Provides that if one or more items on a bill or invoice are disapproved, but not the entire bill or invoice, then the portion that is not disapproved must be transmitted to the Comptroller for payment. New Act

Creates the End-of-Life Options for Terminally Ill Patients Act. Authorizes a qualified patient with a terminal disease to request that a physician prescribe aid-in-dying medication that will allow the patient to end the patient's life in a peaceful manner. Contains provisions concerning: the procedures and forms to be used to request aid-in-dying medication; the responsibilities of attending and consulting physicians; the referral of patients for determinations of mental capacity; the residency of qualified patients; the safe disposal of unused medications; the obligations of health care entities; the immunities granted for actions taken in good faith reliance upon the Act; the reporting requirements of physicians; the effect of the Act on the construction of wills, contracts, and statutes; the effect of the Act on insurance policies and annuities; the procedures for the completion of death certificates; the liabilities and penalties provided by the Act; the construction of the Act; the definitions of terms used in the Act; and other matters. Effective 6 months after becoming law.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Act may be referred to as Deb's Law. Makes findings. In the interpreter attachment for a written request for medication form, requires an interpreter to attest that the patient consulted with an attending physician (rather than an attending physician and a consulting physician). In provisions regarding attending physician responsibilities, removes a requirement for the attending physician to ensure that a patient does not take the aid-in-dying medication in a public place (but does not remove a requirement to provide information to the patient on not taking the aid-in-dying medication in a public place). Removes a way for a patient to establish residency. Provides that intentionally misleading a patient constitutes coercion or undue influence (rather than just coercion). Makes changes to provisions regarding health care entity protections and permissible prohibitions and duties. Removes a requirement that the Department of Public Health collect and review forms to ensure compliance. Provides that certain information collected is not a public record, is not available for public inspection, and is not available through the Freedom of Information Act. Provides that the Department of Insurance shall enforce the provisions of this Act with respect to certain insurance policies. Requires the Department of Public Health and the Department of Veterans Affairs to adopt rules. Makes conforming changes in the Freedom of Information Act. Effective 9 months after the Act becomes law.

Amends the School Code. In a provision concerning third party non-instructional services, allows a board of education to enter into a one-time contract (rather than a contract), of no longer than 3 months in duration, with a third party for non-instructional services currently performed by an employee or bargaining unit member for the purpose of augmenting the current workforce in an emergency situation that threatens the safety or health of the school district's students or staff, provided that the school board meets all of its obligations under the Illinois Educational Labor Relations Act prior to entering into such a contract (rather than not specifying a time period). Defines "emergency situation". Provides that a board of education that attempts to enter into a contract with a third party for non-instructional services, as specified, more than once during a school year is required to receive the mutual agreement of the affected collective bargaining unit or units. Effective immediately.

Senate Democrat Sponsor Synopsis Report

Senator Cristina Castro**SB 01799 (Continued)**

Replaces everything after the enacting clause. Amends the School Code. In a provision concerning third party non-instructional services, allows a board of education to enter into a contract, of no longer than 3 months in duration, with a third party for non-instructional services currently performed by an employee or bargaining unit member for the purpose of augmenting the current workforce in an emergency situation that threatens the safety or health of the school district's students or staff, provided that (i) the school board meets all of its obligations under the Illinois Educational Labor Relations Act and (ii) the board of education posts all vacant positions used for augmenting the current workforce on the school district's website, in a manner that is easily accessible to the affected bargaining unit and the general public, as well as on all other platforms on which the board of education advertises its vacancies (rather than just provided that the school board meets all of its obligations under the Illinois Educational Labor Relations Act); defines "emergency situation". Provides that the board of education must post all vacant positions in the manner described in the amendatory provisions for the entirety of an emergency contract and the entirety of any reviewed emergency contract until the emergency contract expires. Provides that a board of education that attempts to renew or enter into any new contract of any type whatsoever for any reason whatsoever with a third party for non-instructional services to augment the current workforce for a group of employees in an emergency situation 2 times must follow specified steps or obtain mutual agreement with the affected bargaining unit, if any. The mutual agreement must be separate from the collective bargaining agreement that the affected bargaining unit has with the board of education. Provides that a board of education that attempts to renew or enter into any new contract of any type whatsoever for any reason whatsoever with a third party for non-instructional services to augment the current workforce for a group of employees in an emergency situation 3 times or more is required to obtain mutual agreement with the affected bargaining unit. Provides that the mutual agreement must be separate from the collective bargaining agreement that the affected bargaining unit has with the board of education. Effective July 1, 2026.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Changes the definition of "emergency situation" to mean a sudden and unforeseen event or change in circumstances that would result in a near-term interruption of non-instructional services that calls for immediate action. Provides that the board of education must post all vacant positions for the entirety of any renewed (rather than reviewed) emergency contract until the emergency contract expires. Provides that a board of education that attempts to renew or enter into any new contract with a third party for non-instructional services to augment the current workforce for that same group (rather than a group) of employees in an emergency situation 2 times must follow certain steps or obtain mutual agreement with the affected bargaining unit. Provides that a board of education that attempts to renew or enter into any new contract with a third party for non-instructional services to augment the current workforce for that same group (rather than a group) of employees in an emergency situation 3 times or more is required to obtain mutual agreement with the affected bargaining unit. Removes language that provides that the mutual agreement must be separate from the collective bargaining agreement that the affected bargaining unit has with the board of education. Provides instead that the mutual agreement may not be used by the affected bargaining unit as a means to compel the board of education to reopen the existing collective bargaining agreement. Requires the mutual agreement to include the development of a recruitment and retention plan. Effective July 1, 2026.

State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 1950, House Amendment 2, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Floor Amendment No. 2 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1950, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 1950, as amended by HA 2, will not impact any public pension fund or retirement system in the State of Illinois.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)

SB1950 does not authorize or direct the conveyance of any State land to any entity. Therefore, an appraisal cannot be filed.

Fiscal Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)

SB1950 HAM #2 will not have a fiscal impact to the Illinois Department of Healthcare and Family Services because the bill does not amend the Illinois Public Aid Code and therefore, does not mandate coverage by the Illinois Medicaid program.

State Mandates Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA #1 does not create a State Mandate under the State Mandates Act.

State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#2 does not create a State Mandate under the State Mandates Act.

Home Rule Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#1 does not pre-empt home rule authority.

Home Rule Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA#2 does not pre-empt home rule authority.

Racial Impact Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)

The creation of the End-Of-Life Options for Terminally Ill Patients Act, as drafted in House Amendment #2 to Senate Bill 1950 does not mandate coverage under the Medicaid program and as a result the Department is unable to determine if there is a racial impact.

Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)

Based on a review of SB1950, as amended by House Amendment 2, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Provides that a State university shall enter into a transfer articulation agreement with the community college district to provide a seamless pathway for transfer. Provides that if, within 180 calendar days of the community college's initial request to enter into a transfer articulation agreement with the State university, the community college and State university do not reach agreement on the transfer articulation agreement, then the community college and State university shall jointly implement the provisions of the Model Transfer Articulation Agreement. Provides that a Model Transfer Articulation Agreement shall be developed through a Transfer Articulation Committee by December 31, 2025. Replaces everything after the enacting clause. Amends the School Code. Provides that, on or before the 2026-2027 school year, each school board (and each charter school beginning with the 2026-2027 school year) shall adopt and implement a wireless communication device policy that (i) at a minimum, prohibits a student from using a wireless communication device during instructional time, except as otherwise provided, and (ii) incorporates guidance for secure and accessible storage of wireless devices during instructional time or directs the school district superintendent or his or her designee to provide such guidance. Provides that the policy may not prohibit a student from using a wireless communication device during instructional time (i) if a licensed physician determines that the possession or use of a wireless communication device is necessary for the health or well-being of the student and the student uses the wireless communication device as prescribed by the licensed physician, (ii) to fulfill an individualized education program or a plan developed under the federal Rehabilitation Act of 1973, or (iii) if the wireless communication device is necessary for students who are English learners to access learning materials. Provides that the policy may allow for certain exceptions. Prohibits a school district or charter school from enforcing the policy through fees, fines, or the deployment of a school resource officer or local law enforcement officer. Requires a school board or charter school to review its policy at least once every 3 years and make any necessary and appropriate revisions to the policy. Provides that a school district or charter school shall publicly post the policy on its website. Provides that if the school district or charter school does not operate a website, then the school district or charter school shall provide a copy of the policy to the parents or guardians of every enrolled student.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Provides that the wireless communication device policy shall incorporate guidance for secure and accessible storage of wireless devices within a school building (instead of wireless devices) during instructional time. Allows a licensed physician, physician assistant, or nurse practitioner (instead of just a licensed physician) to determine that the possession or use of a wireless communication device is necessary for the management of a student's health care (instead of for the health and well-being of a student). Allows a student to use a wireless communication device to fulfill an individualized education program, a federal Section 504 plan, the student's health care provider's medical orders, or another written accommodation plan (instead of just an individualized education program or federal Section 504 plan).

Requires downcoding decisions to be made by a physician licensed to practice medicine in all its branches in any United States jurisdiction and of the same or similar specialty as a physician who typically manages the medical condition or disease. Sets forth provisions concerning notification requirements for downcoded claims; the appeal process for downcoded claims; enforcement by the Department of Insurance; and penalties. Removes language concerning uploading DNA profiles to the National DNA Index System (NDIS). Provides that a responding local law enforcement agency shall attempt to collect and submit any DNA samples (rather than may submit any DNA samples) voluntarily obtained from family members to an accredited Combined DNA Index System (CODIS) laboratory for DNA analysis within 90 days from the date of the police report (rather than to a National Missing and Unidentified Persons System (NamUs) partner laboratory within 60 days from the date of the police report). Amends the School Code. In a provision regarding an optional alternative evaluative dismissal process for teacher evaluations, removes the definition of and references to "student growth components". Makes the following changes in the Evaluation of Certified Employees Article: Removes the definitions of and references to "implementation date", "Race to the Top Grant", and "School Improvement Grant". Provides that, beginning July 1, 2025, each school district may incorporate the use of data and indicators on student growth as a factor in rating teaching performance into its evaluation plan for all teachers in contractual continued service and teachers not in contractual continued service (now, a school district is required to incorporate student growth data and indicators as a significant factor). Makes other changes concerning student growth. Changes the components of an evaluation plan for a teacher's performance. Makes changes concerning a principal's or assistant principal's evaluation. With respect to the types of rules the State Board of Education may adopt, removes the inclusion of rules that (i) define the term "significant" factor" for purposes of including consideration of student growth in performance ratings and (ii) establish a model evaluation plan for use by school districts in which student growth shall comprise 50% of the performance rating. Allows a school district (rather than only a school district with 500,000 or more inhabitants) to use an annual State assessment as a measure of student growth for purposes of teacher or principal evaluations. Removes and changes outdated provisions. Makes other and conforming changes. Effective July 1, 2025.

Senate Floor Amendment No. 1

In the provisions regarding an optional alternative evaluative dismissal process for teacher evaluations, requires the school district, with respect to the hearing, to demonstrate that the "Unsatisfactory" performance evaluation rating that preceded remediation applied the teacher practice components and student growth components, if any (rather than only the teacher practice components). Provides that the evaluation of a principal or an assistant principal, when performed by an individual appointed by the school board, must be performed by an individual who holds a registered and active Professional Educator License with a principal endorsement or general administrative endorsement (rather than only a principal endorsement).

410 ILCS 620/11.7 new

Amends the Illinois Food, Drug and Cosmetic Act. Provides that on and after January 1, 2026, a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration. Defines "toxic heavy metal" as arsenic, cadmium, lead, or mercury and defines other terms. Provides that beginning January 1, 2026, each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for each toxic heavy metal. Requires monthly testing. Beginning January 1, 2027, requires each manufacturer of baby food to make certain information publicly available. Provides that if a consumer believes, based on information gathered through the use of the code included on the baby food product label, that baby food is being sold in the State with toxic heavy metals that exceed limits established by the U.S. Food and Drug Administration, the consumer may report that baby food to the Department of Public Health.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Defines "final baby food product", "product label", and "product shelf life". Makes changes to the definition of "proficient laboratory". Changes the term "toxic heavy metal" to "toxic element". Provides that no person or entity shall sell in the State or manufacture, deliver, or hold or offer for sale in the State any baby food that does not comply with the requirements described in the amendatory provisions (rather than a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration). Provides that each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for toxic elements at a proficient laboratory (rather than for each toxic heavy metal). Provides that, beginning January 1, 2027, for final baby products sold, manufactured, delivered, or held or offered for sale in the State, requires each manufacturer of baby food to disclose product information to consumers consistent with certain specifications. Removes provisions concerning a consumer's ability to report to the Department of Public Health baby food being sold in the State with toxic heavy metals that exceed certain limits. Directs the Department of Public Health to adopt rules to implement a system for consumer reporting of baby foods.

House Floor Amendment No. 1

In provisions concerning baby foods and toxic elements, provides that the Department of Public Health shall implement (rather than adopt rules to implement) a system for consumer reporting of baby foods.

Senate Democrat Sponsor Synopsis Report

Senator Lakesia Collins**SB 01504 (Continued)**

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Requires the Department of Children and Family Services to prepare adolescents to successfully transition to independence, including transition planning for youth who qualify for a guardian as a person with a disability under the Probate Act of 1975. Requires the Department to establish rules and regulations concerning transition planning for youth aging out of care. Requires the Department to make reasonable efforts to develop an age and developmentally appropriate individualized youth-driven transition plan for each youth in care aged 15 and over to help such youth develop and strengthen those life skills that lead to successful adult living. Sets forth the various subject areas the youth-driven transition plan shall cover. Provides that the Department shall include the youth-driven transition plan in the youth's service plan; and make reasonable efforts to assist the youth in accomplishing the plan, to develop strategies to resolve barriers, and to ensure the youth is aware of any post-case closure supports and services and how to access such supports and services. Amends the Juvenile Court Act of 1987. In a provision concerning children placed by the Department of Children and Family Services in a qualified residential treatment program, requires the Department to submit at each status and permanency hearing evidence detailing the Department's efforts to ensure the minor is engaged in age and developmentally appropriate activities to develop life skills, which may include extracurricular activities, coaching by caregivers, or instruction in individual or group settings. Requires juvenile courts to conduct Successful Transition to Adulthood Review (STAR) hearings to review the Department's efforts to ensure that minors are provided with opportunities to engage in individualized future-focused planning towards adulthood, to develop age-appropriate daily living skills to live successfully as adults, and if applicable, to be prepared to transition out of care at age 21. Provides that whenever a court grants a petition to reinstate wardship, the court shall schedule the case for a permanency hearing and a Successful Transition to Adulthood Review hearing, if applicable. Makes other changes. Effective July 1, 2026.

Requires the Department to develop, by July 1, 2027, procedures setting forth a process by which: (i) a youth or a youth's representative can request an accounting or explanation of financial decisions made by the Department or child welfare contributing agency for any monies held on behalf of the youth; and (ii) the Department or child welfare contributing agency acknowledges receipt of the request, provides a written response within a defined period, and outlines steps for review or correction when an error or dispute regarding the accounting is identified. Requires the Department to ensure that each youth in care, if applicable, receives age-appropriate financial guidance designed to build financial literacy and informed decision-making regarding the youth's Social Security benefits, Supplemental Security Income benefits, veterans benefits, or Railroad Retirement benefits. Contains provisions on the development of tailored youth-driven transition plans; notification to youth on the location of necessary documents and any financial accounts open in their name; the development of a curriculum guided program for youth transitioning out of care; written and verbal notice on a youth's scheduled Successful Transition to Adulthood Review (STAR) hearings; requirements on residential treatment centers, group homes, transitional living programs, and the Department to ensure a youth's attendance at a scheduled STAR hearing; and other matters. Amends the Juvenile Court Act of 1987. In provisions concerning STAR hearings, requires the Department to allow a minor the opportunity to express to the court the minor's goals, preferences, and concerns regarding the minor's transition to independence. Requires the court to review and ensure the Department is in compliance with its statutory obligation to support the minor's meaningful engagement in STAR hearings.

In the Children and Family Services Act, removes provisions requiring the Department of Children and Family Services to consult with the Statewide Youth Advisory Board to determine the effectiveness of existing transition planning programs, to identify new programming, and to advise on how information about transitional services is communicated to youth in a clear, timely, and age appropriate manner. Removes amendatory provisions requiring the Department to develop, by July 1, 2027, procedures setting forth a process by which a youth or a youth's representative can request an accounting or explanation of financial decisions made by the Department or child welfare contributing agency for any monies held by the Department or child welfare contributing agency on behalf of the youth. Instead provides that the Department shall require periodic verification of accounts identified as belonging to or held for the benefit of a youth in care to ensure the preservation of the youth's financial resources. Requires the Department to adopt rules establishing a process by which a youth, or other specified persons, may request an accounting of funds held, conserved, or expended by the Department on behalf of the youth and accounts known to the Department. Removes amendatory provisions requiring the Department of Children and Family Services to (i) ensure that each youth receives age-appropriate financial guidance designed to build financial literacy and informed decision-making and (ii) review and seek feedback from the Statewide Youth Advisory Board regarding the effectiveness of such education and support services. Removes definitions for the terms "mental and physical health and well-being", "financial stability", and "supportive adult". Requires the Department to make reasonable efforts to develop, in partnership with the youth, an individualized transition-plan for each youth in care aged 15 and over; and requires that the transition plan address the youth's financial stability, including developmentally appropriate financial literacy education and information regarding any financial accounts established in the youth's name or for the youth's benefit of which the Department is aware, in addition to other specified subject matters. Removes amendatory provisions requiring 6-month case plan reviews for youth in care 15 years of age regarding the location of necessary documents and financial accounts opened in the youth's name. Removes amendatory provisions requiring the Department to develop a curriculum guided program for youth transitioning out of care. Adds provisions requiring the Department to make reasonable efforts to ensure that each youth in care eligible for a Successful Transition to Adulthood Review (STAR) hearing is informed of court hearings concerning his or her case at least 10 days in advance of the hearing whenever practicable, and is afforded the opportunity to attend or participate in the STAR hearing; and to support each youth in care's attendance in the youth's STAR hearings, including by providing or arranging transportation or other appropriate accommodations consistent with the youth's age and developmental needs. Amends the Department of Children and Family Services Statewide Youth Advisory Board Act. Provides that the Illinois Racing Board, in lieu of obtaining a court reporter to make accurate transcriptions at each regular and special meeting and proceeding, shall create a verbatim record of each regular and special meeting in the form of an audio or video recording, unless an emergency situation precludes the creation of a transcript or recording. Amends the Illinois Lottery Law. Removes language providing that the Department of the Lottery shall publish each January in the Illinois Register a list of all game-specific rules, play instructions, directives, operations manuals, brochures, or other game-specific publications issued by the Department during the previous year and instructions concerning how the public may obtain copies of these materials from the Department. Removes language regarding the selection of a private manager for the total management of the Lottery. Removes language providing that moneys in the Department's account shall be deposited by the Department into the Public Treasurers' Investment Pool. Provides that the Department shall make an effort to more directly inform players of the odds of winning prizes by publishing the information for all games on the Department's public website (rather than by requiring all ticket agents to display a placard stating the odds of winning for each game offered by that agent). Requires the Department to make written play instructions available on the Department's public website or by the Department by request (rather than to all players through sales agents licensed to sell game tickets or shares). Allows the Department (rather than the State Treasurer) to contract with any person or corporation to perform financial functions. Allows the State Treasurer to act as an agent of the Department to perform the financial functions. Removes language providing that moneys in the Department's account for paying validated prizes shall be deposited in the Public Treasurer's Investment Pool. Repeals a provision related to a specialty retailers license. Makes other and conforming changes.

Amends the Illinois Procurement Code. Provides that a company of concern is ineligible to, and shall not, bid on or submit a proposal for a contract, directly or through a third-party seller, with a State agency for goods, services, or the procurement or purchase of computers, printers, or interoperable videoconferencing services needed for an office environment in which the manufacturer, bidder, or offeror, or any subsidiary or parent entity of the manufacturer, bidder, or offeror, of the equipment is an entity, or parent company of an entity, in which the People's Republic of China has any ownership stake. Provides that, if the Department of Central Management Services determines that a company has submitted a false certification, (1) the company shall be liable for a civil penalty in an amount that is twice the amount of the contract for which a bid or proposal was submitted; (2) the State agency or the Department of Central Management Services shall terminate the contract with the company; and (3) the company shall be ineligible to, and shall not, bid on a State contract. Senate Democrat Sponsor Synopsis Report

Senator Mary Edly-Allen

SB 01740 (Continued)

In the provisions amending the Illinois Grant Funds Recovery Act, removes a reference to grants in excess of \$25,000. In the provisions amending the School Code, restores current law regarding State goals and assessments and special education transition services. Requires the School Code Mandate Reduction Council to meet no less than 4 times between October 1, 2025 and September 1, 2026 (rather than between July 1, 2025 and December 1, 2025). With respect to online safety and media literacy, requires the State Board of Education, subject to appropriation, to prepare and make available multidisciplinary instructional resources and professional learning opportunities for educators (rather than requiring the State Board, by July 1, 2026, to create online safety education curriculum resource materials for all public schools); makes related changes. In a provision regarding general permissive education, changes references from "school", "eligible entity", and "entity" to "school or school board". Further amends the School Code to change (rather than repeal) a Section regarding final grades and promotion. Removes language from that Section providing that no public high school of a school district shall withhold a student's grades, transcripts, or diploma because of an unpaid balance on the student's school account and that at the end of each school year, the school district shall catalogue and report to the State Board the total amount that remains unpaid by students due to the prohibition.

Senate Floor Amendment No. 3

Provides that a school board may not discriminate against, punish, or penalize a student in any way because of an unpaid balance on the student's school account. Includes age and developmentally appropriate consent education (rather than consent education) as part of the comprehensive health education program; makes related changes.

House Committee Amendment No. 1

In the School Code, adds additional members to the School Code Mandate Reduction Council. Provides that, on and after January 1, 2027, the members of the Council shall be reduced by 4 members.

House Floor Amendment No. 2

In provisions concerning the School Code Mandate Reduction Council, removes language requiring one member of the Council to be a representative of a professional teachers' organization representing teachers in a school district with over 500,000 inhabitants and one member of the Council to be a representative of a school district with over 500,000 inhabitants. Makes conforming typographical changes.

House Floor Amendment No. 4

In the School Code, adds an additional representative of a statewide professional teachers' organization and an additional representative of a different statewide professional teachers' organization to the School Code Mandate Reduction Council.

SB 02427 (Continued)

Replaces everything after the enacting clause. Amends the School Code. Provides that, on or before the 2026-2027 school year, each school board (and each charter school beginning with the 2026-2027 school year) shall adopt and implement a wireless communication device policy that (i) at a minimum, prohibits a student from using a wireless communication device during instructional time, except as otherwise provided, and (ii) incorporates guidance for secure and accessible storage of wireless devices during instructional time or directs the school district superintendent or his or her designee to provide such guidance. Provides that the policy may not prohibit a student from using a wireless communication device during instructional time (i) if a licensed physician determines that the possession or use of a wireless communication device is necessary for the health or well-being of the student and the student uses the wireless communication device as prescribed by the licensed physician, (ii) to fulfill an individualized education program or a plan developed under the federal Rehabilitation Act of 1973, or (iii) if the wireless communication device is necessary for students who are English learners to access learning materials. Provides that the policy may allow for certain exceptions. Prohibits a school district or charter school from enforcing the policy through fees, fines, or the deployment of a school resource officer or local law enforcement officer. Requires a school board or charter school to review its policy at least once every 3 years and make any necessary and appropriate revisions to the policy. Provides that a school district or charter school shall publicly post the policy on its website. Provides that if the school district or charter school does not operate a website, then the school district or charter school shall provide a copy of the policy to the parents or guardians of every enrolled student.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Provides that the wireless communication device policy shall incorporate guidance for secure and accessible storage of wireless devices within a school building (instead of wireless devices) during instructional time. Allows a licensed physician, physician assistant, or nurse practitioner (instead of just a licensed physician) to determine that the possession or use of a wireless communication device is necessary for the management of a student's health care (instead of for the health and well-being of a student). Allows a student to use a wireless communication device to fulfill an individualized education program, a federal Section 504 plan, the student's health care provider's medical orders, or another written accommodation plan (instead of just an individualized education program or federal Section 504 plan).

Condemns the practice of conversion therapy on any population as unethical and fraudulent. Asserts that no licensed professional operating in the State of Illinois should engage in this practice, whether with minors or adults, as it violates the ethical standards of professional behavioral healthcare. Condemns conversion therapy as described herein, regardless of the target population or how the service is marketed or titled. Encourages the Illinois Department of Public Health to launch a statewide public awareness campaign to educate communities about the harms of conversion therapy and its fraudulent nature, to collaborate with the Department of Financial and Professional Regulation to investigate and hold accountable practitioners offering conversion therapy under false pretenses, to develop guidelines for healthcare professionals to recognize, report, and prevent practices associated with conversion therapy, and to support outreach initiatives to connect survivors of conversion therapy with affirming mental health resources.

Amends the Gun Trafficking Information Act. Provides that the publicly available reports on an ongoing basis of crimes committed with firearms, locations where the crimes occurred, the number of persons killed or injured in the commission of the crimes shall include those crimes whether or not a stolen firearm was used in the commission of the crimes. In the Criminal Code of 2012, deletes the amendatory changes to the possession of a stolen firearm and aggravated possession of stolen firearm statutes. In the firearms trafficking statute, deletes the provision that the trier of fact may, but is not required to, infer intent to transfer or deliver from transportation on an expressway in the State in a vehicle more than one stolen or converted firearm per occupants of the vehicle. In the firearms trafficking statute, includes as an element of the offense bringing, or causing to be brought, into the State, in a vehicle on an expressway in the State, more than one assault weapon that a person is prohibited from possession under the Code, per occupants of the vehicle. Changes various dates from January 1, 2026 to January 1, 2027. Provides that the report of lost or stolen firearms shall include the Firearm Owner's Identification Card number of the person making the report, if applicable. Provides that beginning January 1, 2027, the person who is not a federally licensed firearm dealer (rather than the Illinois State Police) shall check the Illinois State Police Internet-based system upon which the serial numbers of firearms that have been reported stolen are available for public access for individuals to ensure any firearms are not reported stolen prior to the sale or transfer of a firearm. Amends the Unified Code of Corrections. Provides that in cases in which the court finds that a firearm with a serial number reported as stolen on the Illinois State Police publicly accessible database was used in the commission of the offense for which the defendant is being sentenced, the clerk of the court shall, within 5 days thereafter, forward a report of such conviction to the Illinois State Police Division of Justice Services.

Senate Floor Amendment No. 3

In the Safe Gun Storage Act, provides that a provision concerning the storage of firearms does not apply (1) if the minor, an at-risk person, or a prohibited person gains access to a firearm and uses it in a lawful act of self-defense or defense of another; or (2) to any firearm obtained by a minor, an at-risk person, or a prohibited person because of an unlawful entry of the premises by the minor, at-risk person, prohibited person or another person. In the amendatory changes to the Firearm Dealer License Certification Act, provides that the sign posted in a conspicuous position on the certified licensee's premises must contain the warning that it is unlawful for the licensee to fail to report the loss or theft of the licensee's firearm to local law enforcement within 48 (rather than 72) hours. In the amendatory changes to the Firearm Owners Identification Card Act, provides that the violation applies to a person who fails 2 or more times to report a loss or theft of a firearm within 48 hours after the discovery of such loss or theft to local law enforcement as required under the Criminal Code of 2012. In the amendatory changes to the Criminal Code of 2012 relating to a person who possesses a valid Firearm Owner's Identification Card and who possesses or acquires a firearm who fails to report the loss or theft of the firearm to the local law enforcement agency within 48 hours after obtaining knowledge of the loss or theft, deletes a provision which specifies that, for a second or subsequent offense, the failure to report the loss or theft of the firearm within 48 hours of the discovery of such loss or theft shall result in revocation of the person's Firearm Owner's Identification Card. Adds a severability provision to the bill.

SB 01797 (Continued)

Provides that any reference to the Act shall include any rules adopted in accordance with the Act. In provisions concerning control over a registrant, provides that there is a rebuttable presumption of control (rather than a person has control over a registrant) if a person directly or indirectly owns, controls, holds with the power to vote, or holds proxies representing 10% or more of the then outstanding voting securities issued by the registrant. Corrects cross-references and typographical errors. Makes other changes.

Provides that "digital asset business activity" does not include (1) peer-to-peer exchanges or transfers of digital assets, (2) decentralized exchanges facilitating peer-to-peer exchanges or transfers solely through use of a computer program or a transaction protocol that is intended to automatically execute, control, or document events and actions, and (3) the development and dissemination of software in and of itself. Provides that "digital asset administration" does not include the issuance of a non-fungible token in and of itself. Defines "non-fungible token". Makes changes in provisions concerning rebuttable presumptions of control and the application of the Act. Makes other changes. Effective immediately.

House Committee Amendment No. 1

Makes changes to defined terms. In provisions concerning applicability of the Act, provides that the Act does not apply to a person who (A) contributes connectivity software or computing power or otherwise participates in the process of securing a network, (B) records digital asset transactions to the network or protocol governing transfer of the digital representation of value, or (C) develops, publishes, constitutes, administers, maintains, or otherwise distributes software relating to the network, so long as the person does not control transactions of digital assets on the network. In provisions concerning rulemaking, includes rules in connection with the adoption of reciprocity agreements between the Department of Financial and Professional Regulation and the appropriate licensing agency of another state to register a covered person on an expedited basis.

Senate Floor Amendment No. 3

In provisions concerning refunds for new customers, provides that, to receive a refund, a new customer must, within 60 days after the last transaction to occur during the new customer period, submit a police report or government agency report of the transaction or transactions (rather than proof of the fraudulent transaction or transactions) to the digital asset kiosk operator. New Act

Creates the Broadband Deployment Act. Sets forth findings. Defines terms. Provides that, conditional upon acquiring the proper agreement or permit with the highway right-of-way controller or holder, a broadband grant recipient may install, maintain, and use broadband infrastructure along a highway right-of-way. Provides that no property owner of property located within the highway right-of-way shall forbid or prevent a proposed broadband grant recipient from entering upon the property for purposes of and in connection with the deployment of broadband infrastructure, nor shall any such property owner forbid or prohibit the broadband grant recipient from deploying upon, beneath, or over that property broadband infrastructure utilized by the broadband grant recipient for such broadband service. Provides that the broadband grant recipient must notify the property owner in writing by sending notification to the property owner's address specified in the online or publicly available records of the applicable county assessor (i) by the United States Postal Service, certified mail, return receipt requested; (ii) by a designated private delivery service, as defined by the Internal Revenue Service, that provides the same function as certified mail with return receipt; or (iii) by personally serving the notification. Sets forth requirements for the content of the notice. Provides that if the property owner intends to demand just compensation, the property owner must serve written notice thereof upon the broadband grant recipient within 45 days after the anticipated date of broadband deployment as provided in the notice to the property owner. Provides that neither the property owner's notice to demand just compensation, nor the property owner's assertion of a specific claim for just compensation, nor the initiation of any legal action to enforce the claim of just compensation shall delay or impair the right of the broadband grant recipient to deploy broadband infrastructure and provide broadband service within or upon, beneath, or over certain property. Provides that the rights and obligations of broadband grant recipients and landowners set forth in the amendatory provisions do not apply on and after January 1, 2030. Makes other changes. Effective immediately.

410 ILCS 620/11.7 new

Amends the Illinois Food, Drug and Cosmetic Act. Provides that on and after January 1, 2026, a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration. Defines "toxic heavy metal" as arsenic, cadmium, lead, or mercury and defines other terms. Provides that beginning January 1, 2026, each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for each toxic heavy metal. Requires monthly testing. Beginning January 1, 2027, requires each manufacturer of baby food to make certain information publicly available. Provides that if a consumer believes, based on information gathered through the use of the code included on the baby food product label, that baby food is being sold in the State with toxic heavy metals that exceed limits established by the U.S. Food and Drug Administration, the consumer may report that baby food to the Department of Public Health.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Defines "final baby food product", "product label", and "product shelf life". Makes changes to the definition of "proficient laboratory". Changes the term "toxic heavy metal" to "toxic element". Provides that no person or entity shall sell in the State or manufacture, deliver, or hold or offer for sale in the State any baby food that does not comply with the requirements described in the amendatory provisions (rather than a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration). Provides that each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for toxic elements at a proficient laboratory (rather than for each toxic heavy metal). Provides that, beginning January 1, 2027, for final baby products sold, manufactured, delivered, or held or offered for sale in the State, requires each manufacturer of baby food to disclose product information to consumers consistent with certain specifications. Removes provisions concerning a consumer's ability to report to the Department of Public Health baby food being sold in the State with toxic heavy metals that exceed certain limits. Directs the Department of Public Health to adopt rules to implement a system for consumer reporting of baby foods.

House Floor Amendment No. 1

In provisions concerning baby foods and toxic elements, provides that the Department of Public Health shall implement (rather than adopt rules to implement) a system for consumer reporting of baby foods.

Requires the Department of Human Services, in coordination with a statewide association representing a majority of hospitals, to establish and offer a voluntary training that will be recorded and made available on the Department's website to all hospital social workers, clinicians, and administrative staff to inform them of BEACON, a centralized resource for Illinois youth and families seeking services for behavioral health needs, with the goal of encouraging families to seek assistance through BEACON and the Interagency Children's Behavioral Health Services Team. Amends the Medical Assistance Article of the Illinois Public Aid Code. Amends the School Code. Provides that on or before September 1, 2026, the State Board of Education, in consultation with the Children's Behavioral Health Transformation Team in the Office of the Governor and relevant stakeholders, shall report its work and make available resource materials, including model procedures (rather than policies) and guidance informed by a phased approach to implementing universal mental health screening in schools. Provides that the model school district procedures (rather than policies) to facilitate the implementation of mental health screenings, shall include specified matters. Provides that mental health screenings shall be offered by school districts to students enrolled in grade 3 (rather than kindergarten) through grade 12, at least once a year, beginning with the 2027-2028 school year. In provisions concerning youth left in a psychiatric hospital beyond medical necessity, requires a hospital to attempt to contact the youth and the youth's parents, guardian, or caregiver about the BEACON portal and assist with entering the youth's information into the BEACON portal to begin the process of connecting the youth and family to available resources (rather than assist with connections to the designated Family Support Program coordinator in the service area by providing educational materials developed by the Department of Healthcare and Family Services).

Replaces everything after the enacting clause. Amends the Educator Licensure Article of the School Code. Provides that the State Board of Education, in consultation with the State Educator Preparation and Licensure Board, may develop, by rules, a credential valid for an individual to serve as an educator in a specific education area or grade range for a temporary period of time and upon meeting the conditions set forth in those rules, to be known as a Short-Term Approval. Provides that a Short-Term Approval may be issued on an existing educator license or may stand alone, as applicable to the particular Short-Term Approval. Requires a Short-Term Approval to have an expiration date without the ability to renew. Provides that before the expiration of an educator's Short-Term Approval, the educator must obtain a license or endorsement in the same specific education area or grade range as the Short-Term Approval, and if the educator does not obtain the required license or endorsement in the specific education area or grade range and the Short-Term Approval expires, the educator is not eligible to continue serving as an educator in the specific education area or grade range. Provides that the State Board of Education, in consultation with the State Educator Preparation and Licensure Board, may consider extending the expiration date of the educator's Short-Term Approval if the educator can demonstrate that a serious health condition inhibited the educator's ability to timely apply for and receive the license or endorsement for the specific education area or grade range for which the Short-Term Approval was issued. Allows an educator to receive only one extension for each Short-Term Approval for no more than one year.

Amends the Carbon Dioxide Transportation and Sequestration Act. Provides that the Illinois Commerce Commission shall not issue any certificate of authority under the Act before July 1, 2026. Removes language providing that if, after July 1, 2026, the Pipeline and Hazardous Materials Safety Administration has not adopted final revisions to specified pipeline safety rules, the Commission may only approve a certificate of authority if it finds that the applicant has met all of the requirements of the Act, has already acquired all of its other necessary approvals, and is compliant with any requirements or conditions adopted by the Commission. Provides that a nonconsenting pore space owner's compensation shall include just compensation and any operations term or injection term payments made upon or after the initiation of injection provided to consenting pore space owners in consideration of allowing use of their pore space for sequestration of carbon dioxide. Provides that a nonconsenting pore space owner's compensation shall be no less than the average total payment package, considered as a whole with respect to an individual owner, provided in agreements to similarly situated consenting pore space owners for use of their pore space by the same sequestration operator for the same sequestration project (instead of provided in agreements during the previous 365 days to similarly situated consenting pore space owners). Amends the Safety and Aid for the Environment in Carbon Capture and Sequestration Act. Provides that an affected landowner is entitled to reasonable compensation from an applicant that has been granted a certificate of authority under this Act for damages resulting from access to the landowner's property for required activities taken to construct the pipeline, including, but not limited to, compensation for specified damages. New Act

Creates the End-of-Life Options for Terminally Ill Patients Act. Authorizes a qualified patient with a terminal disease to request that a physician prescribe aid-in-dying medication that will allow the patient to end the patient's life in a peaceful manner. Contains provisions concerning: the procedures and forms to be used to request aid-in-dying medication; the responsibilities of attending and consulting physicians; the referral of patients for determinations of mental capacity; the residency of qualified patients; the safe disposal of unused medications; the obligations of health care entities; the immunities granted for actions taken in good faith reliance upon the Act; the reporting requirements of physicians; the effect of the Act on the construction of wills, contracts, and statutes; the effect of the Act on insurance policies and annuities; the procedures for the completion of death certificates; the liabilities and penalties provided by the Act; the construction of the Act; the definitions of terms used in the Act; and other matters. Effective 6 months after becoming law.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Act may be referred to as Deb's Law. Makes findings. In the interpreter attachment for a written request for medication form, requires an interpreter to attest that the patient consulted with an attending physician (rather than an attending physician and a consulting physician). In provisions regarding attending physician responsibilities, removes a requirement for the attending physician to ensure that a patient does not take the aid-in-dying medication in a public place (but does not remove a requirement to provide information to the patient on not taking the aid-in-dying medication in a public place). Removes a way for a patient to establish residency. Provides that intentionally misleading a patient constitutes coercion or undue influence (rather than just coercion). Makes changes to provisions regarding health care entity protections and permissible prohibitions and duties. Removes a requirement that the Department of Public Health collect and review forms to ensure compliance. Provides that certain information collected is not a public record, is not available for public inspection, and is not available through the Freedom of Information Act. Provides that the Department of Insurance shall enforce the provisions of this Act with respect to certain insurance policies. Requires the Department of Public Health and the Department of Veterans Affairs to adopt rules. Makes conforming changes in the Freedom of Information Act. Effective 9 months after the Act becomes law.

410 ILCS 620/11.7 new

Amends the Illinois Food, Drug and Cosmetic Act. Provides that on and after January 1, 2026, a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration. Defines "toxic heavy metal" as arsenic, cadmium, lead, or mercury and defines other terms. Provides that beginning January 1, 2026, each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for each toxic heavy metal. Requires monthly testing. Beginning January 1, 2027, requires each manufacturer of baby food to make certain information publicly available. Provides that if a consumer believes, based on information gathered through the use of the code included on the baby food product label, that baby food is being sold in the State with toxic heavy metals that exceed limits established by the U.S. Food and Drug Administration, the consumer may report that baby food to the Department of Public Health.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Defines "final baby food product", "product label", and "product shelf life". Makes changes to the definition of "proficient laboratory". Changes the term "toxic heavy metal" to "toxic element". Provides that no person or entity shall sell in the State or manufacture, deliver, or hold or offer for sale in the State any baby food that does not comply with the requirements described in the amendatory provisions (rather than a person may not sell, distribute, or offer for sale baby food in the State that contains toxic heavy metals that exceed the limits established by the U.S. Food and Drug Administration). Provides that each manufacturer of baby food shall test a representative sample of each production aggregate of the manufacturer's final baby food product for toxic elements at a proficient laboratory (rather than for each toxic heavy metal). Provides that, beginning January 1, 2027, for final baby products sold, manufactured, delivered, or held or offered for sale in the State, requires each manufacturer of baby food to disclose product information to consumers consistent with certain specifications. Removes provisions concerning a consumer's ability to report to the Department of Public Health baby food being sold in the State with toxic heavy metals that exceed certain limits. Directs the Department of Public Health to adopt rules to implement a system for consumer reporting of baby foods.

House Floor Amendment No. 1

In provisions concerning baby foods and toxic elements, provides that the Department of Public Health shall implement (rather than adopt rules to implement) a system for consumer reporting of baby foods.

Amends the Carbon Dioxide Transportation and Sequestration Act. Provides that the Illinois Commerce Commission shall not issue any certificate of authority under the Act before July 1, 2026. Removes language providing that if, after July 1, 2026, the Pipeline and Hazardous Materials Safety Administration has not adopted final revisions to specified pipeline safety rules, the Commission may only approve a certificate of authority if it finds that the applicant has met all of the requirements of the Act, has already acquired all of its other necessary approvals, and is compliant with any requirements or conditions adopted by the Commission. Provides that a nonconsenting pore space owner's compensation shall be no less than the average total payment package, considered as a whole with respect to an individual owner, provided in agreements to similarly situated consenting pore space owners for use of their pore space by the same sequestration operator for the same sequestration project (instead of provided in agreements during the previous 365 days to similarly situated consenting pore space owners). Amends the Safety and Aid for the Environment in Carbon Capture and Sequestration Act. Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes changes to provisions concerning applications under the Carbon Dioxide Transportation and Sequestration Act. In provisions concerning the compensation for damages to the surface of a landowner's property, provides that such compensation includes compensation to return the surface estate, including soil conservation practices, such as terraces, grassed waterways, and other conservation practices, to the condition of the surface (rather than to a condition as near as practicable to the condition of the surface) prior to accessing the property; compensation for damage to the productive capability of the soil resulting from compaction or rutting if the parties are incapable of reaching resolution for such issues under the mitigation agreement and certain requirements are met (rather than such compensation shall include, but is not limited to, compensation for when a pipeline applicant accesses a property where excessively wet soil conditions would not allow normal farming operations due to increased risk of soil erosion, rutting, or compaction); and compensation for damage to surface and subsurface drainage, including compensation such that the applicant who has been granted a certificate of authority under the Act shall compensate the affected landowner to permanently restore drainage to the condition of the drainage (rather than to a condition as near as practicable to the condition of the drainage) prior to accessing the property. Provides that an applicant shall comply with the requirements of the agreement that governs the mitigation of agricultural impacts. Makes other changes.

State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 1950, House Amendment 2, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Floor Amendment No. 2 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1950, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

SB 1950, as amended by HA 2, will not impact any public pension fund or retirement system in the State of Illinois.

Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)

SB1950 does not authorize or direct the conveyance of any State land to any entity. Therefore, an appraisal cannot be filed.

Fiscal Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)

SB1950 HAM #2 will not have a fiscal impact to the Illinois Department of Healthcare and Family Services because the bill does not amend the Illinois Public Aid Code and therefore, does not mandate coverage by the Illinois Medicaid program.

State Mandates Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

SB 1950 HA #1 does not create a State Mandate under the State Mandates Act.

State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

Racial Impact Note, House Floor Amendment No. 2 (Dept. of Healthcare & Family Services)
 The creation of the End-Of-Life Options for Terminally Ill Patients Act, as drafted in House Amendment #2 to Senate Bill 1950 does not mandate coverage under the Medicaid program and as a result the Department is unable to determine if there is a racial impact.

Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)
