**SENATE RESOLUTION NO. 891**

WHEREAS, In August 1993, a Memorandum of Agreement (Agreement) was executed to recognize that the Illinois Shoreline Erosion Interim 3 Project (Project) would affect portions of the Chicago shoreline that are historic properties listed or eligible for listing on the U.S. National Register of Historic Places (NRHP); and

WHEREAS, The Agreement prioritizes the preservation of the historic properties and elements on the shoreline, with repair and rehabilitation to be performed consistent with the Secretary of the Interior Standards for the Treatment of Historic Properties and Guidelines for the Treatment of Cultural Landscapes

[April 9, 2024]

(SOI standards), and aims for a design plan that would lead to a finding of No Adverse Effects (NAE) by the State Historic Preservation Officer (SHPO); and

WHEREAS, The Chicago District of the U.S. Army Corps of Engineers (USACE) has consulted with the Advisory Council on Historic Preservation (ACHP) and SHPO pursuant to 36 CFR Part 800 and Section 106 of the 1965 National Historic Preservation Act to define the Agreement and prioritize the protection of the historic properties at Promontory Point so that the designs and planning for the shoreline management developed for Promontory Point would allow for a finding of No Adverse Effect (NAE); and

WHEREAS, The Agreement requires amending because the construction and rehabilitation of the Promontory Point reach of the original Project was not completed; and

WHEREAS, A major component of the uncompleted Project is Promontory Point, a 40-acre peninsula at the south end of Burnham Park, Chicago, comprising the Area of Potential Effects (APE), herein referred to as the "Undertaking"; and

WHEREAS, The scope of the Undertaking includes the pre-design, review, design planning, construction, and maintenance of the step-stone limestone revetment and promenade at Promontory Point for erosion control and storm damage management, and it specifically includes the repair and rehabilitation of the step-stone limestone revetment and promenade at Promontory Point, approximately 3,200 linear feet of shoreline between East 54th and 56th Streets; and

WHEREAS, The step-stone limestone revetment and promenade at Promontory Point is now subject to the continuation and funding of the Project consistent with the Agreement and the SOI standards; and

WHEREAS, Section 8336 of the Water Resources Development Act (WRDA) of 2022 in the National Defense Authorization Act for Fiscal Year 2023 appropriates funding to finish the uncompleted sections of the shoreline Project, including Promontory Point; the 2022 Bi-Partisan Infrastructure Law, Public Law 117-58, funds an internal, third-party review of Promontory Point; also, a City of Chicago (City) 2023 capital bond funds a \$5m design and planning contract for Promontory Point; and

WHEREAS, The Agreement also necessitates amendment because of the 24-year history of commitment and involvement by the local and City-wide community to seek a genuine preservation outcome at Promontory Point; and

WHEREAS, On June 21, 2002, SHPO issued a letter providing its refusal to issue a finding of NAE in regards to proposed activities at Promontory Point for the Lake Michigan Shoreline Protection, as recorded under IPHA log #109170043WCK; and

WHEREAS, The Agreement and SHPO's June 21, 2002 letter specify repair and rehabilitation to match the existing step-stone limestone revetment and promenade and to minimize impacts to the historic resources at Promontory Point under the SOI standards; and

WHEREAS, Discussions led by then-Senator Obama with the USACE, the City of Chicago, the Chicago Park District (CPD), SHPO, the Advisory Council on Historic Preservation (ACHP), and the consulting parties led to the 2006 Obama Scope of Work, which provided an agreed-upon path forward for a preservation approach and community engagement process to design planning and construction at Promontory Point; and

WHEREAS, Section 5072 of the WRDA of 2007 directed but never funded a third-party, unbiased, independent preservation feasibility and cost analysis study of Promontory Point to be supervised by the Buffalo and Seattle offices of the USACE but was not deemed an element of the Project; and

WHEREAS, Other third-party, independent marine engineering studies in 2002, 2003, 2004, and 2024 all demonstrated that Promontory Point remains functioning and operational for storm damage and shoreline

[April 9, 2024]

protection, and that a preservation approach to repairing the step-stone limestone revetment and promenade can meet erosion control and storm damage protection requirements; and

WHEREAS, Promontory Point was listed in the National Register of Historic Places (NRHP) on January 19, 2018, and it was designated a City of Chicago Landmark on April 19, 2023; and

WHEREAS, The significant historic features of Promontory Point are identified as the pavilion field house, including its pathways, the meadow, and original plantings, four council rings, the step-stone limestone revetment, the promenade, the 55th Street underpass and its porticos, and the David Wallach Fountain; and

WHEREAS, There are multiple conditions for the several elements of the structure of the revetment at Promontory Point, including the immediate parkland, the step-stone revetment, the promenade, the promenade sub-grade, and the timber cribbing; and

WHEREAS, The SOI standards provide for numerous treatments and solutions to address the multiple conditions of the limestone revetment and its structural elements at various locations and sections of Promontory Point; and

WHEREAS, Preserving the step-stone limestone revetment and promenade preserves the multi-generational, racial, and economic class community that has gathered at Promontory Point for almost 100 years; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we support the legitimate Community Preservation Plan for Promontory Point, Burnham Park, Chicago; and be it further

#### AMENDMENT NO. 1 TO SENATE BILL 2660

AMENDMENT NO. 1. Amend Senate Bill 2660 by replacing everything after the enacting clause with the following:

"Section 5. The Massage Licensing Act is amended by changing Section 45 as follows:

(225 ILCS 57/45)

(Section scheduled to be repealed on January 1, 2027)

Sec. 45. Grounds for discipline.

(a) The Department may refuse to issue or renew, or may revoke, suspend, place on probation, reprimand, or take other disciplinary or non-disciplinary action, as the Department considers appropriate, including the imposition of fines not to exceed \$10,000 for each violation, with regard to any license or licensee for any one or more of the following:

(1) violations of this Act or of the rules adopted under this Act;

(2) conviction by plea of guilty or nolo contendere, finding of guilt, jury verdict, or entry of judgment or by sentencing of any crime, including, but not limited to, convictions, preceding sentences of supervision, conditional discharge, or first offender probation, under the laws of any jurisdiction of the United States: (i) that is a felony; or (ii) that is a misdemeanor, an essential element of which is dishonesty, or that is directly related to the practice of the profession;

(3) professional incompetence;

(4) advertising in a false, deceptive, or misleading manner, including failing to use the massage therapist's own license number in an advertisement;

(5) aiding, abetting, assisting, procuring, advising, employing, or contracting with any unlicensed person to practice massage contrary to any rules or provisions of this Act;

(6) engaging in immoral conduct in the commission of any act, such as sexual abuse, sexual misconduct, or sexual exploitation, related to the licensee's practice;

(7) engaging in dishonest, unethical, or unprofessional conduct of a character likely to deceive, defraud, or harm the public;

(8) practicing or offering to practice beyond the scope permitted by law or accepting and performing professional responsibilities which the licensee knows or has reason to know that he or she is not competent to perform;

(9) knowingly delegating professional responsibilities to a person unqualified by training, experience, or licensure to perform;

(10) failing to provide information in response to a written request made by the Department within 60 days;

(11) having a habitual or excessive use of or addiction to alcohol, narcotics, stimulants, or any other chemical agent or drug which results in the inability to practice with reasonable judgment, skill, or safety;

(12) having a pattern of practice or other behavior that demonstrates incapacity or incompetence to practice under this Act;

(13) discipline by another state, District of Columbia, territory, or foreign nation, if at least one of the grounds for the discipline is the same or substantially equivalent to those set forth in this Section;

(14) a finding by the Department that the licensee, after having his or her license placed on probationary status, has violated the terms of probation;

(15) willfully making or filing false records or reports in his or her practice, including, but not limited to, false records filed with State agencies or departments;

(16) making a material misstatement in furnishing information to the Department or otherwise making misleading, deceptive, untrue, or fraudulent representations in violation of this Act or otherwise in the practice of the profession;

(17) fraud or misrepresentation in applying for or procuring a license under this Act or in connection with applying for renewal of a license under this Act;

(18) inability to practice the profession with reasonable judgment, skill, or safety as a result of physical illness, including, but not limited to, deterioration through the aging process, loss of motor skill, or a mental illness or disability;

(19) charging for professional services not rendered, including filing false statements for the collection of fees for which services are not rendered;

(20) practicing under a false or, except as provided by law, an assumed name; or

(21) cheating on or attempting to subvert the licensing examination administered under this Act.

All fines shall be paid within 60 days of the effective date of the order imposing the fine.

(b) A person not licensed under this Act and engaged in the business of offering massage therapy services through others, shall not aid, abet, assist, procure, advise, employ, or contract with any unlicensed person to practice massage therapy contrary to any rules or provisions of this Act. A person violating this subsection (b) shall be treated as a licensee for the purposes of disciplinary action under this Section and shall be subject to cease and desist orders as provided in Section 90 of this Act.

(c) The Department shall revoke any license issued under this Act of any person who is convicted of prostitution, rape, sexual misconduct, or any crime that subjects the licensee to compliance with the requirements of the Sex Offender Registration Act and any such conviction shall operate as a permanent bar in the State of Illinois to practice as a massage therapist.

(c-5) A prosecuting attorney shall provide notice to the Department of the licensed massage therapist's name, address, practice address, and license number and a copy of the criminal charges filed immediately after a licensed massage therapist has been charged with any of the following offenses:

(1) an offense for which the sentence includes registration as a sex offender;

(2) involuntary sexual servitude of a minor;

(3) the crime of battery against a patient, including any offense based on sexual conduct or sexual penetration, in the course of patient care or treatment; or

(4) a forcible felony.

If the victim of the crime the licensee has been charged with is a patient of the licensee, the prosecuting attorney shall also provide notice to the Department of the patient's name.

Within 5 business days after receiving notice from the prosecuting attorney of the filing of criminal charges against the licensed massage therapist, the Secretary shall issue an administrative order that the licensed massage therapist shall practice only with a chaperone during all patient encounters pending the outcome of the criminal proceedings. The chaperone shall be a licensed massage therapist or other health care worker licensed by the Department. The administrative order shall specify any other terms or conditions deemed appropriate by the Secretary. The chaperone shall provide written notice to all of the licensed massage therapist's patients explaining the Department's order to use a chaperone. Each patient shall sign an acknowledgment that they received the notice. The notice to the patient of criminal charges shall include, in 14-point font, the following statement: "The massage therapist is presumed innocent until proven guilty of the charges."

The licensed massage therapist shall provide a written plan of compliance with the administrative order that is acceptable to the Department within 5 business days after receipt of the administrative order. Failure to comply with the administrative order, failure to file a compliance plan, or failure to follow the compliance plan shall subject the licensed massage therapist to temporary suspension of his or her license until the completion of the criminal proceedings.

If the licensee is not convicted of the charge or if any conviction is later overturned by a reviewing court, the administrative order shall be vacated and removed from the licensee's record.

The Department may adopt rules to implement this subsection.

(d) The Department may refuse to issue or may suspend the license of any person who fails to file a tax return, to pay the tax, penalty, or interest shown in a filed tax return, or to pay any final assessment of tax, penalty, or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of the tax Act are satisfied in accordance with subsection (g) of Section 2105-15 of the Civil Administrative Code of Illinois.

(e) (Blank).

(f) In cases where the Department of Healthcare and Family Services has previously determined that a licensee or a potential licensee is more than 30 days delinquent in the payment of child support and has subsequently certified the delinquency to the Department, the Department may refuse to issue or renew or may revoke or suspend that person's license or may take other disciplinary action against that person based solely upon the certification of delinquency made by the Department of Healthcare and Family Services in accordance with item (5) of subsection (a) of Section 2105-15 of the Civil Administrative Code of Illinois.

(g) The determination by a circuit court that a licensee is subject to involuntary admission or judicial admission, as provided in the Mental Health and Developmental Disabilities Code, operates as an automatic suspension. The suspension will end only upon a finding by a court that the patient is no longer subject to involuntary admission or judicial admission and the issuance of a court order so finding and discharging the patient.

(h) In enforcing this Act, the Department or Board, upon a showing of a possible violation, may compel an individual licensed to practice under this Act, or who has applied for licensure under this Act, to submit to a mental or physical examination, or both, as required by and at the expense of the Department. The Department or Board may order the examining physician to present testimony concerning the mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communications between the licensee or applicant and the examining physician. The examining physicians shall be specifically designated by the Board or Department. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of this examination. The examination shall be performed by a physician licensed to practice medicine in all its branches. Failure of an individual to submit to a mental or physical examination, when directed, shall result in an automatic suspension without hearing.

A person holding a license under this Act or who has applied for a license under this Act who, because of a physical or mental illness or disability, including, but not limited to, deterioration through the aging process or loss of motor skill, is unable to practice the profession with reasonable judgment, skill, or safety, may be required by the Department to submit to care, counseling, or treatment by physicians approved or designated by the Department as a condition, term, or restriction for continued, reinstated, or renewed licensure to practice. Submission to care, counseling, or treatment as required by the Department shall not be considered discipline of a license. If the licensee refuses to enter into a care, counseling, or treatment agreement or fails to abide by the terms of the agreement, the Department may file a complaint to revoke, suspend, or otherwise discipline the license of the individual. The Secretary may order the license suspended immediately, pending a hearing by the Department. Fines shall not be assessed in disciplinary actions involving physical or mental illness or impairment.

In instances in which the Secretary immediately suspends a person's license under this Section, a hearing on that person's license must be convened by the Department within 15 days after the suspension and completed without appreciable delay. The Department and Board shall have the authority to review the subject individual's record of treatment and counseling regarding the impairment to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act and affected under this Section shall be afforded an opportunity to demonstrate to the Department or Board that he or she can resume practice in compliance with acceptable and prevailing standards under the provisions of his or her license.

(20 ILCS 105/4.04) (from Ch. 23, par. 6104.04)

Sec. 4.04. Long Term Care Ombudsman Program. The purpose of the Long Term Care Ombudsman Program is to ensure that older persons and persons with disabilities receive quality services.
