(b) Within the first 2 years of the initial State Public Defender's term, the State Public Defender shall collaborate with the Public Defender Advisory Board to determine which judicial circuits or geographic regions require State public defenders, how many public defenders and staff are required to supplement existing county public defenders, staff, and appointed counsel in order for the State of Illinois to comply with its legal obligations, and what process should be used for guiding and tracking recommendations to judges regarding case assignments to State and county public defenders. (5) County public defender offices shall provide the Office of State Public Defender with a report including a detailed accounting of the provided funds and an evaluation of the impact of the provided funds within a reasonable time frame established by the Office of State Public Defender.

(g) Following the planning phase described in subsections (a) through (f), the State Public Defender may establish regional offices. The State Public Defender may appoint a deputy public defender for each regional office who shall serve as the administrator of that office. Each deputy public defender must be an attorney licensed to practice law in this State. Deputy public defenders shall serve at the pleasure of the State Public Defender.

(h) The Office of the State Public Defender may hire and train new State-employed personnel to carry out the Office's duties under this Act, including, but not limited to, attorneys licensed to practice law in this State, and administrative, investigative, and social services employees. Nothing in this Act shall be construed to invalidate, diminish, or otherwise interfere with any collective bargaining agreement or representation rights under the Illinois Public Labor Relations Act, if applicable.

(i) Deputy public defenders may employ, with the approval of the State Public Defender, assistant public defenders, investigators, social services staff, administrative staff, and other employees under their direct supervision, as described in subsection (h).

(j) Attorneys employed by the Office of the State Public Defender shall devote full time to their duties, except as provided in Section 50, and may not engage in the private practice of law.

(b) Persons appointed to the Commission shall have significant experience in the defense of indigent clients in criminal or juvenile proceedings or shall have demonstrated a strong commitment to quality representation in indigent defense matters. No person shall be appointed to the Commission who, within the 2 years prior to appointment, has received compensation to be a judge, elected official, judicial officer, prosecutor, or law enforcement official, or who has served as an employee of such a person.

(c) No member may serve more than 2 full 4-year terms. Vacancies in the membership of the Commission are to be filled in the same manner as original appointments. A vacancy shall be declared upon

The State Public Defender must be an attorney licensed to practice law in this State and whose practice of law has clearly demonstrated experience in the representation of persons accused of crime; who has been licensed to practice law in this State or in another state for at least 5 years; who has had administrative experience; and who is dedicated to the goals of providing high-quality representation for eligible persons and to improving the quality of defense services generally. The State Public Defender shall devote full time to the duties of the Office of State Public Defender and may not engage in the private practice of law.

(b) The State Public Defender shall draft, and the Commission shall approve and publish, standards for trial-level public defense to guarantee the right of indigent defendants to the assistance of counsel as provided under the Sixth Amendment of the United States Constitution. The standards shall include, but are not limited to:

(1) maximum workloads for felony, misdemeanor, traffic, juvenile, and post-conviction cases to be handled by attorneys who provide public defense services;

(2) minimum staffing levels for non-attorney staff, such as investigators, mitigators, social workers, and administrative support staff;

(3) supervision and experience standards relative to case complexity;

(4) requirements to ensure that attorneys providing public defense services are independent, free of conflicts of interest, and free of economic disincentives or incentives that impair defense counsel's ability to provide effective representation;

(5) sufficient private office space, located at or near the courthouse where the public defender practices, and videoconferencing technology, to allow attorney-client confidentiality to be safeguarded for meetings between public defenders and their clients;

(6) adequate resources for expert witnesses, trial technology, investigation expenses, and any other case-related needs;

(7) continuous representation by one attorney throughout the pendency of the case to the extent possible; and

(8) ongoing, systematic evaluation of each public defense agency.

(c) The Commission shall approve or modify an operational budget and the Public Defender Fund expenditures submitted to the Commission by the State Public Defender.

(d) The Commission may remove the State Public Defender only for cause and after a hearing. The Commission may hold such a hearing on the Commission's own motion and may adopt rules establishing other procedures for the hearing.

(e) The State Public Defender shall submit reports to the Commission on the operation of the Office of State Public Defender at each quarterly meeting. The State Public Defender shall submit a comprehensive report to the Commission at the end of each fiscal year. The Commission may require the State Public Defender to submit additional or amended reports on any aspect of the operation of the Office of State Public Defender.

For purposes of seniority, each individual shall receive credit at a rate equal to the percentage of time employed in a shared position. Attorneys sharing a position may not engage in the private practice of law.

Section 90. The Freedom of Information Act is amended by changing Section 7 as follows:
(5 ILCS 140/7)

Sec. 7. Exemptions.

(1) When a request is made to inspect or copy a public record that contains information that is exempt from disclosure under this Section, but also contains information that is not exempt from disclosure, the public body may elect to redact the information that is exempt. The public body shall make the remaining information available for inspection and copying. Subject to this requirement, the following shall be exempt from inspection and copying:

(a) Records created or compiled by a State public defender agency or commission subject to the State Public Defender Act that contain: individual client identity; individual case file information; individual investigation records and other records that are otherwise subject to attorney-client privilege; records that would not be discoverable in litigation; records under Section 2.15; training materials; records related to attorney consultation and representation strategy; or any of the above concerning clients of county public defenders or other defender agencies and firms. This exclusion does not apply to deidentified, aggregated, administrative records, such as general case processing and workload information.

(a-5) ~~(a)~~ Information specifically prohibited from disclosure by federal or State law or rules and regulations implementing federal or State law.

(b) Private information, unless disclosure is required by another provision of this Act, a State or federal law, or a court order.

(b-5) Files, documents, and other data or databases maintained by one or more law enforcement agencies and specifically designed to provide information to one or more law enforcement agencies regarding the physical or mental status of one or more individual subjects.

(c) Personal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless the disclosure is consented to in writing by the individual subjects of the information. "Unwarranted invasion of personal privacy" means the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information. The disclosure of information that bears on the public duties of public employees and officials shall not be considered an invasion of personal privacy.

(d) Records in the possession of any public body created in the course of administrative enforcement proceedings, and any law enforcement or correctional agency for law enforcement purposes, but only to the extent that disclosure would:

(i) interfere with pending or actually and reasonably contemplated law enforcement proceedings conducted by any law enforcement or correctional agency that is the recipient of the request;

(ii) interfere with active administrative enforcement proceedings conducted by the public body that is the recipient of the request;

(iii) create a substantial likelihood that a person will be deprived of a fair trial or an impartial hearing;

(iv) unavoidably disclose the identity of a confidential source, confidential information furnished only by the confidential source, or persons who file complaints with or provide information to administrative, investigative, law enforcement, or penal agencies; except that the identities of witnesses to traffic crashes, traffic crash reports, and rescue reports shall be provided by agencies of local government, except when disclosure would interfere with an active criminal investigation conducted by the agency that is the recipient of the request;

(v) disclose unique or specialized investigative techniques other than those generally used and known or disclose internal documents of correctional agencies related to detection, observation, or investigation of incidents of crime or misconduct, and disclosure would result in demonstrable harm to the agency or public body that is the recipient of the request;

(vi) endanger the life or physical safety of law enforcement personnel or any other person; or

(vii) obstruct an ongoing criminal investigation by the agency that is the recipient of the request.

(d-5) A law enforcement record created for law enforcement purposes and contained in a shared electronic record management system if the law enforcement agency that is the recipient of the request did not create the record, did not participate in or have a role in any of the events which are the subject of the record, and only has access to the record through the shared electronic record management system.

(d-6) Records contained in the Officer Professional Conduct Database under Section 9.2 of the Illinois Police Training Act, except to the extent authorized under that Section. This includes the documents supplied to the Illinois Law Enforcement Training Standards Board from the Illinois State Police and Illinois State Police Merit Board.

(d-7) Information gathered or records created from the use of automatic license plate readers in connection with Section 2-130 of the Illinois Vehicle Code.

(e) Records that relate to or affect the security of correctional institutions and detention facilities.

(e-5) Records requested by persons committed to the Department of Corrections, Department of Human Services Division of Mental Health, or a county jail if those materials are available in the library of the correctional institution or facility or jail where the inmate is confined.

(e-6) Records requested by persons committed to the Department of Corrections, Department of Human Services Division of Mental Health, or a county jail if those materials include records from staff members' personnel files, staff rosters, or other staffing assignment information.

(e-7) Records requested by persons committed to the Department of Corrections or Department of Human Services Division of Mental Health if those materials are available through an administrative request to the Department of Corrections or Department of Human Services Division of Mental Health.

(e-8) Records requested by a person committed to the Department of Corrections, Department of Human Services Division of Mental Health, or a county jail, the disclosure of which would result in the risk of harm to any person or the risk of an escape from a jail or correctional institution or facility.

(e-9) Records requested by a person in a county jail or committed to the Department of Corrections or Department of Human Services Division of Mental Health, containing personal information pertaining to the person's victim or the victim's family, including, but not limited to, a victim's home address, home telephone number, work or school address, work telephone number, social security number, or any other identifying information, except as may be relevant to a requester's current or potential case or claim.

(e-10) Law enforcement records of other persons requested by a person committed to the Department of Corrections, Department of Human Services Division of Mental Health, or a county jail, including, but not limited to, arrest and booking records, mug shots, and crime scene photographs, except as these records may be relevant to the requester's current or potential case or claim.

(f) Preliminary drafts, notes, recommendations, memoranda, and other records in which opinions are expressed, or policies or actions are formulated, except that a specific record or relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body. The exemption provided in this paragraph (f) extends to all those records of officers and agencies of the General Assembly that pertain to the preparation of legislative documents.

(g) Trade secrets and commercial or financial information obtained from a person or business where the trade secrets or commercial or financial information are furnished under a claim that they are proprietary, privileged, or confidential, and that disclosure of the trade secrets or commercial or financial information would cause competitive harm to the person or business, and only insofar as the claim directly applies to the records requested.

The information included under this exemption includes all trade secrets and commercial or financial information obtained by a public body, including a public pension fund, from a private equity fund or a privately held company within the investment portfolio of a private equity fund as a result of either investing or evaluating a potential investment of public funds in a private equity fund. The exemption contained in this item does not apply to the aggregate financial performance

information of a private equity fund, nor to the identity of the fund's managers or general partners. The exemption contained in this item does not apply to the identity of a privately held company within the investment portfolio of a private equity fund, unless the disclosure of the identity of a privately held company may cause competitive harm.

Nothing contained in this paragraph (g) shall be construed to prevent a person or business from consenting to disclosure.

(h) Proposals and bids for any contract, grant, or agreement, including information which if it were disclosed would frustrate procurement or give an advantage to any person proposing to enter into a contractor agreement with the body, until an award or final selection is made. Information prepared by or for the body in preparation of a bid solicitation shall be exempt until an award or final selection is made.

(i) Valuable formulae, computer geographic systems, designs, drawings, and research data obtained or produced by any public body when disclosure could reasonably be expected to produce private gain or public loss. The exemption for "computer geographic systems" provided in this paragraph (i) does not extend to requests made by news media as defined in Section 2 of this Act when the requested information is not otherwise exempt and the only purpose of the request is to access and disseminate information regarding the health, safety, welfare, or legal rights of the general public.

(j) The following information pertaining to educational matters:

(i) test questions, scoring keys, and other examination data used to administer an academic examination;

AMENDMENT NO. 1 TO HOUSE BILL 3493

AMENDMENT NO. 1 . Amend House Bill 3493 by replacing everything after the enacting clause with the following:

"Section 5. The Capital Development Board Act is amended by adding Section 10.20 as follows:

(20 ILCS 3105/10.20 new)

Sec. 10.20. Local regulation of State facilities.

(a) Notwithstanding any other provision of law, except as otherwise provided in this Section, no ordinance or permitting requirement of a unit of local government shall be enforced against the construction, reconstruction, improvement, or installation of a State facility, other than an ordinance or permitting requirement that is (i) an ordinance or permitting requirement of a sanitary district or an ordinance or permitting requirement regulating a municipally-owned wastewater system and (ii) mandated by State or federal laws, rules, or regulations or related to environmental protection, as supported by industry standards.

Upon the Board's request, a sanitary district or unit of local government regulating a municipally-owned wastewater system must provide to the Board information that verifies that an ordinance or permitting requirement described in subsection (a) is mandated by State or federal laws, rules, or regulations or that an ordinance or permitting requirement described in subsection (a) related to environmental protection is supported by industry standards.

(b) The Board shall coordinate with local utilities regarding utility connection requirements and procedures.

(c) Before undertaking any activity involving the construction, reconstruction, improvement, or installation of any State facility, the Board shall coordinate and consult with the units of local government that are responsible for providing utility and fire protection services to that State facility in order to ensure that utility and fire protection services can be provided by the unit of local government to the State facility in the most effective manner.

(d) Nothing in this Section shall relieve the Board from compliance with any State or federal mandate. This Section does not relieve the Board from the obligation to compensate units of local governments for fair and reasonable connection, restoration, or impact costs.

(e) This Section applies to the construction, reconstruction, improvement, and installation of State facilities that is ongoing on the effective date of this amendatory Act of the 104th General Assembly and to all projects that begin on or after the effective date of this amendatory Act of the 104th General Assembly.

(f) This Section does not apply to a municipality with more than 500,000 inhabitants that has entered into one or more comprehensive or project-specific agreements with the Board establishing terms explicitly agreed upon as alternative or supplemental to this Section. Nothing in this Section shall prohibit those municipalities from regulating the use of the public right-of-way, including streets, sidewalks, and alleys, in connection with the construction, reconstruction, improvement, or installation of a State facility. In those municipalities, the Board shall comply with all applicable municipal regulations governing street closures, temporary traffic control, and pedestrian access in the same manner required of private entities.

(g) A home rule unit may not regulate the construction, reconstruction, improvement, or installation of a State facility in a manner that is inconsistent with this Section. This Section is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

(h) As used in this Section:

"Fair and reasonable connection, restoration, or impact costs" means demonstrated costs incurred by the unit of local government that (i) directly result from the Board's use of or impact on local infrastructure or (ii) are consistent with similar costs that are applied to non-governmental capital projects.

"State facility" means any capital project under the authority of the Capital Development Board."

HOUSE BILL RECALLED

On motion of Senator Martwick, **House Bill No. 3657** was recalled from the order of third reading to the order of second reading.

[May 30, 2025]

Senator Martwick offered the following amendment and moved its adoption:

AMENDMENT NO. 2 TO HOUSE BILL 3657

AMENDMENT NO. 2. Amend House Bill 3657, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Pension Code is amended by changing Sections 5-238 and 6-229 as follows:
(40 ILCS 5/5-238)

Sec. 5-238. Provisions applicable to new hires; Tier 2.

(a) Notwithstanding any other provision of this Article, the provisions of this Section apply to a person who first becomes a policeman under this Article on or after January 1, 2011, and to certain qualified survivors of such a policeman. Such persons, and the benefits and restrictions that apply specifically to them under this Article, may be referred to as "Tier 2".

(b) A policeman who has withdrawn from service, has attained age 50 or more, and has 10 or more years of service in that capacity shall be entitled, upon proper application being received by the Fund, to receive a Tier 2 monthly retirement annuity for his service as a police officer. The Tier 2 monthly retirement annuity shall be computed by multiplying 2.5% for each year of such service by his or her final average salary, subject to an annuity reduction factor of one-half of 1% for each month that the police officer's age at retirement is under age 55. The Tier 2 monthly retirement annuity is in lieu of any age and service annuity or other form of retirement annuity under this Article.

The maximum retirement annuity under this subsection (b) shall be 75% of final average salary.

For the purposes of this subsection (b), "final average salary" means the greater of: (i) the average monthly salary obtained by dividing the total salary of the policeman during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period; or (ii) the average monthly salary obtained by dividing the total salary of the policeman during the 48 consecutive months of service within the last 60 months of service in which the total salary was the highest by the number of months of service in that period.

Beginning on January 1, 2011, for all purposes under this Code (including without limitation the calculation of benefits and employee contributions), the annual salary based on the plan year of a member or participant to whom this Section applies shall not exceed \$106,800; however, beginning July 1, 2025, the annual salary shall not exceed \$141,407.74 and that amount shall annually thereafter be increased by the lesser of (i) 3% of that amount, including all previous adjustments, or (ii) ~~one-half~~ the annual unadjusted percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the September preceding each November 1, including all previous adjustments.

Nothing in this amendatory Act of the 104th General Assembly shall cause or otherwise result in any retroactive adjustment of any employee contributions.

(c) Notwithstanding any other provision of this Article, for a person who first becomes a policeman under this Article on or after January 1, 2011, eligibility for and the amount of the annuity to which the qualified surviving spouse, children, and parents are entitled under this subsection (c) shall be determined as follows:

(1) The surviving spouse of a deceased policeman to whom this Section applies shall be deemed qualified to receive a Tier 2 surviving spouse's annuity under this paragraph (1) if: (i) the deceased policeman meets the requirements specified under subdivision (A), (B), (C), or (D) of this paragraph (1); and (ii) the surviving spouse would not otherwise be excluded from receiving a widow's annuity under the eligibility requirements for a widow's annuity set forth in Section 5-146. The Tier 2 surviving spouse's annuity is in lieu of the widow's annuity determined under any other Section of this Article and is subject to the requirements of Section 5-147.1.

As used in this subsection (c), "earned annuity" means a Tier 2 monthly retirement annuity determined under subsection (b) of this Section, including any increases the policeman had received pursuant to Section 5-167.1.

(A) If the deceased policeman was receiving an earned annuity at the date of his or her death, the Tier 2 surviving spouse's annuity under this paragraph (1) shall be in the amount of 66 2/3% of the policeman's earned annuity at the date of death.

If the deceased policeman was a parent of a child or children, including any child who has been conceived but not yet born, and there is a surviving spouse, 12% of the policeman's earned annuity at the date of death shall be granted to the guardian of any such minor child or

children for each such child until attainment of age 18. Upon the death of the surviving spouse leaving one or more children under the age of 18, or upon the death of a policeman leaving one or more children under the age of 18 but no surviving spouse, a monthly pension of 20% of the policeman's monthly salary at the date of death shall be granted to the duly appointed guardian of each such child for the support and maintenance of each such child until the child reaches age 18. The benefit in this paragraph is in lieu of a benefit under paragraph (2) of this subsection (c) but does not apply if the beneficiary is entitled to receive a greater benefit under paragraph (2) of this subsection (c).

(B) If the deceased policeman was not receiving an earned annuity but had at least 10 years of service at the time of death, the Tier 2 surviving spouse's annuity under this paragraph (1) shall be the greater of: (i) 30% of the annual maximum salary attached to the classified civil service position of a first class patrolman at the time of his death; (ii) 54% of the policeman's monthly salary at the time of the policeman's death; or (iii) ~~(ii)~~ 66 2/3% of the Tier 2 monthly retirement annuity that the deceased policeman would have been eligible to receive under subsection (b) of this Section, based upon the actual service accrued through the day before the policeman's death, but determined as though the policeman was at least age 55 on the day before his or her death and retired on that day.

If the deceased policeman was a parent of a child or children, including any child who has been conceived but not yet born, and there is a surviving spouse, 12% of the policeman's monthly salary at the date of death shall be granted to the guardian of any such minor child or children for each such child until attainment of age 18. Upon the death of the surviving spouse leaving one or more children under the age of 18, or upon the death of a policeman leaving one or more children under the age of 18 but no surviving spouse, a monthly pension of 20% of the policeman's monthly salary at the date of death shall be granted to the duly appointed guardian of each such child for the support and maintenance of each such child until the child reaches age 18. The benefit in this paragraph is in lieu of a benefit under paragraph (2) of this subsection (c) but does not apply if the beneficiary is entitled to receive a greater benefit under paragraph (2) of this subsection (c).

(C) If the deceased policeman was an active policeman with at least 1 1/2 but less than 10 years of service at the time of death, the Tier 2 surviving spouse's annuity under this paragraph (1) shall be the greater of: ~~(i) in the amount of~~ 30% of the annual maximum salary attached to the classified civil service position of a first class patrolman at the time of his death; or (ii) 54% of the policeman's monthly salary at the time of the policeman's death.

If the deceased policeman was a parent of a child or children, including any child who has been conceived but not yet born, and there is a surviving spouse, 12% of the policeman's monthly salary at the date of death shall be granted to the guardian of any such minor child or children for each such child until attainment of age 18. Upon the death of the surviving spouse leaving one or more children under the age of 18, or upon the death of a policeman leaving one or more children under the age of 18 but no surviving spouse, a monthly pension of 20% of the policeman's monthly salary at the date of death shall be granted to the duly appointed guardian of each such child for the support and maintenance of each such child until the child reaches age 18. The benefit in this paragraph is in lieu of a benefit under paragraph (2) of this subsection (c) but does not apply if the beneficiary is entitled to receive a greater benefit under paragraph (2) of this subsection (c).

(D) If the performance of an act or acts of duty results directly in the death of a policeman subject to this Section, or prevents him from subsequently resuming active service in the police department, and if the policeman's Tier 2 surviving spouse would otherwise meet the eligibility requirements for a compensation annuity or supplemental annuity granted under Section 5-144, then in addition to the Tier 2 surviving spouse's annuity provided under subdivision (A), (B), or (C) of this paragraph (1), whichever applies, the Tier 2 surviving spouse shall be qualified to receive compensation annuity or supplemental annuity, as would be provided under Section 5-144, in order to bring the total benefit up to the applicable 75% salary limitation provided in that Section, but subject to the Tier 2 salary cap provided under subsection (b) of this Section; except that no such annuity shall be paid to the surviving spouse of a policeman who dies while in receipt of disability benefits when the policeman's death was

caused by an intervening illness or injury unrelated to the illness or injury that had prevented him from subsequently resuming active service in the police department.

(E) Notwithstanding any other provision of this Article, the monthly Tier 2 surviving spouse's annuity under subdivision (A) or (B) of this paragraph (1) shall be increased on the January 1 next occurring after (i) attainment of age 60 by the recipient of the Tier 2 surviving spouse's annuity or (ii) the first anniversary of the Tier 2 surviving spouse's annuity start date, whichever is later, and on each January 1 thereafter, by 3% or one-half the annual unadjusted percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the September preceding each November 1, whichever is less, of the originally granted Tier 2 surviving spouse's annuity. If the unadjusted percentage change in the consumer price index-u for a 12-month period ending in September is zero or, when compared with the preceding period, decreases, then the annuity shall not be increased.

For the purposes of this Section, "consumer price index-u" means the index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84 = 100. The new amount resulting from each annual adjustment shall be determined by the Public Pension Division of the Department of Insurance and made available to the boards of the pension funds.

(F) Notwithstanding the other provisions of this paragraph (1), for a qualified surviving spouse who is entitled to a Tier 2 surviving spouse's annuity under subdivision (A), (B), (C), or (D) of this paragraph (1), that Tier 2 surviving spouse's annuity shall not be less than the amount of the minimum widow's annuity established from time to time under Section 5-167.4.

(2) Surviving children of a deceased policeman subject to this Section who would otherwise meet the eligibility requirements for a child's annuity set forth in Sections 5-151 and 5-152 shall be deemed qualified to receive a Tier 2 child's annuity under this subsection (c), which shall be in lieu of, but in the same amount and paid in the same manner as, the child's annuity provided under those Sections; except that any salary used for computing a Tier 2 child's annuity shall be subject to the Tier 2 salary cap provided under subsection (b) of this Section. For purposes of determining any pro rata reduction in child's annuities under this subsection (c), references in Section 5-152 to the combined annuities of the family shall be deemed to refer to the combined Tier 2 surviving spouse's annuity, if any, and the Tier 2 child's annuities payable under this subsection (c).

(3) Surviving parents of a deceased policeman subject to this Section who would otherwise meet the eligibility requirements for a parent's annuity set forth in Section 5-152 shall be deemed qualified to receive a Tier 2 parent's annuity under this subsection (c), which shall be in lieu of, but in the same amount and paid in the same manner as, the parent's annuity provided under Section 5-152.1; except that any salary used for computing a Tier 2 parent's annuity shall be subject to the Tier 2 salary cap provided under subsection (b) of this Section. For the purposes of this Section, a reference to "annuity" in Section 5-152.1 includes: (i) in the context of a widow, a Tier 2 surviving spouse's annuity and (ii) in the context of a child, a Tier 2 child's annuity.

Notwithstanding Section 1-103.1, the changes made to this subsection by this amendatory Act of the 104th General Assembly apply without regard to whether the deceased policeman was in service on or after the effective date of this amendatory Act of the 104th General Assembly. The changes made by this amendatory Act of the 104th General Assembly shall not diminish the survivor's benefits described in this Section.

(d) The General Assembly finds and declares that the provisions of this Section, as enacted by Public Act 96-1495, require clarification relating to necessary eligibility standards and the manner of determining and paying the intended Tier 2 benefits and contributions in order to enable the Fund to unambiguously implement and administer benefits for Tier 2 members. The changes to this Section and the conforming changes to Sections 5-153, 5-155, 5-163, 5-167.1 (except for the changes to subsection (a) of that Section), 5-169, and 5-170 made by this amendatory Act of the 99th General Assembly are enacted to clarify the provisions of this Section as enacted by Public Act 96-1495, and are hereby declared to represent and be consistent with the original and continuing intent of this Section and Public Act 96-1495.

(e) The changes to Sections 5-153, 5-155, 5-163, 5-167.1 (except for the changes to subsection (a) of that Section), 5-169, and 5-170 made by this amendatory Act of the 99th General Assembly are intended to be retroactive to January 1, 2011 (the effective date of Public Act 96-1495) and, for the purposes of Section

1-103.1 of this Code, they apply without regard to whether the relevant policeman was in service on or after the effective date of this amendatory Act of the 99th General Assembly.

(40 ILCS 5/6-229)

Sec. 6-229. Provisions applicable to new hires; Tier 2.

(a) Notwithstanding any other provision of this Article, the provisions of this Section apply to a person who first becomes a fireman under this Article on or after January 1, 2011, and to certain qualified survivors of such a fireman. Such persons, and the benefits and restrictions that apply specifically to them under this Article, may be referred to as "Tier 2".

(b) A fireman who has withdrawn from service, has attained age 50 or more, and has 10 or more years of service in that capacity shall be entitled, upon proper application being received by the Fund, to receive a Tier 2 monthly retirement annuity for his service as a fireman. The Tier 2 monthly retirement annuity shall be computed by multiplying 2.5% for each year of such service by his or her final average salary, subject to an annuity reduction factor of one-half of 1% for each month that the fireman's age at retirement is under age 55. The Tier 2 monthly retirement annuity is in lieu of any age and service annuity or other form of retirement annuity under this Article.

The maximum retirement annuity under this subsection (b) shall be 75% of final average salary.

For the purposes of this subsection (b), "final average salary" means the greater of (1) the average monthly salary obtained by dividing the total salary of the fireman during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period or (2) the average monthly salary obtained by dividing the total salary of the fireman during the 48 consecutive months of service within the last 60 months of service in which the total salary was the highest by the number of months of service in that period.

Beginning on January 1, 2011, for all purposes under this Code (including without limitation the calculation of benefits and employee contributions), the annual salary based on the plan year of a member or participant to whom this Section applies shall not exceed \$106,800; however, beginning July 1, 2025, the annual salary shall not exceed \$141,407.74 and that amount shall annually thereafter be increased by the lesser of (i) 3% of that amount, including all previous adjustments, or (ii) ~~one-half~~ the annual unadjusted percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the September preceding each November 1, including all previous adjustments.

Nothing in this amendatory Act of the 104th General Assembly shall cause or otherwise result in any retroactive adjustment of any employee contributions.

(b-5) For the purposes of this Section, "consumer price index-u" means the index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84 = 100. The new amount resulting from each annual adjustment shall be determined by the Public Pension Division of the Department of Insurance and made available to the boards of the retirement systems and pension funds by November 1 of each year.

(c) Notwithstanding any other provision of this Article, for a person who first becomes a fireman under this Article on or after January 1, 2011, eligibility for and the amount of the annuity to which the qualified surviving spouse, children, and parents of the fireman are entitled under this subsection (c) shall be determined as follows:

(1) The surviving spouse of a deceased fireman to whom this Section applies shall be deemed qualified to receive a Tier 2 surviving spouse's annuity under this paragraph (1) if: (i) the deceased fireman meets the requirements specified under subdivision (A), (B), (C), or (D) of this paragraph (1); and (ii) the surviving spouse would not otherwise be excluded from receiving a widow's annuity under the eligibility requirements for a widow's annuity set forth in Section 6-142. The Tier 2 surviving spouse's annuity is in lieu of the widow's annuity determined under any other Section of this Article and is subject to the requirements of Section 6-143.2.

As used in this subsection (c), "earned pension" means a Tier 2 monthly retirement annuity determined under subsection (b) of this Section, including any increases the fireman had received pursuant to Section 6-164.

(A) If the deceased fireman was receiving an earned pension at the date of his or her death, the Tier 2 surviving spouse's annuity under this paragraph (1) shall be in the amount of 66 2/3% of the fireman's earned pension at the date of death.

If the deceased fireman was a parent of a child or children, including any child who has been conceived but not yet born, and there is a surviving spouse, 12% of the fireman's earned annuity at the date of death shall be granted to the guardian of any such minor child or children for each such child until attainment of age 18. Upon the death of the surviving spouse leaving one or more children under the age of 18, or upon the death of a fireman leaving one or more children under the age of 18 but no surviving spouse, a monthly pension of 20% of the fireman's monthly salary at the date of death shall be granted to the duly appointed guardian of each such child for the support and maintenance of each such child until the child reaches age 18. The benefit in this paragraph is in lieu of a benefit under paragraph (2) of this subsection (c) but does not apply if the beneficiary is entitled to receive a greater benefit under paragraph (2) of this subsection (c).

(B) If the deceased fireman was not receiving an earned pension but had at least 10 years of service at the time of death, the Tier 2 surviving spouse's annuity under this paragraph (1) shall be the greater of: (i) 30% of the salary attached to the rank of first class firefighter in the classified career service at the time of the fireman's death; (ii) 54% of the fireman's monthly salary at the time of the fireman's death; or ~~(iii) $66\frac{2}{3}\%$ of the Tier 2 monthly retirement annuity that the deceased fireman would have been eligible to receive under subsection (b) of this Section, based upon the actual service accrued through the day before the fireman's death, but determined as though the fireman was at least age 55 on the day before his or her death and retired on that day.~~

If the deceased fireman was a parent of a child or children, including any child who has been conceived but not yet born, and there is a surviving spouse, 12% of the fireman's monthly salary at the date of death shall be granted to the guardian of any such minor child or children for each such child until attainment of age 18. Upon the death of the surviving spouse leaving one or more children under the age of 18, or upon the death of a fireman leaving one or more children under the age of 18 but no surviving spouse, a monthly pension of 20% of the fireman's monthly salary at the date of death shall be granted to the duly appointed guardian of each such child for the support and maintenance of each such child until the child reaches age 18. The benefit in this paragraph is in lieu of a benefit under paragraph (2) of this subsection (c) but does not apply if the beneficiary is entitled to receive a greater benefit under paragraph (2) of this subsection (c).

(C) If the deceased fireman was an active fireman with at least 1 1/2 but less than 10 years of service at the time of death, the Tier 2 surviving spouse's annuity under this paragraph (1) shall be the greater of: ~~(i) in the amount of 30% of the salary attached to the rank of first class firefighter in the classified career service at the time of the fireman's death;~~ or (ii) 54% of the fireman's monthly salary at the time of the fireman's death.

If the deceased fireman was a parent of a child or children, including any child who has been conceived but not yet born, and there is a surviving spouse, 12% of the fireman's monthly salary at the date of death shall be granted to the guardian of any such minor child or children for each such child until attainment of age 18. Upon the death of the surviving spouse leaving one or more children under the age of 18, or upon the death of a fireman leaving one or more children under the age of 18 but no surviving spouse, a monthly pension of 20% of the fireman's monthly salary at the date of death shall be granted to the duly appointed guardian of each such child for the support and maintenance of each such child until the child reaches age 18. The benefit in this paragraph is in lieu of a benefit under paragraph (2) of this subsection (c) but does not apply if the beneficiary is entitled to receive a greater benefit under paragraph (2) of this subsection (c).

(D) Notwithstanding subdivisions (A), (B), and (C) of this paragraph (1), if the performance of an act or acts of duty results directly in the death of a fireman subject to this Section, or prevents him from subsequently resuming active service in the fire department, then a surviving spouse who would otherwise meet the eligibility requirements for a death in the line of duty widow's annuity granted under Section 6-140 shall be deemed to be qualified for a Tier 2 surviving spouse's annuity under this subdivision (D); except that no such annuity shall be paid to the surviving spouse of a fireman who dies while in receipt of disability benefits when the fireman's death was caused by an intervening illness or injury unrelated to the illness or injury that had prevented him from subsequently resuming active service in the fire department.

The Tier 2 surviving spouse's annuity calculated under this subdivision (D) shall be in lieu of, but in the same amount and paid in the same manner as, the widow's annuity provided under Section 6-140; except that the salary used for computing a Tier 2 surviving spouse's annuity under this subdivision (D) shall be subject to the Tier 2 salary cap provided under subsection (b) of this Section.

(E) Notwithstanding any other provision of this Article, the monthly Tier 2 surviving spouse's annuity under subdivision (A) or (B) of this paragraph (1) shall be increased on the January 1 next occurring after (i) attainment of age 60 by the recipient of the Tier 2 surviving spouse's annuity or (ii) the first anniversary of the Tier 2 surviving spouse's annuity start date, whichever is later, and on each January 1 thereafter, by 3% or one-half the annual unadjusted percentage increase in the consumer price index-u for the 12 months ending with September preceding each November 1, whichever is less, of the originally granted Tier 2 surviving spouse's annuity. If the annual unadjusted percentage change in the consumer price index-u for a 12-month period ending in September is zero or, when compared with the preceding period, decreases, then the annuity shall not be increased.

(F) Notwithstanding the other provisions of this paragraph (1), for a qualified surviving spouse who is entitled to a Tier 2 surviving spouse's annuity under subdivision (A), (B), (C), or (D) of this paragraph (1), that Tier 2 surviving spouse's annuity shall not be less than the amount of the minimum widow's annuity established from time to time under Section 6-128.4.

(2) Surviving children of a deceased fireman subject to this Section who would otherwise meet the eligibility requirements for a child's annuity set forth in Sections 6-147 and 6-148 shall be deemed qualified to receive a Tier 2 child's annuity under this subsection (c), which shall be in lieu of, but in the same amount and paid in the same manner as, the child's annuity provided under those Sections; except that any salary used for computing a Tier 2 child's annuity shall be subject to the Tier 2 salary cap provided under subsection (b) of this Section. For purposes of determining any pro rata reduction in child's annuities under this subsection (c), references in Section 6-148 to the combined annuities of the family shall be deemed to refer to the combined Tier 2 surviving spouse's annuity, if any, and the Tier 2 child's annuities payable under this subsection (c).

(3) Surviving parents of a deceased fireman subject to this Section who would otherwise meet the eligibility requirements for a parent's annuity set forth in Section 6-149 shall be deemed qualified to receive a Tier 2 parent's annuity under this subsection (c), which shall be in lieu of, but in the same amount and paid in the same manner as, the parent's annuity provided under Section 6-149; except that any salary used for computing a Tier 2 parent's annuity shall be subject to the Tier 2 salary cap provided under subsection (b) of this Section. For the purposes of this Section, a reference to "annuity" in Section 6-149 includes: (i) in the context of a widow, a Tier 2 surviving spouse's annuity and (ii) in the context of a child, a Tier 2 child's annuity.

Notwithstanding Section 1-103.1, the changes made to this subsection by this amendatory Act of the 104th General Assembly apply without regard to whether the deceased fireman was in service on or after the effective date of this amendatory Act of the 104th General Assembly. The changes made by this amendatory Act of the 104th General Assembly shall not diminish the survivor's benefits described in this Section.

(d) The General Assembly finds and declares that the provisions of this Section, as enacted by Public Act 96-1495, require clarification relating to necessary eligibility standards and the manner of determining and paying the intended Tier 2 benefits and contributions in order to enable the Fund to unambiguously implement and administer benefits for Tier 2 members. The changes to this Section and the conforming changes to Sections 6-150, 6-158, 6-164 (except for the changes to subsection (a) of that Section), 6-166, and 6-167 made by this amendatory Act of the 99th General Assembly are enacted to clarify the provisions of this Section as enacted by Public Act 96-1495, and are hereby declared to represent and be consistent with the original and continuing intent of this Section and Public Act 96-1495.

(e) The changes to Sections 6-150, 6-158, 6-164 (except for the changes to subsection (a) of that Section), 6-166, and 6-167 made by this amendatory Act of the 99th General Assembly are intended to be retroactive to January 1, 2011 (the effective date of Public Act 96-1495) and, for the purposes of Section 1-103.1 of this Code, they apply without regard to whether the relevant fireman was in service on or after the effective date of this amendatory Act of the 99th General Assembly.

"Participating ground ambulance service provider" means any ground ambulance service provider that has a contractual relationship directly or indirectly with a health insurance issuer offering group or individual health insurance coverage setting forth the terms and conditions on which a relevant health care service is provided to an insured, beneficiary, or enrollee under the coverage. As used in this definition, a single case agreement between a ground ambulance service provider and a health insurance issuer that is used to address unique situations in which an insured, beneficiary, or enrollee requires services that typically occur out-of-network constitutes a contractual relationship and is limited to the parties of the agreement.

"Participating health care facility" means any health care facility that has a contractual relationship directly or indirectly with a health insurance issuer offering group or individual health insurance coverage setting forth the terms and conditions on which a relevant health care service is provided to an insured, beneficiary, or enrollee under the coverage. A single case agreement between an emergency facility and an issuer that is used to address unique situations in which an insured, beneficiary, or enrollee requires services that typically occur out-of-network constitutes a contractual relationship for purposes of this definition and is limited to the parties to the agreement.

"Participating provider" means any health care provider that has a contractual relationship directly or indirectly with a health insurance issuer offering group or individual health insurance coverage setting forth the terms and conditions on which a relevant health care service is provided to an insured, beneficiary, or enrollee under the coverage.

"Qualifying payment amount" has the meaning given to that term in 42 U.S.C. 300gg-111(a)(3)(E) and the regulations promulgated thereunder.

"Recognized amount" means, except as otherwise provided in this Section, the lesser of the amount initially billed by the provider or the qualifying payment amount.

"Stabilize" means "stabilization" as defined in Section 10 of the Managed Care Reform and Patient Rights Act.

"Treating provider" means a health care provider who has evaluated the individual.

"Treatment" means, with respect to the provision of emergency ground ambulance service, the provision of an evaluation and either (i) a therapy or therapeutic agent used to treat an emergency medical condition or (ii) a procedure used to treat an emergency medical condition.

"Urgent ground ambulance service" means ground ambulance service that is deemed medically necessary by a health care professional and is required within 12 hours after the certification of the need for the service.

"Visit" means, with respect to health care services furnished to an individual at a health care facility, health care services furnished by a provider at the facility, as well as equipment, devices, telehealth services, imaging services, laboratory services, and preoperative and postoperative services regardless of whether the provider furnishing such services is at the facility.

(b) Emergency services. When a beneficiary, insured, or enrollee receives emergency services from a nonparticipating provider or a nonparticipating emergency facility, the health insurance issuer shall ensure that the beneficiary, insured, or enrollee shall incur no greater out-of-pocket costs than the beneficiary, insured, or enrollee would have incurred with a participating provider or a participating emergency facility. Any cost-sharing requirements shall be applied as though the emergency services had been received from a participating provider or a participating facility. Cost sharing shall be calculated based on the recognized amount for the emergency services. If the cost sharing for the same item or service furnished by a participating provider would have been a flat-dollar copayment, that amount shall be the cost-sharing amount unless the provider has billed a lesser total amount. In no event shall the beneficiary, insured, enrollee, or any group policyholder or plan sponsor be liable to or billed by the health insurance issuer, the nonparticipating provider, or the nonparticipating emergency facility for any amount beyond the cost sharing calculated in accordance with this subsection with respect to the emergency services delivered. Administrative requirements or limitations shall be no greater than those applicable to emergency services received from a participating provider or a participating emergency facility.

(b-5) Non-emergency services at participating health care facilities.

(1) When a beneficiary, insured, or enrollee utilizes a participating health care facility and, due to any reason, covered ancillary services are provided by a nonparticipating provider during or resulting from the visit, the health insurance issuer shall ensure that the beneficiary, insured, or enrollee shall incur no greater out-of-pocket costs than the beneficiary, insured, or enrollee would have incurred with a participating provider for the ancillary services. Any cost-sharing requirements shall be applied as though the ancillary services had been received from a participating provider. Cost sharing shall be calculated based on the recognized amount for the ancillary services. If the cost sharing for the same item or service furnished by a participating provider would have been a flat-dollar copayment, that amount shall be the cost-sharing amount unless the provider has billed a lesser total amount. In no event shall the beneficiary, insured, enrollee, or any group policyholder or plan sponsor be liable to or billed by the health insurance issuer, the nonparticipating provider, or the participating health care facility for any amount beyond the cost sharing calculated in accordance with this subsection with respect to the ancillary services delivered. In addition to ancillary services, the requirements of this paragraph shall also apply with respect to covered items or services furnished as a result of unforeseen, urgent medical needs that arise at the time an item or service is furnished, regardless of whether the nonparticipating provider satisfied the notice and consent criteria under paragraph (2) of this subsection.

(2) When a beneficiary, insured, or enrollee utilizes a participating health care facility and receives non-emergency covered health care services other than those described in paragraph (1) of this subsection from a nonparticipating provider during or resulting from the visit, the health insurance issuer shall ensure that the beneficiary, insured, or enrollee incurs no greater out-of-pocket costs than the beneficiary, insured, or enrollee would have incurred with a participating provider unless the nonparticipating provider or the participating health care facility on behalf of the nonparticipating provider satisfies the notice and consent criteria provided in 42 U.S.C. 300gg-132 and regulations promulgated thereunder. If the notice and consent criteria are not satisfied, then:

(A) any cost-sharing requirements shall be applied as though the health care services had been received from a participating provider;

(B) cost sharing shall be calculated based on the recognized amount for the health care services; and

(C) in no event shall the beneficiary, insured, enrollee, or any group policyholder or plan sponsor be liable to or billed by the health insurance issuer, the nonparticipating provider, or the participating health care facility for any amount beyond the cost sharing calculated in accordance with this subsection with respect to the health care services delivered.

(b-10) Coverage for ground ambulance services provided by nonparticipating ground ambulance service providers.

(1) Any group or individual policy of accident and health insurance amended, delivered, issued, or renewed on or after January 1, 2027 shall provide coverage for both emergency ground ambulance service and urgent ground ambulance service.

(2) Beginning on January 1, 2027, when a beneficiary, insured, or enrollee receives emergency ground ambulance services or urgent ambulance services from a nonparticipating ground ambulance service provider, the health insurance issuer shall ensure that the beneficiary, insured, or enrollee shall incur no greater out-of-pocket costs than the beneficiary, insured, or enrollee would have incurred with a participating ground ambulance provider. Any cost-sharing requirements shall be applied as though the emergency ground ambulance services or urgent ground ambulance services had been received from a participating ground ambulance service provider. Except as otherwise provided in State or federal law, cost sharing shall be calculated based on the lesser of the policy's copayment or coinsurance for an emergency room visit or 10% of the recognized amount. For purposes of this subsection, the recognized amount shall be calculated as provided for in paragraph (3) of this subsection. Except as otherwise provided for in State or federal law, if the cost sharing for the same item or service furnished by a participating ground ambulance provider would have been a flat-dollar copayment, that amount shall be the cost-sharing amount unless the nonparticipating ground ambulance provider has billed a lesser total amount.

(3) Upon reasonable demand by a nonparticipating ground ambulance service provider and after subtracting the beneficiary's, insured's, or enrollee's cost sharing amount, a health insurance issuer shall pay the nonparticipating ground ambulance service provider as follows:

(A) for nonparticipating ground ambulance service providers subject to a unit of local government that has jurisdiction over where the service was provided, a rate that is equal to the rate established or approved by the governing body of the local government having jurisdiction for that area or subarea; or

(B) for nonparticipating ground ambulance service providers that are not subject to the jurisdiction of a unit of local government, a rate that is equal to the lesser of (i) the negotiated rate between the nonparticipating ground ambulance service provider and the health insurance issuer; (ii) 85% of the nonparticipating ground ambulance service provider's billed charges; or (iii) the average gross charge rate in effect for the date of service in question for a base charge and, if applicable, a loaded mileage charge, the nonparticipating ground ambulance service provider has filed with the Department of Public Health in accordance with subsection (b-15).

By accepting the payment from the health insurance issuer, the nonparticipating ground ambulance service provider shall not seek any payment from the beneficiary, insured, or enrollee for any amount that exceeds the deductible, coinsurance, or copay for services provided to the beneficiary, insured, or enrollee.

(b-15) Beginning on October 1, 2026, and each October 1 thereafter, each nonparticipating ground ambulance service provider shall file annually with the Department of Public Health, in the form and manner prescribed by the Department of Public Health, its average gross charge rates and any other information required by the Department of Public Health, by rule, for each of the following ground ambulance charge descriptions, as applicable: (1) basic life support, urgent base; (2) basic life support, emergency base; (3) advanced life support, urgent, level 1 base; (4) advanced life support, emergency, level 1 base; (5) advanced life support, emergency, level 2 base; (6) specialty care transport base; (7) emergency response, evaluation without transport base; (8) emergency response, treatment without transport base; (9) emergency response, paramedic intercept base; and (10) loaded mileage, per loaded mile charge for each of the applicable base charge descriptions services. The Department of Public Health shall publish the submitted rate information by January 1, 2027 and every January 1 thereafter. The Department of Public Health may request information from ground ambulance service providers and health insurance issuers regarding factors contributing to the network status of the ground ambulance service providers. The Department of Public Health may, upon the submission of rate information, assess a fee to each ground ambulance service provider that shall not exceed the administrative costs to complete the Department of Public Health's obligations in this subsection. The Department of Public Health may also request information from nationally recognized organizations that provide data on health care costs. The Department of Insurance shall direct the health insurance issuer to the location in which the information reported to the Department of Public Health is stored.

(c) Notwithstanding any other provision of this Code, except when the notice and consent criteria are satisfied for the situation in paragraph (2) of subsection (b-5), any benefits a beneficiary, insured, or enrollee receives for services under the situations in subsection (b) ~~or (b-5), (b-10), or (b-15)~~ are assigned to the nonparticipating providers, nonparticipating ground ambulance service provider, or the facility acting on their behalf. Upon receipt of the provider's bill or facility's bill, the health insurance issuer shall provide the nonparticipating provider, nonparticipating ground ambulance service provider, or the facility with a written explanation of benefits that specifies the proposed reimbursement and the applicable deductible, copayment, or coinsurance amounts owed by the insured, beneficiary, or enrollee. The health insurance issuer shall pay any reimbursement subject to this Section directly to the nonparticipating provider, nonparticipating ground ambulance service provider, or the facility.

(d) For bills assigned under subsection (c), the nonparticipating provider or the facility may bill the health insurance issuer for the services rendered, and the health insurance issuer may pay the billed amount or attempt to negotiate reimbursement with the nonparticipating provider or the facility. Within 30 calendar days after the provider or facility transmits the bill to the health insurance issuer, the issuer shall send an initial payment or notice of denial of payment with the written explanation of benefits to the provider or facility. If attempts to negotiate reimbursement for services provided by a nonparticipating provider do not result in a resolution of the payment dispute within 30 days after receipt of written explanation of benefits by the health insurance issuer, then the health insurance issuer or nonparticipating provider or the facility may initiate binding arbitration to determine payment for services provided on a per-bill or batched-bill basis, in accordance with Section 300gg-111 of the Public Health Service Act and the regulations promulgated thereunder. The party requesting arbitration shall notify the other party arbitration has been initiated and state its final offer before arbitration. In response to this notice, the nonrequesting party shall inform the requesting party of its final offer before the arbitration occurs. Arbitration shall be initiated by filing a request with the Department of Insurance.

(e) The Department of Insurance shall publish a list of approved arbitrators or entities that shall provide binding arbitration. These arbitrators shall be American Arbitration Association or American Health Lawyers Association trained arbitrators. Both parties must agree on an arbitrator from the Department of Insurance's or its approved entity's list of arbitrators. If no agreement can be reached, then a list of 5 arbitrators shall be provided by the Department of Insurance or the approved entity. From the list of 5 arbitrators, the health insurance issuer can veto 2 arbitrators and the provider or facility can veto 2 arbitrators. The remaining arbitrator shall be the chosen arbitrator. This arbitration shall consist of a review of the written submissions by both parties. The arbitrator shall not establish a rebuttable presumption that the qualifying payment amount should be the total amount owed to the provider or facility by the combination of the issuer and the insured, beneficiary, or enrollee. Binding arbitration shall provide for a written decision within 45 days after the request is filed with the Department of Insurance. Both parties shall be bound by the arbitrator's decision. The arbitrator's expenses and fees, together with other expenses, not including attorney's fees, incurred in the conduct of the arbitration, shall be paid as provided in the decision.

(f) (Blank).

(g) Section 368a of this Act shall not apply during the pendency of a decision under subsection (d). Upon the issuance of the arbitrator's decision, Section 368a applies with respect to the amount, if any, by which the arbitrator's determination exceeds the issuer's initial payment under subsection (c), or the entire amount of the arbitrator's determination if initial payment was denied. Any interest required to be paid to a provider under Section 368a shall not accrue until after 30 days of an arbitrator's decision as provided in subsection (d), but in no circumstances longer than 150 days from the date the nonparticipating facility-based provider billed for services rendered.

(h) Nothing in this Section shall be interpreted to change the prudent layperson provisions with respect to emergency services under the Managed Care Reform and Patient Rights Act.

(i) Nothing in this Section shall preclude a health care provider from billing a beneficiary, insured, or enrollee for reasonable administrative fees, such as service fees for checks returned for nonsufficient funds and missed appointments.

(j) Nothing in this Section shall preclude a beneficiary, insured, or enrollee from assigning benefits to a nonparticipating provider when the notice and consent criteria are satisfied under paragraph (2) of subsection (b-5) or in any other situation not described in subsection (b) or (b-5).

(k) Except when the notice and consent criteria are satisfied under paragraph (2) of subsection (b-5), if an individual receives health care services under the situations described in subsection (b) or (b-5), no referral requirement or any other provision contained in the policy or certificate of coverage shall deny

coverage, reduce benefits, or otherwise defeat the requirements of this Section for services that would have been covered with a participating provider. However, this subsection shall not be construed to preclude a provider contract with a health insurance issuer, or with an administrator or similar entity acting on the issuer's behalf, from imposing requirements on the participating provider, participating emergency facility, or participating health care facility relating to the referral of covered individuals to nonparticipating providers.

(l) Except if the notice and consent criteria are satisfied under paragraph (2) of subsection (b-5), cost-sharing amounts calculated in conformity with this Section shall count toward any deductible or out-of-pocket maximum applicable to in-network coverage.

(m) The Department has the authority to enforce the requirements of this Section in the situations described in subsections (b) and (b-5), and in any other situation for which 42 U.S.C. Chapter 6A, Subchapter XXV, Parts D or E and regulations promulgated thereunder would prohibit an individual from being billed or liable for emergency services furnished by a nonparticipating provider or nonparticipating emergency facility or for non-emergency health care services furnished by a nonparticipating provider at a participating health care facility.

(n) This Section does not apply with respect to air ambulance ~~or ground ambulance~~ services. This Section does not apply to any policy of excepted benefits or to short-term, limited-duration health insurance coverage.

(o) A home rule unit may not regulate payments for ground ambulance service in a manner inconsistent with this Section. This subsection is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

A message from the House by

Mr. Hollman, Clerk:

Mr. President -- I am directed to inform the Senate that the House of Representatives has adopted the following joint resolution, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:

HOUSE JOINT RESOLUTION NO. 5

WHEREAS, The people of Illinois seek to uphold the values that make the United States and the State of Illinois great, those of freedom, opportunity, equal justice under law for all, and all civil liberties enshrined in the United States and Illinois Constitutions; and

WHEREAS, Anti-immigrant sentiment and anti-immigrant extremism have factored into discrimination against Asian Americans and other marginalized people throughout our history and caused real harm to individuals and communities; and

WHEREAS, The people and the State of Illinois have a duty to uphold our founding values and actively work to learn from our history and prevent the mistakes and tragedies of our past, including the unconstitutional use of executive orders to deny the guaranteed rights of citizenship; and

WHEREAS, It is most appropriate and necessary to commemorate those incredible individuals who have defended civil liberties and resisted oppression within our great nation; and

WHEREAS, An assault on civil liberties was launched on February 19, 1942 when President Franklin D. Roosevelt signed Executive Order No. 9066, authorizing the internment of all people of Japanese descent in the United States; under the order, those of Japanese ancestry, many American citizens, were subject to a curfew, ordered to submit to imprisonment, and placed in American internment camps without trial, access to legal counsel, or notice of any criminal charges; and

WHEREAS, Fred T. Korematsu of Oakland, California valiantly refused to comply with these directives in an admirable display of civil disobedience and continued to proudly live his life as a free American citizen; he was subsequently arrested and tried for refusing to comply with Civilian Exclusion Order No. 34, which was authorized by Executive Order No. 9066, and he was sent to Topaz internment camp in Utah; and

WHEREAS, Fred Korematsu, in a selfless act of sacrifice, agreed to be the representative for those wrongfully imprisoned and appealed his case with the help of Earnest Besig of the American Civil Liberties Union; the case was heard by the United States Supreme Court; and

WHEREAS, The Supreme Court upheld the decision to imprison Fred Korematsu in a 6-3 ruling, as well as the constitutionality of discrimination against a racial group as justified under conditions of war; that decision remains a stain upon civil liberties and American values of equal protection under law; his conviction was overturned via a writ of error coram nobis on November 10, 1983 by the United States District Court of Northern California; the Supreme Court decision has yet to be challenged; and

WHEREAS, Fred Korematsu and his legal team appealed to overturn his conviction, inspiring the Civil Liberties Act of 1988, which was signed into law by President Ronald Reagan and which formally apologized to those wrongfully incarcerated under Executive Order No. 9066 and acknowledged the order was issued because of "racial prejudice, wartime hysteria, and a failure of political leadership"; he was later awarded the Presidential Medal of Freedom from President Bill Clinton, the highest honor awarded to a civilian who has admirably served the interests of the nation; and

WHEREAS, Fred Korematsu continued throughout his life to raise his voice for the voiceless and defend the defenseless in solidarity with those denied civil liberties, including speaking out against the solitary confinement of an American Muslim man in a United States military prison without trial; and

WHEREAS, Fred Korematsu passed away on March 30, 2005; today, the Fred Korematsu Institute works to educate people about his life story and the importance of civil liberties; the institute also aims to promote awareness of his life and work by schools, the general public, and state and federal legislators of his life with the observation of his birthdate, January 30, as Fred T. Korematsu Day of Civil Liberties and the Constitution; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we commend Fred T. Korematsu for his courageous efforts for civil liberties; and be it further

RESOLVED, That we honor the legacy of Fred Korematsu, his institute, and his children who work so diligently to educate the public by encouraging schools and institutes of higher learning throughout the State of Illinois to incorporate his story and valiant stand for American values of justice into their curriculum; and be it further

RESOLVED, That suitable copies of this resolution be presented to the Illinois State Board of Education and each Illinois state university.

Adopted by the House, May 30, 2025.

All such agencies shall also notify the Illinois State Police of all decisions by the arresting agency not to refer such arrests for prosecution. With approval of the Illinois State Police, an agency making such arrests may enter into arrangements with other agencies for the purpose of furnishing daily such fingerprints, charges and descriptions to the Illinois State Police upon its behalf.

(b) Charge Information. The State's Attorney of each county shall notify the Illinois State Police of all charges filed and all petitions filed alleging that a minor is delinquent, including all those added subsequent to the filing of a case, and whether charges were not filed in cases for which the Illinois State Police has received information required to be reported pursuant to paragraph (a) of this Section. The clerk of the circuit court of each county shall furnish the Illinois State Police, in the form and manner required by the Supreme Court, with all final dispositions of cases for which the Illinois State Police has received information required to be reported pursuant to paragraph (a) or (d) of this Section. Such information shall include, for each charge, all (1) judgments of not guilty, judgments of guilty including the sentence pronounced by the court with statutory citations to the relevant sentencing provision, findings that a minor is delinquent and any sentence made based on those findings, discharges and dismissals in the court; (2) reviewing court orders filed with the clerk of the circuit court which reverse or remand a reported conviction or findings that a minor is delinquent or that vacate or modify a sentence or sentence made following a trial that a minor is delinquent; (3) continuances to a date certain in furtherance of an order of supervision granted under Section 5-6-1 of the Unified Code of Corrections or an order of probation granted under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 12-4.3 or subdivision (b)(1) of Section 12-3.05 of the Criminal Code of 1961 or the Criminal Code of 2012, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Substance Use Disorder Act, Section 10 of the Steroid Control Act, or Section 5-615 of the Juvenile Court Act of 1987; and (4) judgments or court orders terminating or revoking a sentence to or juvenile disposition of probation, supervision or conditional discharge, judgment or court orders of discharge from probation or conditional discharge, and any resentencing or new court orders entered by a juvenile court relating to the disposition of a minor's case involving delinquency after such revocation. The court shall so order the requested fingerprinting, if it determines that any such person

has not previously been fingerprinted for the same case. The law enforcement agency shall submit such fingerprints to the Illinois State Police daily.

(2) After the court pronounces sentence or makes a disposition of a case following a finding of delinquency for any offense which is not required by statute to be collected, maintained, or disseminated by the Illinois State Police, the prosecuting attorney may ask the court to order a law enforcement agency to fingerprint immediately all persons appearing before the court who have not previously been fingerprinted for the same case. The court may so order the requested fingerprinting, if it determines that any so sentenced person has not previously been fingerprinted for the same case. The law enforcement agency may retain such fingerprints in its files.

The Illinois Department of Corrections and the sheriff of each county shall furnish the Illinois State Police with all information concerning the receipt, escape, execution, death, release, pardon, parole, commutation of sentence, granting of executive clemency or discharge of an individual who has been sentenced or committed to the agency's custody for any offenses which are mandated by statute to be collected, maintained or disseminated by the Illinois State Police. For an individual who has been charged with any such offense and who escapes from custody or dies while in custody, all information concerning the receipt and escape or death, whichever is appropriate, shall also be so furnished to the Illinois State Police.

(f) Any entity required to report information concerning criminal arrests, charges, and dispositions pursuant to Section 2.1 or 5 of this Act shall respond to any notice advising the entity of missing or incomplete information or an error in the reporting of the information as follows:

(1) Responses shall be made within 30 days after the notice from the Illinois State Police unless the volume of records in the report renders that timeline impracticable.

(Text of Section before amendment by P.A. 103-1071)

Sec. 5.2. Expungement, sealing, and immediate sealing.

(a) General Provisions.

(1) Definitions. In this Act, words and phrases have the meanings set forth in this subsection, except when a particular context clearly requires a different meaning.

(A) The following terms shall have the meanings ascribed to them in the following Sections of the Unified Code of Corrections:

Business Offense, Section 5-1-2.

Charge, Section 5-1-3.

Court, Section 5-1-6.

Defendant, Section 5-1-7.

Felony, Section 5-1-9.

Imprisonment, Section 5-1-10.

Judgment, Section 5-1-12.

Misdemeanor, Section 5-1-14.

Offense, Section 5-1-15.

Parole, Section 5-1-16.

Petty Offense, Section 5-1-17.

Probation, Section 5-1-18.

Sentence, Section 5-1-19.

Supervision, Section 5-1-21.

Victim, Section 5-1-22.

(B) As used in this Section, "charge not initiated by arrest" means a charge (as defined by Section 5-1-3 of the Unified Code of Corrections) brought against a defendant where the defendant is not arrested prior to or as a direct result of the charge.

(C) "Conviction" means a judgment of conviction or sentence entered upon a plea of guilty or upon a verdict or finding of guilty of an offense, rendered by a legally constituted jury or by a court of competent jurisdiction authorized to try the case without a jury. An order of

supervision successfully completed by the petitioner is not a conviction. An order of qualified probation (as defined in subsection (a)(1)(J)) successfully completed by the petitioner is not a conviction. (D) "Criminal offense" means a petty offense, business offense, misdemeanor, felony, or municipal ordinance violation (as defined in subsection (a)(1)(H)). As used in this Section, a minor traffic offense (as defined in subsection (a)(1)(G)) shall not be considered a criminal offense.

(E) "Expunge" means to physically destroy the records or return them to the petitioner and to obliterate the petitioner's name from any official index or public record, or both. Nothing in this Act shall require the physical destruction of the circuit court file, but such records relating to arrests or charges, or both, ordered expunged shall be impounded as required by subsections (d)(9)(A)(ii) and (d)(9)(B)(ii).

(F) As used in this Section, "last sentence" means the sentence, order of supervision, or order of qualified probation (as defined by subsection (a)(1)(J)), for a criminal offense (as defined by subsection (a)(1)(D)) that terminates last in time in any jurisdiction, regardless of whether the petitioner has included the criminal offense for which the sentence or order of supervision or qualified probation was imposed in his or her petition. If multiple sentences, orders of supervision, or orders of qualified probation terminate on the same day and are last in time, they shall be collectively considered the "last sentence" regardless of whether they were ordered to run concurrently.

(G) "Minor traffic offense" means a petty offense, business offense, or Class C misdemeanor under the Illinois Vehicle Code or a similar provision of a municipal or local ordinance.

(2.5) Commencing 180 days after July 29, 2016 (the effective date of Public Act 99-697), the law enforcement agency issuing the citation shall automatically expunge, on or before January 1 and July 1 of each year, the law enforcement records of a person found to have committed a civil law violation of subsection (a) of Section 4 of the Cannabis Control Act or subsection (c) of Section 3.5 of the Drug Paraphernalia Control Act in the law enforcement agency's possession or control and which contains the final satisfactory disposition which pertain to the person issued a citation for that offense. (B) the sealing or expungement of records of minor traffic offenses (as defined in subsection (a)(1)(G)), unless the petitioner was arrested and released without charging.

(b) Expungement.

(1) A petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when each arrest or charge not initiated by arrest sought to be expunged resulted in: (i) acquittal, dismissal, or the petitioner's release without charging, unless excluded by subsection (a)(3)(B); (ii) a conviction which was vacated or reversed, unless excluded by subsection (a)(3)(B); (iii) an order of supervision and such supervision was successfully completed by the petitioner, unless excluded by subsection (a)(3)(A) or (a)(3)(B); or (iv) an order of qualified probation (as defined in subsection (a)(1)(J)) and such probation was successfully completed by the petitioner.

(1.5) When a petitioner seeks to have a record of arrest expunged under this Section, and the offender has been convicted of a criminal offense, the State's Attorney may object to the expungement on the grounds that the records contain specific relevant information aside from the mere fact of the arrest.

(2) Time frame for filing a petition to expunge.

(A) When the arrest or charge not initiated by arrest sought to be expunged resulted in an acquittal, dismissal, the petitioner's release without charging, or the reversal or vacation of a conviction, there is no waiting period to petition for the expungement of such records.

(A-5) In anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, a petition for expungement may be filed 61 days before the anticipated dismissal of the case or any time thereafter. Upon successful completion of the program and dismissal of the case, the court shall review the petition of the person graduating from the program and shall grant expungement if the petitioner meets all requirements as specified in any applicable statute.

(B) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of supervision, successfully completed by the petitioner, the following time frames will apply:

(i) Those arrests or charges that resulted in orders of supervision under Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance, or under Section 11-1.50, 12-3.2, or 12-15 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance, shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the supervision.

(i-5) Those arrests or charges that resulted in orders of supervision for a misdemeanor violation of subsection (a) of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, that occurred prior to the offender reaching the age of 25 years and the offender has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance shall not be eligible for expungement until the petitioner has reached the age of 25 years.

(ii) Those arrests or charges that resulted in orders of supervision for any other offenses shall not be eligible for expungement until 2 years have passed following the satisfactory termination of the supervision.

(C) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of qualified probation, successfully completed by the petitioner, such records shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the probation.

(3) Those records maintained by the Illinois State Police for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(4) Whenever a person has been arrested for or convicted of any offense, in the name of a person whose identity he or she has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his or her identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the Chief Judge to correct the arrest record, conviction record, if any, and all official records of the arresting authority, the Illinois State Police, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his or her name from all such records in connection with the arrest and conviction, if any, and by inserting in the records the name of the offender, if known or ascertainable, in lieu of the aggrieved's name. The records of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Illinois State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used.

(5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated

criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the petitioner's trial to have a court order entered to seal the records of the circuit court clerk in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Illinois State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the circuit court clerk in connection with the proceedings of the trial court concerning the offense available for public inspection.

(6) If a conviction has been set aside on direct review or on collateral attack and the court determines by clear and convincing evidence that the petitioner was factually innocent of the charge, the court that finds the petitioner factually innocent of the charge shall enter an expungement order for the conviction for which the petitioner has been determined to be innocent as provided in subsection (b) of Section 5-5-4 of the Unified Code of Corrections.

(7) Nothing in this Section shall prevent the Illinois State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 or 5-6-3.4 of the Unified Code of Corrections, Section 12-4.3 or subdivision (b)(1) of Section 12-3.05 of the Criminal Code of 1961 or the Criminal Code of 2012, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Substance Use Disorder Act, or Section 10 of the Steroid Control Act.

(8) If the petitioner has been granted a certificate of innocence under Section 2-702 of the Code of Civil Procedure, the court that grants the certificate of innocence shall also enter an order expunging the conviction for which the petitioner has been determined to be innocent as provided in subsection (h) of Section 2-702 of the Code of Civil Procedure.

(c) Sealing.

(1) Applicability. Notwithstanding any other provision of this Act to the contrary, and cumulative with any rights to expungement of criminal records, this subsection authorizes the sealing of criminal records of adults and of minors prosecuted as adults. Subsection (g) of this Section provides for immediate sealing of certain records.

(2) Eligible Records. The following records may be sealed:

(A) All arrests resulting in release without charging;

(B) Arrests or charges not initiated by arrest resulting in acquittal, dismissal, or conviction when the conviction was reversed or vacated, except as excluded by subsection (a)(3)(B);

(C) Arrests or charges not initiated by arrest resulting in orders of supervision, including orders of supervision for municipal ordinance violations, successfully completed by the petitioner, unless excluded by subsection (a)(3);

(D) Arrests or charges not initiated by arrest resulting in convictions, including convictions on municipal ordinance violations, unless excluded by subsection (a)(3);

(E) Arrests or charges not initiated by arrest resulting in orders of first offender probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, or Section 5-6-3.3 of the Unified Code of Corrections; and

(F) Arrests or charges not initiated by arrest resulting in felony convictions unless otherwise excluded by subsection (a) paragraph (3) of this Section.

(3) When Records Are Eligible to Be Sealed. Records identified as eligible under subsection (c)(2) may be sealed as follows:

(A) Records identified as eligible under subsections (c)(2)(A) and (c)(2)(B) may be sealed at any time.

(B) Except as otherwise provided in subparagraph (E) of this paragraph (3), records identified as eligible under subsection (c)(2)(C) may be sealed 2 years after the termination of petitioner's last sentence (as defined in subsection (a)(1)(F)).

(C) Except as otherwise provided in subparagraph (E) of this paragraph (3), records identified as eligible under subsections (c)(2)(D), (c)(2)(E), and (c)(2)(F) may be sealed 3 years after the termination of the petitioner's last sentence (as defined in subsection (a)(1)(F)). Convictions requiring public registration under the Arsonist Registry Act, the Sex Offender

Registration Act, or the Murderer and Violent Offender Against Youth Registration Act may not be sealed until the petitioner is no longer required to register under that relevant Act.

(D) Records identified in subsection (a)(3)(A)(iii) may be sealed after the petitioner has reached the age of 25 years.

(E) Records identified as eligible under subsection (c)(2)(C), (c)(2)(D), (c)(2)(E), or (c)(2)(F) may be sealed upon termination of the petitioner's last sentence if the petitioner earned a high school diploma, associate's degree, career certificate, vocational technical certification, or bachelor's degree, or passed the high school level Test of General Educational Development, during the period of his or her sentence or mandatory supervised release. This subparagraph shall apply only to a petitioner who has not completed the same educational goal prior to the period of his or her sentence or mandatory supervised release. If a petition for sealing eligible records filed under this subparagraph is denied by the court, the time periods under subparagraph (B) or (C) shall apply to any subsequent petition for sealing filed by the petitioner.

(4) Subsequent felony convictions. A person may not have subsequent felony conviction records sealed as provided in this subsection (c) if he or she is convicted of any felony offense after the date of the sealing of prior felony convictions as provided in this subsection (c). The court may, upon conviction for a subsequent felony offense, order the unsealing of prior felony conviction records previously ordered sealed by the court.

(5) Notice of eligibility for sealing. Upon entry of a disposition for an eligible record under this subsection (c), the petitioner shall be informed by the court of the right to have the records sealed and the procedures for the sealing of the records.

(d) Procedure. The following procedures apply to expungement under subsections (b), (e), and (e-6) and sealing under subsections (c) and (e-5):

(1) Filing the petition. Upon becoming eligible to petition for the expungement or sealing of records under this Section, the petitioner shall file a petition requesting the expungement or sealing of records with the clerk of the court where the arrests occurred or the charges were brought, or both. If arrests occurred or charges were brought in multiple jurisdictions, a petition must be filed in each such jurisdiction. The petitioner shall pay the applicable fee, except no fee shall be required if the petitioner has obtained a court order waiving fees under Supreme Court Rule 298 or it is otherwise waived.

(1.5) County fee waiver pilot program. From August 9, 2019 (the effective date of Public Act 101-306) through December 31, 2020, in a county of 3,000,000 or more inhabitants, no fee shall be required to be paid by a petitioner if the records sought to be expunged or sealed were arrests resulting in release without charging or arrests or charges not initiated by arrest resulting in acquittal, dismissal, or conviction when the conviction was reversed or vacated, unless excluded by subsection (a)(3)(B). The provisions of this paragraph (1.5), other than this sentence, are inoperative on and after January 1, 2022.

(2) Contents of petition. The petition shall be verified and shall contain the petitioner's name, date of birth, current address and, for each arrest or charge not initiated by arrest sought to be sealed or expunged, the case number, the date of arrest (if any), the identity of the arresting authority, and such other information as the court may require. During the pendency of the proceeding, the petitioner shall promptly notify the circuit court clerk of any change of his or her address. If the petitioner has received a certificate of eligibility for sealing from the Prisoner Review Board under paragraph (10) of subsection (a) of Section 3-3-2 of the Unified Code of Corrections, the certificate shall be attached to the petition.

(3) Drug test. The petitioner must attach to the petition proof that the petitioner has taken within 30 days before the filing of the petition a test showing the absence within his or her body of all illegal substances as defined by the Illinois Controlled Substances Act and the Methamphetamine Control and Community Protection Act if he or she is petitioning to:

(A) seal felony records under clause (c)(2)(E);

(B) seal felony records for a violation of the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Cannabis Control Act under clause (c)(2)(F);

(C) seal felony records under subsection (e-5); or

(D) expunge felony records of a qualified probation under clause (b)(1)(iv).

(4) Service of petition. The circuit court clerk shall promptly serve a copy of the petition and documentation to support the petition under subsection (e-5) or (e-6) on the State's Attorney or

prosecutor charged with the duty of prosecuting the offense, the Illinois State Police, the arresting agency and the chief legal officer of the unit of local government effecting the arrest.

(5) Objections.

(A) Any party entitled to notice of the petition may file an objection to the petition. All objections shall be in writing, shall be filed with the circuit court clerk, and shall state with specificity the basis of the objection. Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, an objection to the petition may not be filed.

(B) Objections to a petition to expunge or seal must be filed within 60 days of the date of service of the petition.

(6) Entry of order.

(A) The Chief Judge of the circuit wherein the charge was brought, any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, if any, shall rule on the petition to expunge or seal as set forth in this subsection (d)(6).

(B) Unless the State's Attorney or prosecutor, the Illinois State Police, the arresting agency, or the chief legal officer files an objection to the petition to expunge or seal within 60 days from the date of service of the petition, the court shall enter an order granting or denying the petition.

(C) Notwithstanding any other provision of law, the court shall not deny a petition for sealing under this Section because the petitioner has not satisfied an outstanding legal financial obligation established, imposed, or originated by a court, law enforcement agency, or a municipal, State, county, or other unit of local government, including, but not limited to, any cost, assessment, fine, or fee. An outstanding legal financial obligation does not include any court ordered restitution to a victim under Section 5-5-6 of the Unified Code of Corrections, unless the restitution has been converted to a civil judgment. Nothing in this subparagraph (C) waives, rescinds, or abrogates a legal financial obligation or otherwise eliminates or affects the right of the holder of any financial obligation to pursue collection under applicable federal, State, or local law.

(D) Notwithstanding any other provision of law, the court shall not deny a petition to expunge or seal under this Section because the petitioner has submitted a drug test taken within 30 days before the filing of the petition to expunge or seal that indicates a positive test for the presence of cannabis within the petitioner's body. In this subparagraph (D), "cannabis" has the meaning ascribed to it in Section 3 of the Cannabis Control Act.

(7) Hearings. If an objection is filed, the court shall set a date for a hearing and notify the petitioner and all parties entitled to notice of the petition of the hearing date at least 30 days prior to the hearing. Prior to the hearing, the State's Attorney shall consult with the Illinois State Police as to the appropriateness of the relief sought in the petition to expunge or seal. At the hearing, the court shall hear evidence on whether the petition should or should not be granted, and shall grant or deny the petition to expunge or seal the records based on the evidence presented at the hearing. The court may consider the following:

(A) the strength of the evidence supporting the defendant's conviction;

(B) the reasons for retention of the conviction records by the State;

(C) the petitioner's age, criminal record history, and employment history;

(D) the period of time between the petitioner's arrest on the charge resulting in the conviction and the filing of the petition under this Section; and

(E) the specific adverse consequences the petitioner may be subject to if the petition is denied.

(8) Service of order. After entering an order to expunge or seal records, the court must provide copies of the order to the Illinois State Police, in a form and manner prescribed by the Illinois State Police, to the petitioner, to the State's Attorney or prosecutor charged with the duty of prosecuting the offense, to the arresting agency, to the chief legal officer of the unit of local government effecting the arrest, and to such other criminal justice agencies as may be ordered by the court.

(9) Implementation of order.

(A) Upon entry of an order to expunge records pursuant to subsection (b)(2)(A) or (b)(2)(B)(ii), or both:

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency, the Illinois State Police, and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order; and

(iii) in response to an inquiry for expunged records, the court, the Illinois State Police, or the agency receiving such inquiry, shall reply as it does in response to inquiries when no records ever existed.

(B) Upon entry of an order to expunge records pursuant to subsection (b)(2)(B)(i) or (b)(2)(C), or both:

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order;

(iii) the records shall be impounded by the Illinois State Police within 60 days of the date of service of the order as ordered by the court, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(iv) records impounded by the Illinois State Police may be disseminated by the Illinois State Police only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony, and to the Department of Corrections upon conviction for any offense; and

(v) in response to an inquiry for such records from anyone not authorized by law to access such records, the court, the Illinois State Police, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(B-5) Upon entry of an order to expunge records under subsection (e-6):

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed under paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order;

(iii) the records shall be impounded by the Illinois State Police within 60 days of the date of service of the order as ordered by the court, unless a motion to vacate, modify, or reconsider the order is filed under paragraph (12) of subsection (d) of this Section;

(iv) records impounded by the Illinois State Police may be disseminated by the Illinois State Police only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony, and to the Department of Corrections upon conviction for any offense; and

(v) in response to an inquiry for these records from anyone not authorized by law to access the records, the court, the Illinois State Police, or the agency receiving the inquiry shall reply as it does in response to inquiries when no records ever existed.

(C) Upon entry of an order to seal records under subsection (c), the arresting agency, any other agency as ordered by the court, the Illinois State Police, and the court shall seal the records (as defined in subsection (a)(1)(K)). In response to an inquiry for such records, from anyone not authorized by law to access such records, the court, the Illinois State Police, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(D) The Illinois State Police shall send written notice to the petitioner of its compliance with each order to expunge or seal records within 60 days of the date of service of that order or, if a motion to vacate, modify, or reconsider is filed, within 60 days of service of the order resolving the motion, if that order requires the Illinois State Police to expunge or seal records. In the event of an appeal from the circuit court order, the Illinois State Police shall send written notice to the petitioner of its compliance with an Appellate Court or Supreme Court judgment to expunge or seal records within 60 days of the issuance of the court's mandate. The notice is not required while any motion to vacate, modify, or reconsider, or any appeal or petition for discretionary appellate review, is pending.

(E) Upon motion, the court may order that a sealed judgment or other court record necessary to demonstrate the amount of any legal financial obligation due and owing be made available for the limited purpose of collecting any legal financial obligations owed by the petitioner that were established, imposed, or originated in the criminal proceeding for which those records have been sealed. The records made available under this subparagraph (E) shall not be entered into the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act and shall be immediately re-impounded upon the collection of the outstanding financial obligations.

(F) Notwithstanding any other provision of this Section, a circuit court clerk may access a sealed record for the limited purpose of collecting payment for any legal financial obligations that were established, imposed, or originated in the criminal proceedings for which those records have been sealed.

(10) Fees. The Illinois State Police may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal records. Notwithstanding any provision of the Clerks of Courts Act to the contrary, the circuit court clerk may charge a fee equivalent to the cost associated with the sealing or expungement of records by the circuit court clerk. From the total filing fee collected for the petition to seal or expunge, the circuit court clerk shall deposit \$10 into the Circuit Court Clerk Operation and Administrative Fund, to be used to offset the costs incurred by the circuit court clerk in performing the additional duties required to serve the petition to seal or expunge on all parties. The circuit court clerk shall collect and remit the Illinois State Police portion of the fee to the State Treasurer and it shall be deposited in the State Police Services Fund. If the record brought under an expungement petition was previously sealed under this Section, the fee for the expungement petition for that same record shall be waived.

(11) Final Order. No court order issued under the expungement or sealing provisions of this Section shall become final for purposes of appeal until 30 days after service of the order on the petitioner and all parties entitled to notice of the petition.

(12) Motion to Vacate, Modify, or Reconsider. Under Section 2-1203 of the Code of Civil Procedure, the petitioner or any party entitled to notice may file a motion to vacate, modify, or reconsider the order granting or denying the petition to expunge or seal within 60 days of service of the order. If filed more than 60 days after service of the order, a petition to vacate, modify, or reconsider shall comply with subsection (c) of Section 2-1401 of the Code of Civil Procedure. Upon filing of a motion to vacate, modify, or reconsider, notice of the motion shall be served upon the petitioner and all parties entitled to notice of the petition.

(13) Effect of Order. An order granting a petition under the expungement or sealing provisions of this Section shall not be considered void because it fails to comply with the provisions of this Section or because of any error asserted in a motion to vacate, modify, or reconsider. The circuit court retains jurisdiction to determine whether the order is voidable and to vacate, modify, or reconsider its terms based on a motion filed under paragraph (12) of this subsection (d).

(14) Compliance with Order Granting Petition to Seal Records. Unless a court has entered a stay of an order granting a petition to seal, all parties entitled to notice of the petition must fully comply with the terms of the order within 60 days of service of the order even if a party is seeking

relief from the order through a motion filed under paragraph (12) of this subsection (d) or is appealing the order.

(15) Compliance with Order Granting Petition to Expunge Records. While a party is seeking relief from the order granting the petition to expunge through a motion filed under paragraph (12) of this subsection (d) or is appealing the order, and unless a court has entered a stay of that order, the parties entitled to notice of the petition must seal, but need not expunge, the records until there is a final order on the motion for relief or, in the case of an appeal, the issuance of that court's mandate.

(16) The changes to this subsection (d) made by Public Act 98-163 apply to all petitions pending on August 5, 2013 (the effective date of Public Act 98-163) and to all orders ruling on a petition to expunge or seal on or after August 5, 2013 (the effective date of Public Act 98-163).

(e) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Illinois State Police be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Illinois State Police may be disseminated by the Illinois State Police only to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Illinois State Police pertaining to that individual. Upon entry of the order of expungement, the circuit court clerk shall promptly mail a copy of the order to the person who was pardoned.

(e-5) Whenever a person who has been convicted of an offense is granted a certificate of eligibility for sealing by the Prisoner Review Board which specifically authorizes sealing, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, have a court order entered sealing the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Illinois State Police be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the petitioner obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been granted the certificate but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Illinois State Police may be disseminated by the Illinois State Police only as required by this Act or to the arresting authority, a law enforcement agency, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Illinois State Police pertaining to that individual. Upon entry of the order of sealing, the circuit court clerk shall promptly mail a copy of the order to the person who was granted the certificate of eligibility for sealing.

(e-6) Whenever a person who has been convicted of an offense is granted a certificate of eligibility for expungement by the Prisoner Review Board which specifically authorizes expungement, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Illinois State Police be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the petitioner obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been granted the certificate but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Illinois State Police may be disseminated by the Illinois State Police only as required by this Act or to the arresting authority, a law enforcement agency, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the

purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all expunged records of the Illinois State Police pertaining to that individual. Upon entry of the order of expungement, the circuit court clerk shall promptly mail a copy of the order to the person who was granted the certificate of eligibility for expungement.

(f) Subject to available funding, the Illinois Department of Corrections shall conduct a study of the impact of sealing, especially on employment and recidivism rates, utilizing a random sample of those who apply for the sealing of their criminal records under Public Act 93-211. At the request of the Illinois Department of Corrections, records of the Illinois Department of Employment Security shall be utilized as appropriate to assist in the study. The study shall not disclose any data in a manner that would allow the identification of any particular individual or employing unit. The study shall be made available to the General Assembly no later than September 1, 2010.

(g) Immediate Sealing.

(1) Applicability. Notwithstanding any other provision of this Act to the contrary, and cumulative with any rights to expungement or sealing of criminal records, this subsection authorizes the immediate sealing of criminal records of adults and of minors prosecuted as adults.

(2) Eligible Records. Arrests or charges not initiated by arrest resulting in acquittal or dismissal with prejudice, except as excluded by subsection (a)(3)(B), that occur on or after January 1, 2018 (the effective date of Public Act 100-282), may be sealed immediately if the petition is filed with the circuit court clerk on the same day and during the same hearing in which the case is disposed.

(3) When Records are Eligible to be Immediately Sealed. Eligible records under paragraph (2) of this subsection (g) may be sealed immediately after entry of the final disposition of a case, notwithstanding the disposition of other charges in the same case.

(4) Notice of Eligibility for Immediate Sealing. Upon entry of a disposition for an eligible record under this subsection (g), the defendant shall be informed by the court of his or her right to have eligible records immediately sealed and the procedure for the immediate sealing of these records.

(5) Procedure. The following procedures apply to immediate sealing under this subsection (g).

(A) Filing the Petition. Upon entry of the final disposition of the case, the defendant's attorney may immediately petition the court, on behalf of the defendant, for immediate sealing of eligible records under paragraph (2) of this subsection (g) that are entered on or after January 1, 2018 (the effective date of Public Act 100-282). The immediate sealing petition may be filed with the circuit court clerk during the hearing in which the final disposition of the case is entered. If the defendant's attorney does not file the petition for immediate sealing during the hearing, the defendant may file a petition for sealing at any time as authorized under subsection (c)(3)(A).

(B) Contents of Petition. The immediate sealing petition shall be verified and shall contain the petitioner's name, date of birth, current address, and for each eligible record, the case number, the date of arrest if applicable, the identity of the arresting authority if applicable, and other information as the court may require.

(C) Drug Test. The petitioner shall not be required to attach proof that he or she has passed a drug test.

(D) Service of Petition. A copy of the petition shall be served on the State's Attorney in open court. The petitioner shall not be required to serve a copy of the petition on any other agency.

(E) Entry of Order. The presiding trial judge shall enter an order granting or denying the petition for immediate sealing during the hearing in which it is filed. Petitions for immediate sealing shall be ruled on in the same hearing in which the final disposition of the case is entered.

(F) Hearings. The court shall hear the petition for immediate sealing on the same day and during the same hearing in which the disposition is rendered.

(G) Service of Order. An order to immediately seal eligible records shall be served in conformance with subsection (d)(8).

(H) Implementation of Order. An order to immediately seal records shall be implemented in conformance with subsections (d)(9)(C) and (d)(9)(D).

(I) Fees. The fee imposed by the circuit court clerk and the Illinois State Police shall comply with paragraph (1) of subsection (d) of this Section.

(J) Final Order. No court order issued under this subsection (g) shall become final for purposes of appeal until 30 days after service of the order on the petitioner and all parties entitled to service of the order in conformance with subsection (d)(8).

(K) Motion to Vacate, Modify, or Reconsider. Under Section 2-1203 of the Code of Civil Procedure, the petitioner, State's Attorney, or the Illinois State Police may file a motion to vacate, modify, or reconsider the order denying the petition to immediately seal within 60 days of service of the order. If filed more than 60 days after service of the order, a petition to vacate, modify, or reconsider shall comply with subsection (c) of Section 2-1401 of the Code of Civil Procedure.

(L) Effect of Order. An order granting an immediate sealing petition shall not be considered void because it fails to comply with the provisions of this Section or because of an error asserted in a motion to vacate, modify, or reconsider. The circuit court retains jurisdiction to determine whether the order is voidable, and to vacate, modify, or reconsider its terms based on a motion filed under subparagraph (L) of this subsection (g).

(M) Compliance with Order Granting Petition to Seal Records. Unless a court has entered a stay of an order granting a petition to immediately seal, all parties entitled to service of the order must fully comply with the terms of the order within 60 days of service of the order.

(h) Sealing or vacation and expungement of trafficking victims' crimes.

(1) A trafficking victim, as defined by paragraph (10) of subsection (a) of Section 10-9 of the Criminal Code of 2012, may petition for vacation and expungement or immediate sealing of his or her criminal record upon the completion of his or her last sentence if his or her participation in the underlying offense was a result of human trafficking under Section 10-9 of the Criminal Code of 2012 or a severe form of trafficking under the federal Trafficking Victims Protection Act.

(1.5) A petition under paragraph (1) shall be prepared, signed, and filed in accordance with Supreme Court Rule 9. The court may allow the petitioner to attend any required hearing remotely in accordance with local rules. The court may allow a petition to be filed under seal if the public filing of the petition would constitute a risk of harm to the petitioner.

(2) A petitioner under this subsection (h), in addition to the requirements provided under paragraph (4) of subsection (d) of this Section, shall include in his or her petition a clear and concise statement that: (A) he or she was a victim of human trafficking at the time of the offense; and (B) that his or her participation in the offense was a result of human trafficking under Section 10-9 of the Criminal Code of 2012 or a severe form of trafficking under the federal Trafficking Victims Protection Act.

(3) If an objection is filed alleging that the petitioner is not entitled to vacation and expungement or immediate sealing under this subsection (h), the court shall conduct a hearing under paragraph (7) of subsection (d) of this Section and the court shall determine whether the petitioner is entitled to vacation and expungement or immediate sealing under this subsection (h). A petitioner is eligible for vacation and expungement or immediate relief under this subsection (h) if he or she shows, by a preponderance of the evidence, that: (A) he or she was a victim of human trafficking at the time of the offense; and (B) that his or her participation in the offense was a result of human trafficking under Section 10-9 of the Criminal Code of 2012 or a severe form of trafficking under the federal Trafficking Victims Protection Act.

(i) Minor Cannabis Offenses under the Cannabis Control Act.

(1) Expungement of Arrest Records of Minor Cannabis Offenses.

(A) The Illinois State Police and all law enforcement agencies within the State shall automatically expunge all criminal history records of an arrest, charge not initiated by arrest, order of supervision, or order of qualified probation for a Minor Cannabis Offense committed prior to June 25, 2019 (the effective date of Public Act 101-27) if:

(i) One year or more has elapsed since the date of the arrest or law enforcement interaction documented in the records; and

(ii) No criminal charges were filed relating to the arrest or law enforcement interaction or criminal charges were filed and subsequently dismissed or vacated or the arrestee was acquitted.

(B) If the law enforcement agency is unable to verify satisfaction of condition (ii) in paragraph (A), records that satisfy condition (i) in paragraph (A) shall be automatically expunged.

(C) Records shall be expunged by the law enforcement agency under the following timelines:

- (i) Records created prior to June 25, 2019 (the effective date of Public Act 101-27), but on or after January 1, 2013, shall be automatically expunged prior to January 1, 2021;
- (ii) Records created prior to January 1, 2013, but on or after January 1, 2000, shall be automatically expunged prior to January 1, 2023;
- (iii) Records created prior to January 1, 2000 shall be automatically expunged prior to January 1, 2025.

In response to an inquiry for expunged records, the law enforcement agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed; however, it shall provide a certificate of disposition or confirmation that the record was expunged to the individual whose record was expunged if such a record exists.

(D) Nothing in this Section shall be construed to restrict or modify an individual's right to have that individual's records expunged except as otherwise may be provided in this Act, or diminish or abrogate any rights or remedies otherwise available to the individual.

(2) Pardons Authorizing Expungement of Minor Cannabis Offenses.

(A) Upon June 25, 2019 (the effective date of Public Act 101-27), the Department of State Police shall review all criminal history record information and identify all records that meet all of the following criteria:

- (i) one or more convictions for a Minor Cannabis Offense;
- (ii) the conviction identified in paragraph (2)(A)(i) did not include a penalty enhancement under Section 7 of the Cannabis Control Act; and
- (iii) the conviction identified in paragraph (2)(A)(i) is not associated with a conviction for a violent crime as defined in subsection (c) of Section 3 of the Rights of Crime Victims and Witnesses Act.

(B) Within 180 days after June 25, 2019 (the effective date of Public Act 101-27), the Department of State Police shall notify the Prisoner Review Board of all such records that meet the criteria established in paragraph (2)(A).

(i) The Prisoner Review Board shall notify the State's Attorney of the county of conviction of each record identified by State Police in paragraph (2)(A) that is classified as a Class 4 felony. The State's Attorney may provide a written objection to the Prisoner Review Board on the sole basis that the record identified does not meet the criteria established in paragraph (2)(A). Such an objection must be filed within 60 days or by such later date set by the Prisoner Review Board in the notice after the State's Attorney received notice from the Prisoner Review Board.

(ii) In response to a written objection from a State's Attorney, the Prisoner Review Board is authorized to conduct a non-public hearing to evaluate the information provided in the objection.

(iii) The Prisoner Review Board shall make a confidential and privileged recommendation to the Governor as to whether to grant a pardon authorizing expungement for each of the records identified by the Department of State Police as described in paragraph (2)(A).

(C) If an individual has been granted a pardon authorizing expungement as described in this Section, the Prisoner Review Board, through the Attorney General, shall file a petition for expungement with the Chief Judge of the circuit or any judge of the circuit designated by the Chief Judge where the individual had been convicted. Such petition may include more than one individual. Whenever an individual who has been convicted of an offense is granted a pardon by the Governor that specifically authorizes expungement, an objection to the petition may not be filed. Petitions to expunge under this subsection (i) may include more than one individual. Within 90 days of the filing of such a petition, the court shall enter an order expunging the records of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Illinois State Police be expunged and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which the individual had received a pardon but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Upon entry of the order of expungement, the

circuit court clerk shall promptly provide a copy of the order and a certificate of disposition to the individual who was pardoned to the individual's last known address or by electronic means (if available) or otherwise make it available to the individual upon request.

(D) Nothing in this Section is intended to diminish or abrogate any rights or remedies otherwise available to the individual.

(3) Any individual may file a motion to vacate and expunge a conviction for a misdemeanor or Class 4 felony violation of Section 4 or Section 5 of the Cannabis Control Act. Motions to vacate and expunge under this subsection (i) may be filed with the circuit court, Chief Judge of a judicial circuit or any judge of the circuit designated by the Chief Judge. The circuit court clerk shall promptly serve a copy of the motion to vacate and expunge, and any supporting documentation, on the State's Attorney or prosecutor charged with the duty of prosecuting the offense. When considering such a motion to vacate and expunge, a court shall consider the following: the reasons to retain the records provided by law enforcement, the petitioner's age, the petitioner's age at the time of offense, the time since the conviction, and the specific adverse consequences if denied. An individual may file such a petition after the completion of any non-financial sentence or non-financial condition imposed by the conviction. Within 60 days of the filing of such motion, a State's Attorney may file an objection to such a petition along with supporting evidence. If a motion to vacate and expunge is granted, the records shall be expunged in accordance with subparagraphs (d)(8) and (d)(9)(A) of this Section. An agency providing civil legal aid, as defined by Section 15 of the Public Interest Attorney Assistance Act, assisting individuals seeking to file a motion to vacate and expunge under this subsection may file motions to vacate and expunge with the Chief Judge of a judicial circuit or any judge of the circuit designated by the Chief Judge, and the motion may include more than one individual. Motions filed by an agency providing civil legal aid concerning more than one individual may be prepared, presented, and signed electronically.

(4) Any State's Attorney may file a motion to vacate and expunge a conviction for a misdemeanor or Class 4 felony violation of Section 4 or Section 5 of the Cannabis Control Act. Motions to vacate and expunge under this subsection (i) may be filed with the circuit court, Chief Judge of a judicial circuit or any judge of the circuit designated by the Chief Judge, and may include more than one individual. Motions filed by a State's Attorney concerning more than one individual may be prepared, presented, and signed electronically. When considering such a motion to vacate and expunge, a court shall consider the following: the reasons to retain the records provided by law enforcement, the individual's age, the individual's age at the time of offense, the time since the conviction, and the specific adverse consequences if denied. Upon entry of an order granting a motion to vacate and expunge records pursuant to this Section, the State's Attorney shall notify the Prisoner Review Board within 30 days. Upon entry of the order of expungement, the circuit court clerk shall promptly provide a copy of the order and a certificate of disposition to the individual whose records will be expunged to the individual's last known address or by electronic means (if available) or otherwise make available to the individual upon request. If a motion to vacate and expunge is granted, the records shall be expunged in accordance with subparagraphs (d)(8) and (d)(9)(A) of this Section.

(5) In the public interest, the State's Attorney of a county has standing to file motions to vacate and expunge pursuant to this Section in the circuit court with jurisdiction over the underlying conviction.

(6) If a person is arrested for a Minor Cannabis Offense as defined in this Section before June 25, 2019 (the effective date of Public Act 101-27) and the person's case is still pending but a sentence has not been imposed, the person may petition the court in which the charges are pending for an order to summarily dismiss those charges against him or her, and expunge all official records of his or her arrest, plea, trial, conviction, incarceration, supervision, or expungement. If the court determines, upon review, that: (A) the person was arrested before June 25, 2019 (the effective date of Public Act 101-27) for an offense that has been made eligible for expungement; (B) the case is pending at the time; and (C) the person has not been sentenced of the minor cannabis violation eligible for expungement under this subsection, the court shall consider the following: the reasons to retain the records provided by law enforcement, the petitioner's age, the petitioner's age at the time of offense, the time since the conviction, and the specific adverse consequences if denied. If a motion to dismiss and expunge is granted, the records shall be expunged in accordance with subparagraph (d)(9)(A) of this Section.

(7) A person imprisoned solely as a result of one or more convictions for Minor Cannabis Offenses under this subsection (i) shall be released from incarceration upon the issuance of an order under this subsection.

(8) The Illinois State Police shall allow a person to use the access and review process, established in the Illinois State Police, for verifying that his or her records relating to Minor Cannabis Offenses of the Cannabis Control Act eligible under this Section have been expunged.

(9) No conviction vacated pursuant to this Section shall serve as the basis for damages for time unjustly served as provided in the Court of Claims Act.

(10) Effect of Expungement. A person's right to expunge an expungeable offense shall not be limited under this Section. The effect of an order of expungement shall be to restore the person to the status he or she occupied before the arrest, charge, or conviction.

(11) Information. The Illinois State Police shall post general information on its website about the expungement process described in this subsection (i).

(j) Felony Prostitution Convictions.

(1) Any individual may file a motion to vacate and expunge a conviction for a prior Class 4 felony violation of prostitution. Motions to vacate and expunge under this subsection (j) may be filed with the circuit court, Chief Judge of a judicial circuit, or any judge of the circuit designated by the Chief Judge. When considering the motion to vacate and expunge, a court shall consider the following:

(A) the reasons to retain the records provided by law enforcement;

(B) the petitioner's age;

(C) the petitioner's age at the time of offense; and

(D) the time since the conviction, and the specific adverse consequences if denied. An individual may file the petition after the completion of any sentence or condition imposed by the conviction. Within 60 days of the filing of the motion, a State's Attorney may file an objection to the petition along with supporting evidence. If a motion to vacate and expunge is granted, the records shall be expunged in accordance with subparagraph (d)(9)(A) of this Section. An agency providing civil legal aid, as defined in Section 15 of the Public Interest Attorney Assistance Act, assisting individuals seeking to file a motion to vacate and expunge under this subsection may file motions to vacate and expunge with the Chief Judge of a judicial circuit or any judge of the circuit designated by the Chief Judge, and the motion may include more than one individual.

(2) Any State's Attorney may file a motion to vacate and expunge a conviction for a Class 4 felony violation of prostitution. Motions to vacate and expunge under this subsection (j) may be filed with the circuit court, Chief Judge of a judicial circuit, or any judge of the circuit court designated by the Chief Judge, and may include more than one individual. When considering the motion to vacate and expunge, a court shall consider the following reasons:

(A) the reasons to retain the records provided by law enforcement;

(B) the petitioner's age;

(C) the petitioner's age at the time of offense;

(D) the time since the conviction; and

(E) the specific adverse consequences if denied.

If the State's Attorney files a motion to vacate and expunge records for felony prostitution convictions pursuant to this Section, the State's Attorney shall notify the Prisoner Review Board within 30 days of the filing. Sec. 5.2. Expungement, sealing, and immediate sealing.

(a) General Provisions.

(1) Definitions. In this Act, words and phrases have the meanings set forth in this subsection, except when a particular context clearly requires a different meaning.

(A) The following terms shall have the meanings ascribed to them in the following Sections of the Unified Code of Corrections:

Business Offense, Section 5-1-2.

Charge, Section 5-1-3.

Court, Section 5-1-6.

Defendant, Section 5-1-7.

Felony, Section 5-1-9.

Imprisonment, Section 5-1-10.

Judgment, Section 5-1-12.

Misdemeanor, Section 5-1-14.

Offense, Section 5-1-15.

Parole, Section 5-1-16.

Petty Offense, Section 5-1-17.

Probation, Section 5-1-18.

Sentence, Section 5-1-19.

Supervision, Section 5-1-21.

Victim, Section 5-1-22.

(B) As used in this Section, "charge not initiated by arrest" means a charge (as defined by Section 5-1-3 of the Unified Code of Corrections) brought against a defendant where the defendant is not arrested prior to or as a direct result of the charge.

(C) "Conviction" means a judgment of conviction or sentence entered upon a plea of guilty or upon a verdict or finding of guilty of an offense, rendered by a legally constituted jury or by a court of competent jurisdiction authorized to try the case without a jury. An order of supervision successfully completed by the petitioner is not a conviction. An order of qualified probation (as defined in subsection (a)(1)(J)) successfully completed by the petitioner is not a conviction. An order of supervision or an order of qualified probation that is terminated unsatisfactorily is a conviction, unless the unsatisfactory termination is reversed, vacated, or modified and the judgment of conviction, if any, is reversed or vacated.

(D) "Criminal offense" means a petty offense, business offense, misdemeanor, felony, or municipal ordinance violation (as defined in subsection (a)(1)(H)). As used in this Section, a minor traffic offense (as defined in subsection (a)(1)(G)) shall not be considered a criminal offense.

(E) "Expunge" means to physically destroy the records or return them to the petitioner and to obliterate the petitioner's name from any official index or public record, or both. Nothing in this Act shall require the physical destruction of the circuit court file, but such records relating to arrests or charges, or both, ordered expunged shall be impounded as required by subsections (d)(9)(A)(ii) and (d)(9)(B)(ii).

(F) As used in this Section, "last sentence" means the sentence, order of supervision, or order of qualified probation (as defined by subsection (a)(1)(J)), for a criminal offense (as defined by subsection (a)(1)(D)) that terminates last in time in any jurisdiction, regardless of whether the petitioner has included the criminal offense for which the sentence or order of supervision or qualified probation was imposed in his or her petition. If multiple sentences,

orders of supervision, or orders of qualified probation terminate on the same day and are last in time, they shall be collectively considered the "last sentence" regardless of whether they were ordered to run concurrently.

(G) "Minor traffic offense" means a petty offense, business offense, or Class C misdemeanor under the Illinois Vehicle Code or a similar provision of a municipal or local ordinance.

(G-5) "Minor Cannabis Offense" means a violation of Section 4 or 5 of the Cannabis Control Act concerning not more than 30 grams of any substance containing cannabis, provided the violation did not include a penalty enhancement under Section 7 of the Cannabis Control Act and is not associated with an arrest, conviction or other disposition for a violent crime as defined in subsection (c) of Section 3 of the Rights of Crime Victims and Witnesses Act.

(H) "Municipal ordinance violation" means an offense defined by a municipal or local ordinance that is criminal in nature and with which the petitioner was charged or for which the petitioner was arrested and released without charging.

(I) "Petitioner" means an adult or a minor prosecuted as an adult who has applied for relief under this Section.

(J) "Qualified probation" means an order of probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 or 5-6-3.4 of the Unified Code of Corrections, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Substance Use Disorder Act, or Section 10 of the Steroid Control Act. For the purpose of this Section, "successful completion" of an order of qualified probation under Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act and Section 40-10 of the Substance Use Disorder Act means that the probation was terminated satisfactorily and the judgment of conviction was vacated.

(K) (i) Except as provided in subdivision (ii), "seal" ~~"Seal"~~ means to physically and electronically maintain the records, unless the records would otherwise be destroyed due to age, but to make the records unavailable without a court order, subject to the exceptions in Sections 12 and 13 of this Act. The petitioner's name shall also be obliterated from the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but any index issued by the circuit court clerk before the entry of the order to seal shall not be affected.

(ii) For records subject to relief under subsection (k) of this Section, "seal" means to physically and electronically maintain the records, unless the records would otherwise be destroyed due to age, but to have the records impounded, as defined in paragraph (2) of subsection (b) of Section 5 of the Court Record and Document Accessibility Act. The defendant's name shall also be obliterated from the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act. Upon request, and without court order, the circuit court clerk shall provide to the Illinois State Police the disposition information for any record that was ordered to be sealed or impounded pursuant to this Section.

(M) "Terminate" as it relates to a sentence or order of supervision or qualified probation includes either satisfactory or unsatisfactory termination of the sentence, unless otherwise specified in this Section. A sentence is terminated notwithstanding any outstanding financial legal obligation.

(3) Exclusions. Except as otherwise provided in subsections (b)(5), (b)(6), (b)(8), (e), (e-5), and (e-6) of this Section, the court shall not order:

(B) the sealing or expungement of records of minor traffic offenses (as defined in subsection (a)(1)(G)), unless the petitioner was arrested and released without charging.

(C) the sealing of the records of arrests or charges not initiated by arrest which result in an order of supervision or a conviction for the following offenses:

(i) offenses included in Article 11 of the Criminal Code of 1961 or the Criminal Code of 2012 or a similar provision of a local ordinance, except Section 11-14 and a misdemeanor violation of Section 11-30 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance;

(D) (blank).

(b) Expungement.

(1) A petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when each arrest or charge not initiated by arrest sought to be expunged resulted in: (i) acquittal, dismissal, or the petitioner's release without charging, unless excluded by subsection (a)(3)(B); (ii) a conviction which was vacated or reversed, unless excluded by subsection (a)(3)(B); (iii) an order of supervision and such supervision was successfully completed by the petitioner, unless excluded by subsection (a)(3)(A) or (a)(3)(B); or (iv) an order of qualified probation (as defined in subsection (a)(1)(J)) and such probation was successfully completed by the petitioner.

(1.5) When a petitioner seeks to have a record of arrest expunged under this Section, and the ~~petitioner~~ ~~offender~~ has been convicted of a criminal offense, the State's Attorney may object to the expungement on the grounds that the records contain specific relevant information aside from the mere fact of the arrest.

(2) Time frame for filing a petition to expunge.

(A) When the arrest or charge not initiated by arrest sought to be expunged resulted in an acquittal, dismissal, the petitioner's release without charging, or the reversal or vacation of a conviction, there is no waiting period to petition for the expungement of such records.

(A-5) In anticipation of the successful completion of a problem-solving court, pre-plea diversion, or post-plea diversion program, a petition for expungement may be filed 61 days before the anticipated dismissal of the case or any time thereafter. Upon successful completion

of the program and dismissal of the case, the court shall review the petition of the person graduating from the program and shall grant expungement if the petitioner meets all requirements as specified in any applicable statute.

(B) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of supervision, successfully completed by the petitioner, the following time frames will apply:

(i) Those arrests or charges that resulted in orders of supervision under Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance, or under Section 11-1.50, 12-3.2, or 12-15 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance, shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the supervision.

(i-5) Those arrests or charges that resulted in orders of supervision for a misdemeanor violation of subsection (a) of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, that occurred prior to the petitioner ~~offender~~ reaching the age of 25 years and the petitioner ~~offender~~ has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance shall not be eligible for expungement until the petitioner has reached the age of 25 years.

(ii) Those arrests or charges that resulted in orders of supervision for any other offenses shall not be eligible for expungement until 2 years have passed following the satisfactory termination of the supervision.

(C) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of qualified probation, successfully completed by the petitioner, such records shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the probation.

(3) Those records maintained by the Illinois State Police for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(4) Whenever a person has been arrested for or convicted of any offense, in the name of a person whose identity he or she has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his or her identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the Chief Judge to correct the arrest record, conviction record, if any, and all official records of the arresting authority, the Illinois State Police, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his or her name from all such records in connection with the arrest and conviction, if any, and by inserting in the records the name of the petitioner ~~offender~~, if known or ascertainable, in lieu of the aggrieved's name. The records of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Illinois State Police or other criminal justice agencies or prosecutors from listing under a petitioner's ~~an offender's~~ name the false names he or she has used.

(5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the petitioner's trial to have a court order entered to seal the records of the circuit court clerk in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Illinois State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the circuit court clerk in connection with the proceedings of the trial court concerning the offense available for public inspection.

(6) If a conviction has been set aside on direct review or on collateral attack and the court determines by clear and convincing evidence that the petitioner was factually innocent of the charge, the court that finds the petitioner factually innocent of the charge shall enter an expungement order for

the conviction for which the petitioner has been determined to be innocent as provided in subsection (b) of Section 5-5-4 of the Unified Code of Corrections.

(7) Nothing in this Section shall prevent the Illinois State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 or 5-6-3.4 of the Unified Code of Corrections, Section 12-4.3 or subdivision (b)(1) of Section 12-3.05 of the Criminal Code of 1961 or the Criminal Code of 2012, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Substance Use Disorder Act, or Section 10 of the Steroid Control Act.

(8) If the petitioner has been granted a certificate of innocence under Section 2-702 of the Code of Civil Procedure, the court that grants the certificate of innocence shall also enter an order expunging the conviction for which the petitioner has been determined to be innocent as provided in subsection (h) of Section 2-702 of the Code of Civil Procedure.

(c) Sealing.

(1) Applicability. Notwithstanding any other provision of this Act to the contrary, and cumulative with any rights to expungement of criminal records, this subsection authorizes the sealing of criminal records of adults and of minors prosecuted as adults. Subsection (g) of this Section provides for immediate sealing of certain records.

(2) Eligible Records. The following records may be sealed:

(A) All arrests resulting in release without charging;

(B) Arrests or charges not initiated by arrest resulting in acquittal, dismissal, or conviction when the conviction was reversed or vacated, except as excluded by subsection (a)(3)(B);

(C) Arrests or charges not initiated by arrest resulting in orders of supervision, including orders of supervision for municipal ordinance violations, successfully completed by the petitioner, unless excluded by subsection (a)(3);

(C-5) Arrests or charges not initiated by arrest resulting in orders of qualified probation;

(D) Arrests or charges not initiated by arrest resulting in convictions with sentences of conditional discharge or probation, completed without revocation by the petitioner, including convictions on municipal ordinance violations, unless otherwise excluded by subsection (a)(3);

(E) Arrests or charges not initiated by arrest resulting in misdemeanor convictions not included in subsection (c)(2)(D), including convictions on municipal ordinance violations, unless excluded by subsection (a)(3) orders of first offender probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, or Section 5-6-3.3 of the Unified Code of Corrections; and

(F) Arrests or charges not initiated by arrest resulting in felony convictions not included in subsection (c)(2)(D) unless otherwise excluded by subsection (a)(3) (a) paragraph (3) of this Section.

(3) When Records Are Eligible to Be Sealed. Records identified as eligible under subsection (c)(2) may be sealed as follows:

(A) Records identified as eligible under subsections (c)(2)(A) and (c)(2)(B) may be sealed at any time.

~~(B) Records~~ Except as otherwise provided in subparagraph (E) of this paragraph (3), records identified as eligible under subsection (c)(2)(C), (c)(2)(C-5), (c)(2)(D), or (c)(2)(E) may be sealed 2 years after the termination of petitioner's last sentence (as defined in subsection (a)(1)(F)).

(C) Except as otherwise provided in subparagraphs (B) and subparagraph (E) of this paragraph (3), records identified as eligible under subsections (c)(2)(D), (c)(2)(E), and (c)(2)(F) may be sealed 3 years after the termination of the petitioner's last sentence (as defined in subsection (a)(1)(F)). Convictions requiring public registration under the Arsonist Registry Act, the Sex Offender Registration Act, or the Murderer and Violent Offender Against Youth Registration Act may not be sealed until the petitioner is no longer required to register under that relevant Act.

(D) Records identified in subsection (a)(3)(A)(iii) may be sealed after the petitioner has reached the age of 25 years.

(E) Records identified as eligible under subsection ~~(e)(2)(C), (e)(2)(D), (e)(2)(E), or (c)(2)(F)~~ may be sealed upon termination of the petitioner's last sentence if the petitioner earned a high school diploma, associate's degree, career certificate, vocational technical certification, or bachelor's degree, or passed the high school level Test of General Educational Development, during the period of his or her sentence or mandatory supervised release. This subparagraph shall apply only to a petitioner who has not completed the same educational goal prior to the period of his or her sentence or mandatory supervised release. If a petition for sealing eligible records filed under this subparagraph is denied by the court, the time periods under subparagraph ~~(B) or (C)~~ shall apply to any subsequent petition for sealing filed by the petitioner.

~~(4) (Blank). Subsequent felony convictions. A person may not have subsequent felony conviction records sealed as provided in this subsection (e) if he or she is convicted of any felony offense after the date of the sealing of prior felony convictions as provided in this subsection (e). The court may, upon conviction for a subsequent felony offense, order the unsealing of prior felony conviction records previously ordered sealed by the court.~~

(5) Notice of eligibility for sealing. Upon entry of a disposition for an eligible record under this subsection (c), the petitioner shall be informed by the court of the right to have the records sealed and the procedures for the sealing of the records.

(d) Procedure. The following procedures apply to expungement under subsections (b), (e), and (e-6) and sealing under subsections (c) and (e-5):

(1) Filing the petition. Upon becoming eligible to petition for the expungement or sealing of records under this Section, the petitioner shall file a petition requesting the expungement or sealing of records with the clerk of the court where the arrests occurred or the charges were brought, or both. If arrests occurred or charges were brought in multiple jurisdictions, a petition must be filed in each such jurisdiction. The petitioner shall pay the applicable fee, except no fee shall be required if the petitioner has obtained a court order waiving fees under Supreme Court Rule 298 or it is otherwise waived.

(1.5) County fee waiver pilot program. From August 9, 2019 (the effective date of Public Act 101-306) through December 31, 2020, in a county of 3,000,000 or more inhabitants, no fee shall be required to be paid by a petitioner if the records sought to be expunged or sealed were arrests resulting in release without charging or arrests or charges not initiated by arrest resulting in acquittal, dismissal, or conviction when the conviction was reversed or vacated, unless excluded by subsection (a)(3)(B). The provisions of this paragraph (1.5), other than this sentence, are inoperative on and after January 1, 2022.

(2) Contents of petition. The petition shall be verified and shall contain the petitioner's name, date of birth, current address and, for each arrest or charge not initiated by arrest sought to be sealed or expunged, the case number, the date of arrest (if any), the identity of the arresting authority, and such other information as the court may require. During the pendency of the proceeding, the petitioner shall promptly notify the circuit court clerk of any change of his or her address. If the petitioner has received a certificate of eligibility for sealing from the Prisoner Review Board under paragraph (10) of subsection (a) of Section 3-3-2 of the Unified Code of Corrections, the certificate shall be attached to the petition.

~~(3) (Blank). Drug test. The petitioner must attach to the petition proof that the petitioner has taken within 30 days before the filing of the petition a test showing the absence within his or her body of all illegal substances as defined by the Illinois Controlled Substances Act and the Methamphetamine Control and Community Protection Act if he or she is petitioning to:~~

~~(A) seal felony records under clause (e)(2)(E);~~

~~(B) seal felony records for a violation of the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Cannabis Control Act under clause (e)(2)(F);~~

~~(C) seal felony records under subsection (e-5); or~~

~~(D) expunge felony records of a qualified probation under clause (b)(1)(iv).~~

(4) Service of petition. The circuit court clerk shall promptly serve a copy of the petition and documentation to support the petition under subsection (e-5) or (e-6) on the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Illinois State Police, the arresting

agency, and, for municipal ordinance violations, the chief legal officer of the unit of local government effecting the arrest.

(5) Objections.

(A) Any party entitled to notice of the petition may file an objection to the petition. All objections shall be in writing, shall be filed with the circuit court clerk, and shall state with specificity the basis of the objection. Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, an objection to the petition may not be filed.

(B) Objections to a petition to expunge or seal must be filed within 60 days of the date of service of the petition.

(6) Entry of order.

(A) The Chief Judge of the circuit wherein the charge was brought, any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, if any, shall rule on the petition to expunge or seal as set forth in this subsection (d)(6).

(B) Unless the State's Attorney or prosecutor, the Illinois State Police, the arresting agency, or the chief legal officer files an objection to the petition to expunge or seal within 60 days from the date of service of the petition, the court shall enter an order granting or denying the petition.

(C) Notwithstanding any other provision of law, the court shall not deny a petition for sealing under this Section because the petitioner has not satisfied an outstanding legal financial obligation established, imposed, or originated by a court, law enforcement agency, or a municipal, State, county, or other unit of local government, including, but not limited to, any cost, assessment, fine, or fee. An outstanding legal financial obligation does not include any court ordered restitution to a victim under Section 5-5-6 of the Unified Code of Corrections, unless the restitution has been converted to a civil judgment. Nothing in this subparagraph (C) waives, rescinds, or abrogates a legal financial obligation or otherwise eliminates or affects the right of the holder of any financial obligation to pursue collection under applicable federal, State, or local law.

~~(D) (Blank). Notwithstanding any other provision of law, the court shall not deny a petition to expunge or seal under this Section because the petitioner has submitted a drug test taken within 30 days before the filing of the petition to expunge or seal that indicates a positive test for the presence of cannabis within the petitioner's body. In this subparagraph (D), "cannabis" has the meaning ascribed to it in Section 3 of the Cannabis Control Act.~~

(7) Hearings. If an objection is filed, the court shall set a date for a hearing and notify the petitioner and all parties entitled to notice of the petition of the hearing date at least 30 days prior to the hearing. Prior to the hearing, the State's Attorney shall consult with the Illinois State Police as to the appropriateness of the relief sought in the petition to expunge or seal. At the hearing, the court shall hear evidence on whether the petition should or should not be granted, and shall grant or deny the petition to expunge or seal the records based on the evidence presented at the hearing. The court may consider the following:

(A) the strength of the evidence supporting the defendant's conviction;

(B) the reasons for retention of the conviction records by the State;

(C) the petitioner's age, criminal record history, and employment history;

(D) the period of time between the petitioner's arrest on the charge resulting in the conviction and the filing of the petition under this Section; and

(E) the specific adverse consequences the petitioner may be subject to if the petition is denied.

(8) Service of order. After entering an order to expunge or seal records, the court must provide copies of the order to the Illinois State Police, in a form and manner prescribed by the Illinois State Police, to the petitioner, to the State's Attorney or prosecutor charged with the duty of prosecuting the offense, to the arresting agency, to the chief legal officer of the unit of local government effecting the arrest for municipal ordinance violations, and to such other criminal justice agencies as may be ordered by the court. The disposition information for each case or record ordered expunged, sealed, or impounded shall be attached to the order provided to the Illinois State Police.

(9) Implementation of order.

(A) Upon entry of an order to expunge records pursuant to subsection (b)(2)(A) or (b)(2)(B)(ii), or both:

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency, the Illinois State Police, and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order; and

(iii) in response to an inquiry for expunged records, the court, the Illinois State Police, or the agency receiving such inquiry, shall reply as it does in response to inquiries when no records ever existed.

(B) Upon entry of an order to expunge records pursuant to subsection (b)(2)(B)(i) or (b)(2)(C), or both:

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order;

(iii) the records shall be impounded by the Illinois State Police within 60 days of the date of service of the order as ordered by the court, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(iv) records impounded by the Illinois State Police may be disseminated by the Illinois State Police only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony, and to the Department of Corrections upon conviction for any offense; and

(v) in response to an inquiry for such records from anyone not authorized by law to access such records, the court, the Illinois State Police, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(B-5) Upon entry of an order to expunge records under subsection (e-6):

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed under paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order;

(iii) the records shall be impounded by the Illinois State Police within 60 days of the date of service of the order as ordered by the court, unless a motion to vacate, modify, or reconsider the order is filed under paragraph (12) of subsection (d) of this Section;

(iv) records impounded by the Illinois State Police may be disseminated by the Illinois State Police only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony, and to the Department of Corrections upon conviction for any offense; and

(v) in response to an inquiry for these records from anyone not authorized by law to access the records, the court, the Illinois State Police, or the agency receiving the inquiry shall reply as it does in response to inquiries when no records ever existed.

(C) Upon entry of an order to seal records under subsection (c), the arresting agency, any other agency as ordered by the court, the Illinois State Police, and the court shall seal the records (as defined in subsection (a)(1)(K)). In response to an inquiry for such records, from anyone not authorized by law to access such records, the court, the Illinois State Police, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(D) The Illinois State Police shall send written notice to the petitioner of its compliance with each order to expunge or seal records within 60 days of the date of service of that order or, if a motion to vacate, modify, or reconsider is filed, within 60 days of service of the order resolving the motion, if that order requires the Illinois State Police to expunge or seal records. In the event of an appeal from the circuit court order, the Illinois State Police shall send written notice to the petitioner of its compliance with an Appellate Court or Supreme Court judgment to expunge or seal records within 60 days of the issuance of the court's mandate. The notice is not required while any motion to vacate, modify, or reconsider, or any appeal or petition for discretionary appellate review, is pending.

(E) Upon motion, the court may order that a sealed judgment or other court record necessary to demonstrate the amount of any legal financial obligation due and owing be made available for the limited purpose of collecting any legal financial obligations owed by the petitioner that were established, imposed, or originated in the criminal proceeding for which those records have been sealed. The records made available under this subparagraph (E) shall not be entered into the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act and shall be immediately re-impounded upon the collection of the outstanding financial obligations.

(F) Notwithstanding any other provision of this Section, a circuit court clerk may access a sealed record for the limited purpose of collecting payment for any legal financial obligations that were established, imposed, or originated in the criminal proceedings for which those records have been sealed.

(10) Fees. The Illinois State Police may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal records. Notwithstanding any provision of the Clerks of Courts Act to the contrary, the circuit court clerk may charge a fee equivalent to the cost associated with the sealing or expungement of records by the circuit court clerk. From the total filing fee collected for the petition to seal or expunge, the circuit court clerk shall deposit \$10 into the Circuit Court Clerk Operation and Administrative Fund, to be used to offset the costs incurred by the circuit court clerk in performing the additional duties required to serve the petition to seal or expunge on all parties. The circuit court clerk shall collect and remit the Illinois State Police portion of the fee to the State Treasurer and it shall be deposited in the State Police Services Fund. If the record brought under an expungement petition was previously sealed under this Section, the fee for the expungement petition for that same record shall be waived.

(11) Final Order. No court order issued under the expungement or sealing provisions of this Section shall become final for purposes of appeal until 30 days after service of the order on the petitioner and all parties entitled to notice of the petition.

(12) Motion to Vacate, Modify, or Reconsider. Under Section 2-1203 of the Code of Civil Procedure, the petitioner or any party entitled to notice may file a motion to vacate, modify, or reconsider the order granting or denying the petition to expunge or seal within 60 days of service of the order. If filed more than 60 days after service of the order, a petition to vacate, modify, or reconsider shall comply with subsection (c) of Section 2-1401 of the Code of Civil Procedure. Upon filing of a motion to vacate, modify, or reconsider, notice of the motion shall be served upon the petitioner and all parties entitled to notice of the petition.

(13) Effect of Order. An order granting a petition under the expungement or sealing provisions of this Section shall not be considered void because it fails to comply with the provisions of this Section or because of any error asserted in a motion to vacate, modify, or reconsider. The circuit court retains jurisdiction to determine whether the order is voidable and to vacate, modify, or reconsider its terms based on a motion filed under paragraph (12) of this subsection (d).

(14) Compliance with Order Granting Petition to Seal Records. Unless a court has entered a stay of an order granting a petition to seal, all parties entitled to notice of the petition must fully comply with the terms of the order within 60 days of service of the order even if a party is seeking relief from the order through a motion filed under paragraph (12) of this subsection (d) or is appealing the order.

(15) Compliance with Order Granting Petition to Expunge Records. While a party is seeking relief from the order granting the petition to expunge through a motion filed under paragraph (12) of this subsection (d) or is appealing the order, and unless a court has entered a stay of that order, the parties entitled to notice of the petition must seal, but need not expunge, the records until there is a final order on the motion for relief or, in the case of an appeal, the issuance of that court's mandate.

(16) The changes to this subsection (d) made by Public Act 98-163 apply to all petitions pending on August 5, 2013 (the effective date of Public Act 98-163) and to all orders ruling on a petition to expunge or seal on or after August 5, 2013 (the effective date of Public Act 98-163).

(17) Upon request, and without court order, the circuit court clerk shall provide the disposition information for any record that was ordered to be sealed or impounded pursuant to this Section to the Illinois State Police.

(e) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Illinois State Police be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Illinois State Police may be disseminated by the Illinois State Police only to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Illinois State Police pertaining to that individual. Upon entry of the order of expungement, the circuit court clerk shall promptly mail a copy of the order to the person who was pardoned.

(e-5) Whenever a person who has been convicted of an offense is granted a certificate of eligibility for sealing by the Prisoner Review Board which specifically authorizes sealing, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, have a court order entered sealing the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Illinois State Police be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the petitioner obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been granted the certificate but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Illinois State Police may be disseminated by the Illinois State Police only as required by this Act or to the arresting authority, a law enforcement agency, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Illinois State Police pertaining to that individual. Upon entry of the order of sealing, the circuit court clerk shall promptly mail a copy of the order to the person who was granted the certificate of eligibility for sealing.

(e-6) Whenever a person who has been convicted of an offense is granted a certificate of eligibility for expungement by the Prisoner Review Board which specifically authorizes expungement, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Illinois State Police be sealed until further order of the court upon good cause shown or as otherwise provided herein, and

the name of the petitioner obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been granted the certificate but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Illinois State Police may be disseminated by the Illinois State Police only as required by this Act or to the arresting authority, a law enforcement agency, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all expunged records of the Illinois State Police pertaining to that individual. Upon entry of the order of expungement, the circuit court clerk shall promptly mail a copy of the order to the person who was granted the certificate of eligibility for expungement.

(f) Subject to available funding, the Illinois Department of Corrections shall conduct a study of the impact of sealing, especially on employment and recidivism rates, utilizing a random sample of those who apply for the sealing of their criminal records under Public Act 93-211. At the request of the Illinois Department of Corrections, records of the Illinois Department of Employment Security shall be utilized as appropriate to assist in the study. The study shall not disclose any data in a manner that would allow the identification of any particular individual or employing unit. The study shall be made available to the General Assembly no later than September 1, 2010.

(g) Immediate Sealing.

(1) Applicability. Notwithstanding any other provision of this Act to the contrary, and cumulative with any rights to expungement or sealing of criminal records, this subsection authorizes the immediate sealing of criminal records of adults and of minors prosecuted as adults.

(2) Eligible Records. Arrests or charges not initiated by arrest resulting in acquittal or dismissal with prejudice, except as excluded by subsection (a)(3)(B), that occur on or after January 1, 2018 (the effective date of Public Act 100-282), may be sealed immediately if the petition is filed with the circuit court clerk on the same day and during the same hearing in which the case is disposed.

(3) When Records are Eligible to be Immediately Sealed. Eligible records under paragraph (2) of this subsection (g) may be sealed immediately after entry of the final disposition of a case, notwithstanding the disposition of other charges in the same case.

(4) Notice of Eligibility for Immediate Sealing. Upon entry of a disposition for an eligible record under this subsection (g), the defendant shall be informed by the court of his or her right to have eligible records immediately sealed and the procedure for the immediate sealing of these records.

(5) Procedure. The following procedures apply to immediate sealing under this subsection (g).

(A) Filing the Petition. Upon entry of the final disposition of the case, the defendant's attorney may immediately petition the court, on behalf of the defendant, for immediate sealing of eligible records under paragraph (2) of this subsection (g) that are entered on or after January 1, 2018 (the effective date of Public Act 100-282). The immediate sealing petition may be filed with the circuit court clerk during the hearing in which the final disposition of the case is entered. If the defendant's attorney does not file the petition for immediate sealing during the hearing, the defendant may file a petition for sealing at any time as authorized under subsection (c)(3)(A).

(B) Contents of Petition. The immediate sealing petition shall be verified and shall contain the petitioner's name, date of birth, current address, and for each eligible record, the case number, the date of arrest if applicable, the identity of the arresting authority if applicable, and other information as the court may require.

(C) Drug Test. The petitioner shall not be required to attach proof that he or she has passed a drug test.

(D) Service of Petition. A copy of the petition shall be served on the State's Attorney in open court. The petitioner shall not be required to serve a copy of the petition on any other agency.

(E) Entry of Order. The presiding trial judge shall enter an order granting or denying the petition for immediate sealing during the hearing in which it is filed. Petitions for immediate sealing shall be ruled on in the same hearing in which the final disposition of the case is entered.

(F) Hearings. The court shall hear the petition for immediate sealing on the same day and during the same hearing in which the disposition is rendered.

(G) Service of Order. An order to immediately seal eligible records shall be served in conformance with subsection (d)(8).

(H) Implementation of Order. An order to immediately seal records shall be implemented in conformance with subsections (d)(9)(C) and (d)(9)(D).

(I) Fees. The fee imposed by the circuit court clerk and the Illinois State Police shall comply with paragraph (1) of subsection (d) of this Section.

(J) Final Order. No court order issued under this subsection (g) shall become final for purposes of appeal until 30 days after service of the order on the petitioner and all parties entitled to service of the order in conformance with subsection (d)(8).

(K) Motion to Vacate, Modify, or Reconsider. Under Section 2-1203 of the Code of Civil Procedure, the petitioner, State's Attorney, or the Illinois State Police may file a motion to vacate, modify, or reconsider the order denying the petition to immediately seal within 60 days of service of the order. If filed more than 60 days after service of the order, a petition to vacate, modify, or reconsider shall comply with subsection (c) of Section 2-1401 of the Code of Civil Procedure.

(L) Effect of Order. An order granting an immediate sealing petition shall not be considered void because it fails to comply with the provisions of this Section or because of an error asserted in a motion to vacate, modify, or reconsider. The circuit court retains jurisdiction to determine whether the order is voidable, and to vacate, modify, or reconsider its terms based on a motion filed under subparagraph (L) of this subsection (g).

(M) Compliance with Order Granting Petition to Seal Records. Unless a court has entered a stay of an order granting a petition to immediately seal, all parties entitled to service of the order must fully comply with the terms of the order within 60 days of service of the order.

(h) Sealing or vacation and expungement of trafficking victims' crimes.

(1) A trafficking victim, as defined by paragraph (10) of subsection (a) of Section 10-9 of the Criminal Code of 2012, may petition for vacation and expungement or immediate sealing of his or her criminal record upon the completion of his or her last sentence if his or her participation in the underlying offense was a result of human trafficking under Section 10-9 of the Criminal Code of 2012 or a severe form of trafficking under the federal Trafficking Victims Protection Act.

(1.5) A petition under paragraph (1) shall be prepared, signed, and filed in accordance with Supreme Court Rule 9. The court may allow the petitioner to attend any required hearing remotely in accordance with local rules. The court may allow a petition to be filed under seal if the public filing of the petition would constitute a risk of harm to the petitioner.

(2) A petitioner under this subsection (h), in addition to the requirements provided under paragraph (4) of subsection (d) of this Section, shall include in his or her petition a clear and concise statement that: (A) he or she was a victim of human trafficking at the time of the offense; and (B) that his or her participation in the offense was a result of human trafficking under Section 10-9 of the Criminal Code of 2012 or a severe form of trafficking under the federal Trafficking Victims Protection Act.

(3) If an objection is filed alleging that the petitioner is not entitled to vacation and expungement or immediate sealing under this subsection (h), the court shall conduct a hearing under paragraph (7) of subsection (d) of this Section and the court shall determine whether the petitioner is entitled to vacation and expungement or immediate sealing under this subsection (h). A petitioner is eligible for vacation and expungement or immediate relief under this subsection (h) if he or she shows, by a preponderance of the evidence, that: (A) he or she was a victim of human trafficking at the time of the offense; and (B) that his or her participation in the offense was a result of human trafficking under Section 10-9 of the Criminal Code of 2012 or a severe form of trafficking under the federal Trafficking Victims Protection Act.

(i) Minor Cannabis Offenses under the Cannabis Control Act.

(1) Expungement of Arrest Records of Minor Cannabis Offenses.

(A) The Illinois State Police and all law enforcement agencies within the State shall automatically expunge all criminal history records of an arrest, charge not initiated by arrest, order of supervision, or order of qualified probation for a Minor Cannabis Offense committed prior to June 25, 2019 (the effective date of Public Act 101-27) if:

(i) One year or more has elapsed since the date of the arrest or law enforcement interaction documented in the records; and

(ii) No criminal charges were filed relating to the arrest or law enforcement interaction or criminal charges were filed and subsequently dismissed or vacated or the arrestee was acquitted.

(B) If the law enforcement agency is unable to verify satisfaction of condition (ii) in paragraph (A), records that satisfy condition (i) in paragraph (A) shall be automatically expunged.

(C) Records shall be expunged by the law enforcement agency under the following timelines:

(i) Records created prior to June 25, 2019 (the effective date of Public Act 101-27), but on or after January 1, 2013, shall be automatically expunged prior to January 1, 2021;

(ii) Records created prior to January 1, 2013, but on or after January 1, 2000, shall be automatically expunged prior to January 1, 2023;

(iii) Records created prior to January 1, 2000 shall be automatically expunged prior to January 1, 2025.

In response to an inquiry for expunged records, the law enforcement agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed; however, it shall provide a certificate of disposition or confirmation that the record was expunged to the individual whose record was expunged if such a record exists.

(D) Nothing in this Section shall be construed to restrict or modify an individual's right to have that individual's records expunged except as otherwise may be provided in this Act, or diminish or abrogate any rights or remedies otherwise available to the individual.

(2) Pardons Authorizing Expungement of Minor Cannabis Offenses.

(A) Upon June 25, 2019 (the effective date of Public Act 101-27), the Department of State Police shall review all criminal history record information and identify all records that meet all of the following criteria:

(i) one or more convictions for a Minor Cannabis Offense;

(ii) the conviction identified in paragraph (2)(A)(i) did not include a penalty enhancement under Section 7 of the Cannabis Control Act; and

(iii) the conviction identified in paragraph (2)(A)(i) is not associated with a conviction for a violent crime as defined in subsection (c) of Section 3 of the Rights of Crime Victims and Witnesses Act.

(B) Within 180 days after June 25, 2019 (the effective date of Public Act 101-27), the Department of State Police shall notify the Prisoner Review Board of all such records that meet the criteria established in paragraph (2)(A).

(i) The Prisoner Review Board shall notify the State's Attorney of the county of conviction of each record identified by State Police in paragraph (2)(A) that is classified as a Class 4 felony. The State's Attorney may provide a written objection to the Prisoner Review Board on the sole basis that the record identified does not meet the criteria established in paragraph (2)(A). Such an objection must be filed within 60 days or by such later date set by the Prisoner Review Board in the notice after the State's Attorney received notice from the Prisoner Review Board.

(ii) In response to a written objection from a State's Attorney, the Prisoner Review Board is authorized to conduct a non-public hearing to evaluate the information provided in the objection.

(iii) The Prisoner Review Board shall make a confidential and privileged recommendation to the Governor as to whether to grant a pardon authorizing expungement for each of the records identified by the Department of State Police as described in paragraph (2)(A).

(C) If an individual has been granted a pardon authorizing expungement as described in this Section, the Prisoner Review Board, through the Attorney General, shall file a petition for expungement with the Chief Judge of the circuit or any judge of the circuit designated by the Chief Judge where the individual had been convicted. Such petition may include more than one individual. Whenever an individual who has been convicted of an offense is granted a pardon by the Governor that specifically authorizes expungement, an objection to the petition may not be filed. Petitions to expunge under this subsection (i) may include more than one individual. Within 90 days of the filing of such a petition, the court shall enter an order expunging the

records of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Illinois State Police be expunged and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which the individual had received a pardon but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Upon entry of the order of expungement, the circuit court clerk shall promptly provide a copy of the order and a certificate of disposition to the individual who was pardoned to the individual's last known address or by electronic means (if available) or otherwise make it available to the individual upon request.

(D) Nothing in this Section is intended to diminish or abrogate any rights or remedies otherwise available to the individual.

(3) Any individual may file a motion to vacate and expunge a conviction for a misdemeanor or Class 4 felony violation of Section 4 or Section 5 of the Cannabis Control Act. Motions to vacate and expunge under this subsection (i) may be filed with the circuit court, Chief Judge of a judicial circuit or any judge of the circuit designated by the Chief Judge. The circuit court clerk shall promptly serve a copy of the motion to vacate and expunge, and any supporting documentation, on the State's Attorney or prosecutor charged with the duty of prosecuting the offense. When considering such a motion to vacate and expunge, a court shall consider the following: the reasons to retain the records provided by law enforcement, the petitioner's age, the petitioner's age at the time of offense, the time since the conviction, and the specific adverse consequences if denied. An individual may file such a petition after the completion of any non-financial sentence or non-financial condition imposed by the conviction. Within 60 days of the filing of such motion, a State's Attorney may file an objection to such a petition along with supporting evidence. If a motion to vacate and expunge is granted, the records shall be expunged in accordance with subparagraphs (d)(8) and (d)(9)(A) of this Section. An agency providing civil legal aid, as defined by Section 15 of the Public Interest Attorney Assistance Act, assisting individuals seeking to file a motion to vacate and expunge under this subsection may file motions to vacate and expunge with the Chief Judge of a judicial circuit or any judge of the circuit designated by the Chief Judge, and the motion may include more than one individual. Motions filed by an agency providing civil legal aid concerning more than one individual may be prepared, presented, and signed electronically.

(4) Any State's Attorney may file a motion to vacate and expunge a conviction for a misdemeanor or Class 4 felony violation of Section 4 or Section 5 of the Cannabis Control Act. Motions to vacate and expunge under this subsection (i) may be filed with the circuit court, Chief Judge of a judicial circuit or any judge of the circuit designated by the Chief Judge, and may include more than one individual. Motions filed by a State's Attorney concerning more than one individual may be prepared, presented, and signed electronically. When considering such a motion to vacate and expunge, a court shall consider the following: the reasons to retain the records provided by law enforcement, the individual's age, the individual's age at the time of offense, the time since the conviction, and the specific adverse consequences if denied. Upon entry of an order granting a motion to vacate and expunge records pursuant to this Section, the State's Attorney shall notify the Prisoner Review Board within 30 days. Upon entry of the order of expungement, the circuit court clerk shall promptly provide a copy of the order and a certificate of disposition to the individual whose records will be expunged to the individual's last known address or by electronic means (if available) or otherwise make available to the individual upon request. If a motion to vacate and expunge is granted, the records shall be expunged in accordance with subparagraphs (d)(8) and (d)(9)(A) of this Section.

(5) In the public interest, the State's Attorney of a county has standing to file motions to vacate and expunge pursuant to this Section in the circuit court with jurisdiction over the underlying conviction.

(6) If a person is arrested for a Minor Cannabis Offense as defined in this Section before June 25, 2019 (the effective date of Public Act 101-27) and the person's case is still pending but a sentence has not been imposed, the person may petition the court in which the charges are pending for an order to summarily dismiss those charges against him or her, and expunge all official records of his or her arrest, plea, trial, conviction, incarceration, supervision, or expungement. If the court determines, upon review, that: (A) the person was arrested before June 25, 2019 (the effective date of Public Act 101-27) for an offense that has been made eligible for expungement; (B) the case is pending at the time; and (C) the person has not been sentenced of the minor cannabis violation eligible for

expungement under this subsection, the court shall consider the following: the reasons to retain the records provided by law enforcement, the petitioner's age, the petitioner's age at the time of offense, the time since the conviction, and the specific adverse consequences if denied. If a motion to dismiss and expunge is granted, the records shall be expunged in accordance with subparagraph (d)(9)(A) of this Section.

(7) A person imprisoned solely as a result of one or more convictions for Minor Cannabis Offenses under this subsection (i) shall be released from incarceration upon the issuance of an order under this subsection.

(8) The Illinois State Police shall allow a person to use the access and review process, established in the Illinois State Police, for verifying that his or her records relating to Minor Cannabis Offenses of the Cannabis Control Act eligible under this Section have been expunged.

(9) No conviction vacated pursuant to this Section shall serve as the basis for damages for time unjustly served as provided in the Court of Claims Act.

(10) Effect of Expungement. A person's right to expunge an expungeable offense shall not be limited under this Section. The effect of an order of expungement shall be to restore the person to the status he or she occupied before the arrest, charge, or conviction.

(11) Information. The Illinois State Police shall post general information on its website about the expungement process described in this subsection (i).

(j) Felony Prostitution Convictions.

Motions to vacate and expunge under this subsection (j) may be filed with the circuit court, Chief Judge of a judicial circuit, or any judge of the circuit designated by the Chief Judge. When considering the motion to vacate and expunge, a court shall consider the following:

(A) the reasons to retain the records provided by law enforcement;

(B) the petitioner's age;

(C) the petitioner's age at the time of offense; and

(D) the time since the conviction, and the specific adverse consequences if denied. An individual may file the petition after the completion of any sentence or condition imposed by the conviction. If a motion to vacate and expunge is granted, the records shall be expunged in accordance with subparagraph (d)(9)(A) of this Section. An agency providing civil legal aid, as defined in Section 15 of the Public Interest Attorney Assistance Act, assisting individuals seeking to file a motion to vacate and expunge under this subsection may file motions to vacate and expunge with the Chief Judge of a judicial

circuit or any judge of the circuit designated by the Chief Judge, and the motion may include more than one individual.

(6) The Illinois State Police shall allow a person to use the access and review process, established in the Illinois State Police, for verifying that his or her records relating to felony prostitution eligible under this Section have been expunged.

(7) No conviction vacated pursuant to this Section shall serve as the basis for damages for time unjustly served as provided in the Court of Claims Act.

(8) Effect of Expungement. A person's right to expunge an expungeable offense shall not be limited under this Section. The effect of an order of expungement shall be to restore the person to the status he or she occupied before the arrest, charge, or conviction.

(k) Automatic Sealing.

(1) Applicability. Notwithstanding any other provision of this Act, and cumulative with any rights to expungement or sealing of criminal records, this subsection authorizes the automatic sealing of criminal records of adults and of minors prosecuted as adults. Any duties imposed upon the Illinois State Police by this Act are subject to appropriations being made for that purpose to the State Police Services Fund. Any duties imposed upon circuit clerks by this Act are subject to appropriations being made for that purpose to the Circuit Court Clerk Operation and Administrative Fund.

(2) Beginning July 1, 2028, records created on or after January 1, 1970 that meet the eligibility criteria in paragraph (k)(3) and timing criteria in paragraph (k)(4) or (k)(5) shall be automatically sealed without the filing of a petition. The Illinois State Police shall identify eligible records, automatically seal eligible records, and provide an electronic notice to circuit clerks, by means of the applicable e-filing system.

Commencing July 1, 2028, the Illinois State Police shall, at least quarterly, seal all records identified as subject to automatic sealing in paragraph (k)(3) and meeting time requirements under paragraph (k)(5). At least quarterly, the Illinois State Police shall electronically notify each circuit court of all previously unidentified records originating in that county for which a record is subject to automatic sealing pursuant to this subsection.

Upon receipt of notice from the Illinois State Police, circuit clerks shall seal records as that term is defined in subsection (a)(1)(K)(ii). For records held electronically, circuit clerks shall seal records within 90 days of notice from the Illinois State Police. For records not held electronically, circuit clerks shall ensure that the individual's name is obliterated from the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act and shall also ensure that the permanent record, as defined by the Supreme Court, is sealed as defined in subsection (a)(1)(K)(ii) before anyone not authorized by law is able to access the physical records.

For all records created before July 1, 2028, the following timelines shall apply:

(A) Records are not eligible for automatic sealing while the subject of the record is serving a sentence, order of supervision, or order of qualified probation for a criminal offense in this State. Records are not eligible for automatic sealing if the subject of the record has pending filed charges. For the purposes of determining if a charge is pending, if the Illinois State Police is otherwise unable to determine disposition status, misdemeanor charges shall not be considered pending if one year has elapsed since the filing of charges and felony charges shall not be considered pending if 7 years have elapsed since the filing of charges.

(B) Records of conviction for offenses included in Article 9 or 11 of the Criminal Code of 1961 or the Criminal Code of 2012, for felonies designated as Class X, and for felonies that require public registration under the Sex Offender Registration Act are not eligible for automatic sealing. Notwithstanding this subparagraph, offenses included in Section 11-14 of the Criminal Code of 1961 or the Criminal Code of 2012 are eligible for automatic sealing. (C) Records with the same case number as a conviction listed in subparagraph (B) are not eligible for automatic sealing.

(D) Felony conviction records are not eligible for automatic sealing until all felony conviction records eligible for automatic sealing for the subject of the record have met the time requirements in paragraph (5).

(4) Automatic Sealing of Nonconviction Records. Arrests or charges not initiated by arrest resulting in acquittal or dismissal, except as excluded by subsection (a)(3)(B), that occur on or after January 1, 2028 shall be sealed immediately after entry of the final disposition of a case, except as provided in subsection (k)(3)(C). Upon entry of a disposition for an eligible record under this paragraph, the defendant shall be informed by the court that the defendant's eligible records will be immediately sealed and the procedure for the immediate sealing of these records. The court shall enter an order sealing the record after entry of the final disposition of a case. After sealing records pursuant to this paragraph, the circuit court clerk must provide notice of sealing to the Illinois State Police and to the arresting agency in a form and manner prescribed by the Supreme Court. The circuit clerk shall provide this notice within 30 days of sealing the record and may do so electronically. An order to immediately seal records shall be implemented in conformance with paragraph (8).

(5) When Records are Subject to Automatic Sealing.

(A) Records of arrest resulting in release without charging and records of arrests or charges not initiated by arrest resulting in acquittal, dismissal, or conviction when the conviction was reversed or vacated are subject to automatic sealing immediately.

(B) Records of arrests or charges not initiated by arrest resulting in orders of supervision, including orders of supervision for municipal ordinance violations, resulting in orders of qualified probation, are subject to automatic sealing if 2 years have elapsed since the termination of the order of supervision or qualified probation.

(C) Arrests or charges not initiated by arrest resulting in misdemeanor convictions are subject to automatic sealing if two years have elapsed since the termination of the sentence associated with the record.

(D) Arrests or charges not initiated by arrest resulting in convictions for felony offenses are subject to automatic sealing if 3 years have elapsed since the termination of the sentence associated with the record.

(E) For the purposes of determining if the timelines in this paragraph (5) have been met, the Illinois State Police shall consider records in its possession and, in the absence of disposition or sentence termination records, shall deem sentences terminated based on the sentence or supervision term length information in its possession. In the absence of a known term length of probation or conditional discharge, the Illinois State Police shall deem a term completed if the maximum probation or conditional discharge term length for the statutory class of the offense has elapsed since the disposition date.

(6) Notice. At least monthly, the circuit court clerk shall provide notice to each arresting agency of all records sealed under this subsection. The circuit court clerk may provide this notice electronically.

(7) Implementation.

(A) Upon notice of sealing provided by the circuit court clerk, the arresting agency and any other agency receiving notice of sealing shall seal the records under the procedures in subsections (a)(1)(K) and (d)(9)(C).

(B) In response to an inquiry for the sealed records from anyone not authorized by law to access the records, the court, the Illinois State Police, the arresting agency, or the prosecuting agency receiving the inquiry shall reply as it does in response to inquiries when no records ever existed.

(C) Each circuit court that has sealed a record shall make those records available to the subject of the record, or an attorney representing the subject of the record, without court order within 7 days.

(8) Upon request, the circuit court clerk shall provide disposition information for any record sealed pursuant to this subsection to the Illinois State Police, the arresting agency, the State's Attorney, or prosecutor that prosecuted the offense. If the Illinois State Police, arresting agency, State's Attorney, or prosecutor that prosecuted the offense determine a record has been improperly sealed pursuant to this subsection, the Illinois State Police, arresting agency, State's Attorney, or prosecutor that prosecuted the offense may file a petition to unseal the record with the court that entered the original record. If the court determines the record was improperly sealed, the court shall enter an order unsealing the record.

(9) Records sealed under this subsection shall be used and disseminated by the Illinois State Police only as required or authorized by a federal or State law, rule, or regulation that requires inquiry into and release of criminal records. The Department of Corrections shall have access to all sealed records of the Illinois State Police pertaining to individuals committed or confined within or sentenced to a term of imprisonment within a correctional institution or facility.

(10) The Illinois State Police shall allow a person to use the access and review process, established by the Illinois State Police, for verifying that the person's records eligible under this subsection have been sealed. As part of the access and review process, upon request, the Illinois State Police shall provide the subject of the record written confirmation that the record was sealed under this subsection.

(11) An individual may challenge the individual's record and request corrections, including the sealing of records eligible under this subsection, by completing and submitting a record challenge form to the Illinois State Police. The Illinois State Police shall automatically seal all records identified as eligible under this subsection based on the access and review process. The Illinois State Police shall include any records identified as eligible under this process in the next electronic notification of the circuit court in which the case originated. The Illinois State Police shall render a final administrative decision with respect to the record challenge, which shall be subject to administrative appeal procedures established by the Illinois Criminal Justice Information Authority.

(12) Nothing in this Section shall be construed to restrict or modify an individual's right to have that individual's records expunged or sealed except as otherwise may be provided in this Act or diminish or abrogate any rights or remedies otherwise available to the individual.

(13) The State or the county, or an official or employee of the State or the county acting in the course of the official's or employee's duties, is not liable for an injury or loss a person might receive due to an act or omission of a person in the commission of the person's duties under this Act, except for willful, wanton misconduct or gross negligence on the part of the governmental unit or on the part of the official or employee.

(l) Municipal ordinance violations and Class C misdemeanors. Notwithstanding any other provision of this Act to the contrary and cumulative with any rights to expungement of criminal records, this subsection requires the sealing of criminal records of municipal ordinance violations and Class C misdemeanors without petition. Beginning January 1, 2028, and on January 1 and July 1 of each year thereafter, circuit court clerks shall seal any criminal records of arrests or charges not initiated by arrest resulting in charges or convictions for municipal ordinance violations or Class C misdemeanors if one year has elapsed since the case was closed as designated by the Supreme Court.

(705 ILCS 405/1-8)

Sec. 1-8. Confidentiality and accessibility of juvenile court records.

(A) A juvenile adjudication shall never be considered a conviction nor shall an adjudicated individual be considered a criminal. Unless expressly allowed by law, a juvenile adjudication shall not operate to impose upon the individual any of the civil disabilities ordinarily imposed by or resulting from conviction. Unless expressly allowed by law, adjudications shall not prejudice or disqualify the individual in any civil service application or appointment, from holding public office, or from receiving any license granted by public authority. All juvenile court records which have not been expunged are sealed and may never be disclosed to the general public or otherwise made widely available. Sealed juvenile court records may be obtained only under this Section and Section 1-7 and Part 9 of Article V of this Act, when their use is needed for good cause and with an order from the juvenile court. Inspection and copying of juvenile court records relating to a minor who is the subject of a proceeding under this Act shall be restricted to the following:

(1) The minor who is the subject of record, the minor's parents, guardian, and counsel.

(2) Law enforcement officers and law enforcement agencies when such information is essential to executing an arrest or search warrant or other compulsory process, or to conducting an ongoing investigation or relating to a minor who has been adjudicated delinquent and there has been a previous finding that the act which constitutes the previous offense was committed in furtherance of criminal activities by a criminal street gang.

Before July 1, 1994, for the purposes of this Section, "criminal street gang" means any ongoing organization, association, or group of 3 or more persons, whether formal or informal, having as one of its primary activities the commission of one or more criminal acts and that has a common name or common identifying sign, symbol, or specific color apparel displayed, and whose members individually or collectively engage in or have engaged in a pattern of criminal activity.

Beginning July 1, 1994, for purposes of this Section, "criminal street gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(3) Judges, hearing officers, prosecutors, public defenders, probation officers, social workers, or other individuals assigned by the court to conduct a pre-adjudication or pre-disposition investigation, and individuals responsible for supervising or providing temporary or permanent care and custody for minors under the order of the juvenile court when essential to performing their responsibilities.

(4) Judges, federal, State, and local prosecutors, public defenders, probation officers, and designated staff:

(a) in the course of a trial when institution of criminal proceedings has been permitted or required under Section 5-805;

(b) when criminal proceedings have been permitted or required under Section 5-805 and a minor is the subject of a proceeding to determine the conditions of pretrial release;

(c) when criminal proceedings have been permitted or required under Section 5-805 and a minor is the subject of a pre-trial investigation, pre-sentence investigation or fitness hearing, or proceedings on an application for probation; or

(d) when a minor becomes 18 years of age or older, and is the subject of criminal proceedings, including a hearing to determine the conditions of pretrial release, a pre-trial investigation, a pre-sentence investigation, a fitness hearing, or proceedings on an application for probation.

(5) Adult and Juvenile Prisoner Review Boards.

(6) Authorized military personnel.

(6.5) Employees of the federal government authorized by law.

(7) Victims, their subrogees and legal representatives; however, such persons shall have access only to the name and address of the minor and information pertaining to the disposition or alternative adjustment plan of the juvenile court.

(8) Persons engaged in bona fide research, with the permission of the presiding judge of the juvenile court and the chief executive of the agency that prepared the particular records; provided that publication of such research results in no disclosure of a minor's identity and protects the confidentiality of the record.

(9) The Secretary of State to whom the Clerk of the Court shall report the disposition of all cases, as required in Section 6-204 of the Illinois Vehicle Code. However, information reported relative to these offenses shall be privileged and available only to the Secretary of State, courts, and police officers.

(10) The administrator of a bonafide substance abuse student assistance program with the permission of the presiding judge of the juvenile court.

(11) Mental health professionals on behalf of the Department of Corrections or the Department of Human Services or prosecutors who are evaluating, prosecuting, or investigating a potential or actual petition brought under the Sexually Violent Persons Commitment Act relating to a person who is the subject of juvenile court records or the respondent to a petition brought under the Sexually Violent Persons Commitment Act, who is the subject of juvenile court records sought. Any records and any information obtained from those records under this paragraph (11) may be used only in sexually violent persons commitment proceedings.

(12) (Blank).

(A-1) Findings and exclusions of paternity entered in proceedings occurring under Article II of this Act shall be disclosed, in a manner and form approved by the Presiding Judge of the Juvenile Court, to the Department of Healthcare and Family Services when necessary to discharge the duties of the Department of Healthcare and Family Services under Article X of the Illinois Public Aid Code.

(B) A minor who is the victim in a juvenile proceeding shall be provided the same confidentiality regarding disclosure of identity as the minor who is the subject of record.

(C)(0.1) In cases where the records concern a pending juvenile court case, the requesting party seeking to inspect the juvenile court records shall provide actual notice to the attorney or guardian ad litem of the minor whose records are sought.

(0.2) In cases where the juvenile court records concern a juvenile court case that is no longer pending, the requesting party seeking to inspect the juvenile court records shall provide actual notice to the minor or the minor's parent or legal guardian, and the matter shall be referred to the chief judge presiding over matters pursuant to this Act.

(0.3) In determining whether juvenile court records should be made available for inspection and whether inspection should be limited to certain parts of the file, the court shall consider the minor's interest in confidentiality and rehabilitation over the requesting party's interest in obtaining the information. The State's Attorney, the minor, and the minor's parents, guardian, and counsel shall at all times have the right to examine court files and records.

(0.4) Any records obtained in violation of this Section shall not be admissible in any criminal or civil proceeding, or operate to disqualify a minor from subsequently holding public office, or operate as a forfeiture of any public benefit, right, privilege, or right to receive any license granted by public authority.

(D) Pending or following any adjudication of delinquency for any offense defined in Sections 11-1.20 through 11-1.60 or 12-13 through 12-16 of the Criminal Code of 1961 or the Criminal Code of 2012, the

victim of any such offense shall receive the rights set out in Sections 4 and 6 of the Rights of Crime Victims and Witnesses Act; and the juvenile who is the subject of the adjudication, notwithstanding any other provision of this Act, shall be treated as an adult for the purpose of affording such rights to the victim.

(E) Nothing in this Section shall affect the right of a Civil Service Commission or appointing authority of the federal government, or any state, county, or municipality examining the character and fitness of an applicant for employment with a law enforcement agency, correctional institution, or fire department to ascertain whether that applicant was ever adjudicated to be a delinquent minor and, if so, to examine the records of disposition or evidence which were made in proceedings under this Act.

(F) Following any adjudication of delinquency for a crime which would be a felony if committed by an adult, or following any adjudication of delinquency for a violation of Section 24-1, 24-3, 24-3.1, or 24-5 of the Criminal Code of 1961 or the Criminal Code of 2012, the State's Attorney shall ascertain whether the minor respondent is enrolled in school and, if so, shall provide a copy of the dispositional order to the principal or chief administrative officer of the school. Access to the dispositional order shall be limited to the principal or chief administrative officer of the school and any school counselor designated by the principal or chief administrative officer.

(G) Nothing contained in this Act prevents the sharing or disclosure of information or records relating or pertaining to juveniles subject to the provisions of the Serious Habitual Offender Comprehensive Action Program when that information is used to assist in the early identification and treatment of habitual juvenile offenders.

(H) When a court hearing a proceeding under Article II of this Act becomes aware that an earlier proceeding under Article II had been heard in a different county, that court shall request, and the court in which the earlier proceedings were initiated shall transmit, an authenticated copy of the juvenile court record, including all documents, petitions, and orders filed and the minute orders, transcript of proceedings, and docket entries of the court.

(I) The Clerk of the Circuit Court shall report to the Illinois State Police, in the form and manner required by the Illinois State Police, the final disposition of each minor who has been arrested or taken into custody before the minor's 18th birthday for those offenses required to be reported under Section 5 of the Criminal Identification Act. Information reported to the Illinois State Police under this Section may be maintained with records that the Illinois State Police files under Section 2.1 of the Criminal Identification Act. Upon request, the circuit court clerk shall provide the disposition information for any case or record required to be reported to the Illinois State Police under Section 2.1 or 5 of the Criminal Identification Act.

(J) The changes made to this Section by Public Act 98-61 apply to juvenile law enforcement records of a minor who has been arrested or taken into custody on or after January 1, 2014 (the effective date of Public Act 98-61).

(L) A person convicted of violating this Section is liable for damages in the amount of \$1,000 or actual damages, whichever is greater.

(b) The Commission shall include in the request for proposal the evaluating factors to be used in Phase I. These factors are in addition to any prequalification requirements of design-build entities that the Commission has set forth. Each request for proposal shall establish the relative importance assigned to each evaluation factor and subfactor, including any weighting of criteria to be employed by the Commission. The Commission must maintain a record of the evaluation scoring to be disclosed in event of a protest regarding the solicitation.

The Commission shall include the following criteria in every Phase I evaluation of design-build entities: (1) experience of personnel; (2) successful experience with similar project types; (3) financial capability; (4) timeliness of past performance; (5) experience with similarly sized projects; (6) successful reference checks of the firm; (7) commitment to assign personnel for the duration of the project and qualifications of the entity's consultants; and (8) ability or past performance in meeting or exhausting good faith efforts to meet the utilization goals for minority and women business enterprises established by the corporate authorities of the Commission and in complying with Section 2-105 of the Illinois Human Rights Act. The Commission may include any additional relevant criteria in Phase I that it deems necessary for a proper qualification review.

The Commission may not consider any design-build entity for evaluation or award if the entity has any pecuniary interest in the project or has other relationships or circumstances, including but not limited to, long-term leasehold, mutual performance, or development contracts with the Commission, that may give the design-build entity a financial or tangible advantage over other design-build entities in the preparation, evaluation, or performance of the design-build contract or that create the appearance of impropriety. No design-build proposal shall be considered that does not include an entity's plan to comply with the requirements established in the minority and women business enterprises and economically disadvantaged firms established by the corporate authorities of the Commission and with Section 2-105 of the Illinois Human Rights Act.

Upon completion of the qualifications evaluation, the Commission shall create a shortlist of the most highly qualified design-build entities. The Commission, in its discretion, is not required to shortlist the maximum number of entities as identified for Phase II evaluation, provided however, no less than 2 design-build entities nor more than 6 are selected to submit Phase II proposals.

The Commission shall notify the entities selected for the shortlist in writing. This notification shall commence the period for the preparation of the Phase II technical and cost evaluations. The Commission must allow sufficient time for the shortlist entities to prepare their Phase II submittals considering the scope and detail requested by the Commission.

(c) The Commission shall include in the request for proposal the evaluating factors to be used in the technical and cost submission components of Phase II. Each request for proposal shall establish, for both the technical and cost submission components of Phase II, the relative importance assigned to each evaluation factor and subfactor, including any weighting of criteria to be employed by the Commission. The Commission must maintain a record of the evaluation scoring to be disclosed in event of a protest regarding the solicitation.

The Commission shall include the following criteria in every Phase II technical evaluation of design-build entities: (1) compliance with objectives of the project; (2) compliance of proposed services to the request for proposal requirements; (3) quality of products or materials proposed; (4) quality of design parameters; (5) design concepts; (6) innovation in meeting the scope and performance criteria; and (7) constructability of the proposed project. The Commission may include any additional relevant technical evaluation factors it deems necessary for proper selection.

The Commission shall include the following criteria in every Phase II cost evaluation: the guaranteed maximum project cost and the time of completion. The Commission may include any additional relevant technical evaluation factors it deems necessary for proper selection. The guaranteed maximum project cost criteria weighing factor shall not exceed 30%.

The Commission shall directly employ or retain a licensed design professional to evaluate the technical and cost submissions to determine if the technical submissions are in accordance with generally accepted industry standards.

Upon completion of the technical submissions and cost submissions evaluation, the Commission may award the design-build contract to the highest overall ranked entity.

(d) This Section is repealed on July 1, ~~2027~~ 2025; provided that any design-build contracts entered into before such date or any procurement of a project under this Act commenced before such date, and the contracts resulting from those procurements, shall remain effective.

Phase II design-build proposals shall include a bid bond in the form and security as designated in the request for proposals. Proposals shall also contain a separate sealed envelope with the cost information within the overall proposal submission. Proposals shall include a list of all design professionals and other entities to which any work identified in Section 30-30 of the Illinois Procurement Code as a subdivision of construction work may be subcontracted during the performance of the contract.

Proposals must meet all material requirements of the request for proposal or they may be rejected as non-responsive. The Commission shall have the right to reject any and all proposals.

The drawings and specifications of any unsuccessful design-build proposal shall remain the property of the design-build entity.

House Amendment No. 2 to SENATE BILL NO. 2493

Passed the House, as amended, May 30, 2025.

JOHN W. HOLLMAN, Clerk of the House

AMENDMENT NO. 2 TO SENATE BILL 2493

AMENDMENT NO. 2. Amend Senate Bill 2493 by replacing everything after the enacting clause with the following:

"Section 5. The Electric Supplier Act is amended by adding Sections 17, 17.1, 17.2, 17.3, 17.4, 17.5, 17.6, and 17.8 as follows:

(220 ILCS 30/17 new)

Sec. 17. Short title. This Section through Section 17.8 of this Act may be referred to as the Electrical Service Broadband Deployment and Access Law.

(220 ILCS 30/17.1 new)

Sec. 17.1. Purpose. This Law authorizes certain electric cooperatives to deploy broadband infrastructure and to provide broadband service to residential and business locations within an electric cooperative's service territory.

(220 ILCS 30/17.2 new)

Sec. 17.2. Definitions. As used in this Law:

"Broadband grant recipient" means an electric cooperative that has received grant funding pursuant to any State or federal grant program with the purpose of expanding broadband deployment of and access to broadband services.

"Broadband infrastructure" means aboveground or underground wires, cables, fiber optic lines, conduit, pipe, innerduct, or microduct for fiber optic or other cables and facilities, including ancillary equipment such as power supplies, backhaul, and support structures, that are used in the provision of broadband service.

"Broadband service" means broadband Internet access service as defined in 47 CFR 8.1(b).

"Deploy" means, with respect to broadband infrastructure, to install, operate, maintain, access, inspect, upgrade, replace, repair, remove, and perform activities ancillary to those activities.

"Electric easement" means any recorded or unrecorded easement held by any electricity supplier for the siting of electric facilities, regardless of whether the easement is for the exclusive benefit of the electricity supplier or for use in connection with other utility services and regardless of whether the electricity supplier provides other utility services.

"Grant service area" means the defined location in the broadband grant where the broadband grant recipient is to provide broadband service subject to the broadband grant.

"Property owner" does not include a public utility as defined in Section 3-105 of the Public Utilities Act.

(220 ILCS 30/17.3 new)

Sec. 17.3. Rights granted to electric cooperative broadband grant recipients.

(a) In the grant service area, a broadband grant recipient, subject to the recipient's broadband grant, may access and use (i) any existing electric easement held or controlled by the broadband grant recipient or (ii) any other existing electric easement contingent upon an agreement with the easement holder or controller for the delivery of broadband service by the broadband grant recipient.

(b) If the proper permits are acquired by State and local authorities, no property owner of property located within the grant service area shall forbid or prevent a proposed broadband grant recipient from

entering upon the property for purposes of and in connection with the deployment of broadband infrastructure, nor shall any such property owner forbid or prohibit the broadband grant recipient from deploying upon, beneath, or over that property broadband infrastructure utilized by the broadband grant recipient for such broadband service. The property owner may be entitled to the payment of just compensation by that broadband grant recipient as provided in Section 17.4, and the broadband grant recipient shall indemnify the owner of the property for any physical damage caused by deployment of the broadband infrastructure and service.

(220 ILCS 30/17.4 new)

Sec. 17.4. Notice and compensation.

(a) The broadband grant recipient must notify the property owner in writing by sending notification to the property owner's address specified in the online or publicly available records of the applicable county assessor (i) by the United States Postal Service, certified mail, return receipt requested; (ii) by a designated private delivery service, as defined by the Internal Revenue Service, that provides the same function as certified mail with return receipt; or (iii) by personally serving the notification. The property owner shall be notified at least 14 days, but not more than 60 days, prior to the broadband grant recipient entering upon such property for purposes of or in connection with the deployment of broadband infrastructure. The notice shall include the following information:

(1) the address of the property;

(2) the name of the broadband grant recipient and contact information for notice to the broadband grant recipient;

(3) the anticipated date of the proposed installation, maintenance, repair, or removal of the broadband infrastructure and projected length of time required to complete the installation, maintenance, or repair;

(4) information as to the time within which the owner may give notice and demand just compensation under this Section if the property owner believes that the property is diminished in value due to the burden on the property from the expanded use of the electric easement or right-of-way;

(5) the manner and method of, and the detailed design and construction plans for, such installation, maintenance, repair, and removal, including the location of the proposed entry and path of broadband facilities proposed to be placed, repaired, maintained, or removed upon the property;

(6) for installation of broadband infrastructure that will occur overhead, the details regarding how the broadband infrastructure installation will conform to applicable National Electric Safety Code standards for overhead clearance; and

(7) for installation of broadband infrastructure that will occur below ground, a statement absolving the property owner or the property owner's tenant from liability for any damages to broadband infrastructure that occur in the event of normal property use, including normal farming operations if the property is used for farming purposes.

(b) If the property owner intends to demand just compensation, the property owner must serve written notice thereof upon the broadband grant recipient within 45 days after the anticipated date of broadband deployment as provided in the notice to the property owner. Unless timely notice as provided in this subsection is given by the property owner to the broadband grant recipient, it will be conclusively presumed that the property owner does not claim just compensation for the burden on the property from the expanded use of the electric easement or the right-of-way.

(c) Any property owner described in subsection (a) who has given timely written notice to the broadband provider, as provided in subsection (b), may assert a claim for just compensation for diminution in value of the property from the expanded use of the electric easement or right-of-way. A property owner may bring suit in an applicable circuit court with jurisdiction to enforce a claim for just compensation and to have the amount of just compensation determined by a jury. Such action must be commenced within 6 months of delivery of the broadband grant recipient's original notice of intent to deploy broadband infrastructure. A property owner who has not given timely notice as provided in subsection (b) is barred from asserting such a claim.

(d) Neither the property owner's notice to demand just compensation, nor the property owner's assertion of a specific claim for just compensation, nor the initiation of any legal action to enforce the claim of just compensation shall delay or impair the right of the broadband grant recipient to deploy broadband infrastructure and provide broadband service within or upon, beneath, or over property described in subsection (a).

(220 ILCS 30/17.5 new)

Sec. 17.5. Rights-of-way. Conditional upon acquiring the proper agreement or permit with the highway right-of-way controller or holder, a broadband grant recipient may install, maintain, and use broadband infrastructure below ground along a highway right-of-way within the grant service area. The broadband grant recipient shall comply with all applicable provisions of Section 9-113 of the Illinois Highway Code and relevant administrative rules. No property owner of property located within the grant service area shall forbid or prevent such proposed broadband grant recipient from entering upon such property for purposes of and in connection with the deployment of broadband infrastructure, nor shall any such property owner forbid or prohibit the covered provider from deploying upon, beneath, or over such property broadband infrastructure utilized by the covered provider for providing broadband service. The property owner may be entitled to payment of just compensation by that broadband grant recipient, as provided in Section 17.4, and the broadband grant recipient shall indemnify the owner of such property for any physical damage caused by the deployment of such broadband infrastructure and service. Nothing in this amendatory Act of the 104th General Assembly shall be construed as reducing the ability of the Department of Transportation from exercising its authority to (1) approve or deny permits for use of its right-of-way, (2) collect fees and compensation required as part of the Department of Transportation's administrative rules, and (3) manage the use of its right-of-way.

(220 ILCS 30/17.6 new)

Sec. 17.6. Labor standards and protection. Electric cooperative broadband grant recipients under this Law, including any contractors and subcontractors of the broadband grant recipient, performing work subject to this Law shall, when applicable, pay prevailing wages and benefits to workers, comply with the Davis-Bacon Act, and collect any required certified payrolls. A broadband grant recipient shall comply with all requirements set forth in the Prevailing Wage Act, including, but not limited to, inserting into all contracts for construction a stipulation that not less than the prevailing rate of wages, as applicable to the project, shall be paid to all laborers, workers, and mechanics performing work under the contract, and requiring all surety bonds with contractors to include a provision that guarantees the faithful performance of the prevailing wage clause in the contract. The electric cooperative shall report to the Department of Labor on its compliance with the Prevailing Wage Act on a monthly basis. Apprentices performing work subject to this Law shall perform either 10% of the total labor hours actually worked in each prevailing wage classification or 10% of the estimated labor hours in each prevailing wage classification, whichever is less.

(220 ILCS 30/17.8 new)

Sec. 17.8. Sunset. The rights and obligations of broadband project grant recipients and landowners set forth in this Law do not apply on and after January 1, 2030.

Section 10. The Broadband Infrastructure Advancement Act is amended by changing Section 4-20 as follows:

(220 ILCS 81/4-20)

Sec. 4-20. Use of other broadband funds. The Department of Commerce and Economic Opportunity, the Office of Broadband, or any other State agency, board, office, or commission appropriated funding to provide grants for broadband deployment, broadband expansion, broadband access, broadband affordability, and broadband improvement projects must establish program eligibility and selection criteria by administrative rules.

The Department of Commerce and Economic Opportunity, when evaluating grant applications for the deployment of broadband network, must consider the expediency with which a project can be completed and broadband Internet access service delivered. Projects for which the Department awards grants to deploy broadband service in unserved areas or underserved areas shall include, as a project expense, costs necessarily incurred for the acquisition of any license, easement, right-of-way, or other property interest, or for the use of or for access to public utility (as defined in Section 3-105 of the Public Utilities Act) owned or State or local government owned infrastructure or assets for such project that are used directly in the provision of broadband service to locations in such unserved or underserved areas.

"Contracting process" means the process by which a mental health or substance use disorder treatment provider or facility makes a completed application with an insurer to become a participating provider with the insurer until the effective date of a final contract between the provider or facility and the insurer.

"Contracting process" includes the process of verifying a provider's credentials.

"Participating provider" means any mental health or substance use disorder treatment provider that has a contract to provide mental health or substance use disorder services with an insurer.

(b) Consistent with the principles of the federal Mental Health Parity and Addiction Equity Act of 2008, and for the purposes of strengthening network adequacy for mental health and substance use disorder services and lowering out-of-network utilization, the Department of Human Services, by rule, shall determine a reimbursement rate floor for all in-network mental health and substance use disorder services, including inpatient services, outpatient services, office visits, and residential care, delivered by Illinois providers and facilities using the Illinois data in Research Triangle Institute International's study, Behavioral Health Parity - Pervasive Disparities in Access to In-Network Care Continue, Mark, T.L., & Parish, W. (April 2024). The reimbursement rate floor for mental health and substance use disorder services requires that reimbursement for each service, classified by Healthcare Common Procedure Coding System and Current Procedural Terminology codes, must be equal to or greater than the rate set by the Department of Human Services and shall apply to all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2027 or any contracted third party administering the behavioral health benefits for the insurer. The Department of Human Services shall use the benchmark it deems appropriate for setting a reimbursement rate floor for mental health and substance use disorder services, but it shall have the effect of the reimbursement rate floor being between the average reimbursement and the 75th percentile of reimbursement for all medical and surgical reimbursement using Appendix C-13 of the Research Triangle Institute International study. In establishing the rate floor, the Department of Human Services shall take into consideration the need to reimburse above the average reimbursement to incentivize providers in short supply to participate in-network and shall set a reimbursement rate floor that is above the average reimbursement rate paid by the preferred provider organizations operated by the largest health insurer in the State of Illinois for mental health and substance use disorder services. If the Department of Human Services uses a rate benchmark that is tied to a federal health care program in which the reimbursement rates fluctuate, for any year the benchmark selected by the Department of Human Services decreases, the reimbursement rate floor for the purposes of this Section shall remain at the level it was the previous year. If at any time the average reimbursement for in-network medical and surgical services delivered by Illinois providers exceeds the rate floor the Department of Human Services establishes for mental health and substance use disorder services, then the reimbursement for mental health and substance use disorder treatment services must be equal to or greater than that average. Nothing in this Section gives the Department of Human Services any regulatory authority over an insurer. The Department of Insurance has the authority to enforce and monitor the reimbursement rate floor set pursuant to this Section and shall publish the rate floor set by the Department of Human Services in Title 50 of the Illinois Administrative Code.

(c) A group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026, or contracted third party administering the behavioral health benefits for the insurer, shall cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care.

(d) A group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party

administering the behavioral health benefits for the insurer, shall cover any medically necessary mental health or substance use disorder service provided by a behavioral health trainee when the trainee is working toward clinical State licensure and is under the supervision of a fully licensed mental health or substance use disorder treatment provider, which is a physician licensed to practice medicine in all its branches, licensed clinical psychologist, licensed clinical social worker, licensed clinical professional counselor, licensed marriage and family therapist, licensed speech-language pathologist, or other licensed or certified professional at a program licensed pursuant to the Substance Use Disorder Act who is engaged in treating mental, emotional, nervous, or substance use disorders or conditions. Services provided by the trainee must be billed under the supervising clinician's rendering National Provider Identifier.

(e) A group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, shall:

(1) cover medically necessary 60-minute psychotherapy billed using the Current Procedural Terminology Code 90837 for Individual Therapy;

(2) not impose more onerous documentation requirements on the provider than is required for other psychotherapy Current Procedural Terminology Codes; and

(3) not audit the use of Current Procedural Terminology Code 90837 any more frequently than audits for the use of other psychotherapy Current Procedural Terminology Codes.

(f)(1) Any group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, shall complete the contracting process with a mental health or substance use disorder treatment provider or facility for becoming a participating provider in the insurer's network, including the verification of the provider's credentials, within 60 days from the date of a completed application to the insurer to become a participating provider. Nothing in this paragraph (1), however, presumes or establishes a contract between an insurer and a provider.

(2) Any group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, shall reimburse a participating mental health or substance use disorder treatment provider or facility at the contracted reimbursement rate for any medically necessary services provided to an insured from the date of submission of the provider's or facility's completed application to become a participating provider with the insurer up to the effective date of the provider's contract. The provider's claims for such services shall be reimbursed only when submitted after the effective date of the provider's contract with the insurer. This paragraph (2) does not apply to a provider that does not have a completed contract with an insurer. If a provider opts to submit claims for medically necessary mental health or substance use disorder services pursuant to this paragraph (2), the provider must notify the insured following submission of the claims to the insurer that the services provided to the insured may be treated as in-network services.

(3) Any group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026, or any contracted third party administering the behavioral health benefits for the insurer, shall cover any medically necessary mental health or substance use disorder service provided by a fully licensed mental health or substance use disorder treatment provider affiliated with a mental health or substance use disorder treatment group practice who has submitted a completed application to become a participating provider with an insurer who is delivering services under the supervision of another fully licensed participating mental health or substance use disorder treatment provider within the same group practice up to the effective date of the applying provider's contract with the insurer as a participating provider. Services provided by the applying provider must be billed under the supervising licensed provider's rendering National Provider Identifier.

(4) Upon request, an insurer, or any contracted third party administering the behavioral health benefits for the insurer, shall provide an applying provider with the insurer's credentialing policies and procedures. An insurer, or any contracted third party administering the behavioral health benefits for the insurer, shall post the following nonproprietary information on its website and make that information available to all applicants:

(A) a list of the information required to be included in an application;

(B) a checklist of the materials that must be submitted in the credentialing process; and

(C) designated contact information of a network representative, including a designated point of contact, an email address, and a telephone number, to which an applicant may address any credentialing inquiries.

(g) The Department has the same authority to enforce this Section as it has to enforce compliance with Sections 370c and 370c.1. Additionally, if the Department determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated this Section, the Department shall, after appropriate notice and opportunity for hearing in accordance with Section 402, by order assess a civil penalty of \$1,000 for each violation. The Department shall establish any processes or procedures necessary to monitor compliance with this Section.

(h) At the end of 2 years, 7 years, and 12 years following the implementation of subsection (b) of this Section, the Department shall review the impact of this Section on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. By no later than December 31, 2030, December 31, 2035, and December 31, 2040, the Department shall submit a report in each of those years to the General Assembly that includes its analyses and findings. For the purpose of evaluating trends in network adequacy, the Department is granted the authority to examine out-of-network utilization and out-of-pocket costs for insureds for mental health and substance use disorder treatment and services for all plans to compare with in-network utilization for purposes of evaluating access to care. The Department shall conduct an analysis of the impact, if any, of the reimbursement rate floor for mental health and substance use disorder services on health insurance premiums across the State-regulated health insurance markets, taking into consideration the need to expand network adequacy to improve access to care.

(i) The Department of Insurance and the Department of Human Services shall adopt any rules necessary to implement this Section by no later than May 1, 2026.

(j) This Section does not apply to a health care plan serving Medicaid populations that provides, arranges for, pays for, or reimburses the cost of any health care service for persons who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act.
