AMENDMENT NO. 1 TO SENATE BILL 2959

AMENDMENT NO. 1. Amend Senate Bill 2959 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Identification Card Act is amended by changing Sections 4 and 5 as follows:
(15 ILCS 335/4)

(Text of Section before amendment by P.A. 103-210)

Sec. 4. Identification card.

(a) The Secretary of State shall issue a standard Illinois Identification Card to any natural person who is a resident of the State of Illinois who applies for such card, or renewal thereof. No identification card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The card shall be prepared and supplied by the Secretary of State and shall include a photograph and signature or mark of the applicant. However, the Secretary of State may provide by rule for the issuance of Illinois Identification Cards without photographs if the applicant has a bona fide religious objection to being photographed or to the display of his or her photograph. The Illinois Identification Card may be used for identification purposes in any lawful situation only by the person to whom it was issued. As used in this Act, "photograph" means any color photograph or digitally produced and captured image of an applicant for an identification card. As used in this Act, "signature" means the name of a person as written by that person and captured in a manner acceptable to the Secretary of State.

(a-5) If an applicant for an identification card has a current driver's license or instruction permit issued by the Secretary of State, the Secretary may require the applicant to utilize the same residence address and name on the identification card, driver's license, and instruction permit records maintained by the Secretary. The Secretary may promulgate rules to implement this provision.

(a-10) If the applicant is a judicial officer as defined in Section 1-10 of the Judicial Privacy Act or a peace officer, the applicant may elect to have his or her office or work address listed on the card instead of the applicant's residence or mailing address. The Secretary may promulgate rules to implement this provision. For the purposes of this subsection (a-10), "peace officer" means any person who by virtue of his or her office or public employment is vested by law with a duty to maintain public order or to make arrests for a violation of any penal statute of this State, whether that duty extends to all violations or is limited to specific violations.

(a-15) The Secretary of State may provide for an expedited process for the issuance of an Illinois Identification Card. The Secretary shall charge an additional fee for the expedited issuance of an Illinois Identification Card, to be set by rule, not to exceed \$75. All fees collected by the Secretary for expedited Illinois Identification Card service shall be deposited into the Secretary of State Special Services Fund. The Secretary may adopt rules regarding the eligibility, process, and fee for an expedited Illinois Identification Card. If the Secretary of State determines that the volume of expedited identification card requests received on a given day exceeds the ability of the Secretary to process those requests in an expedited manner, the Secretary may decline to provide expedited services, and the additional fee for the expedited service shall be refunded to the applicant.

(a-20) The Secretary of State shall issue a standard Illinois Identification Card to a person committed to the Department of Corrections or Department of Juvenile Justice upon receipt of the person's birth certificate, social security card, photograph, proof of residency upon discharge, and an identification card application transferred via a secure method as agreed upon by the Secretary and the Department of Corrections or Department of Juvenile Justice. Illinois residency shall be established by submission of a Secretary of State prescribed Identification Card verification form completed by the respective Department.

(a-25) The Secretary of State shall issue a limited-term Illinois Identification Card valid for 90 days to a committed person upon release on parole, mandatory supervised release, aftercare release, final discharge, or pardon from the Department of Corrections or Department of Juvenile Justice, if the released person is unable to present a certified copy of his or her birth certificate and social security card or other documents authorized by the Secretary, but does present a Secretary of State prescribed Identification Card verification form completed by the Department of Corrections or Department of Juvenile Justice, verifying the released person's date of birth, social security number, and his or her Illinois residence address. The verification form must have been completed no more than 30 days prior to the date of application for the Illinois Identification Card.

[May 17, 2024]

Prior to the expiration of the 90-day period of the limited-term Illinois Identification Card, if the released person submits to the Secretary of State a certified copy of his or her birth certificate and his or her social security card or other documents authorized by the Secretary, a standard Illinois Identification Card shall be issued. A limited-term Illinois Identification Card may not be renewed.

(a-30) The Secretary of State shall issue a standard Illinois Identification Card to a person upon conditional release or absolute discharge from the custody of the Department of Human Services, if the person presents a certified copy of his or her birth certificate, social security card, or other documents authorized by the Secretary, and a document proving his or her Illinois residence address. The Secretary of State shall issue a standard Illinois Identification Card to a person prior to his or her conditional release or absolute discharge if personnel from the Department of Human Services bring the person to a Secretary of State location with the required documents. Documents proving residence address may include any official document of the Department of Human Services showing the person's address after release and a Secretary of State prescribed verification form, which may be executed by personnel of the Department of Human Services.

(a-35) The Secretary of State shall issue a limited-term Illinois Identification Card valid for 90 days to a person upon conditional release or absolute discharge from the custody of the Department of Human Services, if the person is unable to present a certified copy of his or her birth certificate and social security card or other documents authorized by the Secretary, but does present a Secretary of State prescribed verification form completed by the Department of Human Services, verifying the person's date of birth and social security number, and a document proving his or her Illinois residence address. The verification form must have been completed no more than 30 days prior to the date of application for the Illinois Identification Card. The Secretary of State shall issue a limited-term Illinois Identification Card to a person no sooner than 14 days prior to his or her conditional release or absolute discharge if personnel from the Department of Human Services bring the person to a Secretary of State location with the required documents. Documents proving residence address shall include any official document of the Department of Human Services showing the person's address after release and a Secretary of State prescribed verification form, which may be executed by personnel of the Department of Human Services.

(b) The Secretary of State shall issue a special Illinois Identification Card, which shall be known as an Illinois Person with a Disability Identification Card, to any natural person who is a resident of the State of Illinois, who is a person with a disability as defined in Section 4A of this Act, who applies for such card, or renewal thereof. No Illinois Person with a Disability Identification Card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The Secretary of State shall charge no fee to issue such card. The card shall be prepared and supplied by the Secretary of State, and shall include a photograph and signature or mark of the applicant, a designation indicating that the card is an Illinois Person with a Disability Identification Card, and shall include a comprehensible designation of the type and classification of the applicant's disability as set out in Section 4A of this Act. However, the Secretary of State may provide by rule for the issuance of Illinois Person with a Disability Identification Cards without photographs if the applicant has a bona fide religious objection to being photographed or to the display of his or her photograph. If the applicant so requests, the card shall include a description of the applicant's disability and any information about the applicant's disability or medical history which the Secretary determines would be helpful to the applicant in securing emergency medical care. If a mark is used in lieu of a signature, such mark shall be affixed to the card in the presence of two witnesses who attest to the authenticity of the mark. The Illinois Person with a Disability Identification Card may be used for identification purposes in any lawful situation by the person to whom it was issued.

The Illinois Person with a Disability Identification Card may be used as adequate documentation of disability in lieu of a physician's determination of disability, a determination of disability from a physician assistant, a determination of disability from an advanced practice registered nurse, or any other documentation of disability whenever any State law requires that a person with a disability provide such documentation of disability, however an Illinois Person with a Disability Identification Card shall not qualify the cardholder to participate in any program or to receive any benefit which is not available to all persons with like disabilities. Notwithstanding any other provisions of law, an Illinois Person with a Disability Identification Card, or evidence that the Secretary of State has issued an Illinois Person with a Disability Identification Card, shall not be used by any person other than the person named on such card to prove that the person named on such card is a person with a disability or for any other purpose unless the

card is used for the benefit of the person named on such card, and the person named on such card consents to such use at the time the card is so used.

An optometrist's determination of a visual disability under Section 4A of this Act is acceptable as documentation for the purpose of issuing an Illinois Person with a Disability Identification Card.

When medical information is contained on an Illinois Person with a Disability Identification Card, the Office of the Secretary of State shall not be liable for any actions taken based upon that medical information.

(c) The Secretary of State shall provide that each original or renewal Illinois Identification Card or Illinois Person with a Disability Identification Card issued to a person under the age of 21 shall be of a distinct nature from those Illinois Identification Cards or Illinois Person with a Disability Identification Cards issued to individuals 21 years of age or older. The color designated for Illinois Identification Cards or Illinois Person with a Disability Identification Cards for persons under the age of 21 shall be at the discretion of the Secretary of State.

(c-1) Each original or renewal Illinois Identification Card or Illinois Person with a Disability Identification Card issued to a person under the age of 21 shall display the date upon which the person becomes 18 years of age and the date upon which the person becomes 21 years of age.

(c-3) The General Assembly recognizes the need to identify military veterans living in this State for the purpose of ensuring that they receive all of the services and benefits to which they are legally entitled, including healthcare, education assistance, and job placement. To assist the State in identifying these veterans and delivering these vital services and benefits, the Secretary of State is authorized to issue Illinois Identification Cards and Illinois Person with a Disability Identification Cards with the word "veteran" appearing on the face of the cards. This authorization is predicated on the unique status of veterans. The Secretary may not issue any other identification card which identifies an occupation, status, affiliation, hobby, or other unique characteristics of the identification card holder which is unrelated to the purpose of the identification card.

(c-5) Beginning on or before July 1, 2015, the Secretary of State shall designate a space on each original or renewal identification card where, at the request of the applicant, the word "veteran" shall be placed. The veteran designation shall be available to a person identified as a veteran under subsection (b) of Section 5 of this Act who was discharged or separated under honorable conditions.

(d) The Secretary of State may issue a Senior Citizen discount card, to any natural person who is a resident of the State of Illinois who is 60 years of age or older and who applies for such a card or renewal thereof. The Secretary of State shall charge no fee to issue such card. The card shall be issued in every county and applications shall be made available at, but not limited to, nutrition sites, senior citizen centers and Area Agencies on Aging. The applicant, upon receipt of such card and prior to its use for any purpose, shall have affixed thereon in the space provided therefor his signature or mark.

(e) The Secretary of State, in his or her discretion, may designate on each Illinois Identification Card or Illinois Person with a Disability Identification Card a space where the card holder may place a sticker or decal, issued by the Secretary of State, of uniform size as the Secretary may specify, that shall indicate in appropriate language that the card holder has renewed his or her Illinois Identification Card or Illinois Person with a Disability Identification Card.

(f) Upon providing required documentation, at the request of the applicant, the identification card may reflect Gold Star Family designation. The Secretary shall designate a space on each original or renewal of an identification card for such designation. This designation shall be available to a person eligible for Gold Star license plates under subsection (f) of Section 6-106 of the Illinois Vehicle Code.

The Secretary of State shall issue a standard Illinois Identification Card to a person prior to his or her conditional release or absolute discharge if personnel from the Department of Human Services bring the person to a Secretary of State location with the required documents. Documents proving residence address may include any official document of the Department of Human Services showing the person's address after release and a Secretary of State prescribed verification form, which may be executed by personnel of the Department of Human Services.

(a-35) The Secretary of State shall issue a limited-term Illinois Identification Card valid for 90 days to a person upon conditional release or absolute discharge from the custody of the Department of Human Services, if the person is unable to present a certified copy of his or her birth certificate and social security card, if the person has a social security number, or other documents authorized by the Secretary, but does not present a Secretary of State prescribed verification form completed by the Department of Human Services, verifying the person's date of birth and social security number, if the person has a social security number, and a document proving his or her Illinois residence address. The verification form must have been completed no more than 30 days prior to the date of application for the Illinois Identification Card. The Secretary of State shall issue a limited-term Illinois Identification Card to a person no sooner than 14 days prior to his or her conditional release or absolute discharge if personnel from the Department of Human Services bring the person to a Secretary of State location with the required documents. Documents proving residence address shall include any official document of the Department of Human Services showing the person's address after release and a Secretary of State prescribed verification form, which may be executed by personnel of the Department of Human Services.

(b) The Secretary of State shall issue a special Illinois Identification Card, which shall be known as an Illinois Person with a Disability Identification Card, to any natural person who is a resident of the State of Illinois, who is a person with a disability as defined in Section 4A of this Act, who applies for such card, or renewal thereof. No Illinois Person with a Disability Identification Card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The Secretary of State shall charge no fee to issue such card. The card shall be prepared and supplied by the Secretary of State, and shall include a photograph and signature or mark of the applicant, a designation indicating that the card is an Illinois Person with a Disability Identification Card, and shall include a comprehensible designation of the type and classification of the applicant's disability as set out in Section 4A of this Act. However, the Secretary of State may provide by rule for the issuance of Illinois Person with a Disability Identification Cards without photographs if the applicant has a bona fide religious objection to being photographed or to the display of his or her photograph. If the applicant so requests, the card shall include a description of the applicant's disability and any information about the applicant's disability or medical history which the Secretary determines would be helpful to the applicant in securing emergency medical care. If a mark is used in lieu of a signature, such mark shall be affixed to the card in the presence of two witnesses who attest to the authenticity of the mark. The Illinois Person with a Disability Identification Card may be used for identification purposes in any lawful situation by the person to whom it was issued.

The Illinois Person with a Disability Identification Card may be used as adequate documentation of disability in lieu of a physician's determination of disability, a determination of disability from a physician assistant, a determination of disability from an advanced practice registered nurse, or any other documentation of disability whenever any State law requires that a person with a disability provide such documentation of disability, however an Illinois Person with a Disability Identification Card shall not qualify the cardholder to participate in any program or to receive any benefit which is not available to all persons with like disabilities. Notwithstanding any other provisions of law, an Illinois Person with a Disability Identification Card, or evidence that the Secretary of State has issued an Illinois Person with a Disability Identification Card, shall not be used by any person other than the person named on such card to prove that the person named on such card is a person with a disability or for any other purpose unless the card is used for the benefit of the person named on such card, and the person named on such card consents to such use at the time the card is so used.

An optometrist's determination of a visual disability under Section 4A of this Act is acceptable as documentation for the purpose of issuing an Illinois Person with a Disability Identification Card.

When medical information is contained on an Illinois Person with a Disability Identification Card, the Office of the Secretary of State shall not be liable for any actions taken based upon that medical information.

(c) The Secretary of State shall provide that each original or renewal Illinois Identification Card or Illinois Person with a Disability Identification Card issued to a person under the age of 21 shall be of a distinct nature from those Illinois Identification Cards or Illinois Person with a Disability Identification Cards issued to individuals 21 years of age or older. The color designated for Illinois Identification Cards or Illinois Person with a Disability Identification Cards for persons under the age of 21 shall be at the discretion of the Secretary of State.

(c-1) Each original or renewal Illinois Identification Card or Illinois Person with a Disability Identification Card issued to a person under the age of 21 shall display the date upon which the person becomes 18 years of age and the date upon which the person becomes 21 years of age.

(c-3) The General Assembly recognizes the need to identify military veterans living in this State for the purpose of ensuring that they receive all of the services and benefits to which they are legally entitled, including healthcare, education assistance, and job placement. To assist the State in identifying these veterans and delivering these vital services and benefits, the Secretary of State is authorized to issue Illinois Identification Cards and Illinois Person with a Disability Identification Cards with the word "veteran" appearing on the face of the cards. This authorization is predicated on the unique status of veterans. The Secretary may not issue any other identification card which identifies an occupation, status, affiliation, hobby, or other unique characteristics of the identification card holder which is unrelated to the purpose of the identification card.

(c-5) Beginning on or before July 1, 2015, the Secretary of State shall designate a space on each original or renewal identification card where, at the request of the applicant, the word "veteran" shall be placed. The veteran designation shall be available to a person identified as a veteran under subsection (b) of Section 5 of this Act who was discharged or separated under honorable conditions.

(d) The Secretary of State may issue a Senior Citizen discount card, to any natural person who is a resident of the State of Illinois who is 60 years of age or older and who applies for such a card or renewal thereof. The Secretary of State shall charge no fee to issue such card. The card shall be issued in every county and applications shall be made available at, but not limited to, nutrition sites, senior citizen centers and Area Agencies on Aging. The applicant, upon receipt of such card and prior to its use for any purpose, shall have affixed thereon in the space provided therefor his signature or mark.

(e) The Secretary of State, in his or her discretion, may designate on each Illinois Identification Card or Illinois Person with a Disability Identification Card a space where the card holder may place a sticker or decal, issued by the Secretary of State, of uniform size as the Secretary may specify, that shall indicate in appropriate language that the card holder has renewed his or her Illinois Identification Card or Illinois Person with a Disability Identification Card.

(f) Upon providing required documentation, at the request of the applicant, the identification card may reflect Gold Star Family designation. The Secretary shall designate a space on each original or renewal of an identification card for such designation. This designation shall be available to a person eligible for Gold Star license plates under subsection (f) of Section 6-106 of the Illinois Vehicle Code.

Sec. 6-106. Application for license or instruction permit.

(a) Every application for any permit or license authorized to be issued under this Code shall be made upon a form furnished by the Secretary of State. Every application shall be accompanied by the proper fee and payment of such fee shall entitle the applicant to not more than 3 attempts to pass the examination within a period of one year after the date of application.

(b) Every application shall state the legal name, social security number, zip code, date of birth, sex, and residence address of the applicant; briefly describe the applicant; state whether the applicant has theretofore been licensed as a driver, and, if so, when and by what state or country, and whether any such license has ever been cancelled, suspended, revoked or refused, and, if so, the date and reason for such cancellation, suspension, revocation or refusal; shall include an affirmation by the applicant that all information set forth is true and correct; and shall bear the applicant's signature. In addition to the residence address, the Secretary may allow the applicant to provide a mailing address. In the case of an applicant who is a judicial officer or peace officer, the Secretary may allow the applicant to provide an office or work address in lieu of a residence or mailing address. The application form may also require the statement of such additional relevant information as the Secretary of State shall deem necessary to determine the applicant's competency and eligibility. The Secretary of State may, in his discretion, by rule or regulation, provide that an application for a drivers license or permit may include a suitable photograph of the applicant in the form prescribed by the Secretary, and he may further provide that each drivers license shall include a photograph of the driver. The Secretary of State may utilize a photograph process or system most suitable to deter alteration or improper reproduction of a drivers license and to prevent substitution of another photo thereon. For the purposes of this subsection (b), "peace officer" means any person who by virtue of his or her office or public employment is vested by law with a duty to maintain public order or to make arrests for a violation of any penal statute of this State, whether that duty extends to all violations or is limited to specific violations.

(b-3) Upon the first issuance of a request for proposals for a digital driver's license and identification card issuance and facial recognition system issued after January 1, 2020 (the effective date of Public Act 101-513), and upon implementation of a new or revised system procured pursuant to that request for proposals, the Secretary shall permit applicants to choose between "male", "female" or "non-binary" when designating the applicant's sex on the driver's license application form. The sex designated by the applicant shall be displayed on the driver's license issued to the applicant.

(b-5) Every applicant for a REAL ID compliant driver's license or permit shall provide proof of lawful status in the United States as defined in 6 CFR 37.3, as amended. Applicants who are unable to provide the Secretary with proof of lawful status may apply for a driver's license or permit under Section 6-105.1 of this Code.

(c) The application form shall include a notice to the applicant of the registration obligations of sex offenders under the Sex Offender Registration Act. For purposes of this subsection (c), "sex offender" has the meaning ascribed to it in Section 2 of the Sex Offender Registration Act.

(d) Any male United States citizen or immigrant who applies for any permit or license authorized to be issued under this Code or for a renewal of any permit or license, and who is at least 18 years of age but

less than 26 years of age, must be registered in compliance with the requirements of the federal Military Selective Service Act. The Secretary of State must forward in an electronic format the necessary personal information regarding the applicants identified in this subsection (d) to the Selective Service System. The applicant's signature on the application serves as an indication that the applicant either has already registered with the Selective Service System or that he is authorizing the Secretary to forward to the Selective Service System the necessary information for registration. The Secretary must notify the applicant at the time of application that his signature constitutes consent to registration with the Selective Service System, if he is not already registered.

(e) Beginning on or before July 1, 2015, for each original or renewal driver's license application under this Code, the Secretary shall inquire as to whether the applicant is a veteran for purposes of issuing a driver's license with a veteran designation under subsection (e-5) of Section 6-110 of this Code. The acceptable forms of proof shall include, but are not limited to, Department of Defense form DD-214, Department of Defense form DD-256 for applicants who did not receive a form DD-214 upon the completion of initial basic training, Department of Defense form DD-2 (Retired), an identification card issued under the federal Veterans Identification Card Act of 2015, or a United States Department of Veterans Affairs summary of benefits letter. If the document cannot be stamped, the Illinois Department of Veterans' Affairs shall provide a certificate to the veteran to provide to the Secretary of State. The Illinois Department of Veterans' Affairs shall advise the Secretary as to what other forms of proof of a person's status as a veteran are acceptable.

For each applicant who is issued a driver's license with a veteran designation, the Secretary shall provide the Department of Veterans' Affairs with the applicant's name, address, date of birth, gender and such other demographic information as agreed to by the Secretary and the Department. The Department may take steps necessary to confirm the applicant is a veteran. If after due diligence, including writing to the applicant at the address provided by the Secretary, the Department is unable to verify the applicant's veteran status, the Department shall inform the Secretary, who shall notify the applicant that he or she must confirm status as a veteran, or the driver's license will be cancelled.

For purposes of this subsection (e):

"Veteran" means a person who has served in the armed forces and was discharged or separated under honorable conditions.

(625 ILCS 5/6-110) (from Ch. 95 1/2, par. 6-110)

Sec. 6-110. Licenses issued to drivers.

(a) The Secretary of State shall issue to every qualifying applicant a driver's license as applied for, which license shall bear a distinguishing number assigned to the licensee, the legal name, signature, zip code, date of birth, residence address, and a brief description of the licensee.

Licenses issued shall also indicate the classification and the restrictions under Section 6-104 of this Code. The Secretary may adopt rules to establish informational restrictions that can be placed on the driver's license regarding specific conditions of the licensee.

A driver's license issued may, in the discretion of the Secretary, include a suitable photograph of a type prescribed by the Secretary.

(a-1) If the licensee is less than 18 years of age, unless one of the exceptions in subsection (a-2) apply, the license shall, as a matter of law, be invalid for the operation of any motor vehicle during the following times:

- (A) Between 11:00 p.m. Friday and 6:00 a.m. Saturday;
- (B) Between 11:00 p.m. Saturday and 6:00 a.m. on Sunday; and
- (C) Between 10:00 p.m. on Sunday to Thursday, inclusive, and 6:00 a.m. on the following day.

(a-2) The driver's license of a person under the age of 18 shall not be invalid as described in subsection (a-1) of this Section if the licensee under the age of 18 was:

- (1) accompanied by the licensee's parent or guardian or other person in custody or control of the minor;
- (2) on an errand at the direction of the minor's parent or guardian, without any detour or stop;
- (3) in a motor vehicle involved in interstate travel;
- (4) going to or returning home from an employment activity, without any detour or stop;
- (5) involved in an emergency;
- (6) going to or returning home from, without any detour or stop, an official school, religious, or other recreational activity supervised by adults and sponsored by a government or governmental agency, a civic organization, or another similar entity that takes responsibility for the licensee, without any detour or stop;
- (7) exercising First Amendment rights protected by the United States Constitution, such as the free exercise of religion, freedom of speech, and the right of assembly; or
- (8) married or had been married or is an emancipated minor under the Emancipation of Minors Act.

(a-2.5) The driver's license of a person who is 17 years of age and has been licensed for at least 12 months is not invalid as described in subsection (a-1) of this Section while the licensee is participating as an assigned driver in a Safe Rides program that meets the following criteria:

- (1) the program is sponsored by the Boy Scouts of America or another national public service organization; and
- (2) the sponsoring organization carries liability insurance covering the program.

(a-3) If a graduated driver's license holder over the age of 18 committed an offense against traffic regulations governing the movement of vehicles or any violation of Section 6-107 or Section 12-603.1 of

this Code in the 6 months prior to the graduated driver's license holder's 18th birthday, and was subsequently convicted of the offense, the provisions of subsection (a-1) shall continue to apply until such time as a period of 6 consecutive months has elapsed without an additional violation and subsequent conviction of an offense against traffic regulations governing the movement of vehicles or Section 6-107 or Section 12-603.1 of this Code.

(a-4) If an applicant for a driver's license or instruction permit has a current identification card issued by the Secretary of State, the Secretary may require the applicant to utilize the same residence address and name on the identification card, driver's license, and instruction permit records maintained by the Secretary. The Secretary may promulgate rules to implement this provision.

(a-5) If an applicant for a driver's license is a judicial officer or a peace officer, the applicant may elect to have his or her office or work address listed on the license instead of the applicant's residence or mailing address. The Secretary of State shall adopt rules to implement this subsection (a-5). For the purposes of this subsection (a-5), "peace officer" means any person who by virtue of his or her office or public employment is vested by law with a duty to maintain public order or to make arrests for a violation of any penal statute of this State, whether that duty extends to all violations or is limited to specific violations.

(b) Until the Secretary of State establishes a First Person Consent organ and tissue donor registry under Section 6-117 of this Code, the Secretary of State shall provide a format on the reverse of each driver's license issued which the licensee may use to execute a document of gift conforming to the provisions of the Illinois Anatomical Gift Act. The format shall allow the licensee to indicate the gift intended, whether specific organs, any organ, or the entire body, and shall accommodate the signatures of the donor and 2 witnesses. The Secretary shall also inform each applicant or licensee of this format, describe the procedure for its execution, and may offer the necessary witnesses; provided that in so doing, the Secretary shall advise the applicant or licensee that he or she is under no compulsion to execute a document of gift. A brochure explaining this method of executing an anatomical gift document shall be given to each applicant or licensee. The brochure shall advise the applicant or licensee that he or she is under no compulsion to execute a document of gift, and that he or she may wish to consult with family, friends or clergy before doing so. The Secretary of State may undertake additional efforts, including education and awareness activities, to promote organ and tissue donation.

(c) The Secretary of State shall designate on each driver's license issued a space where the licensee may place a sticker or decal of the uniform size as the Secretary may specify, which sticker or decal may indicate in appropriate language that the owner of the license carries an Emergency Medical Information Card.

The sticker may be provided by any person, hospital, school, medical group, or association interested in assisting in implementing the Emergency Medical Information Card, but shall meet the specifications as the Secretary may by rule or regulation require.

(d) The Secretary of State shall designate on each driver's license issued a space where the licensee may indicate his blood type and RH factor.

(e) The Secretary of State shall provide that each original or renewal driver's license issued to a licensee under 21 years of age shall be of a distinct nature from those driver's licenses issued to individuals 21 years of age and older. The color designated for driver's licenses for licensees under 21 years of age shall be at the discretion of the Secretary of State.

(e-1) The Secretary shall provide that each driver's license issued to a person under the age of 21 displays the date upon which the person becomes 18 years of age and the date upon which the person becomes 21 years of age.

(e-3) The General Assembly recognizes the need to identify military veterans living in this State for the purpose of ensuring that they receive all of the services and benefits to which they are legally entitled, including healthcare, education assistance, and job placement. To assist the State in identifying these veterans and delivering these vital services and benefits, the Secretary of State is authorized to issue drivers' licenses with the word "veteran" appearing on the face of the licenses. This authorization is predicated on the unique status of veterans. The Secretary may not issue any other driver's license which identifies an occupation, status, affiliation, hobby, or other unique characteristics of the license holder which is unrelated to the purpose of the driver's license.

(e-5) Beginning on or before July 1, 2015, the Secretary of State shall designate a space on each original or renewal driver's license where, at the request of the applicant, the word "veteran" shall be placed. The veteran designation shall be available to a person identified as a veteran under subsection (e) of Section 6-106 of this Code who was discharged or separated under honorable conditions.

(e-7) Upon providing required documentation, at the request of the applicant, the driver's license may reflect Gold Star Family designation. The Secretary shall designate a space on each original or renewal driver's license for such designation. This designation shall be available to a person eligible for Gold Star license plates under subsection (f) of Section 6-106 of this Code.

(f) The Secretary of State shall inform all Illinois licensed commercial motor vehicle operators of the requirements of the Uniform Commercial Driver License Act, Article V of this Chapter, and shall make provisions to insure that all drivers, seeking to obtain a commercial driver's license, be afforded an opportunity prior to April 1, 1992, to obtain the license. The Secretary is authorized to extend driver's license expiration dates, and assign specific times, dates and locations where these commercial driver's tests shall be conducted. Any applicant, regardless of the current expiration date of the applicant's driver's license, may be subject to any assignment by the Secretary. Failure to comply with the Secretary's assignment may result in the applicant's forfeiture of an opportunity to receive a commercial driver's license prior to April 1, 1992.

(g) The Secretary of State shall designate on a driver's license issued, a space where the licensee may indicate that he or she has drafted a living will in accordance with the Illinois Living Will Act or a durable power of attorney for health care in accordance with the Illinois Power of Attorney Act.

(g-1) The Secretary of State, in his or her discretion, may designate on each driver's license issued a space where the licensee may place a sticker or decal, issued by the Secretary of State, of uniform size as the Secretary may specify, that shall indicate in appropriate language that the owner of the license has renewed his or her driver's license.

(h) A person who acts in good faith in accordance with the terms of this Section is not liable for damages in any civil action or subject to prosecution in any criminal proceeding for his or her act.

(i) The Secretary shall designate a space on each original or renewal of a driver's license, at the request of the applicant, for a designation as a Gold Star Family. This designation shall be available to a person eligible for Gold Star license plates under subsection (f) of Section 6-106 of this Code.

HOUSE BILL RECALLED

On motion of Senator Simmons, **House Bill No. 5097** was recalled from the order of third reading to the order of second reading.

Senator Simmons offered the following amendment and moved its adoption:

AMENDMENT NO. 1 TO HOUSE BILL 5097

AMENDMENT NO. 1 . Amend House Bill 5097 by replacing everything after the enacting clause with the following:

[May 17, 2024]

"Section 5. The Children and Family Services Act is amended by adding Section 7.3b as follows:
(20 ILCS 505/7.3b new)

Sec. 7.3b. Case plan requirements for hair-related needs of youth in care.

(a) Purposes. Hair plays an important role in fostering youths' connection to their race, culture, and identity. Haircare promotes positive messages of self-worth, comfort, and affection. Because these messages typically are developed through interactions with family and community members, it is necessary to establish a framework to ensure that youth in care are not deprived of these messages and that caregivers and appropriate child care facility staff are adequately prepared to provide culturally competent haircare for youth.

(b) Definitions. As used in this Section:

(1) "Haircare" means all care related to the maintenance of hair, including, but not limited to, the daily maintenance routine, cutting, styling, or dyeing of hair.

(2) "Culture" means the norms, traditions, and experiences of a person's community that inform that person's daily life and long-term goals.

(3) "Identity" means the memories, experiences, relationships, and values that create one's sense of self. This amalgamation creates a steady sense of who one is over time, even as new facets are developed and incorporated into one's identity.

(c) Haircare plan.
