REGULAR SESSION
SENATE TRANSCRIPT

32nd Legislative Day

4/8/2025

Ladies and Gentlemen of the Senate if I could have your attention for a moment, it has been my honor to open our Senate session today and to preside using the gavel of our -- our dear friend and beloved colleague, Matthew Jones. Matt's father made him this gavel more than a decade ago, when his path looked as likely to lead him to the bench as to stick around here in the Capitol. But I know, I believe, I hope that Matt is at home watching. And I wanted everyone to know we are using the Matt Jones gavel today, and we are sending him all of our best wishes and love on his journey. So, send your love and -- and thoughts to Matt Jones and to his family. And I'm very proud to preside with this gavel. Senator Koehler, for what purpose do you rise?

SENATOR KOEHLER:

Thank you, Mr. President. May I speak to the issue. Matt Jones has been a friend for a long time, and many of you know him, he really has been part of the Senate. He started as a staff person for a Carl Hawkinson. I know Matt and Sandy are watching right now. We send our love to you. Matt right now is in hospice at the Richard Owens OSF Center in Peoria. I was able to see him last Saturday and yesterday as well. He gave me the -- the gavel to bring down here to present to the president to be used. It was one that his dad made out of Brazilian hardwood. The box is made of walnut. His dad was a machinist at Hiram Walker. And his dad passed away in 2014, but he made that. I think the -- the date on that is 11-11-11. So, when that was made. But I just want you to know that Matt is just such a part of this institution. Um, he's been a friend, as I say, for a long time. Any -- any time that I wanted to find out, really what the pulse of politics was anywhere in the state, but especially in the Peoria area. I called Matt, And, we

had, always great conversations and we did as well with his mother, Sandy, on Saturday and with his wife, Sandy on yesterday on Monday. But please, if you, if you know Matt, if you've met Matt before, please send your thoughts and prayers to him. In fact, I'll get you an address. You can send him a card at the at the Owens Center. But, Matt, I just want to say we love you, and you'll always be with us here in the Senate. Thank you.

PRESIDENT HARMON:

How about a joyful round of applause for Matt Jones. Leader Curran, for what purpose do you rise?

SENATOR CURRAN:

Thank you, Mr. President, for an announcement.

PRESIDENT HARMON:

Please state your announcement.

SENATOR CURRAN:

Mr. President, colleagues, I am thrilled to welcome back to the Senate former -- former State Senator Tom Bennett. There he is over there, working the other side of the aisle. As all of you know, Tom had a long, distinguished legislative career and he capped it off with two years in the upper Chamber. We were sad to miss Tom in his last days, in the General Assembly during lame duck, but I got a commitment from Tom that he would come back and visit us. Tom was as well known, as a legislator for his kindness and compassion as he was for his legislative skills. We miss him. Tom is, accompanied today. Senator Bennett's accompanied today by his wife, Kathy Bennett, his district director, Morgan Caracci, and his one of many drivers, but certainly his most frequent driver, Dennis Fisher. So, I would like to ask everyone to give them all a Senate welcome.

SENATOR CUNNINGHAM:

Thank you, Mr. President. I am proud today to be joined by a group of young athletes from my district. There in the gallery behind me. They are Members of the football team at Chicago Christian High School, which is in Palos Heights in my district. A couple of months ago, they had a major accomplishment for the first time in school history. They won the state championship in football. They're the 2A champions. They won by a score of 47 to nothing. We won't say what team they beat. I don't want to offend another Senator here, but a big, stirring victory for the football team at Chicago Christian High School. Can we please welcome the Springfield and honor them on their great achievement?

She is part of the Illinois Girls Leads Program that is made possible by the Illinois Lieutenant Governor, and it helps girls learn more about leadership roles that women play in the state of Illinois. Aaliyah has a love of learning, as well as a newly acquired interest in public speaking, that has demonstrated to her the influence and importance of words. She has an interest in gender disparity in management roles, and says she wants to make a difference by working to prevent human trafficking and prosecute traffickers to the fullest. Her accomplishments in school include Volleyball Award, Student of the Month and High Honor Roll. All of these honors

Your list of accomplishments is lengthy and diverse at such a young age. You are truly a Renaissance woman and will, I know, be a great leader in our state hopefully and in all she does. With that, please give her and her parents a warm Senate welcome, if you will.
