponsor Synopsis Report

Representative Bob Morgan
HB 01237 (Continued)

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

House Floor Amendment No. 4

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

20 ILCS 2105/2105-17

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In a provision concerning the requirements that a health care professional must meet before he or she can have his or her license placed on volunteer status (rather than being granted a volunteer license), provides that a health care professional must possess an active license that is not currently subject to discipline or under investigation by the Department of Financial and Professional Regulation (rather than satisfaction of all requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the Act). Removes the volunteer licensure fee and removes references to volunteer licenses. Provides that a health care professional whose license is in volunteer status may request that the Department change the status of the license to active as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license. Provides that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Provides that the Department may adopt rules for the administration of the provisions regarding volunteer licenses (rather than determining by rule the total number of volunteer licenses to be issued). Makes conforming and other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that a health care professional whose license is in volunteer status may request the Department of Financial and Professional Regulation to change the status to active as long as the request to be active is made during the same renewal period in which the license was previously active or the health care professional renews in the same manner and at the same time with the same conditions as an active license (rather than as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license). Removes language providing that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Makes a conforming change.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning the necessity for the licensure of dentists, provides that, if an applicant neglects, fails without an approved excuse, or refuses to take the next available examination offered for licensure under the Act, the fee paid by the applicant shall be forfeited to the Department of Financial and Professional Regulation and the application shall expire (rather than shall be denied). In provisions concerning the required examination for licensure as a dentist and provisions concerning the required examination for dental hygienists, provides that, if an applicant fails to pass an examination for licensure under the Act within 3 years after filing an application, the application shall expire 3 years after the date the application was filed (rather than shall be denied). In provisions concerning persons who are licensed to practice dentistry in another state, provides that, if an applicant for substantial equivalence does not complete the application process in 3 years, the applicant's application shall expire 3 years after the date of submission of the application (rather than shall be denied). In provisions concerning third-party financing for dental services, provides that "agent of a dentist" means a person or company that is permitted, authorized, or contracted to act on behalf of a dentist or dental office (instead of on behalf of or with a dentist or dental office). Prohibits the Department from taking any disciplinary or non-disciplinary action against a person's authorization to practice (rather than against the license or permit issued) under each of the amended Acts based upon the person's license, registration, or permit (rather than only license) being revoked or suspended, or the person being otherwise disciplined by any other state, if that form of discipline was based solely on the person violating another state's laws prohibiting involvement in any health care service if that health care service would not have been unlawful under the laws of the State and is consistent with the applicable standard of conduct for a person practicing in Illinois under those Acts. Changes certain references to official occupation titles in the amended Acts to "person". Amends the Illinois Food, Drug and Cosmetic Act. Senate Committee Amendment No. 1

Provides that, if a drug had been approved by the U.S. Food and Drug Administration before January 1, 2025, the revocation of approval by the U.S. Food and Drug Administration shall not cause it to be deemed an adulterated drug in violation of the Illinois Food, Drug and Cosmetic Act if the drug is recommended for use by the World Health Organization, even if the drug's labeling reflects prior approval that is no longer in effect, so long as the drug's labeling was true and accurate at the time of its manufacture. Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires hospitals and birthing centers to adopt and maintain written policies and procedures authorizing a patient enrolled in the medical assistance program to select an Illinois Medicaid certified and enrolled doula of the patient's choice to accompany the patient within the facility's premises for the purposes of providing support before, during, and after labor and childbirth, and during the patient's entire postpartum stay. Provides that the doula shall be considered part of the patient's care team and shall not be counted as a support person or against any guest quota. Requires publication of the written policies on each facility's website. Contains provisions concerning hospital and birthing center liaisons and doula certification acknowledgment requirements. HB 03718 (Continued)

Amends the Mental Health and Developmental Disabilities Code. Makes changes to a provision concerning initial Department of Human Services investigations of a facility employee's alleged abuse, neglect, or financial exploitation of a recipient of mental health or developmental disability services. Expands the provision to include allegations of material obstruction of an investigation, physical abuse, sexual abuse, non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$100), or egregious neglect. Adds provisions concerning Department investigations where a facility employee is the perpetrator of, at most, neglect, de minimis financial exploitation (such as financial exploitation totaling a cumulative value of less than \$100), or mental abuse.

House Committee Amendment No. 2

Changes the amendatory provisions such that a facility employee shall be barred from further contact with a facility resident if the Department of Human Services' initial investigation indicates that the facility employee is (rather than may be) the perpetrator of non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$20 (rather than \$100)). Adds physical abuse to the types of conduct that will result in a facility employee being barred from further contact with a facility resident.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following addition: Provides that nothing in the amendatory Act is intended to include an employee of a hospital licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act or a hospital affiliate.

Amends the Code of Criminal Procedure of 1963. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Requires a county (not just counties with more than 250,000 in population) to provide remote access to a hearing on a protective order to include relevant witnesses besides the petitioner and respondent. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

House Committee Amendment No. 1

Adds reference to:
725 ILCS 5/112A-11.5

Adds reference to:
750 ILCS 60/201 from Ch. 40, par. 2312-1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the court to grant a request for remote hearing unless good cause is shown to deny the request. Provides that a petitioner may not be denied a protective order solely on the basis that the petitioner or the respondent is incarcerated in a penal institution at the time of the issuance of the order. Allows a petition seeking protection to include a crime victim who was abused by a family or household member before the offender was incarcerated and by any person who has previously suffered abuse by a family or household member convicted of certain crimes. Provides that if the respondent does not contest the motion to extend a plenary order of protection after service of the motion in accordance with Supreme Court Rules, the court may grant the request for an extension based solely on the petitioner's motion and affidavit setting forth the requirements of the provisions governing plenary orders. Makes structural changes.

Requires the Departments of Human Services, Children and Family Services, Juvenile Justice, and Public Health, and other specified State agencies, to complete, by June 30, 2027, a look-back calculation for each contracted human services organization that compares the funding amount awarded to the human services organization in State fiscal years 2026 and 2021 in order to identify the percentage change in funding, if any, to the human services organization between those fiscal years. Provides that based on the look-back calculations, each State agency shall identify the total aggregate amount of additional appropriations needed to ensure that grant amounts awarded by the State agency in State Fiscal Year 2028 are at least 25% more than the grant amounts awarded to grantees in State Fiscal Year 2021. Contains provisions concerning implementation of increased grant funding, subject to appropriation; additional percentage increases in grants amounts beginning in State Fiscal Year 2029; expenditure and certification requirements on contracted human services organizations that receive increased grant funding; oversight by the Department of Central Management Services; the adoption of administrative rules; and other matters. Effective July 1, 2026.

Amends the Department of Human Services Act. In the definition of "material obstruction of an investigation", defines the term to mean the intentional failure to timely report an allegation to the hotline or the interference (rather than purposeful interference) with an investigation of physical abuse, sexual abuse, mental abuse, neglect, or financial exploitation for the purpose of obstructing an Office of the Inspector General investigation. Provides that such material obstruction may include, but is not limited to, delaying or withholding reports of allegations to the hotline for the purpose of obstructing an Office of the Inspector General investigation; the withholding or altering of documentation or recorded evidence when reporting an allegation to the hotline or during an investigation; influencing, threatening, or impeding a victim's, complainant's, or required reporter's report of an allegation to the hotline or witness testimony during an investigation; or presenting untruthful information to the hotline or during an investigatory interview. Provides that any employee who fails to cooperate with an Office of the Inspector General investigation may also result in a finding of material obstruction of an investigation. Expands the list of employee conduct during an investigation that is in violation of the Act, including the failure to timely report an incident of abuse or material obstruction of an investigation committed by another employee. New Act

Creates the Geothermal Homes and Business Act. Provides that, beginning January 1, 2026, the long-term renewable resources procurement plan developed by the Illinois Power Agency shall include a Geothermal Homes and Business Program for the procurement of geothermal renewable energy credits. Sets forth provisions concerning the geothermal heating and cooling system calculation methodology; Program block allocation; Program block pricing; approved vendors; contract terms; utility cost recovery; extenuating circumstances; administration of the Act by the Illinois Power Agency; and the prohibition of double claiming geothermal renewable energy credits. Effective immediately.

House Committee Amendment No. 1

Adds reference to:
20 ILCS 3855/1-10

Adds reference to:
220 ILCS 5/16-108

Adds reference to:
220 ILCS 5/16-111.5

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning program establishment, provides that the Program shall function as a separate and distinct procurement program that does not draw from the allocation and funding of renewable energy credits from other sources. In provisions concerning program block allocation, provides that at least 33% (rather than 50%) of each annual block shall be reserved by systems that meet the Illinois Power Agency's definition of "residential". In provisions concerning project terms, provides that applicant firms shall have advanced capital disbursed before geothermal renewable energy credits are first generated (rather than after the geothermal heating and cooling system is operational but before geothermal renewable energy credits are first generated). In provisions concerning advanced capital, provides that the amount or percentage of capital advanced for residential systems (rather than for all systems) shall be at the discretion of the Agency by not less than 40% of the total contract. Provides that the amount or percentage of capital advanced for commercial, public, or environmental justice systems shall be at the discretion of the Agency. In provisions concerning contract terms, provides that each project shall be subject to the requirements of the Prevailing Wage Act. Provides that the Agency shall require verification that, for all construction for a project that was performed by a renewable energy credit delivery contract holder, its contractors, or its subcontractors, the construction employees received an amount for the work equal to or greater than the general prevailing rate. Provides that geothermal renewable energy credits for any single geothermal heating and cooling project that is 285 tons or larger and is procured after the effective date of the amendatory provisions shall be from a project built by general contractors that entered into a project labor agreement prior to construction. Provides that the project labor agreement shall be filed with the Director in accordance with procedures established by the Agency through its long-term renewable resources procurement plan. Amends the Illinois Power Agency Act. Makes a change to the definition of "renewable energy resources". Amends the Public Utilities Act. In provisions concerning the recovery of costs associated with the provision of delivery and other services, provides that an electric utility shall be entitled to recover through tariffed charges all costs associated with the purchase of geothermal renewable energy credits pursuant to the Geothermal Homes and Businesses Act. In provisions concerning procurement, provides that, beginning with the delivery year commencing on June 1, 2026, an electric utility shall procure geothermal renewable energy credits in accordance with the applicable provisions set forth in the Geothermal Homes and Businesses Act. Makes other changes. Effective immediately.

In provisions concerning the length of contracts under the Geothermal Homes and Businesses Program, provides that, for geothermal renewable energy credits that qualify and are procured under the Program, the length of a geothermal renewable energy credits delivery contract shall be 15 years (rather than 25 years). In provisions concerning the Illinois Power Agency administration of the Program, provides that the Agency may use any existing program administrator and applicable subcontractors to develop, administer, implement, operate, and evaluate the Program (rather than the Agency shall be authorized to retain one or more experts or expert consulting firms to develop, administer, implement, operate, and evaluate the Program and the Agency shall retain the consultant or consultants in the same manner, to the extent practicable, as the Agency retains others to administer provisions of this Act, including, but not limited to, the procurement administrator). Provides that, no later than 45 days after a youth in care is removed from the youth's home and placed in the temporary custody or guardianship of the Department of Children and Family Services, and every year thereafter, a youth in care shall receive mental health prevention and wellness screenings unless the youth in care is (1) less than 6 months of age; (2) 12 years of age or older and does not consent to receiving mental health services; or (3) already being treated by a mental health clinician. Provides that, if the required screening results in a recommendation of mental health care for the youth, the youth's caseworker shall coordinate the delivery of mental health care and related services recommended for the youth. Specifies that, if the youth in care is covered under the State's Medicaid managed care program, the managed care plan shall ensure that the youth has access to a mental health provider who will begin serving the youth within 30 days after receipt of the referral from the screening and who satisfies certain availability and proximity requirements. Requires the Department of Children and Family Services and the Department of Healthcare and Family Services to ensure that any managed care plan that is in effect, amended, delivered, issued, or renewed on or after January 1, 2026 will require managed care organizations to meet these obligations if the managed care plan serves youth in care under the State's Medicaid managed care program. Specifies that any mental health care and related services provided to the youth shall be in addition to any other care or services the youth receives from the youth's primary care provider. Grants the Department of Children and Family Services rulemaking powers to implement these provisions, including the power to adopt rules to promote a holistic and proactive approach to the provision of mental health care for youth in care. Defines "mental health and wellness screening".

HB 02827 (Continued)

Creates the Homeschool Act. Requires the State Board of Education to create a Homeschool Declaration Form to be used by a homeschool administrator to submit information indicating that a child is enrolled in a homeschool program to the principal of the public school or to the school district that the homeschooled child would otherwise attend. Provides that a student enrolled in a homeschool program in which the homeschool administrator has not notified the public school or school district with the Homeschool Declaration Form is considered truant, with penalties applying. Provides that if a child in a homeschool program seeks to enroll part time in a public school or participate in any public school activities taking place on or off of school grounds, the homeschool administrator must submit proof that the child has received all required immunizations and health examinations or a signed Certificate of Religious Exemption. Sets forth requirements for homeschool administrators and programs and reporting requirements. Makes conforming and other changes in the Freedom of Information Act, the School Code, and the Illinois School Student Records Act, including requiring (rather than allowing) nonpublic schools to register with the State Board of Education.

House Committee Amendment No. 1

Adds reference to:

105 ILCS 10/2

Adds reference to:

105 ILCS 10/6

from Ch. 122, par. 50-6

Adds reference to:

105 ILCS 10/8.5 new

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. In the Homeschool Act: Requires proof of immunization and a health examination or an exemption only for regularly occurring, public-school-sponsored, public-school activities. Requires a homeschool administrator to have a high school diploma or its recognized equivalent at a minimum. Requires the homeschool administrator to provide proof of, among other options, any degree obtained from an institution of higher education. Changes the reporting date for regional offices of education, intermediate service centers, and the Chicago school district from June 30 (beginning in 2027 and every year thereafter) to July 31; changes the reporting date for the State Board of Education from July 31 (previously beginning in 2027, but now beginning in 2028) to February 1; and makes other changes. Provides that nothing in the Act supersedes the Department of Children and Family Services Guardianship Administrator's authority to approve or deny whether a youth under the custody or guardianship of the Department of Children and Family Services Guardianship Administrator may participate in a homeschool program and that consent must be obtained from the Department of Children and Family Services Guardianship Administrator prior to the Homeschool Declaration Form being submitted for all youth under the custody or guardianship of the Department of Children and Family Services Guardianship Administrator. In the Freedom of Information Act: Provides that information and records held by any school district (rather than the Chicago school district) containing confidential information about a student, parent, or guardian under the Homeschool Act is exempt from copying and inspection. In the Illinois School Student Records Act: Provides that neither a "student permanent record" nor a "student temporary record" includes a Homeschool Declaration Form or any record that a homeschool administrator submits to a school district for proof of a homeschooled student's immunization and health examination. Provides that student records or information may be released, transferred, disclosed, or otherwise disseminated to the State Board of Education or a school or school district's regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent of schools only for the purposes of transmitting a Homeschool Declaration Form to one of these entities in accordance with the Homeschool Act. Requires a regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent that receives a Homeschool Declaration Form to maintain a copy of the Homeschool Declaration Form for not less than 5 years after receiving the Homeschool Declaration Form. Provides that a public school or school district is not required to maintain a Homeschool Declaration Form or a copy of a Homeschool Declaration Form, but may maintain a copy of a Homeschool Declaration Form as long as the public school or school district abides by all storage requirements and confidentiality requirements. Requires a public school or school district that receives proof of a homeschooled student's immunization and health examination to maintain a copy of those records for not less than 5 years after receipt.

Amends the Probate Act of 1975. Requires a supporter in an agreement must complete the training and education developed by the Guardianship and Advocacy Commission within 45 days of signing the consent to act as a supporter. Provides that a supported decision-making agreement is terminated if: (i) there is a restraining order against the supporter by or on behalf of the principal; (ii) the principal revokes the agreement; (iii) the supporter resigns; (iv) ordered by a court; or (v) the agreement includes a termination date. Provides that a supported decision-making agreement is suspended while: (i) the conditions of the Health Care Surrogate Act are met, (ii) a medical or psychological evaluation has concluded that the principal lacks decisional capacity but a subsequent evaluation has not yet found the principal's decisional capacity restored; or (iii) the agency established in a durable power of attorney has begun but not yet terminated. Provides that upon the filing of a petition by an interested person, a court may suspend or terminate a supported decision-making agreement if necessary to ensure the well-being and safety of the principal.

Provides that all operators of a warehouse within this State shall prepare a tornado safety plan for each warehouse they operate within 120 days after the effective date of the Act for each existing warehouse or, for warehouses opened on or after 120 days after the effective date of the Act, no later than 7 days after the warehouse becomes operational. Provides that each plan shall be specific to the warehouse it was prepared for and must be reviewed and updated at least once per year or upon any significant change to the operations of the warehouse that affects the applicability or accuracy of the information in the plan. Specifies what the plan must contain. Requires each warehouse facility to have designated or constructed sufficient shelter space for at least 125% of persons who regularly work in the warehouse at the same time, including persons who are at the warehouse temporarily, such as delivery drivers. Requires each warehouse to maintain specified emergency supplies in its tornado shelter. Effective immediately.

HB 02987 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the bill with the following changes. In provisions concerning tornado safety plans, provides that the operator of a warehouse should coordinate with the warehouse's local emergency services and disaster agency and fire department or fire protection district to create plans that, when implemented, will be consistent with the local jurisdiction's response activities. Provides that copies of the plan and all updates made to the plan must be filed with the fire department or fire protection district in the jurisdiction in which the warehouse is located and the local emergency services and disaster agency in the jurisdiction in which the warehouse is located (instead of filed with the Office of the State Fire Marshal, the Illinois Emergency Management Agency and Office of Homeland Security, and the fire department, fire protection district, or local emergency services agency with primary responsibility for the warehouse). Provides that warehouse facilities constructed after the effective date of the Act must provide the means, through modification, installation, or demonstration via rational analysis, to meet a life-safety performance level for tornado loading that is equivalent to, or exceeds, the life-safety performance level for the most onerous of other building code-prescribed extreme environmental loading events. Sets forth provisions concerning that evaluation. Provides that, in lieu of a risk-targeted approach, the evaluating design professional may elect to follow prescriptive methods as outlined in the Federal Emergency Management Agency standard P-431, Tornado Protection: Selecting Refuge Areas in Buildings and the Best Available Refuge Area Checklist to ensure that shelter areas designated in tornado safety plans are qualified as the best available refuge areas. Removes provisions concerning tornado shelters and emergency supplies. Amends the Counties Code. Defines "building inspector". Requires a building inspector to hold a certification from the International Code Council in the area in which the inspector is inspecting or examining. Requires that the county keep on file a copy of the certifications of the persons doing inspections or examinations on its behalf. Provides that a building inspector may have a grace period of one year from the date of hire to acquire the certification required under these provisions. Amends the Illinois Municipal Code to add similar requirements for building inspectors. Effective immediately, except that provisions amending the Counties Code and the Illinois Municipal Code take effect January 1, 2027.

Senate Committee Amendment No. 1

Provides that "warehouse" means a building in which warehouse workers perform their duties and goods are stored in industries defined by specified North American Industry Classification System (NAICS) codes, however such building is denominated (instead of an establishment as defined by specified North American Industry Classification System (NAICS) codes, however such establishment is denominated).

New Act

Creates the Temporary Immunity for Child Welfare Agencies Act. Creates immunity from civil liability for a licensed child welfare agency that provides service for youth in foster care for a 2-year period unless the agency's acts or omissions constitute willful and wanton conduct. Provides that the immunity extends to the agency's employees, volunteers, and agents acting within the scope of their employment. Defines a "child welfare agency" to mean a public or private child care facility that receives a child or children for the purpose of placing or arranging for the placement or free care of the child or children in foster family homes, unlicensed pre-adoptive and adoptive homes, adoption-only homes, or other facilities for child care apart from the custody of the child's or children's parents. The term "child welfare agency" includes (i) all agencies established and maintained by a municipality or other political subdivision of the State to protect, guard, train or care for children outside their own homes; and (ii) all agencies, persons, groups of persons, organizations, corporations, institutions, centers, or group providing adoption services but does not include a circuit court, appointed juvenile probation officer, or youth counselor of the court who receive and place children under an order of the court. Creates the Child Welfare Agency Liability Task Force to develop and recommend a permanent solution to address the unavailability of liability insurance for child welfare agencies in the State. Requires that the Task Force submit its first report to the General Assembly no later than December 26, 2026. Effective immediately.

Provides that if the holder of the property fails or refuses to provide the requested property or information within 60 business days after receiving the affidavit, the charitable organization may bring an action against the holder of the property to receive the information about the property or recover the property or compel the delivery of the property. Provides that the court may award reasonable attorney's fees based on the time expended by the attorney to obtain the requested information or payment, delivery, or transfer of the property without regard to the amount of the recovery on behalf of the charitable organization. Deletes the requirement that verification of a charitable organization's authority may not exceed 30 days from the date of delivery of the affidavit.

750 ILCS 5/505	from Ch. 40, par. 505
750 ILCS 5/510	from Ch. 40, par. 510

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides for a child support calculation for shared physical care in which each parent exercises 110 or more overnights per year with the child or 110 or more overnight equivalents as determined by a court as a deviation from guidelines or upon agreement by the parties. Provides that overnight equivalents are calculated by using a method other than overnights if the parent has significant parenting time periods on separate days in which the child is in the parent's physical care and under the direct care of that parent but does not stay overnight. Provides that if parents have shared physical care of a child, the basic child support obligation is multiplied by 1.5 to calculate the combined shared care child support obligation; the court shall determine each parent's portion of the shared care child support obligation based on the parent's percentage share of combined adjusted net income; the shared care child support obligation is then computed for each parent by multiplying that parent's portion of the shared care support obligation by the percentage of time the child spends with the other parent and determining any adjustment for shared physical custody that is less than 146 overnights or overnight equivalents. Provides that the respective shared care child support obligations are then offset with the parent owing more paying the difference in child support. Creates a statutory table to calculate the child support if a parent has physical shared custody for less than 146 overnights or overnight equivalents per year. Provides that the shared care child support obligation after adjustment may not be greater than the amount that would have been ordered under the basic support guidelines in any event. Provides that a parent incarcerated for more than 180 days is presumed to be unable to pay any amount of child support, and this presumption may be rebutted by evidence establishing the ability to pay child support during incarceration. Provides a rebuttable presumption that a minimum child support obligation of \$40 per month, per child, will be entered for an obligor who has actual or imputed gross income at or less than 100% of the most recent United States Department of Health and Human Services Federal Poverty Guidelines for a family of one person.

Amends the Township Open Space Article of the Township Code. Reduces the acreage that constitutes open land or open space under the Article to 25 acres (currently, 50 acres). Provides, in the definition of "open space purposes", that development includes development for agricultural purposes. Provides that, after the effective date of the amendatory Act, a township board may lease open space that is a part of the township's open space program for a period not longer than 25 years from the date of the lease to an individual, a nonprofit organization, the federal government, a state government, or a local government for specified purposes consistent with open space purposes. Provides that, upon expiration of a lease of land that was leased after the effective date of the amendatory Act, title to all structures on the leased land shall be vested in the township. Provides that leased open space may be used for agricultural purposes. Provides that a township board may lease open space for open space purposes and buildings and facilities on the open space to an individual, a nonprofit organization, the federal government, a state government, or a local government. Provides that the township board may not sell, convey, donate, or otherwise dispose of open space without referendum approval by the majority of the voters of the township at a regular election, and provides that the board may certify the question of disposition of property to the appropriate election authority only if the board approves the question by at least a two-thirds majority of the board members. Provides that, if a township dissolves or is consolidated or merged or the boundaries of the township are altered, any affected open space shall continue to be used for open space purposes unless the open space is disposed of or is approved by a two-thirds vote of the board of the unit of local government in control of that open space and after referendum of the voters of the unit of local government.

House Floor Amendment No. 1

Reduces the acreage that constitutes open land or open space under the Article from 50 acres or more to 12 acres or more (rather than from 50 acres or more to 25 acres or more in the introduced bill). Provides that a township board may, without a referendum, sell, convey, or donate any part of the open space to the Illinois Department of Transportation if specified conditions are satisfied. Provides that, if a township dissolves or is consolidated or merged or the boundaries of the township are altered, any open space affected by that action shall continue to be used for open space purposes unless, among other reasons, the open space is sold, conveyed, or donated to a nonprofit organization, the federal government, a state government, or a local government to be used for open space purposes.

Amends the School Code. Allows a teacher to grieve the issuance of a warning regarding causes that are considered remediable pursuant to the applicable collective bargaining agreement to determine whether the school district had just cause in issuing the warning. Requires notice of remedial warnings to be narrowly specify the nature of the alleged misconduct that needs to be remedied. Provides that general allegations of unprofessional conduct are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances shall a notice of remedial warning remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning. Effective immediately.

House Floor Amendment No. 1

Provides that nothing in the Section concerning the removal or dismissal of teachers in contractual continued service precludes a school board from asserting that the specific conduct alleged in an original notice of remedial warning letter is part of an alleged pattern of behavior, but the original warning or subsequent action taken must be reasonably related to the specific conduct alleged. Removes the language that provides that general allegations of unprofessional conduct or similar phrases are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances may a notice of remedial warning remain effective for longer than 4 years from the date of the issuance of the notice of remedial warning (rather than remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning). Requires the school district to use reasonable efforts to remove the notice of remedial warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed through the exclusive bargaining representative. Corrects grammatical and terminology errors.

Senate Committee Amendment No. 1

Amends the Courses of Study Article of the School Code. Provides that, beginning with the 2026-2027 school year, every public elementary school and high school shall include in its curriculum a unit of instruction studying the events of Arab American history, including the history of Arab Americans in the State and the Midwest, as well as the contributions of Arab Americans from the 19th century onward. Provides that each school board shall determine the minimum amount of instructional time that qualifies as a unit of instruction. Provides that the regional superintendent of schools shall monitor a school district's compliance with the curricular requirements during the regional superintendent's annual compliance visit. Provides that a school may meet the requirements through an online program or course. Effective immediately.

Fiscal Note (State Board of Education)

This change would have a fiscal impact on the Illinois State Board of Education, with estimated costs of \$8,764 for implementation. While there may also be increased costs to school districts, regional offices of education, and public schools, those amounts are currently unknown. The State Board of Education recommends that sponsors consult with relevant stakeholders to better understand the potential costs to districts.

New Act

Creates the Patient Access to Pharmacy Protection Act. Defines terms. Provides that no person, including a pharmaceutical manufacturer, may deny, restrict, prohibit, condition, or otherwise interfere with, either directly or indirectly, the acquisition of a 340B drug by, or delivery of a 340B drug to, a 340B covered entity or a 340B contract pharmacy authorized to receive 340B drugs on behalf of the 340B covered entity unless such receipt is prohibited by federal law. Provides that no person, including a pharmaceutical manufacturer, may impose any restriction on the ability of a 340B covered entity to contract with or designate a 340B contract pharmacy including restrictions relating to the number, location, ownership, or type of 340B contract pharmacy. Provides that no person, including a pharmaceutical manufacturer, may require or compel a 340B covered entity or 340B contract pharmacy to submit or otherwise provide ingredient cost or pricing data pertinent to 340B drugs unless required by State or federal law; institute requirements in any way relating to how a 340B covered entity manages its inventory of 340B drugs that are not required by a State or federal agency, including requirements relating to the frequency or scope of audits of inventory management systems of a 340B covered entity or a 340B contract pharmacy; or submit data or information that is not required by State or federal law as a condition for a 340B covered entity, its 340B contract pharmacy, or a location otherwise authorized by a 340B covered entity to receive 340B drugs. Sets forth provisions concerning enforcement of this Act; preemption of this Act; and severability of this Act. Effective immediately.

State Mandates Fiscal Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 3350 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness

Fiscal Note (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

Correctional Note (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

New Act

Creates the Illinois Receivership Act. Creates a process in which a person is appointed by the court as the court's agent under the court's direction to take possession of, manage and, if authorized by the Act or court order, transfer, sell, lease, or otherwise dispose of receivership property. Provides criteria for a court to provide notice and opportunity for a hearing as appropriate before the court can issue an order under the Act. Applies to real property and any personal property related to or used in operating the real property, personal property and fixtures, and other business assets such as corporations, limited liability companies and trusts among other things. Provides that this Act does not apply to (i) an interest in real property improved by one to six dwelling units with some exceptions; (ii) a receiver that is a governmental unit or an individual acting in an official capacity on behalf of the governmental unit unless the unit elects for this Act to apply; and (iii) a receiver appointed under the Illinois Mortgage Foreclosure Law. Defines terms. Provides for the powers and duties of a receiver, disqualification of a receiver, the status of a receiver as lien holder, duties of an owner, powers of the court in managing a receivership, and defenses and immunities of a receiver. Makes other changes.

House Floor Amendment No. 1

Provides that this Act does not apply to residential real estate as defined in the Illinois Mortgage Foreclosure Law. Deletes provisions that this Act does not apply to a receivership for an interest in real property improved by one to six dwelling units unless: (1) the interest is used for agricultural, commercial, industrial, or mineral-extraction purposes, other than incidental uses by an owner occupying the property as the owner's primary residence; (2) the interest secures an obligation incurred at a time when the property was used or planned for use for agricultural, commercial, industrial, or mineral-extraction purposes; (3) the owner planned or is planning to develop the property into one or more dwelling units to be sold or leased in the ordinary course of the owner's business; or (4) the owner is collecting or has the right to collect rents or other income from the property from a person other than an affiliate of the owner.

House Floor Amendment No. 2

Provides that the Act does not apply to a receivership if the receiver is appointed under the Nursing Home Care Act.

330 ILCS 61/1-15

Amends the Service Member Employment and Reemployment Rights Act. In a provision concerning differential compensation, changes the definition of "work days" to mean the actual number of shifts (rather than days) the employee would have worked during the period of military leave but for the service member's military obligation. Further provides that work days are tabulated without regard for the number of hours in a shift (rather than work day), regardless if the shift extends into the next day. Removes a provision providing that work hours that extend into the next calendar day count as 2 work days.

330 ILCS 61/5-5

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following additional changes: Provides that a service member whose employment with an employer is interrupted by a period of active service shall be permitted, upon request of that service member, to use during such period of service any vacation, annual, or similar leave with pay accrued by the service member before the commencement of such period of active service. In a provision concerning concurrent compensation for public employees who are members of a reserve component, provides that such public employees may receive concurrent compensation for both annual training orders and orders in lieu of annual training in the same calendar year; however, the combined total of their concurrent compensation shall not exceed 30 days in a calendar year. In a provision concerning differential compensation, provides that after a public employee is absent from his or her employment for a consecutive period of 365 days while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated. Further provides that the public employee's right to differential pay shall be reinstated upon the employee's return to work with his or her employer for more than 90 calendar days. Provides that public employees are not entitled to differential pay for periods of unpaid active service including, but not limited to: travel to and from military orders, rest periods immediately before or after military orders, and military service in which the public employee does not receive pay from the military. Provides that "work days" are tabulated up to 24 continuous hours in a shift, regardless if the shift extends into the next calendar day; and a shift that extends beyond 24 continuous hours will be calculated as an additional work day. Makes the bill effective immediately.

Senate Floor Amendment No. 1

In provisions concerning differential compensation for public employees during periods of military leave, provides that after a public employee is absent from his or her employment for a consecutive 3-year period (rather than for a consecutive period of 365 days) while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated.

Provides that participation (instead of participation in a work-based learning experience) may include, but is not limited to, scheduled events of local, State, and national youth organizations, career and technical education student organizations, FFA associations, and 4-H programs as part of organized competitions, exhibitions, or conferences (instead of scheduled events of State FFA associations, the National FFA Organization, and 4-H programs as part of organized competitions or exhibitions). Allows for participation in any work-based learning experience, including supervised agricultural experiences, in which student participation and learning outcomes are approved by an educator who holds an Educator License with Stipulations with a Career and Technical Educator endorsement and a work-based learning designation, as required by rule. Allows for participation in a youth apprenticeship in which student participation and outcomes are approved (instead of directed) by a licensed educator for assessment of competencies. 105 ILCS 5/24-12

Amends the School Code. Allows a teacher to grieve the issuance of a warning regarding causes that are considered remediable pursuant to the applicable collective bargaining agreement to determine whether the school district had just cause in issuing the warning. Requires notice of remedial warnings to be narrowly specify the nature of the alleged misconduct that needs to be remedied. Provides that general allegations of unprofessional conduct are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances shall a notice of remedial warning remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning. Effective immediately.

House Floor Amendment No. 1

Provides that nothing in the Section concerning the removal or dismissal of teachers in contractual continued service precludes a school board from asserting that the specific conduct alleged in an original notice of remedial warning letter is part of an alleged pattern of behavior, but the original warning or subsequent action taken must be reasonably related to the specific conduct alleged. Removes the language that provides that general allegations of unprofessional conduct or similar phrases are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances may a notice of remedial warning remain effective for longer than 4 years from the date of the issuance of the notice of remedial warning (rather than remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning). Requires the school district to use reasonable efforts to remove the notice of remedial warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed through the exclusive bargaining representative. Corrects grammatical and terminology errors.

Senate Committee Amendment No. 1

Amends the Criminal Code of 2012. Changes the statute of limitations for grooming to provide that when the victim is under 17 years of age at the time of the offense, a prosecution for grooming may be commenced within 10 years after the victim or the person with a disability attains 17 years of age. Changes the name of the offense of child pornography to child sexual abuse material. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent" and changes the definition of "family member" to include a sibling and an accused who has resided in the household for at least 3 (rather than 6) months. Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony. Provides that a defendant, in order to commit grooming, must be 5 years or more older than the groomed child, or hold a position of trust, authority, or supervision in relation to the child at the time of the offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Amends various Acts to change references from "child pornography" to "child sexual abuse material".

Amends the Courses of Study Article of the School Code. Provides that, beginning with the 2026-2027 school year, every public elementary school and high school shall include in its curriculum a unit of instruction studying the events of Arab American history, including the history of Arab Americans in the State and the Midwest, as well as the contributions of Arab Americans from the 19th century onward. Provides that the State Superintendent of Education may prepare and make available to all school boards instructional materials, including those established by the Public Broadcasting Service, that may be used as guidelines for the development of the unit of instruction. Provides that each school board shall determine the minimum amount of instructional time that qualifies as a unit of instruction. Provides that the regional superintendent of schools shall monitor a school district's compliance with the curricular requirements during the regional superintendent's annual compliance visit. Provides that a school may meet the requirements through an online program or course. Effective immediately.

Fiscal Note (State Board of Education)

This change would have a fiscal impact on the Illinois State Board of Education, with estimated costs of \$8,764 for implementation. While there may also be increased costs to school districts, regional offices of education, and public schools, those amounts are currently unknown. The State Board of Education recommends that sponsors consult with relevant stakeholders to better understand the potential costs to districts.
