22. is the final Session for introduction of bills. Are there any questions?
23. Senate Bills on 3rd reading. Senate Bill 18, Senator Nimrod. Senate
24. Bill 46, Senator Nudelman. Senate Bill 58, Senator Johns. Senator
25. Johns.
26. SECRETARY:
27. Senate Bill 58.
28. (Secretary reads title of bill)
29. 3rd reading of the bill.
30. SENATOR JOHNS:
31. I have held this bill at the request of Senator Nimrod up till
32. this point...
33. PRESIDENT:

1. Just one minute, Senator...just one minute, Senator.

2. SENATOR JOHNS:

3. ...it's a civil defense bill...bill.

4. PRESIDENT:

5. Will the members be in their seats. Senator Johns.

6. SENATOR JOHNS:

7. Again, I'd like to repeat that I have offered the courtesy to

8. my colleague, Senator Nimrod. I've held this bill. He just gave me

9. the signal to go ahead with it. It amends the Law Enforcement Officers

10. and Firemens Compensation Act. It provides compensation for civil

11. defense workers and civil air patrol members killed in the line of

12. duty. It would be effective immediately, and I would appreciate a

13. favorable roll call.

14. PRESIDENT:

15. Any further discussion? The question is shall Senate Bill 58

16. Pass? Those in favor will vote Aye. Those opposed will vote Nay.

17. The voting is open. Have all voted who wish? Take the record.

18. On that question the...the Ayes are 41, the Nays are 1. This bill,

19. Senate Bill 58, having received a constitutional majority is declared

20. passed. Senate Bill 61...for what purpose does Senator Buzbee

21. arise?

22. SENATOR BUZBEE:

23. Mr. President, I'd like the...the...printed Journal to show...

24. or the recorded Journal rather, that I was off the Floor at the time

25. that vote was taken, but had I been on the Floor I would have voted

26. in the affirmative.

27. PRESIDENT:

28. The record will so show. Senate...and Senator Carroll also.

29. The same off the Floor motion. Senate Bill 61, Senator Latherow.

30. SECRETARY:

31. Senate Bill 61.

32. (Secretary reads title of bill)

33. 3rd reading of the bill.

1. PRESIDENT:

2. Senator Latherow.

3. SENATOR LATHEROW:

4. Thank you, Mr. President and members of the Senate. This bill
5. came about due to a lot of the problem that arised in the areas where
6. deer hunting has been taking place. Last year when many of those
7. people who wanted to hunt in the local area were land owners there
8. and were turned down for that particular county. Well, in order to
9. try to compensate some of those people who became real irritated and
10. said well, if I can't get a license to hunt like everybody else I'll
11. just close my farm to hunting. I came in with this piece of legisla-
12. tion to help take care of them. This is a very simple piece of legisla-
13. tion, it merely says that local county residents will be given a seven
14. day advantage, at least a seven day advantage, for application of
15. licenses. I think then if they fail to get them in on time and get
16. taken care of they know who's fault it is. So, I'd be glad to answer
17. any question, Mr. President.

18. PRESIDENT:

19. Senator Savickas.

20. SENATOR SAVICKAS:

21. Well, Mr. President and members of the Senate, I would rise in
22. opposition to this particular piece of legislation. What it effec-
23. tively does is cut out the more populous counties that do not have the
24. ability to go out deer hunting and hunting, and give the advantage to
25. those counties where the people are less populous and have all this
26. ability. What they want to do is say all of you in Cook County and
27. DuPage County, you can't come down and hunt here because we are first,
28. the deer belongs to us, we live here, and we've got the first choice.
29. I think this is...this is for the whole State of Illinois. The people
30. in Chicago, Cook County and DuPage County shouldn't be punished
31. because they do not live in a...in a area where the deer run free.
32. There would be very few hunters in Chicago or Cook County if we...if
33. we had...subscribed to this philosophy. I think this is the State

1. of Illinois, everyone should be treated equally. That if you're
2. in Carroll County or Macoupin County or Cook County, that the
3. State law says this is the date to apply for the license, this is
4. the date for everybody in the State of Illinois to apply.

5. PRESIDENT:
6. Senator Mitchler.

7. SENATOR MITCHLER:
8. Well, I'd...

9. PRESIDENT:
10. ...do you, oh...

11. SENATOR MITCHLER:
12. ...just like to ask the sponsor...

13. PRESIDENT:
14. ...just a moment...one moment...one moment...Senator, you want to
15. answer them individually, or wait, cause there's several persons who
16. want to talk and I thought you might want to...all right. Senator
17. Mitchler.

18. SENATOR MITCHLER:
19. Well, I'd just like to ask the sponsor if this would restrict any
20. of the Senators in their deer hunting in the City of Chicago. D-E-A-R.

21. PRESIDENT:
22. Senator Welsh. Senator Welsh? Senator Egan.

23. SENATOR EGAN:
24. Yes, Mr. Speaker and Senator Latherow, it...it occurs to me being
25. from Cook County where we don't have any kind of a deer...well, there...
26. there...there is no hunting deer in Cook County. We do have a deer
27. population there, but it occurs to me that all of us in Cook County that
28. have to wait seven days for a permit, that will eliminate some permits to
29. the heavier more populated counties, which is really a discrimination
30. against us who will support wildlife in Illinois and at the same time
31. suffer from the consequence of...of what the inequity I think...that is
32. created. Now, I would...I would think Senator, that it would be fairer
33. to restrict, if you will in this fashion, or...or...give preference to

1. people who have permission to hunt on someone's private property, and
2. maybe they should be allowed to give...to obtain their permits first
3. rather than the way you're doing it here. Now, Senator Ozinga, I notice,
4. is a cosponsor on the bill. Obviously, he doesn't go deer hunting.
5. But I've got a lot of pals and a lot of constituents that hunt deer
6. and provide a lot of money for the conservation of wildlife in Illinois,
7. and they're from Cook County. Senator, I...I...I fail to see any fair
8. aspect of this bill, and I would urge anyone who is from a...a more
9. metropolitan area, such as in Cook and those downstate, that this
10. is totally unfair to us. And if you...if you were rather to have the
11. discrimination for people who have permits to hunt on private property
12. I could see the equity there, but this is totally unfair to Cook
13. County and to the more populated areas downstate, and consequently I'm
14. going to have to oppose it, Senator.

15. PRESIDENT:

16. Senator Knuppel.

17. SENATOR KNUPPEL:

18. This is a humane bill, Gentlemen. First of all, I'm afraid a
19. lot of those people from Cook County might not know the difference
20. between a deer and a cow. At least that's been the experience of
21. the downstate farmers and it's humane for the cattle population, so
22. you have beef and keep the cost of...of beef down on the market for
23. the consumer. And secondly, it's humane for those people who come
24. out of Chicago to hunt, because we have the kind of situation we had
25. last year where they don't...the farmers downstate, the people down-
26. state don't get permits, they're going to start shooting those people
27. from Chicago just like they shoot each other up there. And we want
28. to protect them, we don't want that to happen. Secondly, Senator
29. Egan says it's unfair, but you know those deer live out there in those
30. blackjack timber, they come out and eat my crops all year, and hell,
31. I ought to get first shot after that, you know. And then what's left...
32. they...they get to shoot what's left, I ought to get first shot after
33. I feed them for them. That's not discriminating, I raise them for

1. you, you know. And I don't get any payment for all the corn and grass
2. and beans and everything else they eat and water they drink. So I think
3. the guy that raised them ought to get first shot anyway, you know, kinda
4. like the old dog used to get first bite, but I do like the one sugges-
5. tion that you made. I...I think they ought to...ought to make it seven
6. days preference for those people who live in the downstate counties
7. and then another seven days for those people that have a place to
8. hunt. And...and I would agree with you on this and then let the other
9. people who don't have a place to hunt, and who don't have any deer and
10. don't feed any deer, give them that after fourteen days. Thank you.

11. PRESIDENT:

12. Will the members be in their seats, and will the persons not
13. entitled to the Floor, please leave the Floor? I'm just...it's a
14. little frustrating to not be able to hear them. I'm glad I don't
15. have a deer rifle up here. Senator Howard Mohr.

16. SENATOR MOHR:

17. Yes, Mr. President, I wonder if the sponsor would yield.

18. PRESIDENT:

19. He indicates he will.

20. SENATOR MOHR:

21. Senator, I share the same concern to a point that Senator Knuppel
22. raised, or the point that he raised, with regard to a fellow that owns
23. a farm and...and feeds deer and cattle all year long, he should have a
24. right, I agree with that. I know of instances where people owned farms
25. that happen to live in the metropolitan Chicago area that can't get
26. a permit to bring their own families on because when they apply they
27. are always too late, and I personally have been trying to get applica-
28. tions for one family that own property in Senator Roe's area, and...
29. they've been...just haven't been successful for about six years. I
30. wonder if there's some relief that we might be able to give to a
31. ...a land owner that lives outside of the...the county.

32. PRESIDENT:

33. Senator Latherow.

1. SENATOR LATHEROW:

2. I spent a little time talking to the director and he showed me
3. a copy of...some of the regulations that he's coming up with, and
4. this will allow a farm owner and members of his family, regardless
5. of where he lives, to obtain an...outside...if not living outside the
6. State of Illinois. If he's living in the State of Illinois, he and
7. the members of his family can each and everyone get a five dollar permit
8. to hunt on his own property.

9. PRESIDENT:

10. Senator...Senator Mohr.

11. SENATOR MOHR:

12. Well, I appreciate hearing that, I think that whole...whole process
13. should be looked at and reworked. I'm personally still not satisfied.

14. PRESIDENT:

15. Senator Johns.

16. SENATOR JOHNS:

17. Ladies and Gentlemen of the Senate, Lady and Gentlemen of the
18. Senate, I served the region, the 59th district and we have the highest
19. deer population, d-double-e-r, in the State of Illinois. And on the
20. first premise, I would probably may have even joined Senator Latherow
21. in this endeavor and then now I've got to admit that we love the
22. money, the income, that my colleagues from the North come to Pope
23. County and to southern Illinois to hunt deer. We love the hospitality
24. that you...you bring with you...in packages sometimes, but I can't go
25. for this bill because it would really be a little discriminatory. I
26. would tell you that we have a beautiful deer festival down in Pope
27. County, and in a little town of fifteen hundred people we have fifteen
28. thousand crowd into that community, beautiful parade, and so I'm really
29. giving you a pitch to tell you that that bill that you voted on yester-
30. day, that Little Saline River Lake, that's what changed me. Thank you.

31. PRESIDENT:

32. Senator Welsh.

33. SENATOR WELSH:

A question for the sponsor.

PRESIDENT:

1. He indicates he'll yield. Just one moment. Now, it just isn't
2. fair to the members who are trying to do business for those of you
3. who are concerned about other things to make the kind of noise at
4. the level you're making it, for the hearing of bills. Please keep
5. your voices down and people not entitled to the Floor, please leave
6. the Floor. Senator Welsh.

6. SENATOR WELSH:

7. Senator, has the Department of Conservation approved this bill?

8. PRESIDENT:

9. Senator Latherow.

10. SENATOR LATHEROW:

11. Senator Carroll, I...I might say I don't know for sure, but he
12. asked me yesterday if I had any objections if he worked against it.

13. PRESIDENT:

14. Senator Welsh.

15. SENATOR LATHEROW:

16. Senator Welsh, I'm sorry.

17. SENATOR WELSH:

18. Did a representative of the department appear in committee?

19. PRESIDENT:

20. Senator Latherow. Leave your mike on.

21. SENATOR LATHEROW:

22. No, Sir. No one appeared in committee against it.

23. PRESIDENT:

24. Senator Welsh.

25. SENATOR WELSH:

26. Mr. President, I think that this is a bad bill for...for the
27. highly populated areas of the State of Illinois and I would urge it's
28. defeat.

29. PRESIDENT:

30. Senator Sommer.

31. SENATOR SOMMER:

32. Would the sponsor yield for a question?

33. PRESIDENT:

34. Senator Latherow indicates he'll yield.

1. SENATOR SOMMER:

2. Senator Latherow, as you know, when you go hunting deer, you
3. have to check them in at a check in point and down in the county in
4. my district a couple years...ago, a couple of hunters came in and they
5. had a donkey strapped onto the car, this is true, and they went to
6. the check out point and...they had that happen. About two years ago,
7. our local sheriff gave permission for some hunters to come on to the
8. property and they shot a man's prize goat. Will your bill prevent this
9. sort of activity?

10. PRESIDENT:

11. Senator Latherow.

12. SENATOR LATHEROW:

13. Well I might approve the elimination of a few goats, but keep
14. all those donkeys around. We like them down there.

15. PRESIDENT:

16. Any further discussion? The question is shall...oh yes, Senator
17. Latherow may close the debate.

18. SENATOR LATHEROW:

19. Well, Mr. President, thank you. I had a couple of questions, or
20. statements mentioned that I'd like to clarify. I might say...Senator
21. Egan, in relationship to the man we call deer slayer Ozinga, that I
22. ran four deer by him last fall before he could finally hit one of them,
23. and he did get the first deer that the group of us were hunting...to-
24. gether got. Now, I might say when we talk about discrimination, many
25. of these rural people who have property and as Senator Knuppel said,
26. see these deer graze and feed on their corn field and their bean field
27. and grass all year, have real objections if they find out that someone
28. outside of the area is able to get a permit and they weren't able to.
29. Now, of course, they recognize, as well as you or I do, that they do
30. not own the deer. But they recognize also that they do own that private
31. property, that they could take out and have no longer available to hunt
32. upon. And this is merely meant for a piece of legislation to suave
33. some of those people who've had objections. Now, I recognize now that in

1. the proposals that the department has they are increasing the number
2. of deer permits for most of these counties that are favorable hunting
3. areas. I also would want to recognize that not a big percent of
4. the local people are deer hunters. The big share, I think in most of
5. these counties you'll find, are people who come from out of the county
6. in there to hunt. There are five of us that hunt together with deer-
7. slayer here, and three of them are from out of the county. So I...I
8. think that's a good example of about what can happen. I'd appreciate
9. the favorable consideration of this legislation, Mr. President.

10. PRESIDENT:

11. The question is shall Senate Bill 61 pass. All in favor will
12. vote Aye. Opposed will vote Nay. The voting is open. Have all voted
13. who wish? Take the record. On this question, The Ayes are 17,
14. the Nays are 23. This bill failing to receive a constitutional
15. majority is declared lost. Do you want to postpone it, Sir? All
16. right. Senator Latherow.

17. SENATOR LATHEROW:

18. Mr. President, I didn't want to postpone it, but I wanted to recog-
19. nize that I had a lot more support for it the first day than I had today.

20. PRESIDENT:

21. Senate Bill 98, Senator Welsh. Senate Bill 103, Senator Glass.
22. Read the bill.

23. SECRETARY:

24. Senate Bill 103.

25. (Secretary reads title of bill)

26. 3rd reading of the bill.

27. PRESIDENT:

28. Senator Glass.

29. SENATOR GLASS:

30. Thank you, Mr. President...I...Ladies and Gentlemen. Senate Bill
31. 103 would plug what I consider a current loophole in the income tax.
32. Right now, pension income...from the years 1970 and earlier is exempt
33. from the Illinois Income Tax. Likewise, as the result of a bill passed

1. after 1971, this is...income...or these benefits are also exempt. So
2. Senate Bill 103 would take care of the year 1971 and exempt income...
3. benefits from pensions for that year. And I think it would be a minor
4. revenue loss, the Department of Revenue did not oppose the bill, and I
5. would urge a favorable roll call.

6. PRESIDENT:

7. Any further discussion? The question is, shall Senate Bill 103
8. pass. All in favor will vote Aye. Opposed will vote Nay. The voting
9. is open. Have all voted who wished? Take the record. On this question
10. the Ayes are 41, the Nays are None...1, yes, o-n-e. Senate Bill 103
11. having received the constitutional majority is declared passed. Senate
12. Bill 126, Senator Egan. Senate Bill 146, Senator Schaffer. Senate
13. Bill 161, Senator Palmer. Senate Bill 161. Senate Bill 163, Senator
14. Donnewald. Senate Bill 167, Senator Regner. Senate Bill 223, Senator
15. Fawell. Read the bill.

16. SECRETARY:

17. Senate Bill 223.

18. (Secretary reads title of bill)

19. 3rd reading of the bill.

20. PRESIDENT:

21. Senator Fawell.

22. SENATOR FAWELL:

23. Yes, Mr. President, there is an amendment on the Secretary's Desk
24. and it is an agreed to amendment that Senator Netsch and Senator Wooten
25. referred to yesterday. We worked out with the department...excuse me
26. ...well...

27. PRESIDENT:

28. Senator Fawell are you seeking leave to return the bill to the
29. order of second reading for the purpose of this amendment. Is there
30. leave? Leave is granted. Read the amendment. Senator Fawell do
31. you desire to explain the amendment.

32. SENATOR FAWELL:

33. Yes, very briefly, the amendment simply does give the department

1. the ability to have some control in regard to a ceiling on the charges
2. which private facilities may charge and I move the adoption of Amend-
3. ment No. 1.
4. PRESIDENT:
5. Senator Fawell moves the adoption of Amendment No. ...Senator
6. Wooten, for what purpose do you arise?
7. SENATOR WOOTEN:
8. Question. I wondered if this list was substantially the amendment
9. we were looking at yesterday. Okay, thank you.
10. PRESIDENT:
11. Senator Fawell moves the adoption of Amendment No. 1 to Senate
12. Bill 223. All in favor of adoption vote Aye. Opposed, Nay. The Ayes
13. have it. The amendment is adopted. 3rd reading. Senate Bill 243,
14. Senator Soper. Would you gentlemen standing in front of Senator Soper,
15. Senator Philip, and you, would you give him an audience please. Senate
16. Bill 243, Senator Soper. Read the bill.
17. SECRETARY:
18. Senate Bill 243.
19. (Secretary reads title of bill)
20. 3rd reading of the bill.
21. PRESIDENT:
22. Senator Soper.
23. SENATOR SOPER:
24. This bill does exactly what the synopsis states. It raises the
25. limits of indemnity by certain cities for policemen who have committed
26. nonintentional, torts, in the line of duty from fifty thousand to
27. a hundred thousand. For the fourteen that are not sponsors of this
28. bill, that's exactly what the bill does. There are forty-five sponsors.
29. PRESIDENT:
30. Any further discussion? The question is shall Senate...will Senate
31. ...shall Senate Bill 243 pass. Those in favor will vote Aye. Those
32. opposed will vote No...Nay. The voting is open. Have all voted who
33. wished? Take the record. ...(Machine cut-off)...on this question, the

1. Ayes are 51, the Nays are none. This bill having received a constitu-
2. tional majority, Senate Bill 243 is declared passed. Senate Bill 244,
3. Senator Soper.

4. SECRETARY:

5. Senate Bill 244.

6. (Secretary reads title of bill)

7. 3rd reading of the bill.

8. PRESIDENT:

9. ... (Machine cut-off) ... Soper. Yeah.

10. SENATOR SOPER:

11. This does the same thing for sheriffs and deputy sheriffs that
12. it does for policemen, it does this for sheriffs in counties.

13. PRESIDENT:

14. Any further discussion? The question is shall Senate Bill 244
15. pass. All in favor will vote Aye. Opposed will vote No...Nay. The
16. voting if open. ... (Machine cut-off) ... voted who wished? Take the
17. record. On this question the Ayes are 49, the Nays are none. Senate
18. Bill 244 having received a constitutional majority is declared passed.

19. ... (Machine cut-off) ... Bill 223, Senator Fawell. ... (Machine cut-off)
20. ... Fawell, we're just going to take it out of the record a minute, the
21. bill went back into the back, so we'll get back as soon as it's here.

22. Senate Bill 260, Senator Egan. Senate Bill 298, Senator Ozinga. Senate
23. Bill 304, Senator Shapiro. Read the bill.

24. SECRETARY:

25. Senate Bill 304.

26. (Secretary reads title of bill)

27. 3rd reading of the bill.

28. PRESIDENT:

29. Senator Shapiro.

30. SENATOR SHAPIRO:

31. Mr. President, I need to get some direction from the Chair. I
32. would like leave of the Senate to have 305 read also, because they
33. are companion bills. One, 304, is the appropriation, 305 is a sub-
34. stantive bill, and that's what I really should be addressing my remarks

1. to.

2. PRESIDENT:

3. Is there leave for an explanation and a reading of both bills,
4. 304 and 5, they are companion bills. Is there leave. Leave is
5. granted. Senator Shapiro.

6. SECRETARY:

7. ...Senate Bill 305.

8. (Secretary reads title of bill)

9. 3rd reading of the bill.

10. SENATOR SHAPIRO:

11. Mr. President and Ladies and Gentlemen of the Senate, Senate
12. Bill 304 and 305 are substantive bills and an appropriation bill
13. to the State Board of Investment so that they can administer the
14. Public Employees Deferred Compensation Article. As you recall, a
15. year ago, we did pass that Act and granted the authority to the State
16. Board of Investment to administer the bill. The State Board of
17. Investment has no appropriated funds. They operate under...on a
18. portion, of the investment income that is earned from the Public
19. Employee Pension Funds that they administer. So therefore it was
20. necessary to introduce this appropriation so that they can get the
21. Deferred Compensation Act going. The calendar that you have on your
22. desk, states that these bills are effective immediately. That has
23. been amended out, and they are...will become effective July 1st of
24. this year. It will take approximately seven to eight months to set
25. up proper plans that can be put out for bids on the Deferred Com-
26. pensation Act. The appropriation is for sixty-five thousand dollars,
27. and it is to be repayed over a ten year period. And once the program
28. gets going, there will be investment income coming in so that the
29. State Board will not have to ask for future appropriations, provided
30. the plans are successful. If there are any questions, I'd be glad
31. to answer them, otherwise I would appreciate a favorable roll call.

32. PRESIDENT:

33. Any further discussion? The question is shall Senate Bill 304

1. pass. All in favor will say...vote Aye. Opposed will vote Nay. The
2. voting is open. Have all voted who wished? Take the record. ...On
3. this question, the Ayes are 44, the Nays are none. Senate Bill 304
4. having received a constitutional majority is declared passed. This
5. is a roll call to be taken now on the companion bill, 305. Any further
6. discussion? Well, clear the board. Separate roll call, yes. The
7. companion bill, 305, all in favor will vote Aye. Opposed will vote
8. Nay. The voting is open. ...voted who wished? Take the record.
9. Question, the Ayes are 50, the Nays are none. Senate Bill 305 having
10. received a constitutional majority is declared passed. Senate Bill 323,
11. Senator Johns. ...Johns. Pardon me, read the bill.

12. SECRETARY:

13. Senate Bill 323.

14. (Secretary reads title of bill)

15. 3rd reading of the bill.

16. SENATOR JOHNS:

17. Thank you Mr. President. Senate Bill 323. This is a bill designed
18. to clarify the law to assure that proper distinction exists between
19. assistant directors of mines and minerals department and mine officers
20. as provided by law. Now we had this in the Executive Committee if I'm
21. not mistaken, come out of there unanimous after the clarification. The
22. bill is designed to clear up confusing language, it's a housekeeping bill,
23. designed to clear up the confusing language in the statutes, regarding
24. two different classes of officers in the Department of Mines and Minerals.
25. I would certainly appreciate a favorable roll call.

26. PRESIDENT:

27. Any further discussion? The question is shall Senate Bill 323
28. pass. All in favor, vote Aye. Opposed will vote Nay. The voting is
29. open. Have all voted who wished? Take the record. On this question,
30. the Ayes are 52, the Nays are none. This bill having received a con-
31. stitutional majority, Senate Bill 323 is declared passed. Senate Bill
32. 223, Senator Fawell.

33. SECRETARY:

1. ... (Machine cut-off)...3.
2. (Secretary reads title of bill)
3. 3rd reading of the bill.
4. PRESIDENT:
5. Senator Fawell.
6. SENATOR FAWELL:
7. Mr. President, and members of the Senate, this bill was rather
8. thoroughly explained yesterday, Senate Bill 223, which has the effect
9. of limiting the liability of the parents of children in the private
10. mental facilities to the same per monthly rate as is the case of
11. children who are in the public mental health facilities.
12. PRESIDENT:
13. For what purpose does Senator Rock arise?
14. SENATOR ROCK:
15. Thank you Mr. President, I wonder Senator, the amendment was just
16. placed on, we really don't have an idea yet as...or a handle on how
17. much this bill will cost. I wonder if you'd be kind enough to hold it.
18. To give us an opportunity to take a look at it. There is one provision
19. of the amendment that frankly I don't personally agree with, but that's
20. only my personal agreement. The question is really how much money is
21. this bill going to cost.
22. PRESIDENT:
23. He indicates...Senator Fawell.
24. SENATOR FAWELL:
25. Well, I...I'll be glad to hold it. I...the department has however
26. estimated six million dollars, approximately.
27. PRESIDENT:
28. Senate Bill...take it out of the record. Senate Bill 349, Senator
29. Kosinski.
30. SECRETARY:
31. Senate Bill 349.
32. (Secretary reads title of bill)
33. 3rd reading of the bill.

1. PRESIDING OFFICER: (SENATOR BRUCE)

2. Senator Kosinski.

3. SENATOR KOSINSKI:

4. Mr. President, and the members of the Senate, 3-forty-9th...Senate
5. Bill 352 is a companion bill and I'd like to have them together, if
6. possible, one is...the purpose of the bill is to authorize currency
7. exchanges to become agents licensed by the Department of Revenue to
8. sell lottery tickets. One is to sell, and one is to get the license.
9. To permit them to have a license. It passed to seven to nothing in
10. committee. Mr. Williard Ice is the gentleman that prepared the bill.
11. I seek a favorable roll call.

12. PRESIDING OFFICER: (SENATOR BRUCE)

13. Is there any further discussion? The question is...Senator
14. Savickas.

15. SENATOR SAVICKAS:

16. Why were these currency exchanges excluded in the first place?

17. PRESIDING OFFICER: (SENATOR BRUCE)

18. Senator Kosinski.

19. SENATOR KOSINSKI:

20. If I'd had the answer, I'd be probably the General Director of
21. lottery.

22. PRESIDING OFFICER: (SENATOR BRUCE)

23. Senator Savickas Senator Soper.

24. SENATOR SOPER:

25. Well, I...all right. I believe that, Senator Savickas, I think
26. the law calls for those people who are...who have a...sales tax
27. identification and I don't think currency exchanges do have a sales
28. tax, that's the way...why they were excluded.

29. PRESIDING OFFICER: (SENATOR BRUCE)

30. Further discussion? The question is shall...Senator Mitchler.

31. SENATOR MITCHLER:

32. I'd like to ask the sponsor, are banks and other financial in-
33. stitutions prohibited from selling lottery tickets?

34. PRESIDING OFFICER: (SENATOR BRUCE)

1. Senator Kosinski.

2. SENATOR MITCHLER:

3. I don't...

4. SENATOR SOPER:

5. The banks sell them.

6. PRESIDING OFFICER: (SENATOR BRUCE)

7. Senator Mitchler.

8. SENATOR MITCHLER:

9. Well, I think that we're getting into an area here where the...
10. with the lottery that when you start selling these at currency ex-
11. changes, you're getting into financial institutions. If you're going
12. to open it wide open then I think this should include banks and savings
13. and loans and all financial institutions, credit unions. Can credit
14. unions sell lottery tickets? You know when people come to cash their
15. paycheck, which currency exchanges originally intended for, that's
16. the time that you nab the guy. You know, it's like the fellow down
17. that corner tavern, he likes to cash paychecks because he's gets him
18. to buy a couple beers for himself and his local friend. And that's
19. what you are doing when you go into the financial institutions. And
20. the credit unions and the currency exchanges, banks, savings and loans
21. and that is the place that you do not want to do that. I think it's
22. bad enough that you do it at super markets when you're buying your
23. groceries and exchanging your food stamps that you can pick up a few
24. of these lottery tickets. And the lottery is not as popular as a lot
25. of people thought it would be, and I don't think we should encourage
26. taking money out of the pockets of people that should go for bread and
27. food at home and milk for the kids and start getting them right there
28. where they cash the paycheck.

29. PRESIDING OFFICER: (SENATOR BRUCE)

30. Senator Harber Hall.

31. SENATOR HALL:

32. I suppose, Mr. President, now is as good as time as any to speak
33. on the topic of lottery. I hope...I...question of order is not raised

1. on this. I just want to say that those of us who opposed the intro-
2. duction of the lottery in this State, predicted that it would be the
3. greatest rip-off to the citizens of the State that we have ever seen.
4. We predicted that there would be solicitations and all types of adver-
5. tising and attempts to take the taxpayers...the...the small income
6. producer, and take what little money he has and skim off fifty per
7. cent of it and give him a chance to win off possibly the other fifty
8. percent. It is a horrible example of how government can get involved
9. in tricky operations to take money from people. I think the lottery
10. itself is an abomination in the State and to show that I have no
11. particular objection, and I think it's a reasonable bill, but to show
12. my objection I intend to vote Present on this.

13. PRESIDING OFFICER: (SENATOR BRUCE)

14. Senator Course.

15. SENATOR COURSE:

16. Yes, Mr. President and members of the Senate. Senator Regner
17. and I attended a seminar a few years back and it was on the subject
18. of lotteries. And it was brought out at that seminar that the State
19. of Illinois...the State of New York when they first passed legislation
20. to permit a lottery, it fell flat on its face. For the simple reason
21. that they went to banks and to certain institutions to sell the lottery
22. tickets. The State of New Jersey about two years later, passed a bill
23. to permit the sell of lottery tickets or permit a lottery in the State
24. of New Jersey. And they spent over a million dollar advertising, they
25. sold them every place, in food stores, grocery stores, barber shops,
26. shoeshine parlors. And the State of New Jersey...reaped a...a bonanza.
27. Now somebody said that this is a rip-off. If ninety-three million
28. dollars in the State...the State of Illinois's coffer is a rip-off, well
29. then maybe it is a rip-off, but it's going for our schools and if we
30. don't get it from the lottery we're going to get it from some place
31. else and we're going to get it out of the pockets of the people, the
32. taxpayers again. Now Ladies and Gentlemen, this is good legislation.
33. The more outlets we have, the more lottery tickets are going to be

1. sold. The more winners we're going to have, the more money is going to
2. be...the State of Illinois is going to have in their treasury. I would
3. suggest the members on our side of the lisle...of the aisle support
4. this legislation, it's good legislation.

5. PRESIDING OFFICER: (SENATOR BRUCE)

6. Senator Rock. Any further discussion? Senator Kosinski may close
7. the debate.

8. SENATOR KOSINSKI:

9. Roll call.

10. PRESIDING OFFICER: (SENATOR BRUCE)

11. The question is, shall Senate Bill 349 pass? Those in favor vote
12. Aye. Those opposed vote Nay. The voting is open. ...(Machine cut-
13. off)...voted who wished? Take the record. On that question the Ayes
14. are 33, the Nays are 11, 5 voting Present, 5 voting Present, 10 absent.
15. The bill having received the constitutional majority, is declared passed.
16. Senate Bill 352. Senate Bill 352, Senator Kosinski.

17. SECRETARY:

18. Senate Bill 352.

19. (Secretary reads title of bill)

20. 3rd reading of the bill.

21. PRESIDING OFFICER: (SENATOR BRUCE)

22. Senator Kosinski, any further discussion?

23. SENATOR KOSINSKI:

24. Mr....Mr. President this is a companion bill and another favorable
25. roll call please.

26. PRESIDING OFFICER: (SENATOR BRUCE)

27. Any further discussion? Senator Latherow.

28. SENATOR LATHEROW:

29. Mr. President, I just had one question I'd like to ask the sponsor
30. if he'll yield.

31. PRESIDING OFFICER: (SENATOR BRUCE)

32. Senator Kosinski.

33. SENATOR LATHEROW:

1. Does this require the currency exchange now to have a sales tax
2. number?
3. SENATOR KOSINSKI:
4. Not that I know of.
5. PRESIDING OFFICER: (SENATOR BRUCE)
6. Heard the discussion? The question is shall Senate Bill 352 pass.
7. Those in favor vote Aye. Those opposed vote Nay. The voting is open.
8. ... (Machine cut-off) ... voted who wished? Take the record. On that
9. question the Ayes are 31, the Nays are 9, 5 voting Present. Senate
10. Bill 352 having received the constitutional majority is declared passed.
11. Senate Bill 359, Senator Knuppel. Senate Bill 34... Senate Bill 422,
12. Senator Smith. Read the bill.
13. SECRETARY:
14. Senate Bill 422.
15. (Secretary reads title of bill)
16. 3rd reading of the bill.
17. PRESIDING OFFICER: (SENATOR BRUCE)
18. Senator Smith.
19. SENATOR SMITH:
20. Mr. President and members of the Senate, it's possible for this
21. bill to be here as of this moment by reason of the passage by the
22. Federal Congress of the Federal Disaster Act of last year. The syn-
23. oopsis with reference to this bill is in error. It states that this
24. is an appropriation for a given purpose, which is true, but the bill
25. was amended in committee at my request. As the bill came to us from
26. the department, it was in error. It did not make provision for the
27. Federal contribution for this purpose. And it would be well for each
28. and every member present to bear in mind that the effects of this bill
29. reaches back to the disasters that we experienced here in the State of
30. Illinois in the earlier part of last year, nineteen hundred seventy-
31. four. It is estimated that in order to fund this bill the sum of one
32. million five hundred thousand dollars will be necessary. The Federal
33. law provides and the Federal Government has agreed to pay three-fourths

1. of that amount of one million, one hundred and twenty five thousand
2. dollars of the total, one million, five hundred thousand. Under the
3. Federal law, the State in which a disaster area has been declared, pays
4. the remaining one-fourth. And that of course means that the State of
5. Illinois has been assessed at three hundred seventy-five thousand
6. dollars. It might please the membership of this Body to know that in
7. this instance, the Federal Government has already supplied the total
8. amount of the total appropriation, which is one million, five hundred
9. thousand dollars, and that includes the portion of the part that the
10. State of Illinois will pay. There are forty-six counties in this
11. State. That portions of which were declared as disaster areas. If you
12. wish to see whether your county is embraced or included in this grant,
13. I have the names of the forty-six counties here and they are available.
14. The three hundred and seventy-five dollars in this instance was furnished
15. by the Federal Government. That made it lethal that we have the bill
16. as it was before us, that the three hundred and seventy-five thousand
17. dollars is in order that we may repay the Federal Government for having
18. advanced the amount that the State should ordinarily have had to put
19. in. This is a bill, I dare say, that should receive a unanimous vote.
20. I hope that it will receive a unanimous vote. It is not my bill, it
21. is a department bill and I compliment and congratulate the department
22. for being farsighted enough to cause such a bill to be introduced.
23. May I in closing, suggest Mr. President, that the members I can have,
24. I'll do whatever you wish. I can have the various counties mimeographed.
25. But you should see and know whether or not your county will receive
26. monies because of the floods, the high winds, and so forth that we
27. experienced in the earlier part of last year, nineteen seventy-four.
28. I hope we will have a unanimous vote on this one noncontroversial bill
29. that has been presented here today.

30. PRESIDING OFFICER: (SENATOR BRUCE)

31. Senator Bell.

32. SENATOR BELL:

33. Yes, thank you Mr. President, Senator Smith I'm not rising in

1. opposition. Quite frankly, I had a great deal of difficulty in hearing
2. your thoughts on the bill. There's too much noise on the Floor, Mr.
3. President, can you exercise your position and try to do...

4. PRESIDING OFFICER: (SENATOR BRUCE)

5. I will ask...

6. SENATOR BELL:

7. ...something about it.

8. PRESIDING OFFICER: (SENATOR BRUCE)

9. ...the members to come to order and pay attention to Senator Smith.

10. We are on 3rd reading of a very significant bill. Is there further
11. discussion? The question is, shall Senate Bill 422 pass. Those in
12. favor, vote Aye. Those opposed vote Nay. The voting is open. Have
13. all voted who wished? Take the record. On that question, the Ayes
14. are 49, the Nays are none. Senate Bill 422 having received the con-
15. stitutional majority is declared passed.

16. PRESIDENT:

17. ... (Machine cut-off)...Rock. Senator Vadalabene, Senate Bill 540.
18. Read the bill.

19. SECRETARY:

20. Senate Bill 540.

21. (Secretary reads title of bill)

22. 3rd reading of the bill.

23. PRESIDENT:

24. Senator Vadalabene.

25. SENATOR VADALABENE:

26. Yes, thank you, Mr. President and members of the Senate. Senate
27. Bill 540 actually amends Senate Bill 166 which was signed into law by
28. the Governor creating these civic centers across the State of Illinois.
29. What this bill does, it...it moves the effective date of July 1, of
30. 1975 to April 15th, 1975, so that some of these civic centers can get
31. their bonds sold and get their civic centers constructed. The bill
32. was not in bill...the bill was not in the bill books yesterday. I
33. understand they have been printed and I would appreciate a favorable

1. vote.

2. PRESIDENT:

3. Any further discussion? Senator Bloom.

4. SENATOR BLOOM:

5. Yes, this bill would affect Peoria and Springfield and Rockford
6. as well and I'd urge a favorable vote. Thank you.

7. PRESIDENT:

8. Any further discussion? The question is shall Senate Bill 540
9. pass. All in favor will vote Aye. Opposed will vote Nay. The voting
10. is open. Have all voted who wished? ...all voted who wished? Take
11. the record. On this question, the Ayes are 47, the Nays are none, 1
12. voting Present. Senate Bill 540 having received a constitutional
13. majority is declared passed. Senator Welsh.

14. SENATOR WELSH:

15. On a point of personal privilege.

16. PRESIDENT:

17. State your point.

18. SENATOR WELSH:

19. Mr. President and members of the Senate, I would like to acknowl-
20. edge the presence of a number of students from the Daniel Webster
21. School in Chicago and they are led by Mrs. Sotterberg and they are
22. seated in the back of the Chamber.

23. PRESIDENT:

24. Will you please stand and be recognized by the Senate. Message
25. from the House.

26. A Message from the House by Mr. O'Brien, Clerk.

27. Mr. President - I am directed to inform the Senate that the
28. House of Representatives has concurred with the Senate in the passage
29. of a bill with the following title, Senate Bill 62, together with the
30. following amendment in the adoption of which I am instructed to ask
31. the concurrence of the Senate, to-wit:

32. Amendment No. 1.

33. Senator Rock is the sponsor of this bill.

1. PRESIDENT:

2. Senator Rock.

3. SENATOR ROCK:

4. Thank you, Mr. President and Ladies and Gentlemen of the Senate,
5. if I may have the attention of the Chamber.

6. PRESIDENT:

7. One moment, Senator Rock. This is a important bill, we've dealt
8. with it before. Can we have your attention? Senator Rock. Well,
9. Senator Vadalabene, for what purpose do you arise?

10. SENATOR VADALABENE:

11. Yes, Mr. President, before you get into this other order of business
12. with Senator Rock. My key was closed on...on the bill that I just
13. sponsored and I didn't vote and I'm recorded as being absent and I would
14. like the Journal to show that I was present on the bill that I just
15. sponsored and passed.

16. PRESIDENT:

17. I'm glad you said that, I just got through talking to every editor
18. in your district telling them you were not present. The record will
19. show that Senator Vadalabene who is the sponsor of the bill in his
20. enthusiasm neglected to uncork his switch and desired to be recorded
21. as voting in favor of that momentous legislation. Senator Rock.

22. SENATOR ROCK:

23. Thank you, Mr. President and Ladies and Gentlemen of the Senate.
24. Senate Bill 62, as I am sure everyone is aware is the Senior Citizens
25. Tax Relief measure. The House did in fact put an amendment on and
26. I am at this time Mr. President, moving to concur with Amendment No. 1
27. to Senate Bill 62. I have cause to be passed out copies of the Amend-
28. ment. Essentially it does three things, it delays the effective date
29. of the five percent change that was effected in the Senate here until
30. 1976. It clarifies the problem of Public Aid recipients in terms of
31. income and it adds a confidentiality clause so that the forms as sub-
32. mitted to the Department of Revenue will...will in fact be kept con-
33. fidential. I think the amendment is a good one. Senate Bill 62 as

1. amended passed the House unanimously. I would hope for the same type
2. of action here today in the Senate. I move Mr. President, that the
3. Senate do now concur with House Amendment No. 1 to Senate Bill 62.

4. PRESIDENT:

5. Senator Rock moves for the suspension of the rules for the purpose
6. of concurring in this...in this House Amendment to Senate Bill 62. All
7. in favor of the motion will vote Aye. Those opposed will vote Nay.
8. The motion is carried. Now Senator Rock moves for a concurrence in
9. Amendment No. 1 to Senate Bill 62. All in favor will vote Aye. Oh...
10. no...you'll have to vote...this will be a record roll call, this is
11. final action. All in favor will vote Aye. Opposed will vote Nay.
12. Senator Harris.

13. SENATOR HARRIS:

14. Yeah. This of course is a very significant piece of legislation
15. and I don't want to get into the roll call because thank goodness, we
16. have eliminated the privilege of vote explanation which does speed up
17. our process here. I just want to make this point clear about this
18. individual Senator's position on this important piece of legislation.
19. There is no question in my mind but what we have the money to fund this.
20. Now when Senate Bill 62 was considered in the 79th General Assembly, I
21. did not support it. But I did support Senate Bill 63, which is the
22. appropriation bill. And I want to state unequivocally that we've
23. got the money. I believe that a more appropriate way to deal with
24. senior citizen relief is to expand our existing statutory program. And
25. I know this bill is going to pass and I'm honestly deep inside probably
26. glad that it will pass. But I maintain as an individual, not in any
27. construction of leadership responsibility, but as an individual, I
28. believe the best way to extend this significant amount of additional
29. senior citizen relief, should come through the means of expanding our
30. two existing programs. Thank you.

31. PRESIDENT:

32. Any further discussion? Senator Berning.

33. SENATOR BERNING:

1. Thank you, Mr. President, I certainly have the greatest admiration
2. for the adroitness of our Assistant Leader, Senator Rock, but this is
3. a rather comprehensive amendment and to attempt to evaluate it while
4. there is confusion and discussion and debate and explanation going on,
5. it is just beyond the limited capabilities of some of us, certainly
6. including me. I have a question about from line 27 on and may I ask
7. the sponsor...

8. PRESIDENT:

9. He indicates he'll yield.

10. SENATOR BERNING:

11. ...to...to further elaborate on line 27 to 32. Does this mean
12. what I think it says, quickly, that this is a grant then over and
13. above a public assistance grant.

14. PRESIDENT:

15. Senator Rock.

16. SENATOR ROCK:

17. The...from 27 to 32 clarifies the eligibility of public aid re-
18. ciperents...recipients, and insures the tax relief grants are not
19. counted as income for supplemental...the SSI participants. It's separate
20. and apart, you are correct.

21. PRESIDENT:

22. Senator Berning.

23. SENATOR BERNING:

24. Well, very likely this is a...a part of the original intention,
25. however this emphasizes for me that what we are doing is circumventing
26. the intent of the existing legislation and appropriation for public
27. aid recipients and if I'm not mistaken, that those requirements are
28. somewhat the reflection of Federal guidelines, and will we not be poten-
29. tially incurring some ramifications here that we don't anticipate.

30. PRESIDENT:

31. Senator Rock.

32. SENATOR ROCK:

33. Well, the answer succinctly is no. And...and I think this amendment

1. or these words that were put in House Amendment 1, just further cor-
2. roborates and ensures that the legislative intent as intended in Senate
3. Bill 62 as introduced is in fact met. There was a question that Senator
4. Netsch, as a matter of fact raised on the Floor of the Senate, what
5. about public aid recipients, how do we determine. The intent of the
6. bill is to help those who need it the most, and so any grant given
7. under this...this bill will not count against public aid recipients.

8. PRESIDENT:

9. Any further discussion? The question is shall the Senate concur
10. in House Amendment No. 1 to Senate Bill 62. Those in favor vote Aye.
11. Those opposed will vote Nay. The voting is open. Have all voted
12. who wished? Have all voted who wished? Take the record. On that
13. question, the Aye's are 47, the Nays are 2, those Voting Present are 3.
14. Therefore the Senate concurs in House Amendment No. 1 to Senate Bill
15. 62, and the bill now having received the required constitutional
16. majority is declared passed. ... (Machine cut-off)...

17.

18. Thank you, Mr. President, on a point of personal privilege, I
19. would ask that the Senate acknowledge the presence on the Floor of
20. the Lieutenant Governor of our State, Neil Hartigan.

21. PRESIDENT:

22. Just as a matter of an announcement, you'll be happy to note that
23. we've only introduced a hundred and seventy new bills today. Senator
24. Bruce, for what purpose do you arise?

25. SENATOR BRUCE:

26. Would be in order...for my...to make a motion to be added as
27. a cosponsor at this time.

28. PRESIDENT:

29. To a...of course it would, Sir.

30. SENATOR BRUCE:

31. Senate Bill 727, Senator Schaffer's bill, I'd like to be added
32. as a cosponsor.

33. PRESIDENT:

34. Senator Bruce seeks leave...leave to be added as a cosponsor

1. to Senate Bill, what was the number?
2. SENATOR BRUCE:
3. 727.
4. PRESIDENT:
5. 727. Is there leave? An airplane bill. Senator Johns.
6. SENATOR JOHNS:
7. Would it be in order for me to ask leave of the Senate to waive
8. the six day rule on a certain bill. Would it be in order at this time?
9. PRESIDENT:
10. It would be in order.
11. SENATOR JOHNS:
12. All right. Senate Bill 95. I would like to be heard in executive
13. committee next Session, Wednesday, I believe it to be the 16th, at 7:00
14. o'clock in Room 212 in the evening. Senate Bill 95.
15. PRESIDENT:
16. You don't need it, you're got six days. If the notice goes out
17. today, it will be adequate.
18. SENATOR JOHNS:
19. All right. I'll see that it is.
20. PRESIDENT:
21. Fine.
22. SENATOR JOHNS:
23. I just want to be sure and clear that up.
24. PRESIDENT:
25. That's fine. Senator Savickas.
26. SENATOR SAVICKAS:
27. Mr. President and members of the Senate, the announcement for the
28. Labor and Commerce Committee meeting is set on the announcement for
29. Monday, April 14th. This will be moved to Wednesday at 7:00 o'clock
30. in the evening.
31. PRESIDENT:
32. Senator Egan.
33. SENATOR EGAN:

1. Mr. President and members of the Senate, I would like to move that
2. the Appropriations Committee be discharged for further consideration
3. of Senate Bill 227, for the purpose of Tabling the bill.

4. PRESIDENT:

5. Is there leave? Leave is granted. Senator Egan.

6. SENATOR EGAN:

7. I would like to move therefore that Senate Bill 227 be Tabled.

8. PRESIDENT:

9. You heard the motion. All in favor say Aye. Opposed Nay. The
10. bill is Tabled. Senator Davidson.

11. SENATOR DAVIDSON:

27. I'd just like to make a few brief words about this Senate Resolution
28. 53, which memorializes Sam Dean. I've had the pleasure of knowing and
29. working with Sam Dean for a little more than twenty years. I don't
30. think I've ever known a man who has been any more sincere, any more
31. hard working and any more of a participator in the operation of govern-
32. ment. Sam was very unusual because he always did things for people
33. and never asked anything in return. He served as the President of the

1. Mayor of...of...the President of Oak Brook for two terms and turned
2. that salary back to the City Treasurer. In my judgement, he is
3. a very unusual, outstanding and dignified person who that we miss
4. in our community tremendously. I ask for your favorable consideration.

5. PRESIDENT:

6. All in favor of adoption of this resolution, vote Aye. Opposed
7. Nay. Oh, those in favor of this resolution will signify your affirmative
8. vote by rising. The resolution is adopted. Senator Harris. The
9. adjournment resolution has not yet arrived. I'd like an understanding
10. that inasmuch as we're going to have a perfunctory tomorrow, that ad-
11. journment resolution could be of course Journalized tomorrow. Now we
12. have a large number of bills yet to be introduced, but the Senate will
13. be at ease during the reading of these bills so that members may go to
14. their committee hearings. At the conclusion of these...the reading of
15. these bills, then of course the Senate will stand adjourned. I announced
16. already that at noon tomorrow that we will be in Session, in Perfunctory
17. Session. Don't forget the cake they said, that's right. Reading of
18. the...introduction of bills.
