None of the notices given under this paragraph to the township treasurer and trustees of schools of a township shall be deemed sufficient or in compliance with the requirements of this paragraph unless all of those notices are given within the same 30 day period.

(2) Each school board of each elementary and unit school district that is subject to the jurisdiction and authority of the township treasurer and trustees of schools of the township in which those offices are sought to be abolished, by the affirmative vote of at least 5 members of the school board at a school board meeting of which notice is given as required by paragraph (1) of this subsection, adopts a resolution requiring the secretary of the school board to certify to the proper election authorities for submission to the electors of the school district at the next consolidated election in accordance with the general election law a proposition to abolish the offices of township treasurer and trustee of schools of that township. None of the resolutions adopted under this paragraph by any elementary or unit school districts that are subject to the jurisdiction and authority of the township treasurer and trustees of schools of the township in which those offices are sought to be abolished shall be deemed in compliance with the requirements of this paragraph or sufficient to authorize submission of the proposition to abolish those offices to a referendum of the electors in any such school district unless all of the school boards of all of the elementary and unit school districts that are subject to the jurisdiction and authority of the township treasurer and trustees of schools of that township adopt such a resolution in accordance with the provisions of this paragraph.

(3) The school boards of all of the elementary and unit school districts that are subject to the jurisdiction and authority of the township treasurer and trustees of schools of the township in which those offices are sought to be abolished submit a proposition to abolish the offices of township treasurer and trustee of schools of that township to the electors of their respective school districts at the same consolidated election in accordance with the general election law, the ballot in each such district to be in substantially the following form:

(4) At the consolidated election at which the proposition to abolish the offices of township treasurer and trustee of schools of a township is submitted to the electors of each elementary and unit school district that is subject to the jurisdiction and authority of the township treasurer and trustee of schools of that township, a majority of the electors voting on the proposition in each such elementary and unit school district votes in favor of the proposition as submitted to them.

If in each elementary and unit school district that is subject to the jurisdiction and authority of the township treasurer and trustees of schools of the township in which those offices are sought to be abolished a majority of the electors in each such district voting at the consolidated election on the proposition to abolish the offices of township treasurer and trustee of schools of that township votes in favor of the proposition as submitted to them, the proposition shall be deemed to have passed; but if in any such elementary or unit school district a majority of the electors voting on that proposition in that district fails to vote in favor of the proposition as submitted to them, then notwithstanding the vote of the electors in any other such elementary or unit school district on that proposition the proposition shall not be deemed to have passed in any of those elementary or unit school districts, and the offices of township treasurer and trustee of schools of the township in which those offices were sought to be abolished shall not be abolished, unless in each of those elementary and unit school districts remaining subject to the jurisdiction and authority of the township treasurer and trustees of schools of that township proceedings are again initiated to abolish those offices and all of the proceedings and conditions prescribed in paragraphs (1) through (4) of this subsection are repeated and met in each of those elementary and unit school districts.

The electors in all of the school districts subject to the jurisdiction and authority of the township treasurer and trustees of schools of the township in which those offices are sought to be abolished shall vote at the consolidated election on the proposition to abolish the offices of township treasurer and trustee of schools of that township. If a majority of the electors in all of the school districts combined voting on the proposition vote in favor of the proposition, then the proposition shall be deemed to have passed; but if a majority of the electors voting on the proposition in all of the school district fails to vote in favor of the proposition as submitted to them, then the proposition shall not be deemed to have passed and the offices of township treasurer and trustee of schools of the township in which those offices were sought to be abolished shall not be abolished, unless and until the proceedings detailed in paragraphs (1) through (3) of this subsection and the conditions set forth in this paragraph are met.

If the proposition to abolish the offices of township treasurer and trustee of schools of a township is deemed to have passed at the consolidated election as provided in this subsection, those offices shall be deemed abolished by operation of law effective on January 1 of the calendar year immediately following the calendar year in which that consolidated election is held, provided that if after the election, the trustees of schools by resolution elect to abolish the offices of township treasurer and trustee of schools effective on July 1 immediately following the election, then the offices shall be abolished on July 1 immediately following the election. On the date that the offices of township treasurer and trustee of schools of a township

are deemed abolished by operation of law, the school board of each elementary and unit school district and the school board of each high school district that is subject to the jurisdiction and authority of the township treasurer and trustees of schools of that township at the time those offices are abolished: (i) shall appoint its own school treasurer as provided in Section 8-1; and (ii) unless the term of the contract of a township treasurer expires on the date that the office of township treasurer is abolished, shall pay to the former township treasurer its proportionate share of any aggregate compensation that, were the office of township treasurer not abolished at that time, would have been payable to the former township treasurer after that date over the remainder of the term of the contract of the former township treasurer that began prior to but ends after that date. In addition, on the date that the offices of township treasurer and trustee of schools of a township are deemed abolished as provided in this subsection, the school board of each elementary school, high school and unit school district that until that date is subject to the jurisdiction and authority of the township treasurer and trustees of schools of that township shall be deemed by operation of law to have agreed and assumed to pay and, when determined, shall pay to the Illinois Municipal Retirement Fund a proportionate share of the unfunded liability existing in that Fund at the time these offices are abolished in that calendar year for all annuities or other benefits then or thereafter to become payable from that Fund with respect to all periods of service performed prior to that date as a participating employee in that Fund by persons serving during those periods of service as a trustee of schools, township treasurer or regular employee in the office of the township treasurer of that township. That unfunded liability shall be actuarially determined by the board of trustees of the Illinois Municipal Retirement Fund, and the board of trustees shall thereupon notify each school board required to pay a proportionate share of that unfunded liability of the aggregate amount of the unfunded liability so determined. The amount so paid to the Illinois Municipal Retirement Fund by each of those school districts shall be credited to the account of the township in that Fund. For each elementary school, high school and unit school district under the jurisdiction and authority of a township treasurer and trustees of schools of a township in which those offices are abolished as provided in this subsection, each such district's proportionate share of the aggregate compensation payable to the former township treasurer as provided in this paragraph and each such district's proportionate share of the aggregate amount of the unfunded liability payable to the Illinois Municipal Retirement Fund as provided in this paragraph shall be computed in accordance with the ratio that the number of pupils in average daily attendance in each such district for the school year last ending prior to the date on which the offices of township treasurer and trustee of schools of that township are abolished bears to the aggregate number of pupils in average daily attendance in all of those districts as so reported for that school year.

Upon abolition of the offices of township treasurer and trustee of schools of a township as provided in this subsection: (i) the regional board of school trustees, in its corporate capacity, shall be deemed the successor in interest to the former trustees of schools of that township with respect to the common school lands and township loanable funds of the township; (ii) all right, title and interest existing or vested in the former trustees of schools of that township in the common school lands and township loanable funds of the township, and all records, moneys, securities and other assets, rights of property and causes of action pertaining to or constituting a part of those common school lands or township loanable funds, shall be transferred to and deemed vested by operation of law in the regional board of school trustees, which shall hold legal title to, manage and operate all common school lands and township loanable funds of the township, receive the rents, issues and profits therefrom, and have and exercise with respect thereto the same powers and duties as are provided by this Code to be exercised by regional boards of school trustees when acting as township land commissioners in counties having at least 220,000 but fewer than 2,000,000 inhabitants; (iii) the regional board of school trustees shall select to serve as its treasurer with respect to the common school lands and township loanable funds of the township a person from time to time also serving as the appointed school treasurer of any school district that was subject to the jurisdiction and authority of the township treasurer and trustees of schools of that township at the time those offices were abolished, and the person selected to also serve as treasurer of the regional board of school trustees shall have his compensation for services in that capacity fixed by the regional board of school trustees, to be paid from the township loanable funds, and shall make to the regional board of school trustees the reports required to be made by treasurers of township land commissioners, give bond as required by treasurers of township land commissioners, and perform the duties and exercise the powers of treasurers of township land commissioners; (iv) the regional board of school trustees shall designate in the manner provided by Section 8-7, insofar as applicable, a depository for its treasurer, and the proceeds of all rents, issues and profits from the common school lands and township loanable funds of that township shall be deposited and held in the account maintained for those purposes with that depository and shall be expended and distributed therefrom

as provided in Section 15-24 and other applicable provisions of this Code; and (v) whenever there is vested in the trustees of schools of a township at the time that office is abolished under this subsection the legal title to any school buildings or school sites used or occupied for school purposes by any elementary school, high school or unit school district subject to the jurisdiction and authority of those trustees of school at the time that office is abolished, the legal title to those school buildings and school sites shall be deemed transferred by operation of law to and invested in the school board of that school district, in its corporate capacity under Section 10-22.35B of this Code, the same to be held, sold, exchanged leased or otherwise transferred in accordance with applicable provisions of this Code.

Notwithstanding Section 2-3.25g of this Code, a waiver of a mandate established under this Section may not be requested.

(d) Notwithstanding any other provision of law, any school district that forms a part of a Class II county school unit may, by a resolution adopted by at least two-thirds of the members of the school board of a school district, withdraw a school district from the jurisdiction and authority of the trustees of schools of the township in which such school district is located and from the jurisdiction and authority of the township treasurer of the township in which such school district is located, provided that the school board of the school district shall, upon the adoption and passage of such resolution, thereupon elect or appoint its own school treasurer as provided in Section 8-1 of this Code. The appointed school treasurer may include a township treasurer. The school board may enter into a contractual or intergovernmental agreement with an appointed school treasurer for school treasurer services.

Upon adoption and passage of the resolution and the election or appointment by the school board of its own school treasurer commencing with the first day of the succeeding fiscal year, but not prior to July 1, 2025: (1) the trustees of schools in the township or townships shall no longer have or exercise any powers or duties with respect to the school district or with respect to the school business, operations, or assets of the school district; (2) all books and records of the trustees of schools and all moneys, securities, loanable funds, and other assets relating to the school business and affairs of the school district shall be transferred and delivered to the school board; and (3) all legal title to and all right, title, and interest formerly held by the trustees of schools in any common school lands, school buildings, or school sites used and occupied by the school board and all rights of property and causes of action pertaining to or constituting a part of the common school lands, buildings, or sites shall be deemed transferred by operation of law to and shall vest in the school board.

Sec. 8-1. Treasurers.

(a) Except as otherwise provided in subsections (b) and (c), in Class II county school units the trustees of schools shall appoint a treasurer who shall be ex-officio clerk of the board. The term of the township treasurer shall be for a 2 year period beginning and ending on the first of July. The treasurer shall ~~be a resident of the township, but not~~ be a trustee, or school board member. He shall attend all meetings and keep a record of the official proceedings of the trustees of schools. Such record shall be open to public inspection. All proceedings, when recorded, shall be signed by the president and the clerk. If the clerk is absent, or refuses to perform any of his duties, a clerk pro tempore may be appointed. For sufficient cause the treasurer may be removed from office by the trustees of schools. In case of a vacancy the trustees of schools shall elect a treasurer for the unexpired term.

(b) In Class I county school units, and in each school district which forms a part of a Class II county school unit but which has withdrawn from the jurisdiction and authority of the trustees of schools of the township in which such school district is located and from the jurisdiction and authority of the township treasurer in such Class II county school unit as provided in subsection (b) of Section 5-1, each school board shall either elect one of its members to serve as treasurer without salary for a period of one year or appoint someone, not a member of the school board, as its treasurer, and, except as provided in this Section the board shall fix his compensation. An appointed treasurer shall serve at the pleasure of the board. An appointed treasurer shall be at least 21 years of age, of approved integrity, but not a member of the county board of school trustees. The records of the treasurer shall be open to public inspection. Two or more such districts may appoint the same treasurer. A person appointed and serving under this subsection as treasurer of a school board may concurrently serve as the treasurer of the regional board of school trustees, if selected to serve in that capacity by the regional board of school trustees, as provided in subsection (c) of Section 5-1. The school board shall fix the compensation of its school treasurer, and for sufficient cause may remove the school treasurer from office. However, if a member of the school board is also school treasurer, he or she shall perform his or her duties as school treasurer without compensation. In the case of a vacancy, the school board shall appoint a school treasurer for the unexpired term. The school board may determine the temporary incapacity of its treasurer due to illness, absence from the district, or other cause that prevents the prompt performance of his duties and may appoint an acting treasurer to serve until the school board determines that the temporary incapacity of its treasurer no longer exists.

(f) Concurrently with the election or appointment of its own school treasurer by the school board of a school district which forms a part of a Class II county school unit but which no longer is subject to the jurisdiction and authority of a township treasurer or trustees of schools of a township because the district has withdrawn from the jurisdiction and authority of the township treasurer and trustees of schools of the township or because those offices have been abolished as provided in subsection (b) or (c) of Section 5-1, all funds, accounts, moneys, notes, bonds, mortgages and effects then held by such township treasurer on behalf or for the use and benefit of, or then credited by such township treasurer to any fund or account of

such school district shall thereupon be transferred and paid over by such township treasurer to the school treasurer elected or appointed by the school board of such school district. In addition the school treasurer of such school district shall have the right, at all reasonable times, to inspect all cash books, loan books, district account books and journals kept by such township treasurer as provided in Section 8-5 and to copy or otherwise reproduce such portions thereof as such school treasurer deems necessary for the performance of his duties.

(g) Upon the abolition of the offices of the township treasurer and trustee of schools of a township as provided in subsection (c) of Section 5-1, and subject to the limitation of subsection (b) of Section 8-5 with respect to certain records to be surrendered to the regional board of school trustees, and except as otherwise provided in subsection (c) of Section 5-1 with respect to the common school lands and township loanable funds of that township and with respect to the records, books and accounts relating to those common school lands and township loanable funds, all school funds and accounts, moneys, notes, bonds, securities, district account books and other documents, records and effects then held by the former township treasurer on behalf or for the use and benefit of, or then credited by the former township treasurer to any fund or account of any school district that was under the jurisdiction and authority of the township treasurer at the time the office of that township treasurer was abolished shall thereupon be transferred and paid over by the former township treasurer to the appropriate school treasurer appointed by the school board of each such district under subsection (c) of this Section 8-1.

(h) If the school district of a school treasurer elected or appointed under this Section is receiving emergency State financial assistance under Article 1B, that school treasurer is subject to the provisions of Article 1B.

Senator Villivalam offered the following amendment and moved its adoption:

AMENDMENT NO. 1 TO SENATE BILL 898

AMENDMENT NO. 1. Amend Senate Bill 898 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Vehicle Code is amended by changing Sections 3-101, 3-111, and 3-111.1 as follows:

(625 ILCS 5/3-101) (from Ch. 95 1/2, par. 3-101)

Sec. 3-101. Certificate of title required.

(a) Except as provided in Section 3-102, every owner of a vehicle which is in this State and for which no Illinois certificate of title has been issued by the Secretary of State shall make application to the Secretary of State for an Illinois certificate of title of the vehicle. Except as provided in Section 3-102, every owner of a vehicle that is in this State for which no Illinois certificate of title has been issued by the Secretary of State and every owner of a vehicle that is in the State applying for a duplicate certificate of title or a corrected certificate of title, including a dealer lien release certificate of title, must make application to the Secretary of State for an Illinois duplicate certificate of title or corrected certificate of title. Any owner of a vehicle in this State with a certificate of title that was issued by an entity other than the Secretary of State and showing an Illinois address for the owner must be converted to an Illinois title before the owner can transfer the vehicle.

Under no circumstances shall a dealer required to obtain an Illinois certificate of title pursuant to this Code be allowed to obtain an out-of-state certificate of title for purposes of a vehicle held for sale in this State by the dealer. Under no circumstances shall a dealer be allowed to obtain an out-of-state certificate of title in lieu of an Illinois-issued dealer lien release certificate of title when a dealer may have need of such title issuance. Nothing in this Section shall be construed so as to allow a dealer to acquire an out-of-state certificate of title in lieu of acquiring an Illinois certificate of title for purposes of a vehicle held for sale in this State by the dealer.

(b) Every owner of a motorcycle or motor driven cycle purchased new on and after January 1, 1980 shall make application to the Secretary of State for a certificate of title. However, if such cycle is not properly manufactured or equipped for general highway use pursuant to the provisions of this Act, it shall not be eligible for license registration, but shall be issued a distinctive certificate of title except as provided in Sections 3-102 and 3-110 of this Act.

(c) The Secretary of State shall not register or renew the registration of a vehicle unless a certificate of title has been issued by the Secretary of State to the owner or an application therefor has been delivered by the owner to the Secretary of State.

(d) Every owner of an all-terrain vehicle or off-highway motorcycle purchased on or after January 1, 1998 shall make application to the Secretary of State for a certificate of title.

(e) Every owner of a low-speed vehicle manufactured after January 1, 2010 shall make application to the Secretary of State for a certificate of title.

(625 ILCS 5/3-111) (from Ch. 95 1/2, par. 3-111)

Sec. 3-111. Lost, stolen or mutilated certificates. (a) If a certificate of title is lost, stolen, mutilated or destroyed or becomes illegible, the first lienholder or, if none, the owner or legal representative of the owner named in the certificate, as shown by the records of the Secretary of State, shall promptly make application to the Secretary of State for and may obtain a duplicate upon furnishing information satisfactory to the Secretary of State. The duplicate certificate of title shall contain the legend "This is a duplicate certificate and may be subject to the rights of a person under the original certificate." It shall be mailed to the first lienholder named in it or, if none, to the owner or the owner's designee. A certificate of title or a duplicate certificate of title issued by another State showing an Illinois address for the owner cannot be used to transfer ownership of a vehicle.

(b) The Secretary of State shall not issue a duplicate certificate of title to any person within 15 days after the issuance of an original certificate of title to such person.

(c) A person recovering an original certificate of title for which a duplicate has been issued shall promptly surrender the original certificate to the Secretary of State.

(d) An application for a duplicate certificate of title must state the current vehicle odometer reading at the time of application and that the stated odometer reading is one of the following: actual mileage, not the actual mileage or mileage is in excess of its mechanical limits.

(e) If a Display certificate of title is lost, stolen, mutilated or destroyed or becomes illegible, the owner or legal representative of the owner named in the original Display certificate of title and in the certificate of title, as shown by the records of the Secretary of State, shall promptly make application for and may obtain a duplicate upon furnishing information satisfactory to the Secretary of State. The duplicate Display certificate of title shall contain the legend "Duplicate Display Certificate of Title." It shall be mailed to the owner or legal representative of the owner named in the original Display certificate of title and in the certificate of title. Such duplicate Display certificate of title shall be attached and displayed in the same manner and in the same place as the original Display certificate of title would have been attached and displayed had it not been lost, stolen, mutilated or destroyed or had it not become illegible.

(Source: P.A. 86-444.)

(625 ILCS 5/3-111.1) (from Ch. 95 1/2, par. 3-111.1)

Sec. 3-111.1. Corrected certificates. An application for a corrected certificate of title must state the current vehicle odometer reading at the time of application and that the stated odometer reading is one of the following: actual mileage, not the actual mileage or mileage is in excess of its mechanical limits. The corrected certificate issued under this Section shall contain the notation "corrected". A certificate of title or a corrected certificate of title issued by another State showing an Illinois address for the owner cannot be used to transfer ownership of a vehicle. The owner of a vehicle with a certificate of title or duplicate certificate of title issued by another state showing an Illinois address cannot transfer ownership of the vehicle without first converting the certificate of title to an Illinois certificate of title.
