Amends the Public Utilities Act. Provides that 20% of the lesser of (rather than the lesser of): (i) the purchase price or (ii) the fair market value shall constitute the rate base associated with the water or sewer utility as acquired by and incorporated into the rate base of the district designated by the acquiring large public utility, subject to any adjustments that the Illinois Commerce Commission deems necessary to ensure such rate base reflects prudent and useful investments in the provision of public utility service. Provides that the difference between the rate base and the purchase price or fair market value shall be borne by the shareholders of the acquiring large public utility. In provisions concerning the acquisition of a water or sewer utility, provides that, at the next election following the public meeting and notice requirements, a referendum shall be placed on the ballot for all electors within the area the water or sewer utility operates. Provides that, if less than a majority of the electors voting on the referendum within the service area of the water or sewer utility vote in favor of the referendum, the Commission shall not approve the large public utility's acquisition of the water or sewer utility. Removes a provision that provides that the Commission may authorize a water or sewer utility to file a surcharge which adjusts rates and charges to provide for recovery of costs associated with an investment in qualifying infrastructure plant, independent of any other matters related to the utility's revenue requirement. Makes other changes.

Senate Committee Amendment No. 1

In provisions concerning the acquisition of a water or sewer utility owned by the State or any political subdivision thereof by a large public utility, removes provisions requiring a referendum before the Illinois Commerce Commission can approve an acquisition.

Amends the Illinois Vehicle Code. Changes the definition of "automated license plate reader" or "ALPR" to mean a camera or system of cameras using computer algorithms to convert images of license plates into automated computer-recognized searchable alphanumeric data (rather than an electronic device) that is mounted on a law enforcement vehicle or positioned in a stationary location and that is capable of recording data on or taking a photograph of a vehicle or its license plate and comparing the collected data and photographs to existing law enforcement databases for investigative purposes. Allows a law enforcement agency to retain ALPR system detection records for 5 years after the date of the creation of the records. Requires the detection records to be archived 90 days after the creation of the records unless the information is relevant to an ongoing investigation or pending criminal trial. Provides that any detection records that are older than 90 days shall only be accessed with the written approval of the law enforcement agency head. Prohibits all detection records archived after 90 days from being searchable by out-of-state agencies. Requires all detection records to be destroyed 5 years after the records were created unless the information is relevant to an ongoing investigation or pending criminal trial. Adds an additional condition for acceptance of a DFI award. Provides that if the obligation of the award is not met, repayment of the funds awarded shall (rather than may) be required according to procedures developed by the Board of Higher Education (rather than the Program Board). Provides that all grants are subject to the Illinois Grant Funds Recovery Act. Requires applicants to submit an application annually, as well as complete the Free Application for Federal Student Aid. Adds additional factors for the Commission to consider when prioritizing the allocation of funds. Removes language providing that at least 35% of the funds appropriated for awarded scholarships in each fiscal year shall be reserved for qualified male minority applicants, with priority being given to qualified Black male applicants, and if the Commission does not receive enough applications from qualified male minorities, then the Commission may award a portion of the reserved funds to qualified female minority applicants. Requires each recipient of a teacher scholarship to sign and submit a teaching agreement or promissory note to the Commission. Provides that recipients of a teacher scholarship are also required to provide the Commission with evidence of compliance with program requirements. Provides that if a recipient of a teacher scholarship fails to fulfill the teaching obligation, the scholarship converts to a loan with a repayment period of 10 years. Requires the State Board of Education to furnish all appropriate data referenced within the definition of a qualified student on a timely basis to the Commission. Provides that institutions shall also submit eligibility information for qualified students in sufficient time for the Commission to make award announcements. Provides that the changes made by the amendatory Act shall first apply beginning with awards made for the 2025-2026 academic year. Amends the Transitions in Education Act to make a related change. Amends the Juvenile Court Act of 1987. Provides that in a proceeding under the Delinquent Minors Article of the Act, a minor who was under 18 (rather than under 15) years of age at the time of the commission of an act that if committed by an adult would be a violation of any offense under the Criminal Code of 1961 or the Criminal Code of 2012 (rather than a homicide offense or criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse) must be represented by counsel throughout the entire custodial interrogation of the minor. Provides that in custodial interrogations, a minor may not waive the right to the assistance of counsel. Provides that an oral, written, or sign language statement of a minor, who at the time of the commission of the offense was under 18 years of age, is presumed to be inadmissible when the statement is obtained from the minor while the minor is subject to custodial interrogation by a law enforcement officer, State's Attorney, juvenile officer, or other public official or employee prior to the officer, State's Attorney, public official, or employee ensuring that the minor is represented by counsel throughout the custodial interrogation. Provides that the amendatory Act may be referred to as the Thermal Energy Network and Jobs Acts. Sets forth a statement of legislative findings and intent. Amends the Public Utilities Act. Defines "thermal energy" and "thermal energy network". Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Makes other changes. Effective immediately.

Senate Committee Amendment No. 1

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

Amends the Juvenile Court Act of 1987. Provides that a minor found to be guilty may be committed to the Department of Juvenile Justice if the minor is at least 14 (rather than 13) years and under 20 years of age, provided that the commitment to the Department of Juvenile Justice shall be made only if the minor was found guilty of a felony offense or first degree murder. Provides that when a minor of the age of at least 14 (rather than 13) years is adjudged delinquent for the offense of first degree murder, the court shall declare the minor a ward of the court and order the minor committed to the Department of Juvenile Justice until the minor's 21st birthday, without the possibility of aftercare release, furlough, or nonemergency authorized absence for a period of 5 years from the date the minor was committed to the Department of Juvenile Justice. Amends the Juvenile Court Act of 1987. Provides that on or after July 1, 2026 and before July 1, 2027, any minor 12 years of age or older arrested pursuant to the Act if there is probable cause to believe that the minor is a delinquent minor and that secure custody is a matter of immediate and urgent necessity, in light of a serious threat to the physical safety of a person or persons in the community or in order to secure the presence of the minor at the next hearing, as evidenced by a demonstrable record of willful failure to appear at a scheduled court hearing within the past 12 months, may be kept or detained in an authorized detention facility. Provides that on or after July 1, 2027, minors age 12 years of age and under 13 years of age and charged with first degree murder, aggravated criminal sexual assault, aggravated battery in which a firearm was used in the offense, or aggravated vehicular hijacking, may be kept or detained in an authorized detention facility. Provides that no minor under 13 (rather than under 12) years of age shall be detained in a county jail or a municipal lockup for more than 6 hours. Provides that instead of detention, minors under the age of 13 who are in conflict with the law may be held accountable through a petition under the Minors Requiring Authoritative Intervention Article of the Act, or may be held accountable through a community mediation program. Further amends the Unified Code of Corrections. Creates the Child First Reform Task Force to consider the conditions and administration of individual juvenile detention centers, identify the resources needed to consistently meet the minimum standards set by the Department of Juvenile Justice and the Administrative Office of the Illinois Courts, evaluate complaints arising out of juvenile detention centers, identify best practices to provide detention center care, propose community-based alternatives to juvenile detention, and advise on the creation of the Youth Advisory Agency with youth justice advisors and district youth advisory offices in each circuit court district. Establishes its composition. Provides that the Department of Juvenile Justice shall provide administrative support for the Task Force. Provides that the provisions concerning the Task Force are repealed on January 1, 2028. Provides that the Task Force provisions take effect immediately. Provides that the youth nonviolent crime resource program provisions take effect July 1, 2026.

New Act

Creates the Transparency in Downcoding Act. Provides that the Act applies to certain policies of health insurance amended, delivered, issued, or renewed on or after the effective date of the Act, except for employee or employer self-insured health benefit plans under the federal Employee Retirement Income Security Act of 1974 and health care provided pursuant to the Workers' Compensation Act or the Workers' Occupational Diseases Act. Prohibits a health insurance issuer from using an automated process, system, or tool to downcode a claim; from downcoding a claim based solely on the reported diagnosis codes; and from using downcoding practices in a targeted or discriminatory manner against physicians who routinely treat patients with complex or chronic conditions. Requires downcoding decisions to be made by a physician licensed to practice medicine in all its branches in any United States jurisdiction and of the same or similar specialty as a physician who typically manages the medical condition or disease. Sets forth provisions concerning notification requirements for downcoded claims; the appeal process for downcoded claims; enforcement by the Department of Insurance; and penalties. Provides that any pattern or practice of discriminatory downcoding identified by the Director of Insurance or another regulatory authority shall be subject to enforcement actions, including fines, restitution, or suspension of the health insurance issuer's license in this State. Provides that if a veteran with a service-connected disability is arrested for or charged with a criminal offense and there is prima facie evidence that the veteran was suffering from an episode of post-traumatic stress disorder or a related mental health condition during the commission of the offense, there is a rebuttable presumption that the veteran is eligible to participate in a veterans and servicemembers court program, and after the arrest or charge, the following procedures shall take place: (1) the veteran shall be evaluated and treated as soon as practicable by a qualified medical professional for post-traumatic stress disorder and any other mental health condition or disorder; and (2) the court shall order a screening and clinical needs assessment and risk assessment and a mental health and substance use disorder screening and assessment. Provides that if a veteran with a service-connected disability is charged for the first time with a criminal offense, including a felony, except certain offenses that would make him or her ineligible to participate in a veterans and servicemembers court program, and suffered from post-traumatic stress disorder or a related mental health condition during the commission of the offense, then, upon successful completion of the terms and conditions of a court program, the court shall dismiss the original charges against the veteran or successfully terminate the veteran's sentence or otherwise discharge the veteran from any further proceedings against the participant in the original prosecution. Amends the Landlord and Tenant Act. Provides that any landlord of a dwelling unit of residential real property must offer any tenant the option of having the tenant's rental payment information reported to at least one nationwide consumer reporting agency as long as the consumer reporting agency resells or otherwise furnishes rental payment information to a nationwide consumer reporting agency. "Rental payment information" means information regarding a tenant's complete, timely payments of rent. Requires that before reporting a tenant's rental history information, the landlord must first provide written notice of the offer and obtain written authorization from the tenant electing to have the rent reported. Specifies what information the notice must contain. Provides that if a tenant elects to have that tenant's rental payment information reported to a consumer reporting agency, the landlord may require that the tenant pay a fee not to exceed the actual cost to the landlord to provide the service plus \$5 per month. Provides that the payment or nonpayment of this fee by the tenant may not be reported to a consumer reporting agency. Exempts a landlord of a residential rental building that contains 15 or fewer dwelling units, unless the landlord: (1) owns more than one residential rental building, regardless of the number of units in each building; and (2) is a corporation, limited liability company in which at least one member is a corporation or a real estate investment trust. New Act

30 ILCS 540/1

from Ch. 127, par. 132.401

Creates the State Agency Retainage Act. Provides that, if a State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made, a percentage of the payment may be retained by the State agency. Prohibits the amount of retainage under the Act from exceeding 10% of the approved estimated amount under the terms of the contract until the contract is 50% completed. Prohibits retainage of more than 5% of the contract for the duration of the contract. Authorizes retainage to be adjusted as the contract approaches completion to recognize better than expected performance, the ability to rely on alternative safeguards, and other factors. Requires hospitals and birthing centers to adopt and maintain written policies and procedures authorizing a patient enrolled in the medical assistance program to select an Illinois Medicaid certified and enrolled doula of the patient's choice to accompany the patient within the facility's premises for the purposes of providing support before, during, and after labor and childbirth, and during the patient's entire postpartum stay. Provides that the doula shall be considered part of the patient's care team and shall not be counted as a support person or against any guest quota. Requires hospitals and birthing centers to provide a written copy of their policies and procedures to maternity patients, the facilities' maternity health care providers, and any other person at the patient's request. Requires publication of the written policies on each facility's website. Contains provisions concerning hospital and birthing center liaisons and doulas certification acknowledgment requirements. Permits the Department of Healthcare and Family Services and the Department of Public Health to establish standing recommendations to meet Centers for Medicare and Medicaid Services requirements and ensure access to preventive services, including Medicaid-covered maternal and reproductive health supports and services.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that, within 6 months after the amendatory Act, all hospitals with licensed obstetric beds and birthing centers shall adopt and maintain written policies and procedures to permit a patient enrolled in the medical assistance program to have an Illinois Medicaid certified and enrolled doula of the patient's choice accompany the patient within the facility's premises for the purposes of providing support before, during, and after labor and childbirth. Provides that an Illinois Medicaid certified and enrolled doula shall not be counted as a support person or against the guest quota before, during, or after childbirth. Requires each applicable facility to post a summary of the facility's adopted policies and procedures on its website, including contact information to facilitate communication between the facility and Illinois Medicaid enrolled doulas and doula organizations. Provides that nothing in the amendatory Act: (i) shall be construed to provide a doula with access to a patient when that access is inconsistent with generally accepted medical standards or practices; and (ii) is intended to expand or limit the malpractice liability of a hospital beyond the limits existing in current Illinois statutory and common law. Requires Illinois Medicaid enrolled doulas to provide written acknowledgment of doula certification and enrollment in the medical assistance program upon request of the hospital or birthing facility. Permits the Departments of Healthcare and Family Services and Public Health to establish standing recommendations to meet Centers for Medicare and Medicaid Services requirements and ensure access to preventive services.

Senate Floor Amendment No. 3

In the Safe Gun Storage Act, provides that a provision concerning the storage of firearms does not apply (1) if the minor, an at-risk person, or a prohibited person gains access to a firearm and uses it in a lawful act of self-defense or defense of another; or (2) to any firearm obtained by a minor, an at-risk person, or a prohibited person because of an unlawful entry of the premises by the minor, at-risk person, prohibited person or another person. In the amendatory changes to the Firearm Dealer License Certification Act, provides that the sign posted in a conspicuous position on the certified licensee's premises must contain the warning that it is unlawful for the licensee to fail to report the loss or theft of the licensee's firearm to local law enforcement within 48 (rather than 72) hours. SB 00126 (Continued)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Specifies that nothing in provisions of the Illinois Insurance Code requiring coverage of certain treatments or medications prescribed to slow the progression of Alzheimer's disease or another related dementia prohibits a group or individual policy of accident and health insurance or managed care plan from requiring a pharmacist to effect substitutions of prescription drugs under certain provisions of the Pharmacy Practice Act. Provides that the required coverage shall not apply to managed care plans that are under contract with the Department of Healthcare and Family Services. Amends the State Employees Group Insurance Act of 1971 to require the same coverage as provided under the Illinois Insurance Code for treatments to slow the progression of Alzheimer's disease and related dementias. 735 ILCS 110/15

Creates the Uniform Public Expression Protection Act. Applies the Act to a civil cause of action, including an action in federal court under its supplemental or diversity jurisdiction, against a person based on the person's: (i) communication in a legislative, executive, judicial, administrative, or other governmental proceeding; (ii) communication on an issue under consideration or review in any of these proceedings; or (iii) exercise of a right guaranteed by the United States Constitution or the Illinois Constitution on a matter of public concern. Provides that the Act does not apply to a cause of action asserted: (i) against a governmental unit or an employee or agent of a governmental unit acting or purporting to act in an official capacity; (ii) by a governmental unit or an employee or agent of a governmental unit acting in an official capacity to enforce a law to protect against an imminent threat to public health or safety; or (iii) against a person primarily engaged in the business of selling or leasing goods or services if the cause of action arises out of a communication related to the person's sale or lease of the goods or services. Creates a procedure for a special motion for expedited relief for a party being sued for issues covered by the Act to dismiss or strike the action in whole or in part within 60 days of being sued. Requires the court to rule on a special motion for expedited relief within 60 days after a hearing, and the court must conduct a hearing not later than 60 days after the filing of such a motion unless it continues it for discovery under the Act or for other good cause. Makes other changes. Makes a conforming change in the Citizen Participation Act. Effective immediately.

Provides that on a motion by the moving party, the court may stay a hearing or motion involving another party, or discovery by another party, if the hearing or ruling on the motion would adjudicate, or the discovery would relate to, an issue material to the motion to dispose of a claim under the Act. Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Makes other changes. Effective immediately.

Senate Committee Amendment No. 1

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

705 ILCS 405/2-4b

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 concerning abused, neglected, and dependent minors. Changes the provisions concerning Family Support Program services. Changes the program to publicly funded community and residential services. Provides that, if the minor is determined eligible for publicly funded community or residential services and the necessary publicly funded community or residential services are available for the minor, the court shall conduct a hearing within 14 days upon notification to all parties. Provides that, for minors in the temporary custody of the Department of Children and Family Services, the court shall determine whether urgent and immediate necessity exists to continue the minor in the custody of the Department and whether the Department's custody of the minor should be vacated. Provides that for minors in the guardianship of the Department, the court shall determine whether the respondent is fit, willing, and able to care for the minor and whether it is in the minor's best interest to return to the custody of the respondent. Restores a provision which states that if the court determines that the minor shall continue in the custody of the Department of Children and Family Services, the Department of Children and Family Services shall remain fiscally responsible for providing services to the minor. Provides that the provisions do not apply to: (1) a minor for whom the court has not yet completed an adjudicatory hearing and for whom a petition has been filed under the Act alleging that the minor is a neglected minor, other than a minor left at a psychiatric hospital beyond medical necessity, or an abused minor; or (2) a minor who the court has adjudicated under the Act as either (i) a neglected minor, unless the primary basis for the finding is that the respondent left the minor at a psychiatric hospital beyond medical necessity, or (ii) an abused minor.

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Provides that if any annuitant must be considered a participating employee because there was not a separation from service and the participating municipality or participating instrumentality that employs or re-employs that annuitant knowingly fails to notify the Board to suspend the annuity, the Board may review the totality of circumstances regarding the annuitant not having a separation of service and assign proportionate responsibility for reimbursement of the total of any annuity payments made to the annuitant after the date the annuity should have been suspended, as determined by the Board, between the participating municipality or participating instrumentality and the annuitant, less any amount actually repaid by the annuitant. Provides that in no case shall the total amount repaid by the annuitant plus any amount reimbursed by the employer to the Fund be more than the total of all annuity payments made to the annuitant after the date the annuity should have been suspended. Removes language providing that the provisions shall not apply if the annuitant returned to work for the employer for less than 12 months. Adds similar provisions to a provision concerning separation from service and entitlement to a retirement annuity. Amends the State Mandates Act to require implementation without reimbursement.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Administration Article of the Illinois Public Aid Code. Provides that any program of study at a public institution of higher education improves employability and shall be considered equivalent to an acceptable SNAP Employment and Training (E&T) program component, unless prohibited by federal law. Defines "public institution of higher education". Requires the Department of Human Services to adopt any rules necessary to implement the amendatory Act. Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment Number 1 with the following changes: Provides that any undergraduate program of study that serves low-income students (rather than any program of study) at a public institution of higher education improves employability and shall be considered equivalent to an acceptable SNAP Employment and Training (E&T) program component beginning March 1, 2026, unless prohibited by federal law. Provides that, on or before January 1, 2026, and every 3 years thereafter, the Illinois Board of Higher Education and the Illinois Community College Board shall provide to the Department of Human Services the percentage of students, by program of study, who received grants under the federal Pell Grant program and the State's Monetary Award Program (MAP) at each institution of higher education from which they collect MAP and Pell recipient data during the most recent academic year. Provides that, unless prohibited by federal law, a graduate program of study at a public institution of higher education shall be considered equivalent to an acceptable SNAP E&T program component if: (i) the public institution provides the Department of Human Services with specified data on the income status of students within each program of study; and (ii) the graduate program of study serves low-income students. Requires the public institution to submit such data to the Department on or before January 1 of a given year and every 3 years thereafter for the program of study for low-income students to be considered equivalent to an acceptable SNAP E&T program component by March 1 of that year. Provides that, beginning March 1, 2026, the Department shall publish on its website an updated list of the programs of study that serve low-income students by institution of higher education. Effective immediately.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment Number 2 with the following changes: Provides that beginning March 1, 2028 (rather than March 1, 2026) any undergraduate program of study that serves low-income students at a public institution of higher education shall be considered equivalent to an acceptable SNAP Employment and Training (E&T) program component, unless prohibited by federal law. In a provision requiring the Illinois Board of Higher Education and the Illinois Community College Board to submit to the Department of Human Services specified data on the percentage of students receiving Pell or Monetary Award Program grants, changes the reporting date to on or before January 1, 2028, and every year thereafter (rather than on or before January 1, 2026, and every 3 years thereafter). Changes the reporting date by which public colleges and universities may elect to submit specified data on the income status of graduate students to January 1 of a given year, and every year thereafter (rather than January 1 of a given year, and every 3 years thereafter). In a provision requiring the Department of Human Services to publish an updated list of the programs of study that serve low-income students at public colleges and universities, requires the Department to publish the list beginning March 1, 2028 (rather than March 1, 2026), and every March 1 thereafter. Provides that rulemaking shall not delay the full implementation of the amendatory changes. Effective immediately.

SB 01299 (Continued)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Removes provisions that required the Department of Public Health to consider an order from an administrative law judge and steps the facility took to safely care for the resident when considering whether a violation occurred. In provisions concerning the ordered readmission of a patient, provides that, if a resident whose readmission was ordered by the Department engages in conduct similar to that which led to the resident's involuntary discharge and for which the facility documented concerns, the Department shall take into account the required notice provided by the facility in considering whether to impose a fine. Changes the effective date to January 1, 2026 (instead of an immediate effective date).

State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 1950, House Amendment 2, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Floor Amendment No. 2 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1950, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 1950, as amended by HA 2, will not impact any public pension fund or retirement system in the State of Illinois.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)

SB1950 does not authorize or direct the conveyance of any State land to any entity. Therefore, an appraisal cannot be filed.

Fiscal Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)

SB1950 HAM #2 will not have a fiscal impact to the Illinois Department of Healthcare and Family Services because the bill does not amend the Illinois Public Aid Code and therefore, does not mandate coverage by the Illinois Medicaid program.

State Mandates Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA #1 does not create a State Mandate under the State Mandates Act.

State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#2 does not create a State Mandate under the State Mandates Act.

Home Rule Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#1 does not pre-empt home rule authority.

Home Rule Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#2 does not pre-empt home rule authority.

Racial Impact Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)

The creation of the End-Of-Life Options for Terminally Ill Patients Act, as drafted in House Amendment #2 to Senate Bill 1950 does not mandate coverage under the Medicaid program and as a result the Department is unable to determine if there is a racial impact.

Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)

Based on a review of SB1950, as amended by House Amendment 2, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Amends the Counties Code. Creates the Recall of Countywide Elected Officials Division within the Code. Authorizes a county to establish a process by which countywide elected officials may be recalled by the electors of the county by referendum or petition. Provides that, if a county board adopts a resolution calling for a referendum on the proposal to adopt a process by which countywide elected officials may be recalled by the electors of the county, then the county clerk and county board shall provide for the submission of the proposition to the electors of the county at the next general election held in an even-numbered year. Provides that, if there is filed with the clerk of the circuit court of the county, within the time provided in the general election law, a petition that is signed by the specified number of registered voters in the county and that requests the establishment of a process by which countywide elected officials may be recalled by the electors of that county, the clerk of the circuit court shall transmit the petition to the chief judge of the circuit court who shall determine the sufficiency of the petition or shall assign the determination of the sufficiency of the petition to a circuit judge who shall make the determination. Specifies that, if the judge determines that the petition is sufficient, the judge shall certify the sufficiency of the petition and shall issue an order directing the county clerk and the county board to provide for the submission of the proposition to the electors of the county at the next general election held in an even-numbered year. Authorizes the recall of a countywide elected official to be proposed by petition by the electors of the county. Sets forth requirements for the petition. Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Defines the term "countywide elected official". Provides that a county may establish a process by which countywide elected officials may be recalled by the electors of the county, by submitting the proposition to the electors of the county and obtaining their approval of the proposition at a referendum held at the general election of 2026 (rather than at any general election). Provides that it is only if the referendum to establish a recall process is approved by a majority of the voters voting on the proposition that the recall of countywide elected officials may thereafter be proposed by a petition signed by a number of electors equal in number to at least 15% of the total votes cast for Governor in the county in the preceding gubernatorial election. Provides that the petition shall have been signed by the petitioning electors not more than 50 days (rather than 100 days) after an affidavit has been filed with the State Board of Elections providing notice of intent to circulate a petition to recall the countywide elected official. Makes other changes. Effective immediately.

Provides for the repeal of the provisions of the amendatory Act on January 1, 2027.

Senate Floor Amendment No. 3

Expresses the belief that nursing, social work, professional counseling, marriage and family therapy, physical therapy, occupational therapy, speech-language pathology, audiology, physician assistant practice, public health, and education are professional disciplines that require advanced graduate education, professional licensure, and adherence to rigorous ethical and clinical standards. Lists the graduate degrees that should be considered professional degrees. States that any state agency, public university, or entity receiving state funds should take all necessary steps to avoid discrimination against individuals holding these graduate degrees in hiring, promotion, compensation, professional development funding, or other terms and conditions of employment based on any federal student loan classification. Urges the United States Department of Education to include all graduate degrees in nursing, social work, counseling, therapy, physical therapy, occupational therapy, speech-language pathology, audiology, physician assistant practice, public health, and education in its definition of "professional degrees" for federal student loan purposes. Urges the Illinois Congressional Delegation to advocate for legislation to ensure that graduate students in all health and human services professions have access to adequate federal student loan funding to complete their professional education. Commits to exploring state-level solutions to support graduate education in health and human services professions, including but not limited to scholarships, grants, loan repayment assistance programs, and other workforce development initiatives. Expresses support for the licensed health and human services professionals in Illinois who serve our most vulnerable populations with skill, compassion, and unwavering commitment to the public good.

SB 02040 (Continued)

Amends the Illinois Vehicle Code. Provides that any personal property belonging to the vehicle owner in a vehicle subject to a lien shall be subject to that lien, except for the specified items, which may be claimed by immediate family members at the authorization of the vehicle owner. Establishes registration requirements for commercial vehicle safety relocators and tasks the Illinois Commerce Commission with oversight duties and the imposition of penalties. Provides that commercial vehicle safety relocators must follow specified business address requirements. Sets forth provisions concerning liens against personal property in a towed vehicle, making false statements and the power of the Commission to deny an application or revoke registration from a commercial vehicle safety relocater, and the relocation and redemption of vehicles. Makes changes regarding liability for violations of specified provisions of the Code. Requires a commercial vehicle safety relocater to designate a registered agent within the State. Adds provisions concerning vehicle impoundment, failure to satisfy fines or penalties assessed by the Commission, and suspension of tow truck registrations. Makes other changes.

Senate Floor Amendment No. 1

Provides that the Secretary of State shall begin suspending all tow truck registrations for failing to satisfy any fine or penalty issued by the Illinois Commerce Commission on July 1, 2026. Provides that the Secretary shall notify the person whose name appears on the certified report that the person's tow truck registrations shall be suspended within 30 days (rather than will be suspended at the end of a reasonable, specified period) unless the Secretary is presented with a notice from the Commission certifying that the fines or penalties owing the Commission have been satisfied or that inclusion of that person's name on the certified report was in error. Removes the requirement that a contest of a suspension or impending suspension be upon filing a written request with the Secretary and that the filing fee is \$50.

Senate Floor Amendment No. 3

In the Safe Gun Storage Act, provides that a provision concerning the storage of firearms does not apply (1) if the minor, an at-risk person, or a prohibited person gains access to a firearm and uses it in a lawful act of self-defense or defense of another; or (2) to any firearm obtained by a minor, an at-risk person, or a prohibited person because of an unlawful entry of the premises by the minor, at-risk person, prohibited person or another person. In the amendatory changes to the Firearm Dealer License Certification Act, provides that the sign posted in a conspicuous position on the certified licensee's premises must contain the warning that it is unlawful for the licensee to fail to report the loss or theft of the licensee's firearm to local law enforcement within 48 (rather than 72) hours. In the amendatory changes to the Firearm Owners Identification Card Act, provides that the violation applies to a person who fails 2 or more times to report a loss or theft of a firearm within 48 hours after the discovery of such loss or theft to local law enforcement as required under the Criminal Code of 2012. In the amendatory changes to the Criminal Code of 2012 relating to a person who possesses a valid Firearm Owner's Identification Card and who possesses or acquires a firearm who fails to report the loss or theft of the firearm to the local law enforcement agency within 48 hours after obtaining knowledge of the loss or theft, deletes a provision which specifies that, for a second or subsequent offense, the failure to report the loss or theft of the firearm within 48 hours of the discovery of such loss or theft shall result in revocation of the person's Firearm Owner's Identification Card. Adds a severability provision to the bill.

Amends the Election Code. 410 ILCS 18/5

Amends the Crematory Regulation Act. Requires the Department of Natural Resources to designate scattering areas for the deposition of cremated remains in Illinois rivers in accordance with a Department-granted permit.

Senate Committee Amendment No. 1

Adds reference to:

410 ILCS 18/40

Replaces everything after the enacting clause. Amends the Crematory Regulation Act. Provides that when a deceased individual is a member of a religion where the tenets of their faith require the scattering of that individual's cremated remains in water, the deceased individual's cremated remains may be scattered in an Illinois river without approval through the Department of Natural Resources' permit process as long as the scattering of the cremated remains is: (1) limited to one deceased individual; (2) spread over an area large enough to avoid leaving an identifiable accumulation of remains; (3) out of sight of any public use areas, including, but not limited to, roads, walkways, trails, picnic areas, campgrounds, and parking lots; and (4) conducted in a manner where the cremation identification disc is not left on site. Makes a conforming change in the definition of "scattering area".

Senate Committee Amendment No. 2

In provisions regarding the scattering of cremated remains in an Illinois river, requires the scattering to be conducted in a manner in which no other objects, including, but not limited to, any cremation identification disc, body prosthesis, or artificial organ, other than pulverized cremated remains, are scattered into a river (rather than conducted in a manner where the cremation identification disc is not left on site). Provides that nothing in the provisions regarding the scattering of cremated remains in an Illinois river grants an individual authority to trespass on private property.

105 ILCS 5/10-22.34c

Amends the School Code. In a provision concerning third party non-instructional services, allows a board of education to enter into a one-time contract (rather than a contract), of no longer than 3 months in duration, with a third party for non-instructional services currently performed by an employee or bargaining unit member for the purpose of augmenting the current workforce in an emergency situation that threatens the safety or health of the school district's students or staff, provided that the school board meets all of its obligations under the Illinois Educational Labor Relations Act prior to entering into such a contract (rather than not specifying a time period). Defines "emergency situation". Provides that a board of education that attempts to enter into a contract with a third party for non-instructional services, as specified, more than once during a school year is required to receive the mutual agreement of the affected collective bargaining unit or units. Effective immediately.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. In a provision concerning third party non-instructional services, allows a board of education to enter into a contract, of no longer than 3 months in duration, with a third party for non-instructional services currently performed by an employee or bargaining unit member for the purpose of augmenting the current workforce in an emergency situation that threatens the safety or health of the school district's students or staff, provided that (i) the school board meets all of its obligations under the Illinois Educational Labor Relations Act and (ii) the board of education posts all vacant positions used for augmenting the current workforce on the school district's website, in a manner that is easily accessible to the affected bargaining unit and the general public, as well as on all other platforms on which the board of education advertises its vacancies (rather than just provided that the school board meets all of its obligations under the Illinois Educational Labor Relations Act); defines "emergency situation". Provides that the board of education must post all vacant positions in the manner described in the amendatory provisions for the entirety of an emergency contract and the entirety of any reviewed emergency contract until the emergency contract expires. Provides that a board of education that attempts to renew or enter into any new contract of any type whatsoever for any reason whatsoever with a third party for non-instructional services to augment the current workforce for a group of employees in an emergency situation 2 times must follow specified steps or obtain mutual agreement with the affected bargaining unit, if any. The mutual agreement must be separate from the collective bargaining agreement that the affected bargaining unit has with the board of education. Provides that a board of education that attempts to renew or enter into any new contract of any type whatsoever for any reason whatsoever with a third party for non-instructional services to augment the current workforce for a group of employees in an emergency situation 3 times or more is required to obtain mutual agreement with the affected bargaining unit. Provides that the mutual agreement must be separate from the collective bargaining agreement that the affected bargaining unit has with the board of education. Effective July 1, 2026.

Senator Ram Villivalam
SB 01799 (Continued)

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Changes the definition of "emergency situation" to mean a sudden and unforeseen event or change in circumstances that would result in a near-term interruption of non-instructional services that calls for immediate action. Provides that the board of education must post all vacant positions for the entirety of any renewed (rather than reviewed) emergency contract until the emergency contract expires. Provides that a board of education that attempts to renew or enter into any new contract with a third party for non-instructional services to augment the current workforce for that same group (rather than a group) of employees in an emergency situation 2 times must follow certain steps or obtain mutual agreement with the affected bargaining unit. Provides that a board of education that attempts to renew or enter into any new contract with a third party for non-instructional services to augment the current workforce for that same group (rather than a group) of employees in an emergency situation 3 times or more is required to obtain mutual agreement with the affected bargaining unit. Removes language that provides that the mutual agreement must be separate from the collective bargaining agreement that the affected bargaining unit has with the board of education. Provides instead that the mutual agreement may not be used by the affected bargaining unit as a means to compel the board of education to reopen the existing collective bargaining agreement. Requires the mutual agreement to include the development of a recruitment and retention plan. Effective July 1, 2026.

Amends the Program of All-Inclusive Care for the Elderly Act. Provides that to ensure that organizations contracted to implement the Program of All-Inclusive Care for the Elderly (PACE) program meet the needs of PACE participants, the Department of Healthcare and Family Services shall reform the rate-setting methodology for the PACE program by establishing a blended rate structure based on a 30% Home and Community-Based Services and 70% Skilled Nursing Facility case-mix which is a more accurate proportion of the comparable population expected to reside in an institution or the community if not enrolled in PACE. Requires the blended rate structure to more accurately reflect the comprehensive nature of care provided by PACE organizations and address the unique needs of PACE participants as a higher risk/acuity population with expected higher costs and frailty than comparable populations. Provides that when developing rates under the blended rate structure, the Department must consider not only the standard cost experiences of PACE participants but also the unique characteristics and specific care needs of the PACE population as well as any additional State plan services or populations that are not included in the State's Medicaid managed care contracts but are required under the PACE program.

Amends the Illinois Municipal Code. Provides that no redevelopment plan shall be adopted unless the plan establishes a process for allocating funds for the project that includes the members of the joint review board. Provides that municipalities may use some of the tax revenue attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the redevelopment project area over and above the initial equalized assessed value of each property in the project area to fund grants to small businesses employing less than 50 people. Provides that these grants shall be considered "redevelopment project costs". Provides that estimated dates of completion of redevelopment project costs may be extended to the 35th calendar year for redevelopment project areas adopted on or before June 30, 2023 and to the 33rd calendar year for redevelopment project areas adopted on or after July 1, 2023 (rather than to the 22nd calendar year for all future extensions). Provides that municipalities shall give at least 90 days' notice before the extending the completion date, approving the creation of a new project area which overlaps with an existing area, or transferring surpluses between areas. Provides that the joint review board may issue a written report approving or disapproving of the municipality's proposal within the notice period. Provides that approval may be presumed if no report is filed. Provides that all surplus funds shall be distributed as soon as possible after they are calculated (rather than annually within 180 days of the close of the municipalities fiscal year). Provides that an amount equal to the change in the current equalized assessed valuation that is attributable to the change caused by the Consumer Price Index for All Urban Consumers during the 12-month calendar year preceding the levy may be subtracted from the portion of taxes which is attributable to the increase in the current equalized valuation of specified properties. Makes other and conforming changes. Effective immediately.
