PRESENTATION OF RESOLUTIONS

Senator Morrison offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 30

WHEREAS, Sudden cardiac arrest and other medical emergencies are leading causes of death in the United States; and

WHEREAS, Emergency medical situations, including cardiac arrest, choking, and severe injuries, can occur at any time; and

WHEREAS, The immediate application of cardiopulmonary resuscitation (CPR) and first aid can significantly improve survival rates and outcomes according to the American Heart Association; and

WHEREAS, The health, safety, and well-being of students are of paramount importance to the State of Illinois, making it important to ensure that young learners are equipped with life-saving skills that can make a critical difference in emergency situations; and

WHEREAS, Equipping young individuals as early as kindergarten with age-appropriate, life-saving skills, including basic first aid and emergency response protocols, helps foster a sense of responsibility, confidence, and preparedness; and

WHEREAS, Research indicates that children are capable of learning life-saving techniques when these skills are introduced in an age-appropriate and developmentally tailored manner; and

WHEREAS, Studies have demonstrated that early, repeated education on CPR, first aid, and other life-saving skills can empower students to act confidently in emergencies, increasing the likelihood of positive outcomes for those in distress; and

WHEREAS, Incorporating life-saving education into the school curriculum aligns with the State's mission to provide a well-rounded education that prepares students for real-world challenges; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we affirm the value of incorporating age-appropriate cardiopulmonary resuscitation (CPR), first aid, and life-saving skills into the curriculum for students from kindergarten through eighth grade; and be it further

RESOLVED, That we recognize that collaboration with medical providers and emergency response organizations could prove beneficial to the development of guidelines and resources, ensuring these age appropriate lessons are delivered effectively and safely; and be it further

RESOLVED, That we recognize that the prioritization of interactive, hands-on learning opportunities have proven effective in engaging students and making lessons impactful while maintaining adherence to safety standards; and be it further

RESOLVED, That we recognize the importance of making life-saving education an integral part of preparing young people to be not only good students but also responsible and compassionate citizens capable of responding effectively in times of crisis.

Senator Morrison offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 31

WHEREAS, Millions of neurodivergent individuals in the U.S., an estimated 15 to 20% of the overall population according to an American Enterprise Institute (AEI) Report, are bullied in primary education school settings; and

WHEREAS, Individuals with autism are up to four times more likely to experience loneliness than non-autistic people, and children with Attention Deficit Hyperactivity Disorder (ADHD) are nearly twice as likely to be physically and emotionally bullied than their neurotypical peers, according to information provided by the Centers for Disease Control and Prevention (CDC) in 2021; and

WHEREAS, Children with autism or other neurodivergent conditions are particularly sensitive to their early social environments, and positive early interactions, such as inclusive and supportive peer relationships, can significantly enhance their emotional well-being and overall development; and

WHEREAS, A school having an action plan for neurotypical students provides a simple way to demonstrate kindness, respect, and accommodation directed towards neurodivergent peers; and

WHEREAS, If nothing is done in K-8 education for vulnerable Illinoisans, countless neurodivergent individuals will continue being silently oppressed by peers unaware of the condition that affects their peers; and

WHEREAS, The State of Illinois has a responsibility to provide its neurodivergent students with a positive social environment in primary K-8 education; in doing so, it is imperative that neurotypical peers receive educational guidance, in the form of assemblies, workbooks, handbooks, Social Emotional Learning

[January 24, 2025]

(SEL) lessons, in-classroom conversations, and other methods, on neurodivergence so they can become cognizant of the various neurodivergent conditions; and

WHEREAS, Within schools that encompass a K-8 district, presentations on topics of neurodivergence can be delivered to students in an interpersonal format, including, but not limited to, assemblies and/or presentations; and

WHEREAS, Special needs instructors and/or professionals should be involved in this process, whether through providing information or through the development of the assembly itself, in order to ensure the authenticity and accuracy of the educational materials; and

WHEREAS, Additional input and content development can be provided by local groups dedicated to neurodivergence advocacy, including the Lincolnshire Autism Awareness Project, which has previously developed presentations used in school districts, including Illinois' District 102, District 103, and others; and

WHEREAS, Autism Awareness Month, recognized annually in the month of April, has been utilized as a time to spread awareness, understanding, and acceptance of autism spectrum disorders; and

WHEREAS, Schools that implement autism awareness programs during awareness months like April often see a reduction in bullying incidents as students and staff educated on autism and neurodivergence as a whole are more likely to intervene and support students with autism, reducing instances of oppression in schooling; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we encourage the implementation of a program in K-8 schools to mandate student education on topics of neurodivergence to reinforce Illinois' commitment to providing access to an inclusive future for all students and a safe space for all families in education, cognizant of all neurological backgrounds.

Senator Lightford offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 35

WHEREAS, January 1st marks the official day when enslaved people were declared free following President Abraham Lincoln's issuance of the Emancipation Proclamation; and

WHEREAS, The Confederate states were mandated to free the slaves at midnight on January 1, 1863; however, it took nearly two more years, until June 19, 1865, for many individuals to be informed that they were free; this freedom mandate included short-term and long-term contingencies for the Black and Diaspora communities; and

WHEREAS, While Juneteenth is celebrated as the day enslaved people learned of their freedom, January 1st will forever be the official freedom date; and

WHEREAS, Frederick Douglass argued that freedom would be empty if the formerly enslaved were not guaranteed the rights and protections of American citizens; and

WHEREAS, Fannie Lou Hamer once said, "Nobody's free until everybody's free"; and

WHEREAS, Acknowledging January 1st as the day enslaved people officially received their freedom will enhance our understanding of the oppression and challenges they faced, including the denial of their rights and the struggle for equality; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare January 1, 2026 as Black Diaspora Freedom Day in the State of Illinois to educate, showcase, discuss, and mend fences between the Black and Diaspora communities.
