[January 29, 2026]

leadership of Kaskaskia College President George Evans, the board of trustees, the faculty, the staff, and the administration for their dedication to providing high-quality education and workforce training, positively impacting the lives of countless students, alumni, and families.

Under the Rules, the foregoing resolution was referred to the Committee on Assignments.

PRESENTATION OF RESOLUTIONS

Senator Villa offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 575

WHEREAS, Our nation's longstanding and ongoing audacious experiment in self-governance requires a populace with an understanding of the nation's laws and government, the skills for discussion and working together across differences, and a widespread commitment to the civic strength of our communities; and

WHEREAS, Civic education is vital to sustaining and strengthening constitutional democracy in the United States of America; and

WHEREAS, The practice of democracy must be taught and learned anew by each generation; and

WHEREAS, Educators are often engaged in thankless yet essential daily work to support young people in their development of an informed and empowered civic identity that is core to sustaining and strengthening our nation's constitutional democracy; and

WHEREAS, The Illinois General Assembly has strengthened K-12 civic education in the State over the past decade by requiring civics courses in middle school and high school, and the Illinois Civics Hub has grown the Illinois Democracy Schools Network to more than 90 public and private schools and districts statewide, each of them deeply committed to students' civic development and to supporting teachers, schools, and districts throughout Illinois with civics course and standards implementation; and

WHEREAS, The 250th anniversary of the Declaration of Independence occurring during this current year calls on our collective ability and commitment to work across our differences and reinvest ourselves in making civic learning for all students a community, state, and national priority; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare March 9 through March 15, 2026 as Civic Learning Week in the State of Illinois; and be it further

RESOLVED, That we extend our deepest appreciation to the students, volunteers, and professionals who prioritize the enterprise of civic learning within our communities.

Senator Simmons offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 588

WHEREAS, In response to the terrorist attacks on September 11, 2001, the United States Congress passed the Homeland Security Act, which abolished the Immigration and Naturalization Service, replacing it with the Department of Homeland Security (DHS), and included the establishment of the Bureau of Immigration and Customs Enforcement, now known as U.S. Immigration and Customs Enforcement (ICE); and

WHEREAS, According to the ICE website, "Congress granted ICE a unique combination of civil and criminal authorities to better protect national security and public safety in answer to the tragic events on 9/11. Leveraging those authorities, ICE's primary mission is to promote homeland security and public safety through the criminal and civil enforcement of federal laws governing border control, customs, trade and immigration"; and

WHEREAS, Even prior to the reelection of Donald Trump as President of the United States in 2024, ICE has had a troubled history, which has been criticized by both sides of the political spectrum, and has been mired in controversy by using its funding to detain immigrants in egregiously inhumane conditions and deport immigrants with little to no due process or consideration for their familial and community ties to the United States; and

WHEREAS, ICE has long had a culture of abuse and has been referred to as an unaccountable agency that has treated detained individuals, including children, inhumanely, bordering on crimes against humanity; and

WHEREAS, On January 20, 2025, President Trump signed numerous immigration-related Executive Orders, including Executive Order No. 14159, entitled "Protecting The American People Against Invasion", which requires the Attorney General and the Secretary of Homeland Security to ensure that sanctuary states do not receive access to federal funds and to undertake any criminal or civil actions they deem warranted based on any sanctuary state's practices that they deem interferes with the enforcement of federal law; and

WHEREAS, On January 20, 2025, President Trump signed Executive Order No. 14163, entitled "Realigning the United States Refugee Admissions Program", which indefinitely suspends the U.S. Refugee Admissions Program (USRAP) and requires the Secretary of Homeland Security to suspend decisions on applications for refugee status until USRAP resumes; and

WHEREAS, On January 20, 2025, President Trump signed Executive Order No. 14165, entitled "Securing Our Borders", which reinstates the Migrant Protection Protocols in all sectors along the southern border, ends the use of the CBP One application as a method of paroling or facilitating the entry of immigrants and refugees, and terminates categorical parole programs, including the program known as the Processes for Cubans, Haitians, Nicaraguans, and Venezuelans; and

WHEREAS, On January 21, 2025, the Trump Administration ended a policy that previously protected sensitive locations, including schools, hospitals, and churches, from ICE operations; and

WHEREAS, Due to lax federal oversight, ICE has routinely engaged in deceptive practices which mislead the public, including posing as local law enforcement despite not being trained or deputized as police officers, misrepresenting administrative warrants as judicial warrants, and pressuring local and state law enforcement to violate due process rights by holding and transferring people who are being released to ICE; and

WHEREAS, In collaboration with other federal agencies, ICE has used deportation or the threat of deportation as a tool to pressure immigrants, especially those of Hispanic, Arab, Middle Eastern, and South Asian descent, to spy against their own communities for the United States government; and

WHEREAS, On September 8, 2025, DHS, under the direction of President Trump and DHS Secretary Kristi Noem, formally launched "Operation Midway Blitz" with the purported goal of hunting, arresting, and deporting "illegal criminal aliens" in the Chicagoland region; and

WHEREAS, In publicly available data obtained by the Deportation Data Project through Freedom of Information Act (FOIA) requests to DHS, at least 1,600 people were arrested in Illinois during Operation Midway Blitz from September 8 through October 15, 2025; and

WHEREAS, In publicly available data obtained by the Deportation Data Project through FOIA requests to DHS, it was reported that 66% of the people detained during Operation Midway Blitz had no

[January 29, 2026]

prior criminal charges, while only 17% had a prior criminal conviction and only 3% had prior criminal convictions for violent crimes; and

WHEREAS, On September 12, 2025, Silverio Villegas-Gonzalez, a 38-year-old with a limited record of traffic violations and father of two sons, was shot and killed by an ICE agent in Franklin Park during a traffic stop and arrest attempt; and

WHEREAS, On October 4, 2025, Marimar Martinez, a 30-year-old American citizen, was following DHS agents before being shot by a DHS agent five times, leaving her with seven wounds; criminal charges were brought against Martinez for her behavior leading up to the shooting, but all federal charges were dropped with prejudice in November 2025; and

WHEREAS, On October 21, 2025, Rey Estrada, a 20-year resident of Chicago with no criminal record and father of three boys, was detained by ICE in Rogers Park in Chicago in the 7th State Senate District while performing paid landscaping work; following his arrest, he spent three hours in the back of an ICE SUV, the next 48 hours in the Broadview processing center alongside 150 other men, and the next ten weeks in federal custody in the North Lake Processing Center in Baldwin, Michigan until he obtained release on \$1,500 bond following a successful habeas corpus petition; and

WHEREAS, On January 7, 2026, Renee Nicole Good, an American citizen and mother of three children, was shot and killed by an ICE agent in Minneapolis, Minnesota while acting as a legal observer of DHS immigration enforcement; and

WHEREAS, Under the direction of President Trump, DHS Secretary Noem, and Homeland Security Advisor Stephen Miller, ICE has consistently and continuously demonstrated an inability to fulfill its duties without violating due process, human rights, transparency, or public accountability, and the agency fails to adhere to domestic and international law; and

WHEREAS, The United States of America does not need an opaque and rogue agency operating in our communities, dehumanizing and deporting our neighbors in immigrant communities, and acting lawlessly without consequence; Illinois, being home to one of the largest and most diverse immigrant communities in the nation, has enacted policies to protect immigrants and refugees from the inhumane treatment and aggressive tactics of ICE, but there are still countless stories of brutal detentions and unjust deportations; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the 119th United States Congress to abolish U.S. Immigration and Customs Enforcement (ICE); and be it further

RESOLVED, That we urge Congress to implement an orderly and just transfer of essential and basic legally required functions in a manner that upholds values of due process, equality under the law, and family unity upon or before the abolition of ICE; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the President of the United States, the Vice President of the United States, the Speaker of the U.S. House of Representatives, the Majority Leader of the U.S. Senate, and all members of the Illinois Congressional Delegation.

Senator Hunter offered the following Senate Joint Resolution, which was referred to the Committee on Assignments:

SENATE JOINT RESOLUTION NO. 49

WHEREAS, As the result of developing technology, an increasing number of medical devices are available and necessary to promote preventive care and longevity among Illinois residents; and

[January 29, 2026]

WHEREAS, An increasing number of such devices, if available, can prevent further medical issues and dramatically improve the quality of life for Illinois residents relative to a host of medical conditions, including heart disease, musculoskeletal disorders, degenerative disc disease, vascular disease, hydrocephalus, hernia, and diabetes; and

WHEREAS, The potential positive effects of access to procedures with medical devices and implants are particularly pronounced for residents who are African Americans, Latinos, women, and of lower income, who experience barriers to accessing care; and

WHEREAS, General data, hospital-specific data, studies, and anecdotal evidence demonstrate that the prices that manufacturers charge some hospitals for certain medical devices are rising at excessive rates, and that the prices far outstrip the reimbursement payments that hospitals receive in actually implanting those medical devices, including such medical devices as necessary for knee arthroplasty, shunt revision, lumbar fusion, and ACL reconstruction; and

WHEREAS, As a result of this structural financial imbalance in which the price charged for a device by manufacturers far exceeds the payments received by healthcare providers for implanting it, patient access is often limited, and they are therefore deprived of the potential benefits of such devices contributing to health disparities; and

WHEREAS, To promote healthcare access and equity for all patients, certain hospitals, including non-profit safety net hospitals, struggle to provide certain medical devices to patients at significant financial cost to the hospitals themselves, which severely impacts their bottom line and their ability to serve their communities in other ways; and

WHEREAS, To promote the health and quality of life for Illinois residents, including those who are underserved among the African American, Latino, women, seniors and lower-income population, it is essential that the State develop and establish one or more programs to curb the price that manufacturers charge certain hospitals for certain medical devices; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that the Director of the Department of Healthcare and Family Services is urged to consult with nonprofit safety net hospitals, including those in Chicago Community Area No. 33 (Near South Side), and craft a report for the General Assembly in which the Director recommends:

- (1) Particular patient medical devices that will be covered by a future state program that will curb prices paid for medical procedures by patients who are served by nonprofit safety net hospitals, including but not limited to pedicle screws, interference screws, interbody cages, surgical meshes, artificial knees, shunts, and artificial hips;
- (2) The time, manner, and conditions in which the categories of the particular covered patient medical devices may be expanded;
- (3) The ceiling price payable for each identified patient medical device by any Illinois nonprofit safety net hospital;
- (4) The time, manner, and conditions in which each ceiling price may be adjusted upward or downward by the Department in future years; and
- (5) Any legislation as may be necessary or advisable to establish the future state program; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the Director of the Department of Healthcare and Family Services.
